

Maxaa loola jeedaa erayga “lagu hayo”?

“Lagu hayo” waxaa loola jeedaa qof lagu hayo xarumaha ICE. Nidaamka ODLS waxaa laga heli karaa xarunta uu qofku ku xiran yahay iyo macluumaad ku saabsan sida lagu soo booqan karo. Nidaamka ODLS waxaa kale oo laga heli karaa xafiiska DRO ee mas’uulka dacwadda qofka.

Yaan laga heli karin ODLS?

Nidaamka ODLS lagama heli karo macluumaadka halka ay ku sugan yihiin dhamaan dadka la xiray. Arrimo la xiriira amaanka, nabadgelyada iyo hab u gaar ah nidaamka ay hay’addu u shaqeysyo ayaa u diidaya in la soo bandhigo macluumaadka qof kasta lagu soo bandhigo nidaamka ODLS. Tusaale ahaan, Ilmaha da’daa yar (dadka ay da’doodu ka yar tahay 18 sano) macluumaadkooda lagama heli karo nidaamkan. Sidoo kale, shaqsiyaadka qaarkood waxaa suurto gal ah in aan la gelin macluumaadkooda nidaamka ODLS marka la soo xiro durbadiiba, taasoo ku xiran Inta hawlahooda la dhameynayo iyo waqtiga la gelinayo kombiyutarka.

Waan helay qofkii aan raadinayey. Maxaan yeelaa markaan?

Haddii aad hesho qofkii la hayey oo aad raadineysay, waxa aad la xirii kartaa halka uu ku xiran yahay adiga oo adeegsanaya macluumaadka aad haysato si aad u xaqijiso in qofkaa weli la sii hayo maadaama macluumaaka ODLS uu yahay mid isbedela sideedi saac ee kasta.

Haddii aad go'aansato in aad soo booqato qofka la xiray, waa in aad la xiriirtaa goobta uu ku xiran yahay ka hor inta aadan aadin si aad u sii xaqijiso saacadaha booqashada iyo nidaamka u yaal. Waxaa kale oo lagaa doonayaa in aad keento aqoonsi ay dawladdu bixisey oo sawir leh haddii aad booqaneyso xarunta.

Weli waxa aan qabaa su'aalo dheeraad ah. Xagee ayaan jawaab ka helayaa?

Waxaa jira su'aalo inta badan la is weydiyo iyo jawaabahooda (FAQs) oo aad ka heli karto barta internetka ee ODLS: <https://locator.ice.gov/odls/#/about>.

Muxuu yahay Nidaamka Lagu Ogaado Halka Qofku Xiran yahay?

Habka laga heli karo barta internetka ee lagu ogaado halka uu qofku ku xiran yahay (ODLS) waa midka dadka oo dhan u furan isla markaana xubnaha qoyska, wakiilada sharciga ah (qareenada) iyo dadweynuhuba, ay ku ogaan karaan halka uu ku sugan yahay qofka lagu hiray ICE. Si aad u adeegsato ODLS, fadlan soo booqo <http://www.ice.gov/locator>.

Kolki hore, sida kaliya ee lagu ogaan jirey waxa ay ahayd iyada oo lala soo xiriiro saraakiisha Xafiiska Dhaqangelinta ICE iyo Ka Saaridda (ERO). Dib u habeynta lagu sameynayo, ICE waxa ay dhaqan gelisey ODLS si xubnaha qoyska iyo qareenada ay si fudud u ogaadaan halka qofku ku xiran yahay, 24ka saac, todobada cisho ee todobaadka. Nidaamkan waxa lagu heli karaa afka Isbaanishka, iyo todoba luqadood oo kale.

The screenshot shows the ICE homepage with a dark blue header containing the ICE logo, the text "Official Website of the Department of Homeland Security", and navigation links for "Home", "Who We Are", "What We Do", "Newsroom", "Information Library", and "Contact ICE". Below the header is a search bar with the placeholder "Online Detainee Locator System". A dropdown menu shows "English" selected. To the right of the search bar is a "Related Information" sidebar with "Helpful Info" sections for "Status of a Case" and "About the Detainee Locator". A note at the bottom of the sidebar states: "Use this page to locate a detainee who is currently in ICE custody. Online Detainee Locator System cannot search for records of persons under the age of 18." A note below the search bar says: "The detainee's A-Number, ICE recommends you use the A-Number search. The A-Number must be 9 digits long. If the A-Number has fewer than nine digits, please add zeros at the beginning of the number." A note at the bottom left of the page says: "the detainee's A-Number, ICE recommends you use the A-Number search. The A-Number must be 9 digits long. If the A-Number has fewer than nine digits, please add zeros at the beginning of the number."

Sidee ayaa Xubnaha Qoyska iyo Qareenadu uga baaran nidaamkan dadka u xiran ICE?

