MEMORANDUM FOR:

James T. Hayes Jr Field Office Director

Los Angeles Field Office

FROM:

 $u_{
m Chief}$

Detention Standards Compliance Unit

SUBJECT:

Ventura County Pre-Trial Detention Center Annual Detention

Review

The annual review of the Ventura County Pre-Trial Detention Center conducted on July 10 and 11, 2006 in Ventura, California has been received. A final rating of <u>Acceptable</u> has been assigned. No further action is required and this review is closed.

The rating was based on the Reviewer-In-Charge (RIC) Summary Memorandum and supporting documentation. The Field Office Director must now initiate the following actions in accordance with the Detention Management Control Program (DMCP):

- 1) The Field Office Director, Detention and Removal Operations, shall notify the facility within five business days of receipt of this memorandum. Notification shall include copies of the Form G-324B, Detention Facility Review Form, the G-324B Worksheet, RIC Summary Memorandum, and a copy of this memorandum.
 - 2) The Field Office Director shall schedule the next annual review on or before May 26, 2007.

Should you or your staff have any questions regarding this matter, please contact b6, b7c , Detention and Deportation Officer, Detention Management Division at (202) 732-b2 high

MEMORANDUM FOR:

John P. Torres

Director (Acting)

Office of Detention and Removal

FROM:

b7c b6

Immigration Enforcement Agent

LOS

SUBJECT:

Ventura County Pre-Trial Detention Center/Todd Road Facility

Annual Detention Review

The Los Angeles Field Office, Office of Detention and Removal conducted a detention review of the Ventura County Pretrial Detention Center on July 10 & 11, 2006. This review was conducted by IEA b6, b7c t, CIEA b6, b7c t, DO b6, b7c and IEA b6, b7c This facility is used for detainees requiring housing for less than 72 hours. The Todd Road facility is utilized to house sentenced inmates. Pre-release inmates under detainer by ICE are transferred to the Ventura County Pre-Trial Detention Center.

Type of Review:

This review is a scheduled Operational Review to determine general compliance with established Immigration and Customs Enforcement (ICE) National Detention Standards. The last review of this facility was completed July 19&20 2005.

Review Summary:

The facility is compliant with State of California Title 15 mandates. The medical department is accredited by the Institute for Medical Quality.

Review Findings:

The following information summarizes those standards <u>not</u> in compliance. Each standard is identified and a short summary provided regarding standards or procedures not currently in compliance.

Compliant - 26
Deficient - 0
At-Risk - 0
Non-Applicable - 2

Subject: Annual Detention view Report

Page 2

Standards Summary Findings:

No deficient standards were found.

RIC Observations:

Sgt. b6, b7c our host for the review, was available throughout the entire day to answer questions and provide documentary evidence as needed. Department heads were also available throughout the day to provide information about the various areas of the facility. Staff members were very positive and enthusiastic throughout. Inmates are generally happy about the amenities, aside from the actual fact of their incarceration.

RIC Issues and Concerns

Both facilities are well run and comply with all mandates set forth in the ICE Detention Standards.

Recommended Rating and Justification:

It is the recommendation of the Reviewer in Charge that the facility receive a rating of "Acceptable". It is the recommendation of the RIC that no plan of action is necessary and this review should be closed.

RIC Assurance Statement:

All findings of this review have been documented on Form G-324B and are supported by the written documentation contained in the review file.

Significant Incident Summary Worksheet

For ICE to complete its Review of your facility, the following information must be completed prior to the scheduled review dates. The information on this form should contain data for the past twelve months in the boxes provided. The information on this form is used in conjunction with the ICE detention standards in assessing your detention operations. This form should be filled out by the facility prior to the start of any inspection. Failure to complete this section will result in a delay in processing this report.

