MEMORANDUM OF AGREEMENT

This Memorandum of Agreement (MOA) constitutes an agreement between U.S. Immigration and Customs Enforcement (ICE), a component of the Department of Homeland Security (DHS), and the Dakota County Jail, Nebraska (DAKOTNE), pursuant to which ICE delegates to nominated, trained, certified, and authorized DAKOTNE personnel the authority to perform certain immigration enforcement functions as specified herein. It is the intent of the parties that these delegated authorities will enable the DAKOTNE to identify and process for removal, under ICE supervision, aliens in DAKOTNE jail/correctional facilities who fall within ICE’s civil immigration enforcement priorities. The DAKOTNE and ICE enter into this MOA in good faith and agree to abide by the terms and conditions contained herein.

I. PURPOSE

The purpose of this collaboration is to enhance the safety and security of communities by focusing resources on identifying and processing for removal aliens who fall into ICE’s civil immigration enforcement priorities. This MOA sets forth the terms and conditions pursuant to which selected DAKOTNE personnel (participating DAKOTNE personnel) will be nominated, trained, and approved by ICE to perform certain functions of an immigration officer within the DAKOTNE’s jail/correctional facilities. Nothing contained herein shall otherwise limit the jurisdiction and powers normally possessed by participating DAKOTNE personnel as members of the DAKOTNE. However, the exercise of the immigration enforcement authority delegated under this MOA to participating DAKOTNE personnel shall occur only as provided in this MOA.

II. AUTHORITY

Section 287(g) of the Immigration and Nationality Act (INA), codified at 8 U.S.C. § 1357(g) (1996), as amended by the Homeland Security Act of 2002, Public Law 107-296, authorizes the Secretary of DHS to enter into written agreements with a State or any political subdivision of a State so that qualified personnel can perform certain functions of an immigration officer. Such authority has been delegated by the Secretary to ICE, and this MOA constitutes such a written agreement.

III. POLICY

This MOA sets forth the following: 1) the functions of an immigration officer that DHS is authorizing the participating DAKOTNE personnel to perform; 2) the duration of the authority conveyed; 3) the supervisory requirements, including the requirement that participating DAKOTNE personnel are subject to ICE supervision while performing immigration-related duties pursuant to this MOA; and 4) program information or data that the DAKOTNE is required to collect as part of the operation of the program. For the purposes of this MOA, ICE officers will provide supervision for participating DAKOTNE personnel only as to immigration enforcement functions as authorized in this MOA. The DAKOTNE retains supervision of all other aspects of the employment and performance of duties by participating DAKOTNE personnel.
ICE retains sole discretion in determining how it will manage its detention resources and advance its mission. ICE will prioritize the detention of aliens in conformity with its civil immigration enforcement priorities. ICE reserves the right to detain aliens to the extent provided by law.

The DAKOTNE is expected to pursue to completion all criminal charges that caused the alien to be taken into custody and over which the DAKOTNE has jurisdiction. Subject to its civil immigration enforcement priorities, ICE will assume custody of an alien for purposes of removal, only after said individual has been released from DAKOTNE custody. The DAKOTNE agrees to use its 287(g) authority in a manner consistent with ICE's civil immigration enforcement priorities.

IV. DESIGNATION OF AUTHORIZED FUNCTIONS

Approved participating DAKOTNE personnel will be authorized to perform only those immigration officer functions that are set forth in the Standard Operating Procedures (SOP) in Appendix D to this MOA.

V. OPTIONAL INTER-GOVERNMENTAL SERVICE AGREEMENTS

ICE and the DAKOTNE may enter into an Inter-Governmental Service Agreement (IGSA) pursuant to which the DAKOTNE will continue to detain, for a reimbursable fee, aliens for immigration purposes, if ICE so requests, following completion of the alien's criminal incarceration. If ICE and the DAKOTNE enter into an IGSA, the DAKOTNE must meet applicable detention standards.

In addition to detention services, ICE and the DAKOTNE may enter into an IGSA provide for transportation services relating to incarcerated aliens. Under a transportation IGSA, the DAKOTNE will transport incarcerated aliens who have completed their criminal sentences to a facility or location designated by ICE, if ICE makes such a request. Reimbursement to the DAKOTNE will occur only when the DAKOTNE obtained prior ICE approval for the transportation. ICE will not reimburse if the DAKOTNE did not obtain prior approval from ICE.