Habka ODLS waxa aad wax kaga baaran kartaan laba siyaabood:

1. Lambarka Qofka ee socdaalka (A-Lambar) iyo Waddanka uu u dhashay.

Sida ugu haboon ee nidaamka wax looga baarto waa lamabarka socdaalka ee qofkii la xiray (A-lambarka) iyo waddanka uu u dhashay. A-lambarka waa lamarka kooban sagaal lambar kaas oo ah lambar la siiyo qof kasta oo codsada waxyabaha macaashka ee laga helo waaxda socdaalka. Sagaalka lambar waxaa suurto gal ah in uu eber ka biloowdo. A-Lambarku waa lambar gaar ah qof kastana kiisu gaar yahay. A-Lambarka waxaa laga heli karaa dhinaca kore ee midgata ee Ogeysiiska Codsadaha Loogu Yeeray (NTA), Foomka I-862. Marka aad geliso A-Lambarka, waxa lagaa doonayaa in aad geliso waddanka uu u dhashay qofka, ama

2. Magaca awoowaha, Magaca qofka, iyo waddanka uu u dhashay.

Haddii aadan garaneyn A-lambarka qofka la xiray, waxa aad ku raadin kartaa adiga oo adeegsanaya magaca qofka iyo kan awoowaha qofka iyo waddanka uu u dhashay. Haddii aadan ku guuleysan in sidaa aad ku ogaato, waxa aad tixgelisaa in magaca qofka aad siyaabo kala duwan u geliso.

The screenshot shows the ICE search results page with a dark blue header containing the ICE logo, the text "Official Website of the Department of Homeland Security", and navigation links for "Home", "Who We Are", "What We Do", "Newsroom", "Information Library", and "Contact ICE". To the right of the header is a link "Report Crimes: Email or Call 1-866-DHS-2-ICE". The main content area displays "Search Results: 2" for "JOHN DOE". The first result shows: "Country of Birth: Nicaragua", "Status: In Custody", "State: NY", and "Current Detention Facility: BUFFALO FEDERAL DETENTION FACILITY". A note below the facility name says: "* Click on the Detention Facility name to obtain facility contact information". The second result shows: "Country of Birth: Nicaragua", "Status: In Custody", "State: TX", and "Current Detention Facility: PORT ISABEL SERVICE DETENTION CENTER". Another note below the facility name says: "* Click on the Detention Facility name to obtain facility contact information". At the bottom of the results is a "BACK TO SEARCH >" button. To the right of the results are three vertical panels: "Related Information", "Helpful Info", and "External Links".

Miyay waa waajib igu tahay in aan garanayo sida saxa ah ee loo qoro magaca qofka la xiray?

Haa. Nidaamka ODLS waa mid ku shaqeeya sida saxa ah ee magacu u qoran yahay. Taas macnaheedu waxaa weeye si aad u ogaato halka qofku ku xiran yahay waa in aad gelisaa A-lambarka saxa ah ee qofka ama magaca koowaad ama magaca sadexaad ee qofka la xidhay sida uu ugu qoran yahay warqadaha ama warqadaha lagu xirey. Haddii aad si khalad ah aad u geliso macluumaadka qofka, nidaamku ma ku siinayo jawaab ama natijio sax ah.

Tusaale ahaan adiga oo raadinaya "Robert Smith" ma heleysid jawaab sax ah haddii aad u geliso "Robert Smyth" ama "Bob Smith."

Marka aad baaritaanka ku sameyso A-Lambarka, macluumaadka hal qof oo kaliya ayaa kuu soo baxaya, waayo qof kasta waxa uu leeyahay A-Lambar u gaar ah. Hase yeeshi, marka aad adeegsato magaca qofka, waxa suurto gal ah in ay macluumaadka dad badan kuu soo baxaan haddii ay wadaagaan magaca iyo wadanka ay u dhasheen. Marka uu macluumaad fara badan kuu soo baxo, fiiri sanadka dhalashada qofka, kaas oo ka dhax muuqanaya jawaabta kuu soo baxday, ama ku baar A-Lambarka qofka xiran.

Maxaan yeelayaa haddii aanan weli waxba ku ogaan karin baaritaankaas?

Nidaamka ODLS waxaa laga heli karaa oo kaliya macluumaadka dadka lagu hayo xarumaha. Haddii aadan nidaamka ODLS ku ogaan karin dadka lagu hayo, fadlan la xiriir xafiisyada ku shaqada leh ee ICE ERO. Barta Internetka ee <https://www.ice.gov/contact/field-offices>, ayad ka heli kartaa magacyada xafiisyada iyo halka lagala xiriir xafiisyada ERO, ka dibna ku shaandhee oo u kala saar xafiiska hawl galka iyo ka saarista.
