SECTION I DETAINEE SERVICES STANDARDS

ACCESS TO LEGAL MATERIALS

POLICY: FACILITIES HOLDING ICE DETAINEES SHALL PERMIT DETAINEES ACCESS TO A LAW LIBRARY, AND PROVIDE LEGAL MATERIALS, FACILITIES, EQUIPMENT, DOCUMENT COPYING PRIVILEGES, AND THE OPPORTUNITY TO PREPARE LEGAL DOCUMENTS.

| COMPONENTS | YES | No | NA | REMARKS |
|---|-------------|----|-------------|--|
| The facility provides a designated law library for detainee use. | \boxtimes | | | |
| The law library contains all materials listed in the "Access to Legal Materials" Standard, Attachment A. The listing of materials is posted in the law library. | | | | These materials are available on Lexis Nexis. |
| The library contains a sufficient number of chairs, is well lit, and is reasonably isolated from noisy areas. | \boxtimes | | | |
| The law library is adequately equipped with typewriters and/or computers, and has sufficient supplies for daily use by the detainees. | \square | | | |
| In addition to the physical law library, detainees have access to the Lexus Nexus electronic law library. | | | | |
| Where provided, the Lexus Nexus library is updated and is current. | \boxtimes | | | The system was updated on October 22, 2009. |
| Outside persons and organizations are permitted to submit published legal material for inclusion in the legal library. Outside published material is forwarded and reviewed by ICE prior to inclusion. | | | \boxtimes | No legal material submissions or requests for submissions have occurred in the past 12 months. |
| There is a designated ICE or facility employee who inspects, updates, and maintains/replaces legal materials and equipment on a routine basis. | \boxtimes | | | |
| Detainees are offered a minimum 5 hours per week in the law library. Detainees are not required to forego recreation time in lieu of library usage. Detainees facing a court deadline are given priority use of the law library. | \boxtimes | | | |
| Detainees may request materials not currently in the law library. Each request is reviewed and, where appropriate, an acquisition request is timely initiated. Requests for copies of court decisions are accommodated within 3 – 5 business days. | × | | | This is done through ICE. |
| etainees are permitted to assist other detainees, voluntarily and free of charge, in researching and preparing legal documents, consistent with security. | | | | |
| Illiterate or non-English-speaking detainees without legal representation receive access to more than just English-language law books after indicating their need for help. | \boxtimes | | | This would be accomplished by request to ICE. |
| Detainees may retain a reasonable amount of personal legal material in the general population and in the special management unit. Stored legal materials are accessible within 24 hours of a written request. | \boxtimes | | | |
| Detainees housed in Administrative Detention and Disciplinary Segregation units have the same law library access as the general population, barring security concerns. Detainees denied access to legal materials are documented and reviewed routinely for lifting of sanctions. | \boxtimes | | | |
| All denials of access to the law library fully documented. | | | | Law library access is not denied. |
| Facility staff informs ICE Management when a detainee or group of detainees is denied access to the law library or law materials. | | | | This has not occurred in the past 12 months. |
| Detainees who seek judicial relief on any matter are not subjected to reprisals, retaliation, or penalties. | | | | |

| In-processing includes an orientation of the facility. The orientation includes: Unacceptable activities and behavior, and corresponding sanctions; How to contact ICE; The availability of <i>pro bono</i> legal services, and how to pursue such services; schedule of programs, services, daily activities, including visitation, telephone usage, mail service, religious programs, count procedures, access to and use of the law library and the general library; sick-call procedures, and the detainee handbook. | \boxtimes | | | Orientation is accomplished by video and the issuance of the Inmate Rules Handbook which is in Spanish and English. |
| Medical screenings are performed by medical staff <u>or</u> persons who have received specialized training for the purpose of conducting an initial health screening. | \boxtimes | | | |
| Each new arrival is classified according to criminal history and threat levels. Criminal history is provided for each detainee by the ICE | \boxtimes | | | |
| field office. | | | | |
| All new arrivals are searched in accordance with the "Detainee Search" standard. An officer of the same sex as the detainee conducts the search and the search is conducted in an area that affords as much privacy as possible. | | | | |
| Detainees are stripped searched only when cause has been established and not as routine policy. Non-criminal detainees are not strip-searched but are patted down, unless reasonable suspicion is established. | \boxtimes | | | |
| The "Contraband" standard governs all personal property searches. IGSAs/CDFs use or have a similar contraband standard. Staff repares a complete inventory of each detainee's possessions. The letainee receives a copy. | | | | |
| Staff completes Form I-387 or similar form for CDFs and IGSAs for every lost or missing property claim. Facilities forward all I-387 claims to ICE. | | | | |
| Detainees are issued appropriate and sufficient clothing and bedding for the climatic conditions. | \boxtimes | | | |
| The facility provides and replenishes personal hygiene items as needed. Gender-specific items are available. ICE Detainees are not charged for these items. | \boxtimes | | | |
| All releases are properly coordinated with ICE using a Form I-203. | | | | |
| Staff completes paperwork/forms for release as required. | \boxtimes | | | |

