SUBJECT:

Lonoke City Jail Annual Detention Review

The New Orleans Field Office, Office of Detention and Removal conducted a detention review of the Lonoke City Jail on January 4, 2007. This review was conducted under the supervision of viewer-in Charge (b)(6).(b)(7)c This facility is used for detainees requiring housing less than 72 hours.

Type of Review:

This review is a scheduled Operational Review to determine general compliance with established Immigration and Customs Enforcement (ICE) National Detention Standards. The facility has been in use by ICE/ (INS) since 2002

Review Summary:

The Arkansas Criminal Detention Review Commission (Jail Standards) accredits this Facility. On January 04, 2007 the facility passed the inspected by the City of Lonoke Fire Department.

Subject: Detention Review Lummary Report

Page 2

Review Findings:

The following information summarizes those standards <u>not</u> in compliance. Each standard is identified and a short summary provided regarding standards or procedures not currently in compliance.

Compliant - 25
Deficient - 0
At-Risk - 0
Non-Applicable - 3

Standards Summary Findings:

In the element of Special Management Unit: The facility does not maintain an Administrative Segregation (SMU) or a Disciplinary Segregation area. If an ICE detainee would require being Administrative Segregate or Disciplinary Segregate then this facility would request a transfer of that ICE detainee to another ICE staging facility with a (SMU).

RIC Observations:

• The Facility Staff were questioned at length regarding policy and procedure. They exhibited a professional attitude during the inspection.

RIC Issues and Concerns

The Lonoke City Jail has an outstanding policy and procedure, and the ICE detainees are well taken care of, but however the facility needs some modern updating. This issue was discussed with the Chief of Police, and he stated that he would bring this issue up with the City Counsel for Jail improvement.

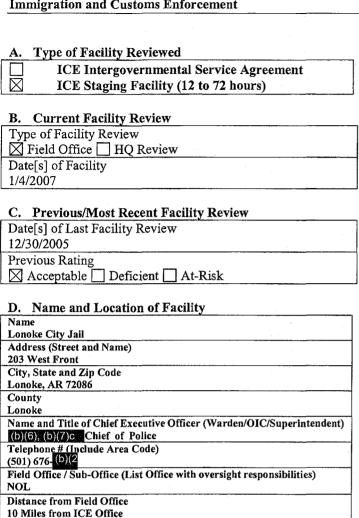

Recommended Rating and Justification:

It is the Reviewer in Charge recommendation that the facility receive a rating of "Acceptable" for an under 72- hour facility. The facility has maintained its compliance with ICE standards since the last follow-up review of 2005.

RIC Assurance Statement:

All findings of this review have been documented on Form G-324B and are supported by the written documentation contained in the review file.

Within the Scope of this review, the facility is operating in accordance with their policy and procedures.
