B. As an integral component of the FPS security effort, the Contractor shall provide and maintain all management, supervision, manpower, training, equipment, supplies, licenses,
permits, certificates, insurance, pre-employment screenings, reports, and files necessary to accomplish security guard services as described and required in this SOW. The Contractor shall perform to the standards required in this Contract and will be expected to work closely with FPS representatives throughout the duration of the Contract.

C. Where the Government identifies and references specific Solicitation/Contract Section numbers, that reference refers to that Section in its entirety, including every subsection having the same number prefix. For example, a reference to the requirements of this SOW under Section 6, includes all of Section 6 through the last subsection identified with a prefix of “6.”

1.3 Information Regarding FPS

A. FPS is the security and law enforcement component of the Department of Homeland Security, Immigration and Customs Enforcement. FPS is responsible for protecting federally owned or leased facilities. FPS’s mission is to provide a safe environment in which Federal agencies conduct their business without fear of violence, crime or disorder.

B. Contract security guards have a crucial and highly visible role in support of FPS’s mission. They are usually the first (and sometimes only) contact visitors have with the Federal community, and they are usually the first line of defense in a federally controlled facility. Visitors and federal employees perceive the contract Security Guards to be an integral part of the FPS mission. It is crucial that the Contractor ensure that their employees realize the importance of their role, and perform their duties courteously and professionally at all times.

2 Contract Transition

2.1 Phase-In

A. A smooth and orderly transition between the Contractor and the predecessor Contractor is necessary to assure minimum disruption to vital Contractor services and Government activities.

B. The Contractor shall not disrupt official Government business or in any way interfere with the assigned duties of the predecessor Contractor’s employees. The Contractor may notify the predecessor Contractor’s employees that the Contractor will be assuming services upon the Contract start date and may distribute business cards, employment applications, brochures, and other company information to the predecessor Contractor’s employees while they are on duty, provided that there is no interference with the Contract employee’s assigned duties (e.g., during “off hours” or during relief or lunch breaks). However, the Contractor shall not interview, recruit, schedule interviews, or conduct extensive discussions with the predecessor Contractor’s employees while they are on duty.

C. The Contractor shall provide a transition plan within 5 working days after contract award. The transition plan shall include at a minimum all preliminary licensing and certifications required to initiate performance; process for transitioning predecessor employees;
recruitment of new employees; and, timeline showing procurement of required equipment and uniforms. The Plan shall address:

1. A strategy for implementing supervisory functions,
2. The process for transitioning predecessor employees,
3. Equipment inventory (radio & phone) and maintenance plan,
4. Weapons Inventory and employee assignment
5. Weapons Transition Plan from .38 Caliber to the .40 Caliber Semi-automatic
6. Communication plan.
7. Relief and break plan,
8. A plan for establishing a reserve force and the current status of staffing levels,
9. A progress report on obtaining permits, licenses, and registrations,
10. A status report on submitting applications for personnel clearances,
11. A strategy for training including schedules, locations, coordinating with FPS monitors, and class staffing levels.

D. For purposes of this solicitation, the Contractor will provide a detailed Weapons Transition Plan to facilitate transition from existing .38 caliber firearms to the SOW required .40 caliber semi-automatic weapons. The Weapons Transition Plan must fully identify and outline exactly how the transition will take place with a definitive schedule and timeline. The Weapons Transition Plan must also address how transitional issues such as familiarization, training, qualifications, remediation and State/Local firearms licensing and permitting compliance will be accomplished. The Weapons Transition Plan must also ensure that all guards must stand their post with the same weapon they have qualified with.

E. The government will allow a maximum of 60-day start up from the time of the award of the base task order to the initial start of performance.

2.2 Phase-Out of Contract and Continuity of Services

A. The contractor shall provide a list with the total number of employees and their names performing on the Contract with any applicable suitability and certification expiration dates when requested by the CO in preparation for a new solicitation for follow-on services. Prior to Contract expiration and after a follow-on contract is awarded, the Contractor shall exercise its best efforts and cooperation to effect an orderly and efficient transition to a successor contractor.

B. After a new Contract is awarded, the Contractor shall disclose necessary personnel records sufficient to allow the successor Contractor to conduct interviews for possible transition (if the Contractor is not awarded the successor Contract). These records shall be provided to the successor at least 45 days prior to date of Contract expiration. If any incumbent employees are selected by the successor and are agreeable to the change, the incumbent Contractor should cooperate to grant the employees release at a mutually agreed date.

C. As part of the closeout process, the Contractor shall, within 30 days of the final day of performance, turn over all incumbent officer training, medical, suitability and security

records to the successor contractor as stated in paragraph 19A, 1 thru 17. Failure to do so shall result in a 10% withholding of final payment until this action is accomplished.

2.3 Conferences and Meetings

A. Immediately after award of the Contract and prior to the Contractor’s performance at the work site(s), the CO shall notify the Contractor, and the Contracting Officer’s Technical Representative (COTR) to schedule a pre-performance meeting that includes an in-depth review of the total Contract requirements and a review of the Contractor’s Transition Plan.

B. During the performance of the Contract, the CO, COTR, and the Contractor shall meet annually or on an as-needed basis to discuss all relevant Contract issues. A mutual effort will be made to resolve all problems identified. The Contractor and the CO shall sign the written minutes of these meetings, which will be prepared by the Contractor and incorporated into the Contract file. Should the Government not concur with the minutes, the Government shall state, in writing, any areas of clarification or disagreement within 5 days after receipt of the meeting minutes. Those comments shall be included with the report in the Contract file.

3 Authority and Jurisdiction, Permits, Licenses, and Adherence to Laws

A. The Contractor bears the sole burden for ensuring that all legally required licenses and permits are obtained and renewed as specified by the regulating agency. The Contractor shall possess ALL licenses required to perform services in the State of Ohio.

B. Prior to commencement of work under this Contract, and except where precluded by local law or ordinance, the Contractor shall make and complete all arrangements with the appropriate officials in the state or local jurisdiction in which the services are to be performed to:

1. Obtain, possess, and maintain all business and corporate licenses required to operate as a commercial security service within the entire geographic area covered under this Contract prior to performing any work under this Contract. The Contractor shall furnish a legible copy of all legally required licenses and permits (excluding permits and licenses issued to individual Contract employees) to the CO prior to the Contract start date and provide any revised licenses or permits during the Contract term.

2. Provide any official bond(s) and insurance required, and pay any fees or costs involved or related to authorization for the arming of any employees engaged in providing armed guard services specified under this Contract.

3. Obtain all licenses and permits required for each security guard and supervisor to serve as an armed security guard with the authority to hold and detain individuals suspected of committing crimes.

C. The Contractor shall complete and certify a written record that shows names and issue dates for each Contract employee having each and all legally required licenses, permits, and
certifications. This written Contractor certification shall state that all legal requirements have been fulfilled prior to the commencement of any Contract work. The Contractor shall provide an updated record to the Government upon request of the CO or COTR. The Contractor shall not be reimbursed for services rendered by a Security Guard lacking appropriate permits and certifications.

D. Failure by the Contractor to obtain all required licenses as of the Contract start date will be grounds for termination for default.

E. The Contractor must pay all costs and fees associated with applying for, receiving, and maintaining all such permits and licenses throughout the term of the Contract. The costs associated with this requirement must be factored into the Contractor's hourly rate, as they will not be itemized or paid for separately by the Government.

F. Where Contract employees are required by law to individually apply for licenses and/or permits, and a fee is required by the licensing agency, the Contractor shall reimburse the employee for all costs and fees associated with obtaining the required license/permit.

G. Armed security guards shall carry their firearm license/permits (and, where legally required, their concealed weapons permits) on their person while on duty, unless local or state law requires the Contractor to maintain the records. Failure by an armed security guard to carry a valid firearm certificate or permit while on duty shall result in the security guard being removed from the armed post until the certificate or permit is obtained.

H. All armed guards shall carry permit or proper state certification to carry weapons off site. Guards must have the ability to travel to and from their duty station with their weapons.

I. The CO, COTR and all other authorized Government personnel shall have the express authority to examine these documents upon request, at any time, during the duration of this Contract.

J. Failure by the Contractor to maintain valid licenses and permits will be cause for the Government to take Contractual actions, up to and including termination for default.

This exam will test their employees' familiarity with and understanding of the information contained in the SGIM. The test has 50 multiple-choice questions. All of the questions on the test are taken verbatim from the SGIM. The passing score for the examination is 70% (35 questions correct out of 50 possible questions).

B. If a Contract employee does not pass the examination on the first attempt, s/he will be given one additional attempt within 90 days from the date of the first failed attempt to pass the written examination. If the Contract employee fails the second attempt, s/he must wait one (1) year to re-train and re-take the examination and will not be permitted to work under any FPS Contract during that one-year waiting period. If a Contract employee fails the examination on the first attempt, but waits longer than 90 days to re-attempt the examination, s/he must wait one (1) year to re-train and re-take the examination and will not be permitted to work under any FPS Contract during that one-year waiting period. qualifying score is 80% or better. See Exhibit 4E. If the contract employee失败 to qualify during the first session, the employee must attempt to qualify within 30 days at a second qualification session. Before attempting to qualify in the second qualification session, the Contractor must provide a minimum of eight (8) hours of remedial training. The Contractor is responsible in determining what training the employee will need to complete in order to successfully qualify. After failing the second qualification session, the Contractor must provide a minimum of eight (8) hours of remedial training prior to each session (2 attempts) at qualification by the employee. The employee cannot commence working on contract until successfully achieving a qualifying score. The Contractor shall document the employee’s file with any and all remedial training given to enable the employee to pass the firearms course. The Government shall not be liable for compensating the Contractor for any additional expenses or costs incurred by the Contractor to enable Contract employees to annually re-qualify on the course.