The parties understand that the DAKOTNE will not continue to detain an alien after that alien is eligible for release from the DAKOTNE's custody in accordance with applicable law and DAKOTNE policy, except for a period of up to 48 hours, pursuant to an immigration detainer issued in accordance with 8 C.F.R. § 287.7, absent an IGSA in place as described above.

VI. NOMINATION OF PERSONNEL

The DAKOTNE will nominate candidates for ICE training and approval under this MOA. All candidates must be United States citizens. All DAKOTNE candidates shall have knowledge of and have enforced laws and regulations pertinent to their law enforcement activities and their jurisdictions, All DAKOTNE candidates shall have experience supervising inmates, have been trained on maintaining the security of DAKOTNE facilities, and have enforced rules and
regulations governing inmate accountability and conduct. Candidates must also show an ability to meet and deal with people of differing backgrounds and behaviors.

The DAKOTNE is responsible for conducting a criminal background check covering the last five years for all nominated candidates. Upon request, the DAKOTNE will provide all related information and materials it collected, referenced, or considered during the criminal background check for nominated candidates to ICE.

In addition to the DAKOTNE background check, ICE will conduct an independent background check for each candidate. This background check requires all candidates to complete a background questionnaire. The questionnaire requires, but is not limited to, the submission of fingerprints, a personal history questionnaire, and the candidate’s disciplinary history (including allegations of excessive force or discriminatory action). ICE reserves the right to query any and all national and international law enforcement databases to evaluate a candidate’s suitability to exercise immigration enforcement functions under this MOA. Upon request by ICE, the DAKOTNE will provide continuous access to disciplinary records of all candidates along with a written privacy waiver signed by the candidate allowing ICE to have continuous access to his or her disciplinary records.

The DAKOTNE agrees to use due diligence to screen individuals nominated for training and agrees that individuals who successfully complete the training under this MOA will perform immigration officer functions authorized under section 287(g) of the INA for a minimum of two years. If DAKOTNE personnel under consideration are in a collective bargaining unit, the DAKOTNE must, prior to the execution of the MOA, have an agreement with the exclusive representative that allows the designated officers to remain in their position for a minimum of two years. This two-year requirement may be waived solely at the discretion of ICE for good cause in situations that involve, among other things, imminent promotion, officer career development, and disciplinary actions. Failure by the DAKOTNE to fulfill this commitment could jeopardize the terms of this MOA.

All DAKOTNE candidates must be approved by ICE and must be able to qualify for access to the appropriate DHS and ICE databases/systems and associated applications. Should a candidate not be approved, a qualified substitute candidate may be submitted. Any future expansion in the number of participating DAKOTNE personnel or scheduling of additional training classes is subject to all the requirements of this MOA and the accompanying SOP.

VII. TRAINING OF PERSONNEL

Before participating DAKOTNE personnel receive authorization to perform immigration officer functions under this MOA, they must successfully complete the Immigration Authority Delegation Program (IADP) training provided by ICE. IADP training will be taught by ICE instructors and tailored to the immigration enforcement functions to be performed. Each DAKOTNE nominee must pass each IADP examination with a minimum score of 70 percent to receive certification. If an DAKOTNE nominee fails to attain a 70-percent rating on an examination, the DAKOTNE nominee will have 1 opportunity to review the testing material and re-take a similar examination. During the entirety of the IADP, the DAKOTNE nominee will be
offered a maximum of 1 remedial examination. Failure to achieve a 70-percent rating on any 2 examinations (inclusive of any remedial examination), will result in the disqualification of the DAKOTNE nominee and discharge of the nominee from the IADP.

Participating DAKOTNE personnel will also be required to complete refresher training, Immigration Authority Delegation Refresher Program (IADRP), every two years, and any additional training required by ICE on relevant administrative, legal, and operational issues related to the performance of immigration officer functions.

ICE will review the training requirements annually and reserves the right to amend them.

Trained DAKOTNE personnel will receive a DHS email account and access to the necessary DHS systems and associated applications. The use of the information technology (IT) infrastructure and the DHS/ICE IT security policies are defined in the Interconnection Security Agreement (ISA). The ISA is the agreement between ICE's Chief Information Security Officer (CISO) and the DAKOTNE's Designated Accreditation Authority (DAA). The DAKOTNE agrees that each of its sites using an ICE-provided network access or equipment will sign the ISA, which defines the IT policies and rules of behavior for each user granted access to the DHS network and applications. Failure to adhere to the terms of the ISA could result in the loss of all user privileges.

