MEMORANDUM FOR: Tae D. Johnson  
Assistant Director for Custody Management

THROUGH: *Jay M. Brooks (A) AD*  
Jay M. Brooks  
Deputy Assistant Director, Detention Management Division

FROM: Kyle Milowski  
Acting Unit Chief, Detention Standards Compliance Unit

SUBJECT: Frederick County Detention Center, MD – Waiver Request

Purpose

Provide a waiver for the Frederick County Detention Center as it relates to the Environmental Health and Safety Standard in Detention Facilities, Section (III) (P) (1) within the 2000 National Detention Standards (NDS) which states "Barber operations will be located in a separate room not used for any other purpose."

Background

A February 20, 2013, ODO Quality Assurance Review of the Frederick County Detention Center reported that the Frederick County Detention Center designated Barber Shop room is also used by the facility dentist for dental services twice a month.

Discussion

Frederick County Detention Center current physical plant does not allow for separate rooms for the Barber Shop and dental services. In order to create separate rooms for the Barber shop and dental services it would require a significant addition to the current physical plane and a huge financial burden for the county taxpayers.

Recommendation

I recommend authorization of a waiver for Frederick County Detention Center for NDS Environmental Health and Safety in Detention Facilities, Section (III) (P) (1) the current physical plant does not allow for a separate room for both the Barber Shop and dental services. Separate rooms would require a significant addition to the current physical plant and a huge financial burden for the county taxpayers.
