U.S. Department of Homeland Security 425 I Street, NW Washington, DC 20536

NOV 1 5 2007

MEMORANDUM FOR:

James Hayes Jr.

Field Office Director Los Angeles Field Office

FROM:

John P. Torres

Director

SUBJECT:

Ventura County Jail Annual Review

The annual review of the Ventura County Jail conducted on July 21 and 22, 2007 in Ventura, California has been received. A final rating of <u>Deficient</u> has been assigned. This rating was assigned due to the use of EMDD (Electro Muscular Disruption Devices) commonly known as taser at this facility. No further action is required and this review is closed.

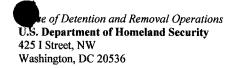

The rating was based on the Reviewer-In-Charge (RIC) Summary Memorandum and supporting documentation. The Field Office Director must now initiate the following actions in accordance with the Detention Management Control Program (DMCP):

- 1) The Field Office Director, Detention and Removal Operations, shall notify the facility **within** five business days of receipt of this memorandum. Notification shall include copies of the Form G-324A, *Detention Facility Review Form*, the G-324A Worksheet, RIC Summary Memorandum, and a copy of this memorandum.
- 2) Headquarters DRO (DSCU) in coordination with the Field Office Director shall schedule the next annual review on or before July 21, 2008.

Should you or your staff have any questions regarding this matter, please contact b6, b7c b6, b7c Detention and Deportation Officer, Detention Standards Compliance Unit (DSCU) at (202) 732- b2 high

MEMORANDUM FOR:

John P. Torres

Director

Office of Detention and Removal

FROM:

Supervisory Detention and Deportation Officer

Los Angeles Field Office

SUBJECT:

Ventura County Jail Annual Detention Review

The Los Angeles Field Office, Office of Detention and Removal conducted a detention review of the Ventura County Jail on July 21, 2007 and July 22, 2007. This review was conducted by SDDO be. b7c b6, b7c (RIC), DO and DO

Accountaines no rising loss than

This facility is used for detainees

Type of Review:

This review is a scheduled Operational Review to determine general compliance with established Immigration and Customs Enforcement (ICE) National Detention Standards. The Last review of this facility was July 19, 2006.

Review Summary:

The facility is not currently accredited. It was reviewed by the Ventura County Board of Supervisors within the previous year and found to be acceptable.

Review Findings:

The following information summarizes those standards not in compliance. Each standard is identified and a short summary provided regarding standards or procedures not currently in compliance.

Compliant 27 **Deficient** 0 At-Risk 0 Non-Applicable -1

Subject: Annual Detention Review Report for Ventura County Jail 200'

Page 2

Standards Summary Findings:

The Ventura County Jail appeared well run and efficient. The staff appeared professional and well trained. The facility was clean and organized. Officers and staff were courteous, the facility was well maintained and in conformity with ICE detention standards.

RIC Observations:

The Ventura County Jail system contains two facilities where ICE detainees may be held. The main facility on 800 S. Victoria Avenue in Ventura, CA. and the second is the Todd Road Facility located at 600 South Todd Road, Santa Paula, CA. All ICE detainees when processing out of the Ventura County Jail system are housed at the main jail on Victoria Avenue. During the time of the inspection, no ICE detainees were housed at the Todd Road facility.

RIC Issues and Concerns

Recommended Rating and Justification:

It is the Reviewer in Charge recommendation that the facility receive and this review should be closed.

RIC Assurance Statement:

All findings of this review have been documented on Form G-324B and are supported by the written documentation contained in the review file.

Significant Incident Summary Worksheet

For ICE to complete its Review of your facility, the following information must be completed prior to the scheduled review dates. The information on this form should contain data for the past twelve months in the boxes provided. The information on this form is used in conjunction with the ICE detention standards in assessing your detention operations. This form should be filled out by the facility prior to the start of any inspection. Failure to complete this section will result in a delay in processing this report.

DETENTION	TH TO	· · · · · · · · · · · · · · · · · · ·							
Policy: Every facility will create a detention file for every ICE detainee booked into the facility, excluding only detainees scheduled to depart within 24 hours. The detention file will contain copies and, in some cases, the original of specified documents concerning the detainee's stay in the facility: classification sheet, medical questionnaire, property inventory sheet, disciplinary documents, etc.									
Components	Υ	N	NA	Remarks					
A detention file is created for every new arrival whose stay will exceed 24 hours.	×								
The detainee detention file contains either originals or copies of documentation and forms generated during the admissions process.	⋈								
The detainee's detention file also contains documents generated during the detainee's custody. • Special requests • Any G-589s and/or I-77s closed-out during the detainee's stay • Disciplinary forms/Segregation forms • Grievances, complaints, and the disposition(s) of same	⊠								
The detention files are located and maintained in a secured area. If not the cabinets are lockable and distribution of the keys is limited to supervisors.									
The detention file remains active during the detainee's stay. When the detainee is released from the facility, staff adds copies of completed release documents, the original closed-out receipts for property and valuables, the original I-385 or equivalent and other documentation.									
The officer closing the detention file makes a notation that the file is complete and ready to be archived.	×								
Staff makes copies and sends documents from the file when appropriately requested by supervisory personnel at the receiving facility or office.	×								
Appropriate staff has access to the detention files and other departmental requests are accommodated by making a request for the file. Each file is properly logged out and in by a representative of the responsible department.

