In-processing includes orientation information.			Ш	
Medical screenings are performed by a medical staff <u>or</u> persons who have received specialized training for the purpose of conducting an initial health screening.	×			
All new arrivals are searched in accordance with the "Detainee Search" standard. An officer of the same sex as the detainee conducts the search and the search is conducted in an area that affords as much privacy as possible.				
The "Contraband" standard governs all personal property searches. IGSAs use or have a similar contraband standard. Staff prepare a complete inventory of each detainee's possessions. The detainee receives a copy.	×			
Staff completes Form I-387 or similar form for CDFs and IGSAs for every lost or missing property claim. IGSA facilities forward all I-387 claims to ICE.				
Detainees are issued appropriate and sufficient clothing and bedding for the climatic conditions.	$\boxtimes$

#### ENVIRONMENTAL HEALTH AND SAFETY Policy: Every facility will control flammable, toxic, and caustic materials through a hazardous materials program. The program will include, among other things, the identification and labeling of hazardous materials in accordance with applicable standards (e.g., National Fire Protection Association [NFPA]); identification of incompatible materials, and safe-handling procedures Components NA Remarks Yes No Staff directly supervises and accounts for products with methyl alcohol. Staff receive a list of products containing diluted methyl alcohol, e.g., shoe dye. All $\boxtimes$ П П such products clearly labeled as such. "Accountability" includes issuing such products to detainees in the smallest workable quantities. The facility conducts the fire and safety inspections. X The facility has an approved fire prevention, control, and $\boxtimes$ П evacuation plan. The plan requires: Monthly fire inspections. Fire protection equipment strategically located throughout the facility. Public posting of emergency plan with 冈 accessible building/room floor plans. Exit signs and directional arrows. An area-specific exit diagram conspicuously posted in the diagrammed area. Written procedures regulate the handling and disposal $\boxtimes$ П of used needles and other sharp objects. Standard cleaning practices include: Using specified equipment: cleansers: disinfectants and detergents. $\boxtimes$ An established schedule of cleaning and followup inspections. A licensed/Certified/Trained pest-control professional inspects for rodents, insects, and vermin. At least monthly. $\boxtimes$ The pest-control program includes preventive spraying for indigenous insects. Standard Rating: Deficient ☐ At-Risk ☐ Repeat Finding HOLD ROOMS IN DETENTION FACILITIES Policy: Hold rooms will be used only for temporary detention for detainees awaiting removal, transfer, EOIR hearings, medical treatment, intra-facility movement, or other processing into or out of the facility, Components Yes No NA Remarks The hold room is situated in a location within the secure X П perimeter. The hold rooms well ventilated, well lighted and all X activating switches located outside the room. Page 11 of 17 G-324B Detention Review Worksheet for IGSAs (Under 72 Hours)

#### KEY AND LOCK CONTROL (SECURITY, ACCOUNTABILITY AND MAINTENANCE) Policy It is the policy of the ICE Service to maintain an efficient system for the use, accountability and maintenance of all keys and locks. Components Yes NA Remarks No All staff members are trained and held responsible for adhering to proper procedures for the handling of keys. Issued kevs are returned immediately in the event an employee inadvertently carries a key X ring home. Detainees are not permitted to handle keys assigned to staff. Standard Rating: Deficient Repeat Finding At-Risk POPULATION COUNTS - Rating Policy: All detention facilities shall ensure around the clock accountability for all detainees. This requires that they conduct at least one formal count of the detainee population per shift, with additional formal and informal counts conducted as necessary. Components Yes No NA Remarks Staff conducts a formal count at least once each shift. X Activities cease or are strictly controlled while a formal Ø П count is being conducted. Formal counts in all units take place simultaneously. Ø Officers do not allow detainee participation in the count. Officers positively identify each detainee before X П П counting him/her as present. Written procedures cover informal and emergency X П counts. The control officer (or other designated position) П $\boxtimes$ П maintains an out -count record of all detainees temporarily leaving the facility. Standard Rating: Deficient Repeat Finding Acceptable X At-Risk SECURITY INSPECTIONS Policy: Post assignments in the facility's high-risk areas, where special security procedures must be followed, will be restricted to experienced personnel with a thorough grounding in facility operations. No NA Remarks Components Yes The facility has a comprehensive security inspection X procedures / program. Every officer is required to conduct a security check of 冈 П his/her assigned area. Results are documented. The front-entrance officer checks the ID of everyone 冈 entering or exiting the facility. Page 13 of 17 G-324B Detention (b)(6), (b)(7)c for IGSAs (Under 72 Hours)

Reviewer-In-Charge

New Orleans Detention and Removal Operations

(b)(2)Low

SUBJECT: Review Summary Report for Washington County Jail Review

On August 09, 2006 a review of the Washington County Jail located within the New Orleans District was conducted. This review was performed under the supervision of Reviewer-In-Charge (RIC). The review measured compliance with the DHS / ICE Detention Standards. Attached to this memorandum are a copy of the original Form G-324B Detention Inspection Form and a copy of the worksheet.

