Re: SEVIS Correction Request and 6.29 Pre-release Webinars

Number: 1609-01

General Information

Join the Student and Exchange Visitor Program and the Department of State Exchange Visitor Program for the F/M Correction Request Webinar and the SEVIS 6.29 Pre-Release Webinar on Friday, Sept. 16, 2016. These webinars will discuss some of the Student and Exchange Visitor Information System (SEVIS) enhancements scheduled for deployment on Friday, Sept. 30, 2016.

The F/M Correction Request Webinar goes from 1 p.m. to 3:30 p.m. EDT and will cover the following topics:

- Correction Request Management page.
- Redesigned correction request pages.
- System validations.

The SEVIS 6.29 Pre-Release Webinar goes from 2:30 p.m. to 3:30 p.m. EDT and will cover the following topics:

- Broadcast Message archive.
- Changes to J-1 alerts.

Participants will have the opportunity to ask questions at both webinars.

Registration for both webinars is now open on Study in the States. The webinar rooms will open 15 minutes prior to the scheduled webinar start time. Since participation is limited, we encourage attendees from the same organization to take part in each webinar from one location.