VIII. CERTIFICATION AND AUTHORIZATION

Upon successful completion of IADP training, DAKOTNE personnel shall be deemed “certified” under this MOA.

On a yearly basis, ICE will certify in writing the names of those DAKOTNE personnel who successfully complete training and pass all required test(s). Upon receipt of the certification, the ICE Field Office Director (FOD) in ERO St. Paul will provide the participating DAKOTNE personnel a signed authorization letter allowing the named DAKOTNE personnel to perform specified functions of an immigration officer for an initial period of one year from the date of the authorization. ICE will also provide a copy of the authorization letter to the DAKOTNE. Authorization of participating DAKOTNE personnel to act pursuant to this MOA may be withdrawn at any time and for any reason by ICE and must be memorialized in a written notice of withdrawal identifying an effective date of withdrawal and the personnel to whom the withdrawal pertains. Such withdrawal may be effectuated immediately upon notice to the DAKOTNE. The DAKOTNE and the ICE FOD in ERO St. Paul will be responsible for notification of the appropriate personnel in their respective agencies. The termination of this MOA shall constitute immediate revocation of all immigration enforcement authorizations delegated hereunder.

The DAKOTNE will notify ICE within 48 hours of when participating DAKOTNE personnel cease their participation in the 287(g) program, so that appropriate action can be taken in accordance with ICE policies, including inventorying and retrieval of credentials and termination of user account access to the appropriate DHS and ICE databases/systems and associated applications.

The DAKOTNE will cover the costs of all DAKOTNE personnel's travel, housing, and per diem affiliated with the training required for participation in this MOA. ICE is responsible for the salaries and benefits of all of its personnel, including instructors and supervisors.

If ICE determines the training provides a direct service for the Government and it is in the best interest of the Government, the Government may issue travel orders to selected personnel and reimburse travel, housing, and per diem expenses only. The DAKOTNE remains responsible for paying salaries and benefits of the selected personnel.

ICE will provide instructors and training materials.

Subject to the availability of funds, ICE will be responsible for the purchase, installation, and maintenance of technology (computer/Integrated Automated Fingerprint Identification System/Photo and similar hardware/software) necessary to support the immigration enforcement functions of participating DAKOTNE personnel at each DAKOTNE facility with an active 287(g) program. equipment. ICE will also provide the necessary technological support and software updates for use by participating DAKOTNE personnel to accomplish the delegated functions. Such hardware, software, and other technology purchased or provided by ICE shall remain the property of ICE and shall be returned to ICE upon termination of this agreement, or when deemed necessary by the ICE FOD in ERO St. Paul.

The DAKOTNE is responsible for covering all expenses at the DAKOTNE facility regarding cabling and power upgrades. If the connectivity solution for the DAKOTNE is determined to include use of the DAKOTNE’s own communication lines - (phone, DSL, site owned T-1/T-3, etc.), the DAKOTNE will be responsible for covering any installation and recurring costs associated with the DAKOTNE line.

The DAKOTNE is responsible for providing all administrative supplies, such as paper, toner, pens, pencils, or other similar items necessary for normal office operations. The DAKOTNE is also responsible for providing the necessary security equipment, such as handcuffs, leg restraints and flexi cuffs, etc.

Additional supervisory and administrative responsibilities are specified in the SOP in Appendix D.

The actions of participating DAKOTNE personnel will be reviewed by ICE supervisory officers on an ongoing basis to ensure compliance with the requirements of the immigration laws and procedures and to assess the need for individual training or guidance.

For purposes of this MOA, ICE officers will provide supervision of participating DAKOTNE personnel only as to immigration enforcement functions conducted in conjunction to this authority. The DAKOTNE retains supervision of all other aspects of the employment of and performance of duties by participating DAKOTNE personnel.

ICE is responsible for providing the DAKOTNE with the applicable DHS and ICE policies.

However, when engaged in immigration enforcement activities, no participating DAKOTNE personnel will be expected or required to violate or otherwise fail to maintain the DAKOTNE’s rules, standards, or policies, or be required to fail to abide by restrictions or limitations as may otherwise be imposed by law.
If a conflict arises between an order or direction of an ICE supervisory officer or a DHS or ICE policy and the DAKOTNE's rules, standards, or policies, the conflict shall be promptly reported to the points of contact listed in Appendix A who shall attempt to resolve the conflict.