## Type of Review:

This review is a Review by officers assigned to the district office as directed by HQDRO. This review was conducted for the purpose of determining overall compliance with the DHS / ICE Detention Standards. The facility has been in use by the DHS / ICE.

## **Review Summary:**

The American Correctional Association (ACA) does not accredit the Facility. The Arkansas Criminal Detention Review Commission (Jail Standards) and the Arkansas State Health Department accredit the Facility.

Page 2 Benton County

The following information summarizes those standards *not* in compliance. Each standard is identified and a short summary provided regarding standards or procedures not currently in compliance.

Compliant 27 **Deficient** 0 At- Risk 0

#### **RIC Observation:**

Security Staff: The staff exhibited professionalism, Courtesy, and a good working knowledge of their facility. Staff was questioned at length regarding policy and procedure. I observed that the facility operated in a calm and orderly fashion throughout the review.

## **Recommended Rating and Justification:**

It is the Reviewer in Charge recommendation that the facility receive a rating of "COD". The cility goes above and beyond to fully implementation of the DHS / ICF Details of the complete with 27 of 27 standards. facility goes above and beyond to fully implementation of the DHS / ICE Detention Standards. The facility fully complies with 27 of 27 standards. This facility highly exceeds our standards with the professionalism of the staff with the greatest of working knowledge of their facility and the standards of Immigration Customs Enforcement. It is once again recommended that this facility be given the rating of "GOOD".

### **RIC Assurance Statement:**

It is the opinion of this Reviewer in Charge that the findings of compliance and noncompliance are documented on the G-324B Inspection form and that it is supported by documentation in the review file. Within the scope of this review, the facility is operating in accordance with their policy and procedures, and is in compliance with our Detention Standards.

### Significant Incident Summary Worksheet

For ICE to complete its Review of your facility, the following information must be completed prior to the scheduled review dates. The information on this form should contain data for the past twelve months in the boxes provided. The information on this form is used in conjunction with the ICE detention standards in assessing your detention operations. This form should be filled out by the facility prior to the start of any inspection. Failure to complete this section will result in a delay in processing this report.

### **RIC Review Assurance Statement**

By signing below, the Reviewer-In-Charge (RIC) certifies that all findings of noncompliance with policy or inadequate controls contained in the Inspection Report are supported by evidence that is sufficient and reliable. Furthermore, findings of noteworthy accomplishments are supported by sufficient and reliable evidence. Within the scope of the review, the facility is operating in accordance with applicable law and policy, and property and resources are efficiently used and adequately safeguarded, except for the deficiencies noted in the report.

U.S. Department of Homeland Security 425 I Street, NW Washington, DC 20536

MEMORANDUM FOR:

Steven Boll

**Acting Field Office Director** 

(b)(6), (b)(7)c

FROM:

Chief

**Detention Standards Compliance Unit** 

SUBJECT:

Washington County Jail Annual Detention Review

The annual review of the Washington County Jail, conducted on August 09, 2006 in Fayetteville, Arkansas, has been received. A final rating of <u>Acceptable</u> has been assigned. No further action is required and this review is closed.

The rating was based on the Reviewer-In-Charge (RIC) Summary Memorandum and supporting documentation. The Field Office Director must now initiate the following actions in accordance with the Detention Management Control Program (DMCP):

- 1) The Field Office Director, Detention and Removal Operations, shall notify the facility within five business days of receipt of this memorandum. Notification shall include copies of the Form G-324B, Detention Facility Review Form, the G-324B Worksheet, RIC Summary Memorandum, and a copy of this memorandum.
- 2) The Field Office Director shall schedule the next annual review on or before August 09, 2007.

Should you or your staff have any questions regarding this matter, please contact (b)(6), (b)(1), Staff Officer, Detention Standards Compliance Unit at (b)(2)Low