Incidents	Description	Jan – Mar	Apr – Jun	Jul - Sept	Oct - Dec

RIC Review Assurance Statement

By signing below, the Reviewer-In-Charge (RIC) certifies that all findings of noncompliance with policy or inadequate controls contained in the Inspection Report are supported by evidence that is sufficient and reliable. Furthermore, findings of noteworthy accomplishments are supported by sufficient and reliable evidence. Within the scope of the review, the facility is operating in accordance with applicable law and policy, and property and resources are efficiently used and adequately safeguarded, except for the deficiencies noted in the report.

TRANSPORTATION (Land Transportation)

Policy The Immigration and Naturalization Service will take all necessary precautions to protect the lives, safety, and welfare of our officers, the general public, and those in ICE custody during the transportation of detainees. Standards have been established for professional transportation under the supervision of experienced and trained Detention Enforcement Officers or authorized contract personnel.

Standard NA: Check this box if all ICE Transportation are handled only by the ICE Field Office or Sub-Office in control of the detainee case.

Components	Yes	No	NA	Remarks
Supervisors maintain records for each vehicle operator.				
Officers use a checklist during every vehicle inspection. Officers report deficiencies affecting operability. Deficiencies are corrected before the vehicle goes back into service.				
Transporting officers:				
 Limit driving time to 10 hours in any 15 hour period. Drive only after eight consecutive off-duty hours. Do not receive transportation assignments after having been on duty, in any capacity, for 15 hours. Drive a 50-hour maximum in a given work week; a 70-hour maximum during eight consecutive days. During emergency conditions (including bad weather), officers may drive as long as necessary and safe to reach a safe area-exceeding the 10-hour limit. 				
Two officers with valid CDLs required in any bus				
 transporting detainees. When buses travel in tandem with detainees, there two qualified officers per vehicle. An unaccompanied driver transport an empty vehicle. 				
Before the start of each detail, the vehicle is thoroughly searched.				
Positive identification of all detainees being transported is				
confirmed.				
All detainees are searched immediately prior to boarding the vehicle by staff controlling the bus or vehicle.				
The facility ensures that the number of detainees transported does not exceed the vehicles manufacturers occupancy level.				•
Protective vests are provided to all transporting officers.				
The vehicle crew conducts a visual count once all passengers are on board and seated. • Additional visual counts are made whenever the vehicle makes a scheduled or unscheduled stop.				
Policies and procedures are in place addressing the use of restraining equipment on transportation vehicles.

Policy: ICE will make all necessary notifications when a detainee is transferred. If a detainee is being transferred via the Justice Prisoner Alien Transportation System (JPATS), ICE will adhere to JPATS protocols. In deciding whether to transfer a detainee, ICE will take into consideration whether the detainee is represented before the immigration court. In such cases, the Field Office Director will consider the detainee's stage within the removal process, whether the detainee's attorney is located within reasonable driving distance of the facility, and where the immigration court proceedings are taking place.					
Components	Υ	N	NA	Remarks	
When a detainee is represented by legal counsel or a legal representative, and a G-28 has been filed, the representative of record is notified by the detainee's Deportation Officer. • The notification is recorded in the detainee's file • When the A File is not available, notification is noted within DACS	\boxtimes				
Notification includes the reason for the transfer and the location of the new facility,					
The deportation officer is allowed discretion regarding the timing of the notification when extenuating circumstances are involved.	\boxtimes				
The attorney and detainee are notified that it is their responsibility to notify family members regarding a transfer.	\boxtimes				
 Facility policy mandates that: Times and transfer plans are never discussed with the detainee prior to transfer. The detainee is not notified of the transfer until immediately prior to departing the facility. The detainee is not permitted to make any phone calls or have contact with any detainee in the general population. 					
The detainee is provided with a completed Detainee Transfer Notification Form.	\boxtimes				
Form G-391 or equivalent authorizing the removal of a detainee from a facility is used.					
For medical transfers: • The Detainee Immigration Health Service (or IGSA)(DIHS) Medical Director or designee