F. Any Contract employee who has successfully completed a 40 hour firearms course under a predecessor FPS Contract may be exempted from the 40 hours of firearms training, provided the Contractor can furnish adequate proof (e.g., a valid, legible copy of a Training Certificate or firearms certification) that such training was successfully completed. The COTR shall have the sole discretion to accept or deny proposed exemptions from training based on prior training experience. Prior successful training completion by the Contract employee shall not exempt the Contract employee from the annual range qualification requirements.

G. If the weapon platform required under this Contract is different from the guard’s previous qualification, the Contractor is responsible for providing adequate weapon transition training. The training plan shall include a weapons transition training plan, if applicable.

H. Unless prohibited by state or local law, all weapons range training and qualifications (whether on an FPS range or a commercial range) shall be conducted using current FPS targets only. The Contractor shall furnish an adequate supply of targets for weapons qualifications. Targets shall have a cardboard backing of equal or greater size than the target itself. Any guard attempting annual re-qualification who fails to re-qualify is no longer certified to carry a weapon and shall not be permitted to work on an armed post. Refresher training for intermediate weapons will also be conducted. The costs of such preparations should be factored into the offering prices, as it will not be itemized or paid for separately by the Government.

Outdoor posts may require the individual to withstand extreme heat, humidity, cold, and/or severe weather (e.g., snow, sleet, rain, hail, wind) for up to four hours without shelter. 12.4 Initial and Recurring Screening for Illegal Drugs

A. As part of the medical examination, all Contract employees must submit to an initial urine drug screening that tests for the following five (5) substances at the following cutoff levels (nanogram per milliliter, ng/mL):

<table>
<thead>
<tr>
<th>Substance</th>
<th>Cutoff Level (ng/mL)</th>
</tr>
</thead>
<tbody>
<tr>
<td>Marijuana metabolites</td>
<td>50</td>
</tr>
<tr>
<td>Cocaine metabolites</td>
<td>300</td>
</tr>
<tr>
<td>Opiate metabolites</td>
<td>2,000</td>
</tr>
<tr>
<td>Phencyclidine</td>
<td>25</td>
</tr>
<tr>
<td>Amphetamines</td>
<td>1,000</td>
</tr>
</tbody>
</table>

B. The Contractor will perform random drug screening of 5% of the guard force assigned to this contract over a 12-month period. Contract Security Guards must resubmit to a urine drug screening upon renewal of physical forms every three years.

C. Drug screening methodology shall conform to the U.S. Department of Health and Human Services Substance Abuse and Mental Health Services Administration’s (SAMHSA) “Mandatory Guidelines for Federal Workplace Drug Testing Programs.” These guidelines can be accessed via the Internet at: www.health.org/GDLNS-94.htm or at: http://wmcare.samhsa.gov. The Contractor is strongly urged to use one of the laboratories listed on SAMHSA’s “Current List of Laboratories Which Meet Minimum Standards To Engage in Urine Drug Testing for Federal Agencies,” which is accessible via the Internet at: www.health.org/labs/index.htm or at: http://wmcare.samhsa.gov. This list is updated on a monthly basis. If the Contractor chooses to use a laboratory not shown on SAMHSA’s current list, the Contractor must verify whether the laboratory’s methodology conforms to SAMHSA’s guidelines prior to utilizing that laboratory to perform drug screenings.

1 The cutoff level for Opiate metabolites listed in the internet-ready guidelines is 300; however, that number has been revised by SAMHSA and the new cutoff level is shown in paragraph (A) above.
D. Other drug testing methods (hair, sweat patch, etc.) are commercially available but are not acceptable for the purposes of this Contract, due to widely varying standards of testing and laboratory reliability results. However, if SAMHSA does issue guidelines on alternative drug screening methods, the Contract may be modified to permit the use of those methods.

E. The presence of a positive reading for any of the above substances over the designated cutoff level for that substance shall automatically disqualify an applicant from working under this or any other FPS security guard services contract. Since most drugs are metabolized within a short period of time (from several hours to several days), the Contractor shall not permit any applicant to take multiple tests in order to receive an acceptable reading.

F. The Contractor is responsible for all costs associated with obtaining the medical evaluation and drug screening for each Contract employee. All costs must be factored into the offering prices.

12.5 Government Requested Screening

A. The CO or COTR shall have the express right to request targeted urine drug screenings where there is a reasonable belief by the Government that the Contract employee(s) may be under the influence of or using illegal substances. Targeted screenings shall be conducted in a similar fashion to random screenings, with the exception that the CO will advise the CM in writing that s/he requests a drug screening of a specific security guard. Once the written request is received, the CM shall arrange for the test to be conducted as soon as possible, but not later than three working days. The Contractor shall pay the Contract employee the normal hourly rate/salary for all time associated with taking the screening. Each screening shall follow the guidelines described in paragraph 12.4 above.

B. Contract employees who undergo targeted urine drug screenings may continue working under the Contract until the results have been provided to the Contractor. In the event that the results of any urine drug screening are negative, the Government shall bear the expense of the screening. This does not apply to the pre-employment urine drug screening. In the event that the results are positive, the Contractor shall immediately remove the Contract employee(s) with a positive reading from the Contract and immediately inform the COTR and CO of the result and the employee's removal from the Contract. Additionally, the Contractor shall bear all the expenses relating to the test for the employee(s) with the positive reading.

C. Any Contract employee who undergoes either a random or targeted urine drug screening and tests positive for any of the substances shown above shall be permanently disqualified from working under this or any other FPS security guard services contract. Since most drugs are metabolized within a short period, the affected Contract employee shall not be authorized to take additional tests to achieve an acceptable reading.

13 Conduct of Contractor Personnel
A. In accordance with the SGIM, the Contractor shall be responsible for maintaining satisfactory standards of employee competency, conduct, appearance, and integrity, and shall be responsible for taking such disciplinary action with respect to his employees as may be necessary.

B. The COTR may recommend to the CO that the Contractor immediately remove any employee from any or all locations where the contractor has contracts with the FPS if the employee is not maintaining satisfactory performance in accordance with the Contract or the SGIM. Additionally, the employee may be removed if he/she has been disqualified for employment suitability, performance suitability, or security reasons, or who is found to be unfit for performing security duties during his/her tour of duty. The CO will make all determinations regarding the removal of any employee from any or all locations where the contractor has contracts with the Federal Protective Service. In the event of a dispute, the CO will make the final determination. Specific reasons for removal of an employee will be provided to the Contractor in writing.

C. Notification of Arrest: Guards working under this contract shall notify his contractor within 12 hours of their arrest. The contractor will notify the COTR within 12 hours of the guard’s notification. Failure of the guard to do so may result in a request of removal from this contract.

14 Contract Employee Reinstatements

A. When the Government takes action that may impact upon the suitability or work fitness status of a Contract employee, the Contractor may appeal the decision to the CO.

B. If the CO made the initial decision, a senior manager within the FPS Regional Office or headquarters Security and Law Enforcement Division will review the appeal. The appeal decision will be provided to the Contractor in writing with a brief explanation of the decision to uphold or reverse the CO’s decision.

C. While the appeal is being considered, the employee shall not work under this Contract.

---

2 The Contractor may proceed with Contractor-provided training while awaiting results of the suitability adjudication process.
c. **Contract Guard Qualification Certificate.** The guard's name, and the name of the Contractor's company must be typed on the front of the card, and the guard must sign the signature block in blue or black ink.

d. **Lautenberg Amendment Statement.** Armed guards must submit a signed and dated "Domestic Violence" certification that satisfies the legal requirements of the Lautenberg Amendment, 18 U.S.C. § 922(g)(8) and (9). This certification is valid for one (1) year. The Contractor shall maintain a file of its guards' certifications and provide the COTR a signed statement certifying compliance with this requirement. If at any time a guard has a disqualifying event under Lautenberg, the Contractor shall notify the COTR and immediately remove the guard from work under the contract that may require use of a firearm. The Contractor shall submit a new certification to the COTR stating that all its guards are in compliance with the Lautenberg Amendment annually.

C. The certification card shall be worn on the outermost garment of the guard's uniform.

D. As determined by the COTR, the Contractor is responsible for the employees having all required certification credentials in their possession at all times while on the protected premises. This includes not only the FPS certification card, but also a valid CPR/AED/First Aid card and a valid firearms permit.

E. The Contractor must return employees' certification card to FPS within five (5) workdays upon the termination of the guard's employment or the guard's removal from the contract. At the end of the contract period, the Contractor must return to FPS all blank cards and all completed cards for guards who will not continue to work under FPS contracts. Possession of an FPS certification card does not waive any other contract requirement.

F. Because the Certification card does not expire when individual certification elements expire, the Contractor is responsible for continually maintaining validity of each element of the Contract employee's certification status (i.e., suitability determination, medical examination, firearms re-qualification, CPR/AED/First Aid certification). (See Exhibit 6).

G. The CO shall have the express authority to demand return of the FPS Certification card for any Contract employee who does not maintain compliance with the Contract qualification and certification standards, and the CO shall have the express authority to prohibit that employee from performing under the Contract until such time as s/he comes into full compliance with all qualification/certification criteria.

17.2 **Security Management**

A. The Contractor shall appoint a senior official to act as the Corporate Security Officer. The individual will interface with the DHS Security Office through the COTR on all security matters, to include physical, personnel, and protection of all Government information and data accessed by the Contractor.
B. The COTR and the Security Office shall have the right to inspect the procedures, methods, and facilities utilized by the Contractor in complying with the security requirements under this Contract. Should the COTR determine that the Contractor is not complying with the security requirements of this Contract, the Contractor will be informed in writing by the Contracting Officer of the proper action to be taken in order to effect compliance with such requirements.

