ADMISSION AND RELEASE

Policy: All detainees will be admitted and released in a manner that ensures their health,	safety,	and welfare.
The admissions procedure will, among other things include: medical screening; a file-base	sed ass	essment and
classification process; a body search; and a search of personal belongings, which	will be	inventoried,
documented, and safeguarded as necessary.	1 E A	

Components	Yes	No	NA	Remarks
In processing includes orientation information.	\boxtimes			
Medical screenings are performed by a medical staff or persons who have received specialized training for the purpose of conducting an initial health screening.	\boxtimes			
All new arrivals are searched in accordance with the "Detainee Search" standard. An officer of the same sex as the detainee conducts the search and the search is conducted in an area that affords as much privacy as possible.	⊠			
The "Contraband" standard governs all personal property searches. IGSAs use or have a similar contraband standard. Staff prepare a complete inventory of each detainee's possessions. The detainee receives a copy.	\boxtimes			
Staff completes Form I-387 or similar form for CDFs and IGSAs for every lost or missing property claim. IGSA facilities forward all I-387 claims to ICE.	\boxtimes			-
Detainees are issued appropriate and sufficient clothing and bedding for the climatic conditions.	Ø			
All releases are coordinated with the ICE office of jurisdiction.	\boxtimes			
ICE Staff enter all information on detainees admitted, released, or transferred into the Deportable Alien Control System (DACS).

DETAINEE HAN	DETAINEE HANDBOOK								
Policy: Every OIC will develop a site-specific detainee handbook to serve as an overview of, and guide to, the detention policies, rules, and procedures in effect at the facility. The handbook will also describe the services, programs, and opportunities available through various sources, including the facility, ICE, private organizations, etc. Every detainee will receive a copy of this handbook upon admission to the facility.									
Components	Yes	No	NA	Remarks					
The detainee handbook is written in English and translated into Spanish or into the next most-prevalent Language(s).				The detainees receive the detainee handbook after they move to the Dormitory. They are here 3 days or less					
The detainee handbook states in clear language basic detainee responsibilities.	\boxtimes								
The handbook identifies: Initial issue of clothing and bedding and personal hygiene items. when a medical examination will be conducted. the telephone policy, debit card procedures, direct and frees calls; Locations of telephones; Policy when telephone demand is high; Policy and procedures for emergency phone calls, and the Detainee Message System. facility search procedures and contraband policy. facility visiting hours and schedule and visiting rules and regulations									
 The handbook describes the detainee disciplinary policy and procedures: Including: Prohibited acts and severity scale sanctions. Time limits in the Disciplinary Process. Summary of Disciplinary Process. The detainee handbook describes the sick call procedures for general population and segregation. The handbook specifies the rights and responsibilities of all detainees. 				-

Significant Incident Summary Worksheet

For ICE to complete its review of your facility, the following information <u>must be completed</u> prior to the scheduled review dates. The information on this form should contain data for the past twelve months in the boxes provided. The information on this form is used in conjunction with the ICE Detention Standards in assessing your Detention Operations against the needs of the ICE and its detained population. This form should be filled out by the facility prior to the start of any inspection. Failure to complete this section will result in a delay in processing this report and the possible reduction or removal of ICE' detainees at your facility.
