MEMORANDUM FOR: Tae D. Johnson
Assistant Director, Custody Management

THROUGH: Jay M. Brooks
Deputy Assistant Director, Detention Management Division

FROM: Glenn J. Triveline
Deputy Field Office Director

SUBJECT: Lincoln County Jail, Troy, Missouri -- Waiver Request

Purpose:

Provide a waiver for the opening and inspecting of all incoming general correspondence and other mail without the detainee present for the Chicago Field Office, Lincoln County Jail, Troy Missouri

Background:

Inspections of the Lincoln County Jail revealed a deficiency relating to the facility not opening and inspecting incoming general correspondence and other mail (including packages and other publications) without the detainees being present. The facility does however open legal and special correspondence in the presence of the detainees.

Discussion: A corrective action is not available because The Lincoln County Jail cannot open all incoming general correspondence and other mail (including packages and other publications) in the presence of the detainees without significant disruption in normal facility operations which would hinder the overall security of the facility.

Recommendation:

I recommend authorization of a waiver for the Lincoln County Jail, Troy, Missouri relating to the Correspondence and Other Mail Standard in Detention Facilities, Section (III)(B)(3) within the 2000 NDS, due to the security and logistical concerns by the facility.