17.3 Suitability Determination / Entry on Duty Decision

A. DHS shall have and exercise full control over granting, denying, withholding or terminating unescorted access to a Government facility and or sensitive Government information access for Contractor employees, based upon the results of a background investigation. DHS may, as it deems appropriate, authorize and make favorable entry on duty (EOD) decision based on preliminary security checks. The favorable EOD decision would allow the employees to commence work temporarily prior to the completion of the full investigation. The granting of a favorable EOD decision shall not be considered as assurance that a full employment suitability authorization will follow as a result thereof. The granting of a favorable EOD decision or a full employment suitability determination shall in no way prevent, preclude, or bar the withdrawal or termination of any such access by DHS, at any time during the term of the Contract. No employee of the Contractor shall be allowed unescorted access to a Government facility without a favorable EOD decision or suitability determination by the DHS Security Office. Contract employees assigned to the Contract not needing access to sensitive DHS information or recurring access to DHS' facilities will not be subject to security suitability screening.

B. Agencies that enter into contracts shall require, as condition of each contract, that the contractor agree to use an electronic employment eligibility verification system (e-Verify) designated by the Secretary of Homeland Security to verify the employment eligibility of: (i) all persons hired during the contract term by the contractor to perform employment duties within the United States; and (ii) all persons assigned by the contractor to perform work within the United States on the Federal contract.

C. Contract employees awaiting an EOD decision may begin work on the contract provided they do not access sensitive Government information. Limited access to Government buildings is allowable prior to the EOD decision if a Government employee escorts the contract employee. This limited access is to allow contractors to attend briefings, non-recurring meetings and begin transition work. The EOD determination does not substitute for the required background investigation.

17.4 Suitability Adjudication

A. After award of the Contract and prior to any Contract employees being permitted to work under the Contract, the Contractor is responsible for ensuring that the Contract employees receive formal suitability adjudication by FPS. All Contract employees shall receive formal suitability adjudication by FPS, including the CM, Supervisors, Quality Assurance personnel.
and all other company officers that visit the work sites. Contractor suitability determinations are to be made in accordance with the criteria outlined in 5 CFR 731.202.

B. Once a prospective Contract employee has applied for a position and has been favorably evaluated by the Contractor (i.e., meets the minimum qualification requirements cited in this Statement of Work and otherwise meets the Contractor’s hiring criteria), the Contractor shall submit to the COTR the following Government furnished forms for each Contract employee:

1. Two (2) completed original Forms FD-258, "Fingerprint Chart;"
2. Standard Form 85P, "Questionnaire for Public Trust Positions" (plus one copy);
3. Standard Form 85P-S, "Supplemental Questionnaire for Selected Positions" (plus one copy);
4. DHS Form 11000-9, “Disclosure and Authorization Pertaining to Consumer Reports pursuant to the Fair Credit Reporting Act” (plus one copy);
5. Foreign National Relatives or Associates Statement (plus one copy);
6. Lautenberg Amendment Statement (plus one copy);
7. Contractor Information worksheet.
8. “e-Verify” Confirmation notice.

C. Contractors are required to use local police, the state police, the Federal Bureau of Investigation (FBI), or FPS regional offices to obtain readable fingerprints on the fingerprint cards. In certain locations, FPS may have an electronic fingerprint-scanning machine, which the Contractor is encouraged to use for fingerprinting Contract employees. Upon receipt of the completed, legible forms, FPS will submit the fingerprints for review by the FBI. FPS will use the information provided by the Contractor and the FBI to make a determination regarding the security guard’s suitability to work under an FPS Contract. If the forms are complete and legible, the entire evaluation process will take from one (1) week to several months, depending on current processing times. For planning purposes, the Contractor should always assume that the standard processing time is one (1) month and should plan paperwork submissions accordingly. Standard Form 85P, “Questionnaire for Public Trust Positions” Form must be submitted via OPM “e-QIP” (electronic Questionnaires for Investigation Processing)."

1. ELECTRONIC SUBMISSION-OPM “e-QIP” Process: Fill out the ICE “Contractor Information Worksheet,” proofread for completeness. Send it to the FPS COTR. They can fax or mail to the FPS Regional Contract Suitability Adjudication Office for continued processing.
D. Illegible or incomplete forms submitted by the Contractor will be returned and will result in delays in the adjudication process. Therefore, the Contractor must ensure that all forms submitted to FPS are complete, legible, and accurate. FPS shall not be responsible for any delays that occur due to the Contractor's failure to submit complete, accurate, and legible forms to FPS.

E. All federal agencies are required to implement Homeland Security Presidential Directive 12 (HSPD-12) and must follow the minimum background investigation requirements of National Agency Check with Written Inquiries (NACI) or other suitability or national security investigation prior to credential issuance.

F. A contractor on whom unfavorable or derogatory information has been uncovered must be presented with the information and offered an opportunity to refute, explain, clarify, or mitigate the information in question. If a determination of ineligibility is made, the individual will be formally notified and informed of the reason(s).

G. If FPS finds a Contract employee to be unsuitable to work as a result of the suitability investigation under the Contract, the Contractor shall be advised immediately that such employee cannot work or be assigned to work under the Contract, and the Contractor shall in turn immediately remove the affected employee from the Contract. The security guard or the Contractor may appeal the suitability determination to the CO. However, in such cases the Contractor shall proceed with the hiring process at their own risk until the final determination of the security guard's suitability has been accomplished. Under no circumstances shall a Contract employee who has received a notice of unfavorable (unsuitable) adjudication work under this or any FPS security guard service contract. This requirement also applies to Contract employees whose unfavorable adjudication is pending appeal. Disqualifying information includes but is not limited to the following:

1. Conviction of a felony, a crime of violence, or a serious misdemeanor;

2. Possessing a record of arrests for continuing offenses;

3. Falsification of information entered on suitability background investigation forms.

H. Once a favorable adjudication has been made by FPS, the security guard is suitable to work under the Contract for five (5) years (if nothing occurs within the 5-year period that would render the security guard unsuitable for continuing performance under the Contract). The Contractor shall immediately notify the COTR and the CO in writing of any circumstances that arise which could possibly affect any Contract employee's suitability status (e.g., arrests, convictions, and/or termination of employment by the Contractor for cause, such as misconduct or neglect of duty). The Contractor is responsible for renewing the security guard's suitability clearance prior to its expiration. Any security guard who continues to work under the Contract after his/her suitability clearance has expired shall be removed from the Contract until a new favorable suitability determination is made. The Contractor should make every effort to submit a new suitability package to FPS at least 30 days prior to the current suitability expiration date.
1. Any investigation conducted by or for another federal agency on a contractor that is of the same or higher type and scope as the one required for the position is sufficient to meet the investigation requirements provided it was conducted within the past five years.

2. Any investigation conducted by or for another federal agency on a contractor whose scope is less than that required for the position can be upgraded as provided for by OPM to meet the investigation requirements of the position if it was conducted within the past five years.

I. For employees cleared through this process while employed under a predecessor contract (providing the same services), the suitability determination made under the previous contract will carry over to the new contract. However, the Contractor will be required to submit new suitability applications once the security guards' current suitability clearances expire.

1. Contractors who have been investigated and approved by Components prior to the issuance of DHS-MD 11055, “Suitability Screening Requirements for Contractors” to work on unclassified contracts are eligible to remain on the contract even though they may not have the investigation commensurate with the risk level indicated in Appendix 1, DHS-MD 11055. Such contractors cannot perform work under a different contract or at a different risk level until the investigative requirements in Appendix 1 are met.

2. Lawful Permanent Residents are not eligible (1) to transfer between contracts; (2) for an upgrade to another position; or (3) to remain on a contract after a re-compete and award.

J. FPS shall have and exercise full and complete control over granting, denying, withholding, or terminating suitability clearances for employees. FPS may, as it deems appropriate, authorize and grant temporary clearances to employees of the Contractor. However, issuance of a temporary clearance to any such employee shall not be considered as assurance that full clearance will be granted as a result or condition thereof, and the granting of either temporary or full clearance shall in no way prevent, preclude, or bar the later withdrawal or termination of any such clearance by the Government.

18 Security Clearance Requirements

18.1 Background Investigations

A. In addition to meeting the FPS background suitability check described in the SOW, additional security clearances may be required by the Contract and task order(s). These clearances will be provided by the Department of Defense Security Service (DSS), the Department of Energy (DOE), the Nuclear Regulatory Commission (NRC), or other agency, as appropriate (refer to Exhibit 6C for further information as to whether this Contract will require such clearances). Where such clearances are required, employees shall be subject to a security investigation by the Government prior to being allowed to work at the site. This requirement may also pertain to officers of the firm, who for any reason may visit the work site(s) during the term of the Contract. Employees may not work at the site until the
Contractor receives a DD Form 560 (Letter of Consent), for the individual employee from DSS, or receives a final clearance from DOE, NRC, or other agency.

B. The Government shall notify the Contractor of the required security classification of this Contract and the elements thereof, and of any subsequent revisions in such security classifications, by use of Security Requirements Checklist (DD Form 254), or other written notification.

C. In all areas requiring a DOD, DOE, NRC, or other agency security clearance, the Contractor shall comply with the provisions of the most currently available National Industrial Security Program Operating Manual (NISPOM). This publication may be obtained online at www.dss.mil or from the Superintendent of Documents, U.S. Government Printing Office, Mail Stop SSOP, Washington, DC 20402-9238 (ISBN: 0-16-045560-X). Application forms required for DOD personnel security clearances shall be obtained from Defense Security Service (DSS) at www.dss.mil; for DOE clearances at www.doe.gov; and for NRC at www.nrc.gov. Each designated employee must complete all applicable forms. The Contractor shall notify the COTR in writing within five calendar days of receipt of authorization for employees to be assigned to classified areas. (See Exhibit 6C, Security Clearance Requirements).

D. A security clearance determination of whether an individual should be eligible for access to classified information is a process separate and distinct from the suitability determination and is conducted in accordance with DHS MD 11035, Industrial Security Program. For contractors processed in accordance with DHS MD 11035, the investigative standard for access to Secret classified information will be a MBI. The minimum investigative standard for access to Top Secret classified information will be a SSBI. Each designated employee must complete all applicable forms.