There is no grievance tracking system or grievance log in place. The LCI noted this was also an issue in the 2008 inspection. The inspector in 2008 entered the following comment on the standard checklist: "During the course of the review, a grievance tracking system was implemented in the jail computer software system. Effectively immediately, grievance statistics and information will be able to be tracked." If this was done, it has apparently not been maintained Policy does not direct grievances that involve officer misconduct to be forwarded to ICE.

| When a detainee has refused food for 72 hours, it is standard practice for staff to refer him/her to the medical department. | | | | Policy 6622 states that "An inmate or resident who refuses food for 72 hours without access to commissary items is considered to be on a hunger strike." There have been no hunger strikes at this facility since the last inspection. |
| CDFs and IGSAs immediately report a hunger strike to the ICE. | \boxtimes | | | Policy 6622 requires the notification of the Assistant Director for Detention and Removal. |
| The facility has established procedures to ensure staff respond immediately to a hunger strike. | | | | Policy requires immediate response to hunger strikes. |
| Policy and procedure require that staff isolate a hunger-striking detainee from other detainees. • If yes, in an observation room? | | | | Policy requires isolation if medically advisable. |
| Medical personnel are authorized to place a detainee in the Special Management Unit or a locked hospital room. | \boxtimes | | | Policy requires isolation if medically advisable. |
| Medical staff records the weight and vital signs of a hunger-striking detainee at least once every 24 hours. | | | | Policy requires weights and vital signs at least every 24 hours. Other procedures are repeated as medically necessary. |
| The OIC of the facility obtains a hunger striker's consent before medical treatment. | \boxtimes | | | Per the chief nurse, consent would be obtained before medical treatment is provided. Local policy requires court approval prior to force feeding. |
| A signed Refusal of Treatment form is required of every detainee who rejects medical evaluation or treatment. | \boxtimes | | | Policy requires a signed refusal of treatment. |
| During a hunger strike, staff document and provide the hunger-striking detainee three meals a day. | | | | Policy requires delivery of three meals per day "regardless of the inmate or resident's response to a verbally-offered meal." |

| Facilities operate a health care facility in compliance with state and local laws and guidelines. | \boxtimes | | | The facility is inspected by the Minnesota Department of Corrections. The adult portion of the jail was last inspected on January 27, 2009. The facility was found to be in compliance with Minnesota standards. |
| The facility's in-processing procedures for arriving detainees include medical screening. | | | | Medical screening is performed by officers in the booking area. |
| All detainees have access to and receive medical care. | | | | Detainees gain access to medical care by filling out a sick call request form. Forms are collected daily during the week. RNs perform sick call using protocols and standing orders. The medical director is available by phone should problems arise that are outside |
| | | | | the protocols. Medical care beyond the scope of jail staff is arranged with health care providers in the community. |
| The facility has access to a PHS/DIHS Managed Health Care Coordinator. | \boxtimes | | | The jail uses ICE's TAR system to communicate with the managed health care coordinator. |
| The medical staff is large enough to provide, examine, and treat the facility's detainee population. | \boxtimes | | | On-site medical staffing includes two Registered Nurses that provide coverage on the day shift, Monday thru Friday. A physician/medical director is on-call. |
| The facility has sufficient space and equipment to afford detainee privacy when receiving health care. | \boxtimes | | | The health services unit has ample space. Detainees are examined in a room that provides privacy. |
| The medical facility has its own restricted-access area. The restricted access area is located within the confines of the secure perimeter. | \boxtimes | | | The health services area is its own restricted area and is within the secure perimeter. |
| The medical facility entrance includes a holding/waiting room. | \boxtimes | | | The medical area has a small waiting room. |
| The medical facility's holding/waiting room is under the direct supervision of custodial staff. | \boxtimes | | | When a detainee is brought to the health services area the escorting correctional officer remains with the detainee until they are returned to the housing unit. |
| Detainees in the holding/waiting room have access to a drinking fountain. | \boxtimes | | | Detainees have access to water and a toilet. |
| Medical records are kept apart from other files. They are: Secured in a locked area within the medical unit; With physical access restricted to authorized medical staff; and Procedurally, no copies made and placed in detainee files. | | | | Medical records are maintained separate from detention files. Access is restricted to medical personnel. |
| Pharmaceuticals are stored in a secure area. | | | | Pharmaceuticals are stored in a cart that is kept in a room in the health services area. The walls of the room are solid with a solid ceiling. The door is metal and secured with a high security locking device. |