TRA	NSPORTATION	
(Land	Transportation)	

Policy The Immigration and Naturalization Service will take all necessary precautions to protect the lives, safety, and welfare of our officers, the general public, and those in ICE custody during the transportation of detainees. Standards have been established for professional transportation under the supervision of experienced and trained Detention Enforcement Officers or authorized contract personnel.

⊠ Standard NA: Check this box if all ICE Transportation are handled only by the ICE Field Office or Sub-Office in control of the detainee case.

Components	Yes	No	NA	Remarks

USE OF FORCE

Policy: The U.S. Department of Homeland Security authorizes the use of force only as a last alternative after all other reasonable efforts to resolve a situation have failed. Only that amount of force necessary to gain control of the detainee, to protect and ensure the safety of detainees, staff and others, to prevent serious property damage and to ensure institution security and good order may be used. Physical restraints necessary to gain control of a detainee who appears to be dangerous may be employed when the detainee:

	·	-		
Components	Yes	No	NA	Remarks
There is a use of force policy outlining immediate and calculated use of force, and confrontation avoidance.				
Staff members are trained in the performance of the Use-of-Force Team Technique.	\boxtimes			
All use-of-force incidents are documented and reviewed.				
Does not use force as punishment. Attempts to gain the detainee's voluntary cooperation before resorting to force Uses only as much force as necessary to control the detainee.				
Medication may only be used for restraint purposes when authorized by the Medical Authority as medically necessary.	⊠			
In immediate-use-of-force situations, staff contacts medical staff once the detainee is under control.				
Special precautions are taken when restraining pregnant detainees and medical personnel are consulted	\boxtimes			
The officers are thoroughly trained in the use of soft and hard restraints.	\boxtimes

STAFF DETAINEE COMMUNICATIONS Policy: Procedures must be in place to allow for formal and informal contact between key facility staff and ICE staff and ICE detainee and to permit detainees to make written requests to ICE staff and receive an answer in an acceptable time frame.										
Components	Y	N	NA	Remarks						
ICE information request Forms are available at the IGSA for use by ICE detainees.										
The IGSA treats detainee correspondence to ICE staff as Special Correspondence.	\boxtimes									
⊠ Acceptable ☐ Deficient ☐	At-Risk			Repeat Finding						
Policy: ICE will make all necessary notifications when a detainee is transferred. If a detainee is being transferred via the Justice Prisoner Alien Transportation System (JPATS), ICE will adhere to JPATS protocols. In deciding whether to transfer a detainee, ICE will take into consideration whether the detainee is represented before the immigration court. In such cases, the Field Office Director will consider the detainee's stage within the removal process, whether the detainee's attorney is located within reasonable driving distance of the facility, and where the immigration court proceedings are taking place.										
		<u></u>								
Components When a detainee is represented by legal counsel or a legal representative, and a G-28 has been filed, the representative of record is notified by the detainee's Deportation Officer. The notification is recorded in the detainee's file When the A File is not available, notification is noted within DACS	Y	N	NA □	Remarks						
Notification includes the reason for the transfer and the location of the new facility,	\boxtimes									
The deportation officer is allowed discretion regarding the timing of the notification when extenuating circumstances are involved.										
The attorney and detainee are notified that it is their responsibility to notify family members regarding a transfer.	\boxtimes									
Facility policy mandates that:

DETAINEE TRANSFER STANDARD

Policy: ICE will make all necessary notifications when a detainee is transferred. If a detainee is being transferred via the Justice Prisoner Alien Transportation System (JPATS), ICE will adhere to JPATS protocols. In deciding whether to transfer a detainee, ICE will take into consideration whether the detainee is represented before the immigration court. In such cases, the Field Office Director will consider the detainee's stage within the removal process, whether the detainee's attorney is located within reasonable driving distance of the facility, and where the immigration court proceedings are taking place.

Components	Y	N	NA	Remarks
 Times and transfer plans are never discussed with the detainee prior to transfer. The detainee is not notified of the transfer until immediately prior to departing the facility. The detainee is not permitted to make any phone calls or have contact with any detainee in the general population. 				
The detainee is provided with a completed Detainee Transfer Notification Form.	\boxtimes			
 Form G-391 or equivalent authorizing the removal of a detainee from a facility is used. 	\boxtimes			
 For medical transfers: The Detainee Immigration Health Service (or IGSA)(DIHS) Medical Director or designee approves the transfer. Medical transfers are coordinated through the local ICE office. A medical transfer summary is completed and accompanies the detainee. 	×			
Detainees in ICE facilities having DIHS staff and medical care are transferred with a completed transfer summary sheet in a sealed envelope with the detainee's name and A-number and the envelope is marked Medical Confidential.	×			
For medical transfers, transporting officers receive instructions regarding medical issues.	\boxtimes			
Detainee's funds and valuables and property are returned and transferred with the detainee to his/her new location.	×			
Transfer and documentary procedures outlined in Section C and D are followed.	\boxtimes			
Meals are provided when transfers occur during normally schedule meal times.	\boxtimes			
An A File or work folder accompanies the detainee when transferred to a different field office or sub-office.	\boxtimes			
A Files are forwarded to the receiving office via overnight mail no later than one business day following the transfer.	×			
	At-Risk			Repeat Finding