E. The Government will provide the Contractor with the appropriate personnel security questionnaire and fingerprint forms that are to be completed for each Contract security guard employee performing under this Contract, as well as the firm employees, who may, in the performance of this Contract, visit the work site.

F. Contract employees (to include applicants, temporaries, part-time and replacement employees) under the contract needing access to sensitive information shall undergo a position sensitivity analysis based on the duties each individual will perform on the contract. The results of the position sensitivity analysis shall identify the appropriate background investigation to be conducted. All background investigations will be processed through the Security Office. Prospective Contractor employees with adequate security clearances issued by the Defense Industrial Security Clearance Office (DISCO) may not be required to submit complete security packages, as the clearance issued by DISCO may be accepted. Prospective Contractor employees shall submit the following completed forms to the Security Office, through the COTR, no less than 30 days before the starting date of the Contract or 30 days prior to entry on duty of any employees, whether a replacement, addition, subcontractor employee, or vendor.
a. Standard Form 85P, “Questionnaire for Public Trust Positions”
b. Standard Form 85P-S, “Supplemental Questionnaire for Selected Positions”
c. Lautenberg Amendment Statement (plus one copy)
d. FD Form 258, “Fingerprint Card” (2 copies)
e. Foreign National Relative or Associates Statements
f. DHS 11000-9, “Disclosure and Authorization Pertaining to Consumer Reports Pursuant to the Fair Credit Reporting Act”
g. Contractor Information Worksheet
h. “e-Verify Confirmation Notice.

Required forms will be provided by DHS/ FPS at the time of award of the contract. Only complete packages will be accepted by the DHS/ FPS Contract Suitability Adjudication Program Office. Specific instructions on submission of packages will be provided upon award of the contract. Standard Form 85P, “Questionnaire for Public Trust Positions” Form will be submitted via e-QIP (electronic Questionnaires for Investigation Processing). (For the Electronic Submission process refer to Chap. 17.4C.1 above).

G. The Contractor is responsible for all costs associated with obtaining and renewing the applicable security clearances for each affected Contract employee. The costs should be factored into the offering prices, as they will not be itemized or paid for separately by the Government.

H. The Contractor is advised to only submit security packages on suitable prospective employees whose integrity, credit, and character will meet the security suitability requirements of DHS. DHS will likely consider as being unsuitable prospective employees who fail to truthfully represent their credit history; who make no attempt to pay debts; and whose character could be questionable because of serious arrests, illegal drug use, or abuse of alcohol.

I. Unless an applicant/employee has resided in the U.S. for three of the past five years, the Government may not be able to complete a satisfactory background investigation. In such cases, DHS retains the right to deem an applicant/employee as ineligible due to insufficient background information.

18.2 Access To Classified Information (Contractor)

A. The DHS has determined that the performance of this Contract requires that the Contractor, subcontractor(s), vendor(s), etc., (herein known as Contractor) require(s) access to sensitive DHS information or classified National Security Information (herein known as classified
information). Classified information is Government information that requires protection in accordance with Executive Order 12958, Classified National Security Information, and supplementing directives.

B. See Exhibit 6C, Security Clearance Requirements, for a determination of which, if any, Contractor facilities and Contractor personnel, including Contract Manager or Supervisor, assigned to this Contract are required to possess up to a TOP SECRET security clearance.

C. If access to classified information is required as identified in Exhibit 6C, the Contractor will abide by the requirements set forth in the DD Form 254, Contract Security Classification Specification, DHS MD 11035 (Industrial Security Program), and the National Industrial Security Program Operating Manual (NISPOM) for the protection of classified information at its cleared facility, if applicable, as directed by the Defense Security Service. If the Contractor has access to classified information at a DHS or other Government facility, it will abide by the requirements set by that agency. If these procedures are not properly followed by the Contractor, it will result in deductions from monthly invoices.

D. The Contractor and all applicable personnel shall be cleared pursuant to the Defense Industrial Security Regulations, or other applicable regulations. The Contractor shall hold as a minimum, interim facility clearance requirements subsequent to the official award date, and/or at least thirty-(30) days prior to the Contract start-up date.

E. Interim Personnel Clearance Level – Applicants for SECRET may be routinely granted an interim personnel clearance level as appropriate, provided there is not evidence of adverse information of material significance. The interim status will cease if results are favorable following completion of full investigation requirements. Non-U.S. citizens are not eligible for access to classified information on an interim basis.

F. If access to classified information is required as identified in Exhibit 6C, the Contractor must possess a TOP SECRET facility clearance consistent with the DHS MD 11035, Industrial Security Program prior to Contract award. If an uncleared firm is selected, DHS will sponsor the firm for the facility clearance. If the facility clearance is not issued within 180 days, DHS may terminate the Contract for the convenience of the Government.

18.3 Continued Eligibility

A. A contractor on whom unfavorable or derogatory information has been uncovered must be presented with the information and offered an opportunity to refute, explain, clarify, or mitigate the information in question. If a determination of ineligibility is made, the individual will be formally notified and informed of the reason(s). If a prospective employee is found to be ineligible for access to Government facilities or information, the COTR will advise the Contractor that the employee shall not continue to work or to be assigned to work under the Contract.

B. The Security Office may require drug screening for probable cause at any time and/or when the Contractor independently identifies circumstances where probable cause exists.
C. DHS reserves the right and prerogative to deny and/or restrict the facility and information access of any Contractor employee whose actions are in conflict with the standards of conduct, 5 CFR 2635 and 5 CFR 3801, or whom DHS determines to present a risk of compromising sensitive Government information to which he or she would have access under this Contract.

D. The Contractor will immediately report any adverse information coming to their attention concerning contract employees under the contract to the COTR. Reports based on rumor or innuendo should not be made. The subsequent termination of employment of an employee does not obviate the requirement to submit this report. The report shall include the employees' name and social security number, along with the adverse information being reported.

E. The Contractor must notify the Security Office of all terminations/resignations within five (5) days of occurrence. The Contractor will return any expired DHS/FPS issued identification cards and building passes, or those of terminated employees to the COTR. When a controlled personnel identification system is used by a tenant agency at a site at which the Contract employee is assigned for duty, and the tenant agency provided the Contract employee with the necessary Government identification, the Contractor shall ensure that all Government identifications are returned to the issuing agency when employees are terminated or resign, or upon expiration of the Contract, whichever comes first. If an identification card or building pass is not available to be returned, a report must be submitted to the COTR, referencing the pass or card number, name of individual to whom issued, the last known location and disposition of the pass card.

19 Contractor's Personnel Filing System

A. To minimize duplication of effort by the FPS and the Contractor, the Contractor shall maintain personnel files on-site for all employees who work under this Contract. Files shall be maintained at the Contractor Manager’s office and will be made available to the COTR on a continuous basis. Each guard’s file must contain the following information:

1. Application for employment, including SF85P, FD 258, resume or detailed prior work history and references;

2. Results of all criminal history checks obtained by the Contractor;

3. Employment Eligibility Verification (e-Verify) Confirmation Notice.

4. A copy of DHS 11000-6 Non-Disclosure Agreement,

5. A copy of high school diploma, GED certificate, college transcripts, military records, or POST training completion;

6. Records of all basic and refresher training attendance and, where required, test scores;
7. Records of current firearms training and qualification scores, where required by the Contract;

8. Records of all successfully completed Government-provided training;

9. A copy of most recent CPR, First Aid, and AED certification card;

10. Results of all drug screenings administered (both pre- and post-employment);

11. A copy of the DHS certification card as required by the COTR;

12. A copy of all firearm licenses and certifications required by state and local regulations;

13. Records of guard's suitability information (including date current suitability expires);

14. Copies of all complaints, investigations, and disciplinary actions taken by the Contractor against the employee for all infractions committed under the Contract;

15. A copy of all commendations, awards, letters, and other documents given to the employee as a result of work performed under this Contract; and

16. A copy of any National Security Information clearance issued, where required by this Contract (i.e., Secret/Top Secret).

17. To comply with the Health Insurance Portability & Accountability Act (HIPAA), the Medical Evaluation (SF-78) may be filed separately by the Contractor.

B. The CO or COTR shall have the express authority to review any Contract employee’s file at any time during the course of the Contract. The Contractor shall maintain all personnel files for a minimum of five (5) years after Contract closeout (upon receipt of release of claims).

C. The CO or COTR can request, at any time during the course of the Contract, a spreadsheet or other tracking system (either in paper form or in electronic form) that clearly details the status of all Contract employees pertaining to Contract requirements.

D. The Contractor may maintain either a hard-copy (paper) file or a computerized system containing all the information required above. However, if the Contractor uses a computerized filing system, all forms must be scanned into the computer and must be legible.

E. False statements, certification, or falsification of any documents required in this Contract by the Contractor, Contract Manager, or any Contract employee shall be punishable under US Code Title 18, Chapter 47, Section 1001, Fraud and False Statements. Additionally, the Government may initiate investigations by its Office of Inspector General or the regional FPS Criminal Investigations Branch, may initiate debarment proceedings, and/or may take
Contractual remedies, up to and including termination for default. Under no circumstances whatsoever will the Government tolerate falsification of required documents.

20 **Performance Evaluations**

A. The CO and/or COTR shall meet with the Contractor (either in person or via teleconference) on a regular basis, but not less than annually.

B. The Government shall formally evaluate, in writing, the Contractor's performance *at least* once per year. Whenever possible, the Government shall give the Contractor the opportunity to correct any identified problems/deficiencies prior to a written performance evaluation being given. The Contractor shall be permitted to respond, in writing, to the findings of the performance evaluation. Both the performance evaluation and the Contractor's response shall be filed in the Contract file. Where the Contractor fails to respond in writing to a performance evaluation, the CO shall assume the Contractor's complete concurrence with the findings of the performance evaluation. The CO and/or COTR shall meet with the Contractor prior to all performance evaluations to discuss the results of the Government's quality control findings and the overall performance of the Contract by the Contractor.