| Medical screening includes a Tuberculosis (TB) test. Every arriving detainee receives a TB test during the admission process; Detainee's TB-screening does not occur more than one business day after his/her arrival at the facility; and Detainees not screened are housed separate from the general population. | | | | TB symptomatic screening is performed during booking. TB testing is performed by means of a digital chest x-ray. The x-ray is read the same day it is taken and results are Faxed back to the jail. If a detainee tests positive they are transferred to a facility with a negative pressure isolation cell. | | | |
| All detainees receive a mental-health screening upon arrival. It is conducted: By a health care provider or specially trained officer; and Before a detainee's assignment to a housing unit. | \boxtimes | | | Detainees receive mental health screening during the booking process. Officers receive training during their field training officer/orientation program. | | | |
| The facility health care provider promptly reviews all I-794s (or equivalent) to identify detainees needing medical attention. | | | | Health care staff review medical intake screening information promptly on weekdays. However, should a detainee | | | |
| | | | | arrive after 4 PM on Friday, their information will not be reviewed until 7 AM on Monday, at the earliest. If it is a three day weekend, review by a health care provider would be an additional day. | | | |
| The health care provider physically examines/assesses arriving detainees within 14 days of admission/arrival at the facility. | | | | The medical records of 15 detainees were reviewed and 6 of the 15 did not have assessments performed within 14 days of arrival. From January to March 2009, the facility performed a study of the timeliness of assessments and found that they were delinquent. A system of controls was put in place to ensure that assessments were performed. Of the nine records reviewed of detainees admitted after March 2009, all had timely physical assessments. | | | |
| Detainees in the Special Management Unit have access to health care services. | \boxtimes | | | Detainees in the Special Management Unit have the same access to health care as those in general housing. | | | |
| Staff provides detainees with health services (sick call) request slips daily, upon request. • Request slips are available in languages other than English, including every language spoken by a sizeable number of the facility's detainee population. • Service-request slips are delivered in a timely fashion to the health care provider. | | | | Sick call request slips are available upon request. The current request slip is available in English only, but is being translated into Spanish. Those detainees not speaking Spanish are provided translation assistance to fill out the form. | | | |
| The facility has a written plan for the delivery of 24-hour emergency health care when no medical personnel are on duty at the facility, or when immediate outside medical attention is required. | | | | Policy 6615 outlines procedures for delivery of emergency health care. | | | |
| The plan includes an on-call provider. | | | | Policy 6615 states that the contracted physician will be called if time permits. | | | |
| The plan includes a list of telephone numbers for local ambulance and hospital services. | | | | The plan instructs staff to dial "911". | | | |
| The plan includes procedures for facility staff to utilize this emergency health care consistent with security and safety. | | | | Policy 6615 adequately describes procedures for safety and security during emergency transport. | | | |

The facility has a procedure for the handling of caustic materials, but this procedure does not require inventories of these items. There were several areas of the facility that had toxic and caustic materials which were unsupervised and not on any inventories. MSDS sheets for all materials maintained by the jail were not up-to-date. The MSDS sheets were inadequate as there was no master list of hazardous materials maintained by the facility.

The facility has an approved fire plan (Policy #6813); however, this plan does not require monthly drills as required by the detention standard.

MEMORANDUM FOR:

Scott R. Baniecke

Field Office Director

St. Paul Minnesota Field Office

DEC 1 1 2009

FROM:

Robert P. Helwig

Assistant Director for Detention and Removal Management

SUBJECT:

Carver County Jail Annual Review

The annual review of the Carver County Jail conducted on November 17-19, 2009, in Chaska, Minnesota has been received. A final rating of <u>Acceptable</u> has been assigned.

The G-324A worksheets provided by the Lead Compliance Inspector (LCI) indicated the facility was deficient with the Detainee Grievance Procedures and Environmental Health and Safety standards. A Plan of Action is required to address these deficiencies and the deficiencies identified in Access to Medical Care.

The rating was based on the LCI Summary Memorandum and supporting documentation. The Field Office Director must remedy the above deficiencies and initiate the following actions in accordance with the Detention Management Control Program (DMCP):

- 1) The Field Office Director, Detention and Removal Operations, shall notify the facility within five business days of receipt of this memorandum. Notification shall include copies of the Form G-324A Detention Facility Review Form, the G-324A Worksheet, LCI Summary Memorandum, and a copy of this memorandum.
- 2) The Field Office Director is responsible for ensuring that the facility responds to all findings and a Plan of Action is submitted to the Review Authority (RA) within 30 days.
- 3) The RA will advise the Field Office Director once the Plan of Action is approved.
- 4) Once a Plan of Action is approved, the Field Office Director shall schedule a follow-up on the above noted deficiencies within 90 days.

Carver County Jail Annual Review Page 2 of 2

The Field Office is responsible for assisting the Intergovernmental Service Agreement (IGSA) facility to respond to the Immigration and Customs Enforcement findings when assistance is requested. Notification to the facility shall include information that this assistance is available.

Should you or your staff have any questions regarding this matter, please contact Gary Mead, Deputy Assistant Director, Detention Management Division at (202) 732-
