Significant Incident Summary Worksheet

For The Nakamoto Group to complete its review of your facility, the following information <u>must be completed</u> prior to the scheduled review dates. The information on this form should contain data for the past twelve months in the boxes provided. The information on this form is used in conjunction with the ICE Detention Standards in assessing your Detention Operations against the needs of the ICE and its detained population. This form should be filled out by the facility prior to the start of any inspection. Failure to complete this section will result in a delay in processing this report and the possible reduction or removal of ICE' detainees at your facility.

Comments: The Significant Summary Worksheet Summary represents data on ICE detainees only. There were no deaths, serious suicide attempts, hunger strikes, allegations of sexual assault or abuse, calculated uses of force or escapes involving ICE detainees during this inspection period. ICE detainees are not charged a medical co-pay.

The facility has Tasers but policy prohibits their use on ICE detainees. The facility has access to the Clay County Sheriff's Office canine unit. If the canine unit is brought into the facility it is not used in the presence of ICE detainees. The facility has a restraint chair but it was not used in this inspection period. Four/five-point restraints are not authorized for use. The chemical agents approved for use is oleoresin capsicum (OC)/pepper spray. The facility does not use or train staff in unsafe types of restraint.