XI. REPORTING REQUIREMENTS

The DAKOTNE will provide statistical or aggregated arrest data to ICE, as requested by ICE. The DAKOTNE will also provide specific tracking data and/or any information, documents, or evidence related to the circumstances of a particular arrest upon request. See 28 C.F.R. § 50.15. Absent exceptional circumstances, such requests must be made in writing. DAKOTNE personnel who wish to submit a request for representation shall notify the local ICE Office of the Chief Counsel at 1717 Avenue H, Omaha, NE 68110. The Office of the Chief Counsel in turn will notify the ICE Headquarters Office of the Principal Legal Advisor (OPLA), which will assist DAKOTNE personnel with the request for representation, including the appropriate forms and instructions. Unless OPLA concludes that representation clearly is unwarranted, it will forward the request for representation, any supporting documentation, and an advisory statement opining whether: 1) the requesting individual was acting within the scope of his/her authority under 8 U.S.C. § 1357(g); and, 2) such representation would be in the interest of the United States, to the Director of the Constitutional and Specialized Tort Litigation Section, Civil Division, Department of Justice (DOJ). Representation is granted at the discretion of DOJ; it is not an entitlement. Subject to DHS Policy, ICE may defend or indemnify acts of intentional misconduct on the part of the participating DAKOTNE personnel only to the extent authorized by law.

The DAKOTNE agrees to cooperate with any Federal investigation related to this MOA to the
full extent of its available powers, including providing access to appropriate databases, personnel, individuals in custody and documents. Failure to do so may result in the termination of this MOA. The DAKOTNE agrees to cooperate with Federal personnel conducting reviews to ensure compliance with the terms of this MOA and to provide access to appropriate databases, personnel, and documents necessary to complete such compliance review. It is understood that information provided by any DAKOTNE personnel under threat of disciplinary action in an administrative investigation cannot be used against that individual in subsequent criminal proceedings, consistent with *Garrity v. New Jersey*, 385 U.S. 493 (1967), and its progeny.

COMPLAINT PROCEDURE

This Memorandum of Agreement (MOA) is between the U.S. Department of Homeland Security's U.S. Immigration and Customs Enforcement (ICE) and the Dakota County Jail, Nebraska, (DAKOTNE), pursuant to which selected DAKOTNE personnel are authorized to perform immigration enforcement duties in specific situations under Federal authority. As such, the training, supervision, and performance of participating DAKOTNE personnel pursuant to the MOA, as well as the protections for U.S. citizens' and aliens' civil and constitutional rights, are to be monitored. Part of that monitoring will be accomplished through these complaint reporting and resolution procedures, which the parties to the MOA have agreed to follow.

The MOA sets forth the process for designation, training, certification, and authorization of certain DAKOTNE personnel to perform certain immigration enforcement functions specified herein. Complaints filed against those personnel in the course of their non-immigration duties will remain the domain of the DAKOTNE and be handled in accordance with the DAKOTNE's applicable rules, policies, and procedures.

If any participating DAKOTNE personnel are the subject of a complaint or allegation involving the violation of the terms of this MOA or a complaint or allegation of any sort that may result in that individual receiving professional discipline or becoming the subject of a criminal investigation or civil lawsuit, the DAKOTNE shall, to the extent allowed by State law, notify ICE within 48 hours of the existence and nature of the complaint or allegation. The results of any internal investigation or inquiry connected to the complaint or allegation and the resolution of the complaint shall also be promptly reported to ICE. The ICE notifications must be made locally to the ICE FOD in ERO St. Paul and to the ICE Office of Professional Responsibility (OPR) via the Joint Intake Center (JIC) at JointIntake@cbp.dhs.gov. Complaints regarding the exercise of immigration enforcement authority by participating DAKOTNE personnel shall be handled as described below.

The DAKOTNE will also handle complaints filed against DAKOTNE personnel who are not designated and certified pursuant to this MOA but are acting in immigration functions in violation of this MOA. Further, any such complaints regarding non-designated DAKOTNE personnel must be forwarded to the JIC.

In order to simplify the process for the public, complaints against participating DAKOTNE personnel relating to their immigration enforcement can be made according to the procedures outlined below.

1. Complaint and Allegation Reporting Procedures

Complaint reporting procedures shall be disseminated by the DAKOTNE within facilities under its jurisdiction (in English and other languages as appropriate) in order to ensure that all individuals are aware of the availability of such procedures. Such material must include up-to-
date contact information necessary to file the complaint.

