MEMORANDUM FOR: Tae D. Johnson
Assistant Director, Custody Management

THROUGH: Jay M. Brooks
Deputy Assistant Director, Detention Management Division

FROM: Glenn J. Triveline 
Deputy Field Office Director

SUBJECT: Boone County Jail, Burlington, Kentucky – Waiver Request

Purpose

Provide a waiver for not describing the recreation policy including; Outdoor recreation hours and indoor recreation hours for the Chicago Field Office, Boone County Jail, Burlington, Kentucky.

Background

Inspections of the Boone County Jail revealed a deficiency concerning the facility's recreation schedule, relating to the outdoor and indoor recreation hours not being posted in the handbook.

Discussion

A corrective action is not available because The Boone County Jail has security concerns regarding the posting of recreation hours for detainees. The facility has been encouraged by the Kentucky State Inspection Group to keep the recreation schedule on a rotating basis and not post recreation hours for detainees to minimize contraband and escape attempts at the facility. The facility will not post the recreation schedules for reasons of facility security as recommended by the state inspection group.

Recommendation

I recommend authorization of a waiver for the Boone County Jail, Kentucky relating to the Detainee Handbook Standard in Detention Facilities, Section (III)(B) within the 2000 NDS, due to security concerns of the facility.
