Re: Deep Dive Compliance Inspection of the Berks County Residential Center

From October 29, 2019 to October 30, 2019, we conducted a deep dive inspection at the Berks County Residential Center (BCRC). This review included subject matter experts (SMEs) encompassing mental health, medical, and education. Each subject matter expert submitted an independent report in a template provided by DLH Danya. These reports are attached.

, and I were present during this deep dive inspection. Recommendations are noted within the respective SME reports attached.

Inspection Topic	Finding	Issue(s)
Education	Recommendation	None
Mental Health	Recommendation	None
Medical	Recommendation	None