Complaints will be accepted from any source (e.g., ICE, DAKOTNE, participating DAKOTNE personnel, inmates, and the public). ICE will immediately forward a copy of the complaint to the DHS Office for Civil Rights and Civil Liberties (CRCL).

Complaints can be reported to Federal authorities as follows:

A. Telephonically to the DHS Office of the Inspector General (DHS OIG) at the toll free number 1-800-323-8603, or

B. Telephonically to the ICE OPR at the Joint Intake Center (JIC) in Washington, D.C., at the toll-free number 1-877-246-8253, email JointIntake@cbp.dhs.gov, or

C. Via mail as follows:
   Department of Homeland Security
   U.S. Immigration and Customs Enforcement
   Office of Professional Responsibility
   P.O. Box 14475
   Pennsylvania Avenue NW
   Washington D.C. 20044

2. Review of Complaints

All complaints or allegations (written or oral) reported to the DAKOTNE directly that involve DAKOTNE personnel with ICE delegated authority will be reported to ICE OPR via the JIC. ICE OPR will verify participating personnel status under the MOA with the assistance of the ICE Headquarters. Complaints received by any ICE entity will be reported directly to ICE OPR as per existing ICE policies and procedures.

ICE OPR, as appropriate, will make an initial determination regarding ICE investigative jurisdiction and refer the complaint to the appropriate ICE office for action as soon as possible, given the nature of the complaint.

Complaints reported directly to ICE OPR will be shared with the DAKOTNE’s Internal Investigations Unit when the complaint involves DAKOTNE personnel. Both offices will then coordinate appropriate investigative jurisdiction, which may include initiation of a joint investigation to resolve the issue(s).

3. Complaint and Allegations Resolution Procedures

Upon receipt of any complaint or allegation, ICE OPR will undertake a complete review of each complaint in accordance with existing ICE allegation criteria and reporting requirements. As stated above, ICE OPR will adhere to the reporting requirements as stated above and as they relate to the DHS OIG and CRCL and/or the DOJ Civil Rights Division. Complaints will be
resolved using the existing procedures, supplemented as follows:

A. Referral of Complaints or Allegations to the DAKOTNE’s Internal Investigations Unit.

The ICE OPR will refer complaints, as appropriate, involving DAKOTNE personnel to the DAKOTNE’s Internal Investigations Unit for resolution. The facility commander will inform ICE OPR of the disposition and resolution of any complaints or allegations against DAKOTNE’s participating officers.

B. Interim Action Pending Complaint Resolution

When participating DAKOTNE personnel are under investigation for any reason that could lead to disciplinary action, demotion, or dismissal, or are alleged to have violated the terms of this MOA, ICE may suspend or revoke an individual’s immigration enforcement authority and have that individual removed from participation in the activities covered under the MOA.

C. Time Parameters for Resolution of Complaints or Allegations

It is expected that any complaint received will be resolved within 90 days of receipt. However, this will depend upon the nature and complexity of the substance of the complaint itself.

D. Notification of Resolution of a Complaint or Allegation

ICE OPR will coordinate with the DAKOTNE’s Internal Investigations Unit to ensure notification as appropriate to the JIC, the subject(s) of a complaint, and the person filing the complaint regarding the resolution of the complaint.

These Complaint Reporting and Allegation Procedures are ICE’s internal policy and may be supplemented or modified by ICE unilaterally. ICE will provide DAKOTNE with written copies of any such supplements or modifications. APPENDIX D

STANDARD OPERATING PROCEDURE (SOP)

The purpose of this appendix is to establish standard, uniform procedures for the implementation and oversight of the 287(g) delegation of authority program within the FOD area of responsibility. This appendix can be modified only in writing and by mutual acceptance of ICE and the DAKOTNE.

Pursuant to this MOA, the DAKOTNE has been delegated authorities under the Jail Enforcement Officer (JEO) model as outlined below. A 287(g) JEO model is designed to identify and process aliens amenable for removal within the DAKOTNE's jail/correctional facilities pursuant to ICE's civil immigration enforcement priorities.

Prioritization:

ICE retains sole discretion in determining how it will manage its limited resources and meet its mission requirements. To ensure resources are managed effectively, ICE requires the DAKOTNE to also manage its resources dedicated to 287(g) authority under the MOA. To that end, the DAKOTNE shall follow ICE's civil immigration enforcement priorities.