C. The Government shall use the performance evaluations as a factor to determine whether to exercise any available option period and/or as a factor to determine whether to award any future Contract(s) to the Contractor.

DEPARTMENT OF HOMELAND SECURITY

NON-DISCLOSURE AGREEMENT

I, ______________________, an individual official, employee, consultant, or subcontractor of or to ______________________ (the Authorized Entity), intending to be legally bound, hereby consent to the terms in this Agreement in consideration of my being granted conditional access to certain information, specified below, that is owned by, produced by, or in the possession of the United States Government.

(Signer will acknowledge the category or categories of information that he or she may have access to, and the signer's willingness to comply with the standards for protection by placing his or her initials in front of the applicable category or categories.)

Initials: 

Protected Critical Infrastructure Information (PCII)

I attest that I am familiar with, and I will comply with all requirements of the PCII program set out in the Critical Infrastructure Information Act of 2002 (CII Act) (Title II, Subtitle B, of the Homeland Security Act of 2002, Public Law 107-296, 196 Stat. 2135, 6 USC 101 et seq.), as amended, the implementing regulations therefor (6 CFR Part 29), as amended, and the applicable PCII Procedures Manual, as amended, and with any such requirements that may be officially communicated to me by the PCII Program Manager or the PCII Program Manager's designee.

Initials: 

Sensitive Security Information (SSI)

I attest that I am familiar with, and I will comply with the standards for access, dissemination, handling, and safeguarding of SSI information as cited in this Agreement and in accordance with 49 CFR Part 1520, “Protection of Sensitive Security Information,” “Policies and Procedures for Safeguarding and Control of SSI,” as amended, and any supplementary guidance issued by an authorized official of the Department of Homeland Security.

Initials: 

Other Sensitive but Unclassified (SBU)

As used in this Agreement, sensitive but unclassified information is an over-arching term that covers any information, not otherwise indicated above, which the loss of, misuse of, or unauthorized access to or modification of could adversely affect the national interest or the conduct of Federal programs, or the privacy to which individuals are entitled under Section 552a of Title 5, as amended, but which has not been specifically authorized under criteria established by an Executive Order or an Act of Congress to be kept secret in the interest of national defense or foreign policy. This includes information categorized by DHS or other government agencies as: For Official Use Only (FOUO); Official Use Only (OUO); Sensitive Homeland Security Information (SHSI); Limited Official Use (LOU); Law Enforcement Sensitive (LES); Safeguarding Information (SGI); Unclassified Controlled Nuclear Information (UCNI); and any other identifier used by other government agencies to categorize information as sensitive but unclassified.

I attest that I am familiar with, and I will comply with the standards for access, dissemination, handling, and safeguarding of the information to which I am granted access as cited in this Agreement and in accordance with the guidance provided to me relative to the specific category of information.

I understand and agree to the following terms and conditions of my access to the information indicated above:

1. I hereby acknowledge that I have received a security indoctrination concerning the nature and protection of information to which I have been provided conditional access, including the procedures to be followed in ascertaining whether other persons to whom I contemplate disclosing this information have been approved for access to it, and that I understand these procedures.

2. By being granted conditional access to the information indicated above, the United States Government has placed special confidence and trust in me and I am obligated to protect this information from unauthorized disclosure, in accordance with the terms of this Agreement and the laws, regulations, and directives applicable to the specific categories of information to which I am granted access.

3. I attest that I understand my responsibilities and that I am familiar with and will comply with the standards for protecting such information that I may have access to in accordance with the terms of this Agreement and the laws, regulations, and/or directives applicable to the specific categories of information to which I am granted access. I understand that the United States Government may conduct inspections, at any time or place, for the purpose of ensuring compliance with the conditions for access, dissemination, handling and safeguarding information under this Agreement.
4. I will not disclose or release any information provided to me pursuant to this Agreement without proper authority or authorization. Should situations arise that warrant the disclosure or release of such information I will do so only under approved circumstances and in accordance with the laws, regulations, or directives applicable to the specific categories of information. I will honor and comply with any and all dissemination restrictions cited or verbally relayed to me by the proper authority.

5. (a) For PCII - (1) Upon the completion of my engagement as an employee, consultant, or subcontractor under the contract, or the completion of my work on the PCII Program, whichever occurs first, I will surrender promptly to the PCII Program Manager or his designee, or to the appropriate PCII officer, PCII of any type whatsoever that is in my possession.

(2) If the Authorized Entity is a United States Government contractor performing services in support of the PCII Program, I will not request, obtain, maintain, or use PCII unless the PCII Program Manager or Program Manager’s designee has first made in writing, with respect to the contractor, the certification as provided for in Section 29.8(c) of the implementing regulations to the CII Act, as amended.

(b) For SSI and SBU - I hereby agree that material which I have in my possession and containing information covered by this Agreement, will be handled and safeguarded in a manner that affords sufficient protection to prevent the unauthorized disclosure of or inadvertent access to such information, consistent with the laws, regulations, or directives applicable to the specific categories of information. I agree that I shall return all information to which I have had access or which is in my possession 1) upon demand by an authorized individual; and/or 2) upon the conclusion of my duties, association, or support to DHS; and/or 3) upon the determination that my official duties do not require further access to such information.

6. I hereby agree that I will not alter or remove markings, which indicate a category of information or require specific handling instructions, from any material I may come in contact with, in the case of SSI or SBU, unless such alteration or removal is consistent with the requirements set forth in the laws, regulations, or directives applicable to the specific category of information or, in the case of PCII, unless such alteration or removal is authorized by the PCII Program Manager or the PCII Program Manager’s designee. I agree that if I use information from a sensitive document or other medium, I will carry forward any markings or other required restrictions to derivative products, and will protect them in the same matter as the original.

7. I hereby agree that I shall promptly report to the appropriate official, in accordance with the guidance issued for the applicable category of information, any loss, theft, misuse, misplacement, unauthorized disclosure, or other security violation, I have knowledge of and whether or not I am personally involved. I also understand that my anonymity will be kept to the extent possible when reporting security violations.

8. If I violate the terms and conditions of this Agreement, such violation may result in the cancellation of my conditional access to the information covered by this Agreement. This may serve as a basis for denying me conditional access to other types of information, to include classified national security information.

9. (a) With respect to SSI and SBU, I hereby assign to the United States Government all royalties, remunerations, and emoluments that have resulted, will result, or may result from any disclosure, publication, or revelation of the information not consistent with the terms of this Agreement.

(b) With respect to PCII I hereby assign to the entity owning the PCII and the United States Government, all royalties, remunerations, and emoluments that have resulted, will result, or may result from any disclosure, publication, or revelation of PCII not consistent with the terms of this Agreement.

10. This Agreement is made and intended for the benefit of the United States Government and may be enforced by the United States Government or the Authorized Entity. By granting me conditional access to information in this context, the United States Government and, with respect to PCII, the Authorized Entity, may seek any remedy available to it to enforce this Agreement including, but not limited to, application for a court order prohibiting disclosure of information in breach of this Agreement. I understand that if I violate the terms and conditions of this Agreement, I could be subjected to administrative, disciplinary, civil, or criminal action, as appropriate, under the laws, regulations, or directives applicable to the category of information involved and neither the United States Government nor the Authorized Entity have waived any statutory or common law evidentiary privileges or protections that they may assert in any administrative or court proceeding to protect any sensitive information to which I have been given conditional access under the terms of this Agreement.
11. Unless and until I am released in writing by an authorized representative of the Department of Homeland Security (if permissible for the particular category of information), I understand that all conditions and obligations imposed upon me by this Agreement apply during the time that I am granted conditional access, and at all times thereafter.

12. Each provision of this Agreement is severable. If a court should find any provision of this Agreement to be unenforceable, all other provisions shall remain in full force and effect.

13. My execution of this Agreement shall not nullify or affect in any manner any other secrecy or non-disclosure Agreement which I have executed or may execute with the United States Government or any of its departments or agencies.

14. These restrictions are consistent with and do not supersede, conflict with, or otherwise alter the employee obligations, rights, or liabilities created by Executive Order No. 12958, as amended; Section 7211 of Title 5, United States Code (governing disclosures to Congress); Section 1034 of Title 10, United States Code, as amended by the Military Whistleblower Protection Act (governing disclosure to Congress by members of the military); Section 2302(b)(8) of Title 5, United States Code, as amended by the Whistleblower Protection Act (governing disclosures of illegality, waste, fraud, abuse or public health or safety threats); the Intelligence Identities Protection Act of 1982 (50 USC 421 et seq.) (governing disclosures that could expose confidential Government agents); and the statutes which protect against disclosure that may compromise the national security, including Sections 641, 793, 794, 798, and 952 of Title 18, United States Code, and Section 4(b) of the Subversive Activities Act of 1950 (50 USC 783(b)). The definitions, requirements, obligations, rights, sanctions, and liabilities created by said Executive Order and listed statutes are incorporated into this agreement and are controlling.

15. Signing this Agreement does not bar disclosures to Congress or to an authorized official of an executive agency or the Department of Justice that are essential to reporting a substantial violation of law.

16. I represent and warrant that I have the authority to enter into this Agreement.

17. I have read this Agreement carefully and my questions, if any, have been answered. I acknowledge that the briefing officer has made available to me any laws, regulations, or directives referenced in this document so that I may read them at this time, if I so choose.

For Official Use Only/Privacy Act Information
Questionnaire for Public Trust Positions

Follow instructions fully or we cannot process your form. Be sure to sign and date the certification statement on Page 7 and the release on Page 8. If you have any questions, call the office that gave you the form.

Purpose of this Form

The U.S. Government conducts background investigations and reinvestigations to establish that applicants or incumbents either employed by the Government or working for the Government under contract, are suitable for the job and/or eligible for a public trust or sensitive position. Information from this form is used primarily as the basis for this investigation. Complete this form only after a conditional offer of employment has been made.

