MEMORANDUM FOR: Tae Johnson
Assistant Director, Custody Management

THROUGH: Jay Brooks
Deputy Assistant Director, Detention Management Division

FROM: Daniel A. Bible 
Field Office Director

SUBJECT: Food Service Waiver Request

Purpose

Review a waiver for the Salt Lake City, Las Vegas ERO Sub-office (SLC/LVG) as it relates to Food Service, Part 3, Sub-Section C, 2, G, Food Service within the 2000 National Detention Standards (NDS), which states, "Food carts must have locking devices."

Background

On August 13, 2015, the City of Henderson Detention Center (HDC) was inspected by the Office of the Detention Oversight. As a result of this inspection, the aforementioned deficiency was noted.

Discussion

HDC has a hasp that secures the food carts once they leave the food service area. The central control room officers monitor the movement of the food carts. This is conducted via the close circuit television system (CCTV). The central control room officer is able to monitor all movement of the food carts as they are being moved.

Recommendation

I recommend that you approve a waiver to Food Service, Part 3, Sub-Section C, 2, G, Food Service within the 2000 National Detention Standards (NDS), which states, "Food carts must have locking devices."