Authorized Functions:

Participating DAKOTNE personnel performing immigration-related functions pursuant to this MOA will be DAKOTNE officers assigned to detention operations supported by ICE. Those participating DAKOTNE personnel will exercise their immigration-related authorities only during the course of their normal duties while assigned to DAKOTNE jail/correctional facilities. Participating DAKOTNE personnel will identify and process for removal aliens in DAKOTNE jail/correctional facilities who fall within ICE's civil immigration enforcement priorities.

Participating DAKOTNE personnel are delegated only those authorities listed below:

- The power and authority to interrogate any person detained in the participating law enforcement agency’s detention center who the officer believes to be an alien about his or her right to be or remain in the United States, 8 U.S.C. § 1357(a)(1) and 8 C.F.R. § 287.5(a)(1), and to process for immigration violations any removable alien or those aliens who have been arrested for violating a Federal, State, or local offense;

- The power and authority to serve warrants of arrest for immigration violations pursuant to 8 U.S.C. § 1357(a) and 8 C.F.R. § 287.5(e)(3);

- The power and authority to administer oaths and to take and consider evidence, 8 U.S.C § 1357(b) and 8 C.F.R. § 287.5(a)(2), to complete required alien processing, including fingerprinting, photographing, and interviewing of aliens, as well as the preparation of affidavits and the taking of sworn statements for ICE supervisory review;
• The power and authority to prepare charging documents, 8 U.S.C. §§ 1225(b)(1), 1228, 1229, and 1231(a)(5); 8 C.F.R. §§ 235.3, 238.1, 239.1, and 241.8, including the preparation of a Notice to Appear (NTA) or other charging document, as appropriate, for the signature of an ICE officer;

• The power and authority to issue immigration detainers, 8 U.S.C. §§ 1226 and 1357, and 8 C.F.R. § 287.7, and I-213, Record of Deportable/Inadmissible Alien, for processing aliens; and

• The power and authority to detain and transport, 8 U.S.C. § 1357(g)(1) and 8 C.F.R. § 287.5(c)(6), arrested aliens subject to removal to ICE-approved detention facilities.

As previously noted in this Appendix, ICE requires the DAKOTNE to follow ICE’s civil immigration enforcement priorities.

Additional Supervisory and Administrative Responsibilities:

Immigration enforcement activities conducted by the participating DAKOTNE personnel will be supervised and directed by ICE supervisory officers. Participating DAKOTNE personnel are not authorized to perform immigration officer functions except when working under the supervision or guidance of ICE. Additional supervisory and administrative responsibilities for each entity include, but are not limited to:

When issuing any immigration detainer, participating DAKOTNE personnel must follow applicable DHS and ICE policies, and must notify the ICE supervisor of any immigration detainer issued under the authority conferred by the MOA within 24 hours.

The DAKOTNE shall coordinate transportation of detainees processed under the authority conferred by the MOA in a timely manner, in accordance with the MOA and/or IGSA.

All alien processing in applicable ICE databases/systems and associated applications must be completed in accordance with established ICE polices and guidance.

The DAKOTNE is responsible for ensuring proper record checks have been completed, obtaining the necessary court/conviction documents, and ensuring that the alien is served with the appropriate charging documents.

The DAKOTNE must report all encounters with asserted or suspected claims of U.S. citizenship to the ICE FOD in ERO St. Paul through their chain of command within one hour of the claim. The FOD shall make the appropriate notification to ERO headquarters.

On a regular basis, the ICE supervisors are responsible for conducting an audit of the processing entries and records made by the DAKOTNE’s officers. Upon review and auditing of the entries and records, if errors are found, the ICE supervisor will communicate those errors in a timely manner to the responsible official for the DAKOTNE and ensure that steps are taken to correct, modify, or prevent the recurrence of errors that are discovered.
Administrative files (A-files) are Federal records, subject to the Federal Records Act and applicable Federal confidentiality statutes. It follows that the utilization and handling of the A-files must be consistent with applicable laws and DHS and ICE policy. The ICE supervisor is responsible for requesting A-files and reviewing them for completeness. A-files can be maintained at a DAKOTNE facility as long as there are ICE personnel assigned to that facility and the personnel have a work area where documents can be adequately secured and stored by ICE personnel. Representatives from DHS must be permitted access to the facility where ICE records are maintained.