Giving us the information we ask for is voluntary. However, we may not be able to complete your investigation, or complete it in a timely manner, if you don’t give us each item of information we request. This may affect your placement or employment prospects.

Authority to Request this Information

The U.S. Government is authorized to ask for this information under Executive Orders 10450 and 10577, sections 3301 and 3302 of Title 5, U.S. Code; and parts 5, 731, 732, and 736 of Title 5, Code of Federal Regulations.

Your Social Security number is needed to keep records accurate, because other people may have the same name and birth date. Executive Order 9397 also asks Federal agencies to use this number to help identify individuals in agency records.

The Investigative Process

Background investigations are conducted using your responses on this form and on your Declaration for Federal Employment (OF 306) to develop information to show whether you are reliable, trustworthy, of good conduct and character, and loyal to the United States. The information that you provide on this form is confirmed during the investigation. Your current employer must be contacted as part of the investigation, even if you have previously indicated on applications or other forms that you do not want this.

In addition to the questions on this form, inquiry also is made about a person’s adherence to security requirements, honesty and integrity, vulnerability to exploitation or coercion, falsification, misrepresentation, and any other behavior, activities, or associations that tend to show the person is not reliable, trustworthy, or loyal.

Your Personal Interview

Some investigations will include an interview with you as a normal part of the investigative process. This provides you the opportunity to update, clarify, and explain information on your form more completely, which often helps to complete your investigation faster. It is important that the interview be conducted as soon as possible after you are contacted. Postponements will delay the processing of your investigation, and declining to be interviewed may result in your investigation being delayed or canceled.

You will be asked to bring identification with your picture on it, such as a valid State driver’s license, to the interview. There are other documents you may be asked to bring to verify your identity as well.

These include documentation of any legal name change, Social Security card, and/or birth certificate.

You may also be asked to bring documents about information you provided on the form or other matters requiring specific attention. These matters include alien registration, delinquent loans or taxes, bankruptcy, judgments, liens, or other financial obligations, agreements involving child custody or support, alimony or property settlements, arrests, convictions, probation, and/or parole.

Instructions for Completing this Form

1. Follow the instructions given to you by the person who gave you the form and any other clarifying instructions furnished by that person to assist you in completion of the form. Find out how many copies of the form you are to turn in. You must sign and date, in black ink, the original and each copy you submit.

2. Type or legibly print your answers in black ink (if your form is not legible, it will not be accepted). You may also be asked to submit your form in an approved electronic format.

3. All questions on this form must be answered. If no response is necessary or applicable, indicate this on the form (for example, enter "None" or "N/A"). If you find that you cannot report an exact date, approximate or estimate the date to the best of your ability and indicate this by marking "APPROX." or "EST."

4. Any changes that you make to this form after you sign it must be initialed and dated by you. Under certain limited circumstances, agencies may modify the form consistent with your intent.

5. You must use the State codes (abbreviations) listed on the back of this page when you fill out this form. Do not abbreviate the names of cities or foreign countries.

6. The 5-digit postal ZIP codes are needed to speed the processing of your investigation. The office that provided the form will assist you in completing the ZIP codes.

7. All telephone numbers must include area codes.

8. All dates provided on this form must be in Month/Day/Year or Month/Year format. Use numbers (1-12) to indicate months. For example, June 10, 1978, should be shown as 6/10/78.

9. Whenever "City (Country)" is shown in an address block, also provide in that block the name of the country when the address is outside the United States.

10. If you need additional space to list your residences or employments/self-employs/unemploys or education, you should use a continuation sheet, SF 86A. If additional space is needed to answer other items, use a blank piece of paper. Each blank piece of paper you use must contain your name and Social Security Number at the top of the page.
Final Determination on Your Eligibility

Final determination on your eligibility for a public trust or sensitive position and your being granted a security clearance is the responsibility of the Office of Personnel Management or the Federal agency that requested your investigation. You may be provided the opportunity personally to explain, refute, or clarify any information before a final decision is made.

Penalties for Inaccurate or False Statements

The U.S. Criminal Code (title 18, section 1001) provides that knowingly falsifying or concealing a material fact is a felony which may result in fines of up to $10,000, and/or 5 years imprisonment, or both. In addition, Federal agencies generally fire, do not grant a security clearance, or disqualify individuals who have materially and deliberately falsified these forms, and this remains a part of the permanent record for future placements. Because the position for which you are being considered is one of public trust or is sensitive, your trustworthiness is a very important consideration in deciding your suitability for placement or retention in the position.

Your prospects of placement are better if you answer all questions truthfully and completely. You will have adequate opportunity to explain any information you give us on the form and to make your comments part of the record.

Disclosure of Information

The information you give us is for the purpose of investigating you for a position; we will protect it from unauthorized disclosure. The collection, maintenance, and disclosure of background investigative information is governed by the Privacy Act. The agency which requested the investigation and the agency which conducted the investigation have published notices in the Federal Register describing the system of records in which your records will be maintained. You may obtain copies of the relevant notices from the person who gave you this form. The information on this form, and information we collect during an investigation may be disclosed without your consent as permitted by the Privacy Act (5 USC 552a(b)) and as follows:

List the places where you have lived, beginning with the most recent (#1) and working back 7 years. All periods must be accounted for in your list. Be sure to indicate the actual physical location of your residence; do not use a post office box as an address, do not list a permanent address when you were actually living at a school address, etc. Be sure to specify your location as closely as possible; for example, do not list only your base or ship, list your barracks number or home port. You may omit temporary military duty locations under 90 days (list your permanent address instead), and you should use your APO/FPO address if you lived overseas.

For any address in the last 5 years, list a person who knew you at that address, and who preferably lives in that area (do not list people for residences completely outside this 5-year period, and do not list your spouse, former spouses, or other relatives). Also, for addresses in the last 5 years, if the address is "General Delivery," a Rural or Star Route, or may be difficult to locate, provide directions for locating the residence on an attached continuation sheet.

YOUR EMPLOYMENT ACTIVITIES

List your employment activities, beginning with the present (#1) and working back 7 years. You should list all full-time work, part-time work, military service, temporary military duty locations over 60 days, self-employment, other paid work, and all periods of unemployment. The entire 7-year period must be accounted for without breaks, but you need not list employments before your 16th birthday.

• Code. Use one of the codes listed below to identify the type of employment:
  1 - Active military duty
  2 - National Guard/Reserve
  3 - U.S.P.H.S. Commissioned Corps
  4 - Other Federal employment
  5 - State Government (Non-Federal employment)
  6 - Self-employment (Include business and/or name of person who can verify)
  7 - Unemployment (Include name of person who can verify)
  8 - Federal Contractor (List Contractor, not Federal agency)

• Employer/Verifier Name. List the business name of your employer or the name of the person who can verify your self-employment or unemployment in this block. If military service is being listed, include your duty location or home port here as well as your branch of service. You should provide separate listings to reflect changes in your military duty locations or home ports.

• Previous Periods of Activity. Complete these lines if you worked for an employer on more than one occasion at the same location. After entering the most recent period of employment in the initial numbered block, provide previous periods of employment at the same location on the additional lines provided. For example, if you worked at XY Plumbing in Denver, CO, during 3 separate periods of time, you would enter dates and information concerning the most recent period of employment first, and provide dates, position titles, and supervisors for the two previous periods of employment on the lines below that information.

Public Law 104-208 & Title 18 USC Sections 921, 922 and 925

1. Public Law 104-208 has amended Title 18, United States Code, Sections 921, 922 and 925, making unlawful for any person convicted of a misdemeanor crime of domestic violence (spouse abuse, parent abuse, child abuse, etc.) to ship, transport, possess or receive firearms or ammunition. Presently, there are no exceptions or time limits included in this law.

2. Therefore, anyone ever convicted of the subject crime(s) would be affected by its provisions. Since a person convicted of a misdemeanor crime of domestic violence can NOT possess a firearm or ammunition, such a person may NOT perform as an armed Contract employee.

3a. Have you ever been convicted of a misdemeanor crime of domestic violence, as defined by 18 U.S.C. §921(a)(33)?

   YES_______   NO_________

3b. If you answered YES, provide the following information with respect to each conviction:

   a. Court/Jurisdiction: 
   b. Docket/Case Number:
   c. Statute/Charge:
   d. Date Sentenced:

3c. I certify that, to the best of my information and belief, all of the information provided by me here is true, correct, current, complete and made in good faith. I understand that false or fraudulent information provided herein may be grounds for adverse action, up to and including removal, and is also criminally punishable pursuant to Federal law, including 18 U.S.C. §1001.

Name: ____________________________________________

(Print your complete legal name)
On September 30, 1996, Title 18, United States Code, Section 922 (g)(9), was signed into law. This legislation makes it illegal for anyone who has been convicted of a misdemeanor crime of domestic violence to possess, receive, ship or transport any firearm or ammunition.

This law applies without exception to any person who has ever been convicted of a misdemeanor crime of domestic violence within the meaning of the statute. The inability of an individual to lawfully possess a firearm disqualifies that person from any position authorizing firearm privileges.

The position for which you have applied authorizes firearm privileges. Therefore, in order to determine your qualifications for this position, you must complete a certification form. Please carefully review the statute and all of the following information before responding to the inquiry.

QUALIFICATION INQUIRY

You must complete the Lautenberg Certification form and return it to Human Resources Management within 10 calendar days from the date of this letter. In completing this form, you are advised that:

- The purpose is to obtain information regarding your qualification to possess or receive firearms or ammunition.

- You must complete and return the form in a timely manner to receive consideration for the position to which you are applying. If you fail to complete and/or return the form in a timely manner you will automatically be deemed not qualified.

THE LAW

The Lautenberg Amendment to Title 18, U.S.C., Section 922 (g) provides:

(g) It shall be unlawful for any person --

(9) who has been convicted in any court of a misdemeanor crime of domestic violence, to ship or transport in interstate or foreign commerce, or possess in or affecting commerce, any firearm or ammunition; or to receive any firearm or ammunition which has been shipped or transported in interstate or foreign commerce.
As defined in 18 U.S.C. Section 921 (a)(33), a “misdemeanor crime of domestic violence” means an offense that:

(i) is a misdemeanor under Federal or State law; and

(ii) has, as an element, the use or attempted use of physical force, or the threatened use of a deadly weapon, committed by a current or former spouse, parent, or guardian of the victim, by a person with whom the victim shares a child in common, by a person who is cohabiting with or has cohabited with the victim as a spouse, parent, or guardian or by a person similarly situated to a spouse, parent, or guardian of the victim.

Section 921(a)(33) further provides:

(B)(i) A person shall not be considered to have been convicted of such an offense for purpose of this chapter, unless—

(I) the person was represented by counsel in the case, or knowingly and intelligently waived the right to counsel in the case; and

(II) in the case of a prosecution for an offense described in this paragraph for which a person was entitled to a jury trial in the jurisdiction in which the case was tried either

(aa) the case was tried by a jury, or

(bb) the person knowingly and intelligently waived the right to have the case tried by a jury, by guilty plea or otherwise.

(B)(ii) A person shall not be considered to have been convicted of such an offense for purposes of this chapter if the conviction has been expunged or set aside, or is an offense for which the person has been pardoned or has had civil rights restored (if the law of the applicable jurisdiction provides for the loss of civil rights under such an offense) unless the pardon, expungement or restoration of civil rights expressly provides that the person may not ship, transport, possess, or receive firearms.
Statement for Positions Authorizing the Carriage of a Firearm

This position authorized the incumbent to carry a firearm. Any person who has been convicted of a misdemeanor crime of domestic violence cannot lawfully possess a firearm or ammunition [Title 18, U.S.C., Section 922(g)(9)]. A "misdemeanor crime of domestic violence" is generally defined under the statute as any offense involving the use or attempted use of physical force, or the threatened use of a deadly weapon, committed by the victim's current or former domestic partner, parent, or guardian. The term "convicted", as defined in the statute, excludes any person whose conviction has been expunged, set aside, or pardoned or any person whose civil rights have been restored unless the pardon, expungement or restoration of civil rights expressly prohibits the possession of firearms or ammunition. Candidates who have been convicted of a misdemeanor crime of domestic violence within the meaning of the referenced statute are not qualified for this position. Candidates under consideration will be required to certify whether they have ever been convicted of such an offense. False or fraudulent information provided by candidates is criminally punishable by fine or imprisonment [Title 18, U.S.C., Section 1001].

PART 2, EXHIBIT 2E

CONTRACTOR FURNISHED FIREARMS AND AMMUNITION

The contractor will provide all security guards, including part-time and reserve guards with one (1) pistol each meeting the following requirements:

The firearm for use on this BPA will be a .40 caliber semi automatic pistol. The overall size shall not exceed 7.5" long, 5.5" high, and 1.5" wide and weigh no more than 30 oz. excluding the magazine. The caliber authorized is .40 caliber and not any larger. The magazine shall hold a minimum of 10 rounds and not more than 15. The pistol must be able to be fired without a magazine inserted into the weapon. The magazine must fall free (unloaded) when the magazine catch is activated. The double action only trigger pull must not weigh more than 12 pounds and not less than 5 pounds. The pistol may be either a traditional double action only or a striker fired design.

The pistol shall have a dark corrosive resistant finish and must be capable of being fired without the manipulation of an external safety or cocking lever. Passively operated grip or trigger safeties are acceptable. The normal function of the pistol shall be double action only. The pistol must be operable by a right or left-handed user. The use of a polymer-framed pistol is acceptable. There is not a requirement for an all-metal firearm.

All safeties must be internal or passive. An inertial interlocked firing pin will be the primary safety to positively prevent movement of the firing pin unless the trigger is pulled completely through its entire length of travel.

The sights must be drift adjustable and be luminous night sights, one (1) dot on the front sight, and two (2) dots on the rear sight, which appear as three (3) illuminated dots when the weapon is held at arm's length. The illuminated dots must not be visible when viewed from the muzzle end of the pistol. The color of the illuminated dots must be green. The illumination materials for the night sight must comply with Nuclear Regulatory Commission standards.

Care and consideration must be given to the transition plan development and subsequent qualifications and behaviour on safe handling, holstering and un-holstering due to the sensitivity of the weapon. Any weapons inspections and exchanges will be conducted and performed in a designated safe area, with a clearing barrel at hand and not on post or anywhere in a public area.
The following pistols are recommended:

- Smith & Wesson M&P .40 Cal.
- Glock 22 & 23 .40 Cal.
- SIGARMS Sigpro .40 Cal.; P226 and P229
- Steyr M Series .40 Cal.
- Springfield Armory XD in .40 Cal.
- H&K USP (Variant 7 DAO) .40 Cal.

Ammunition type authorized:

165 grain Jacketed Hollow Point. (If local statutes permit)

- Speer
- Winchester
- Remington

THIS AGREEMENT is entered into by and between General Security Services Corporation, hereinafter referred to as the "Company," and ITPEU, AFL-CIO, hereinafter referred to as the "Union," as representative of all non-supervisory armed security force employees located at the Federal Buildings in the state of Ohio, for the following districts and surrounding areas: Cincinnati, Dayton, Columbus, and Youngstown, hereinafter referred to as the "Federal facilities," in the mutual interest of the employees and the Company to promote and further the efficiency and economy of operations, to provide orderly and equitable dispositions of grievances, and a method for the establishment of fair wages, hours and working conditions for the employees covered hereunder. In making this Agreement, it is recognized to be the duty of the Parties to cooperate fully with each other, both individually and collectively, for the advancement of the purposes of this Agreement.

This Agreement supersedes any and all prior Agreements between the Company and the Union.

ARTICLE I - UNION RECOGNITION

SECTION A.

The Company hereby recognizes the Union as the sole bargaining agent of all non-supervisory armed security force employees located at the Federal facilities (see Attachment A), excluding all managerial employees, administrative and supervisors, as defined in Section 2 of the National Labor Relations Act, as amended.

SECTION B.

Whenever the words "employee" or "employees" are used in this Agreement, they designate only such employees as are covered by this Agreement. Whenever in this Agreement employees or jobs are referred to in the male gender, it will be recognized as referring to both male and female employees.

SECTION C.

It is understood by this Section that the parties hereto shall not use a leasing or subcontracting device to evade the terms of this Agreement. The Company shall give a copy of this Agreement to the Contracting Officer wherever this Agreement is applicable.
ARTICLE II - UNION MEMBERSHIP AND CHECK-OFF

SECTION A.

It is understood that as a condition of employment all employees covered by this Agreement shall become members of the Union after the 30th day following the actual beginning of such employment, or the effective date of this Agreement, whichever is later; and thereafter as a condition of continued employment such employees including those presently members of the Union, shall remain members in good standing in the Union.

SECTION B.

The Parties agree that all employees will be informed that the Union is the sole and exclusive Collective Bargaining Agency for the employees in the bargaining unit, and accordingly, they will be represented by the Union for Collective Bargaining purposes. They will be referred to the appropriate local Union Representative for information concerning membership and check off of Union dues and, upon request, they will be given a copy of the Collective Bargaining Agreement by the Union.

The employees will have the right to discontinue membership in accordance with the Dues Deduction Authorization Forms.

SECTION C.

Subject to the limitations of state or federal law, the Company agrees to deduct from the first paycheck earned each calendar month by an employee covered by this Agreement, the Union membership dues and levied by the Union in accordance with said Union's constitution and bylaws, of each member of the Union who has in effect at that time proper authorization card executed by the employee, authorizing the Company to make such deductions. The Company will be advised by the Union of the exact dollar amount due from each employee.

The authorization form shall be provided by the Union, a copy of which is included as Appendix I. The Company will submit to the Union's designated official dues withheld in accordance with the authorization. The remittance shall be accompanied by a list showing individual names, social security numbers, dates hired and amounts deducted. All sums collected in accordance with such signed authorization cards shall be remitted by the Company no later than the fifteenth (15th) of the month subsequent to the month in which sums were deducted by the Company. The Union shall advise the Company in writing of the amount of dues and the manner in which the same shall be deducted.
SECTION D.

Payments for membership dues shall not be required as a condition of employment during leaves of absence without pay in excess of thirty (30) days or during periods of permanent transfer to a classification not covered by this Agreement.

SECTION E.

The Company will make available to the Union a list of newly hired and terminated employees covered by this Agreement. Such lists will be prepared monthly and will show the name, social security number and address, job classification, and hire or termination date of such employees who are hired or terminated during the month for which the list is prepared.

SECTION F.

The Company shall have the discretion to fill all job openings covered by this Agreement in order to meet the contract requirements. The Company at all times shall be free to advertise and list said job openings with employment agencies and to otherwise fill its job openings from sources available to the Company.

SECTION G.

The Company shall be the judge of the qualifications of all applicants.

SECTION H.

The Union agrees to indemnify and save the Company harmless against any claim, suits, judgments or liabilities of any sort whatsoever arising out of the Company's compliance with the provisions of this Union Security and Membership Article.

ARTICLE III - EQUAL OPPORTUNITY

SECTION A.

In accordance with the established policy of the Company and the Union, the provisions of the Agreement will apply equally to all employees hereunder, regardless of sex, color, age, race, creed or national origin. The Company and the Union also recognize the desirability of providing equal opportunity to all persons and agree to work actively toward the implementation of this policy.

SECTION B.

There will be no discrimination against any employee on account of membership in, or activity on behalf of the Union.
Both the Company and the Union endorse a zero tolerance for any form of harassment against a fellow employee, client employee or Federal facility visitor.

ARTICLE IV - ACCESS TO FACILITY

Duly authorized representatives of the Union shall be permitted to investigate the standing of all employees and investigate conditions to see that the Agreement is being enforced, provided that no interview or contact shall be made, held or conducted in any working area, unless prior approval has been given by the highest ranking Company representative then present at the Post. The Union shall obtain permission from the Contracting Office in order to be on each site.

ARTICLE V - PROBATIONARY PERIOD

SECTION A.

Every new or rehired employee, after the effective date of this Contract, shall be on probation for the first ninety (90) working days of employment or reemployment. Employees hired by General Security Services Corporation, as of October 1, 2004, shall have a thirty (30) working day probationary period.

SECTION B.

At any time during a probationary period, an employee (new or rehired) may be discharged for any reason, and any such employee so discharged shall not have the right to file a grievance or have other recourse to the grievance procedure.

SECTION C.

Any employee promoted to a job classification covered by this Collective Bargaining Agreement from a lower paid classification shall be on probation for the first ninety (90) calendar days of employment in the new classification.

At any time during such a probationary period, the Company may, for any reason, return that employee to his former classification, without loss of seniority.

ARTICLE VI - SENIORITY

SECTION A.

It is agreed that the Company and the Union will meet for the purpose of mutually establishing a seniority list for all employees employed in the unit at the time of
Revised May 29, 2007 with the permission of both the IPTEU and General Security Services Corporation

the signing of the Agreement. The purpose of the seniority list will be to establish the amount of vacation time each employee covered by this Agreement is entitled. Said seniority list will be based upon official records of the Union, of the Company, its predecessors and Federal Agencies, as available to the parties. Not later than thirty (30) days prior to the expiration of the Company's contract covering the Federal facility, the Company shall furnish the Union and the successor contractor a list of all its current employees together with their dates of hire and the dates their last vacation pay was paid by the Company. The following Sections in this Article shall become applicable and shall be in full force and effect upon the establishment of said seniority list. Seniority shall, for all purposes of this Article, be on the basis of job classification.

SECTION B.

In the event that the Company finds it necessary to lay off employees for any reason, other than disciplinary, such layoffs shall be on the basis of seniority, and qualifications. The Company shall recall such laid off employees in the reverse order. Senior employees may exercise their seniority rights by taking a job in a lower classification (and reduced rate of pay) in which there is an opening for which they qualify at the time of lay off.

SECTION C.

The Company shall post the work schedule at least four (4) days prior to change in the work schedule unless Government requirements render this advance notice impossible or the same is not practical under the circumstances.

SECTION D.

Except as otherwise provided herein, seniority shall be measured from the date of the employee's starting date at the post with the Company or a predecessor employer engaged in providing similar services at the post, provided there has been no break in seniority under Section E of this Article. Seniority is used for vacation, layoff and recall only.

SECTION E.

An employee shall lose his seniority upon retirement, resignation or discharge for just cause. An employee will be considered to have resigned if he:

- fails to report to work on the day following expiration of an authorized leave of absence, unless failure to report is due to conditions recognized by this Company to be beyond the control of the employee such as an "Act of God."

- is absent from work without properly notifying the Company of the reason for absence even though the reason for such absence is beyond the control of the
Revised May 29, 2007 with the permission of both the IPTEU and General Security Services Corporation

employee, except for an "Act of God" or in any event, fails to report for work as scheduled without such reason.

- fails, while on layoff, upon notice from the Company that work is available, to report to the Company for work as soon as practicable, but not later than five (5) workdays and provided that the employee notifies the Company within forty-eight (48) hours of such notice that he will return to work within the five (5) day period.

It is the obligation of the employee to keep the Company informed of his current address and telephone number within two (2) weeks of any change.

SECTION F.

An employee who has occupied a position with the Company covered by this Agreement and who accepts a position with the Company in a classification not covered by this Agreement will, after ninety (90) days, no longer continue to accrue seniority.

ARTICLE VII - DISCIPLINE

No employee shall be suspended or discharged without just cause and all dismissals will be subject to the Grievance Procedures and Arbitration clause set forth in this Agreement. Discharges occurring during the Probationary Period are not subject to this provision. All reprimands and discharge notices shall be in writing and shall be signed by the Project Manager or acting Project Manager. Copies of the reprimand or discharge notice shall be given to the employee reprimanded or discharged and to the Shop Steward. Three (3) reprimands within any given twenty-four (24) month period may result in immediate dismissal. The following are representative of the types of personal misconduct which may result in immediate termination regardless of the number of prior reprimands: theft, intoxication on the job, failure to perform work as directed, violation of contract provisions, government regulation, applicable Federal and/or State Laws, insubordination, security or safety violations, sleeping at a post, abandoning a post, illegal use of drugs, being under the influence of alcohol or drugs, dishonesty, sexual harassment or fighting. The Company may discipline an employee in accordance with its Work Rules and Standards except insofar as said Work Rules and Standards are in conflict with the terms of this Agreement, in which case, the Agreement shall prevail.

Disciplinary write-ups shall remain in effect for twenty-four (24) months from date of issue. Thereafter, they shall not be used in continuing disciplinary matters.
ARTICLE VIII - GRIEVANCE PROCEDURE

SECTION A.

A grievance is defined as a claim or dispute by the Company or employee or the Union concerning the interpretation or the application of this Agreement or any amendment thereto.

SECTION B.

The grievance must be presented in writing and filed and processed in accordance with the following exclusive procedures:

STEP 1. The employee who has a grievance shall discuss it with the Project Manager either himself or through his Shop Steward. If the grievance is not settled at the Step One meeting, it may be appealed, in writing, by the employee or by the Shop Steward to the Project Manager to Step 2 within seven (7) calendar days of the Step 1 meeting. Company grievances shall be processed to beginning with Step 2.

STEP 2. The Union Representative and the Project Manager will discuss the grievance. If the grievance is not disposed of, to the satisfaction of the party filing the grievance at Step 2, the grievance may be appealed to Step 3 by the party or representative of the party filing the grievance by filing a written appeal to the opposing party within seven (7) calendar days after Step 2.

STEP 3. Within seven (7) calendar days after the appeal of the opposing party, the parties (the Company represented by its designated representative and the Union represented by its designated representative(s) will attempt to settle the grievance. The parties hereto, by mutual agreement in lieu of a face-to-face meeting, may agree to a telephone conference. The party being complained against shall render that party's written decision within seven (7) calendar days of such meeting. If the grievance is not disposed of to the satisfaction of the complaining party, the grievance may be appealed to arbitration by the Company or the Union by lodging a written appeal within twenty (20) calendar days of written receipt of such written decision.

SECTION C.

A grievance involving discharge of any employee shall be brought directly to Step 2 and must be filed within five (5) calendar days of discharge. Non-discharge grievances must be filed within ten (10) calendar days of the grievable activity, or they will be barred.
SECTION D.

A grievance not involving discharge shall be without effect unless filed in writing within seven (7) calendar days from the date the complaining party discovered the facts or should have discovered the facts giving rise to the grievance.

SECTION E.

Stewards shall be afforded time off without loss of pay to investigate, discuss and present grievances in accordance with Article 12, Section C. Such time shall not exceed four (4) hours per grievance or incident.

SECTION F.

At any step of the grievance procedure, the Company or the Union may designate a substitute for the official designated herein. The Parties may mutually agree that further representatives may be present.

SECTION G.

The time limits set forth in this Article may be extended mutually in writing. Time limits are inclusive of Saturday, Sundays and Holidays agreed upon in this Agreement. The failure of the employee or Union to adhere to the time provisions contained in this Article shall automatically render the grievance null and void and deemed settled by the parties.

ARTICLE IX - ARBITRATION

SECTION A.

Within ten (10) days after the filing of the notice of the intent to submit the unsettled grievance to arbitration, the parties shall attempt to mutually select an impartial arbitrator. If the parties are unable to agree within five (5) days of the meeting upon the choice of an arbitrator, they shall request the Federal Mediation and Conciliation Service to submit a list of seven (7) persons qualified to act as the impartial arbitrator. A representative of the Company and a representative of the Union shall alternately strike. The first person to strike shall be selected by lot. The seventh (7th) remaining person shall thereupon be selected as the impartial arbitrator.

SECTION B.

During the hearing, each party shall have full opportunity to present evidence and argument, both oral and documentary. The impartial arbitrator will render his finding and award in writing within thirty (30) calendar days after conclusion of the hearing. The decision of the arbitrator shall be final and binding.
Revised May 29, 2007 with the permission of both the IPTEU and General Security Services Corporation

The arbitrator's authority shall be limited to finding a direct violation of the express purpose of this Agreement or provisions in question rather than an implied or indirect purpose. The arbitrator shall have no authority to modify the discipline imposed unless it can be demonstrated that the Company failed to follow progressive discipline or that the Company did not have “just cause” to impose either suspension or termination.

The impartial arbitrator shall have no authority to modify, amend, revise, add to or subtract from any of the terms or conditions of this Agreement nor shall the Arbitrator substitute his judgment for that of the Employer. If he should find that the employee was disciplined for just cause resulting in suspension or termination. The hearing will be conducted pursuant to the Uniform Rules of Arbitration.

SECTION C.

The fees of the arbitrator and necessary expenses of any arbitration proceeding shall be borne equally by the Company and the Union except that each party shall pay the fees of its own counsel or representative. If an employee witness is called by the Company, the Company will reimburse for time lost at his regular straight time base rate. If any employee witness is called by the Union or if an employee grievant is present at the hearing, the Union will reimburse such person for time lost.

ARTICLE X - LEAVE OF ABSENCE

SECTION A.

Employees are entitled to request personal unpaid leaves of absence not exceeding twelve (12) weeks for good cause shown. Such leaves of absence may be granted for restoration of health, medical, dental or other treatment, maternity leave and shall not prejudice seniority status for purpose of layoff and recall. Such leaves of absence will only be approved on a case-by-case basis after due consideration of all facts and circumstances, including whether or not FMLA will prevail and relevant business conditions.

SECTION B.

Except as otherwise provided herein, a leave of absence under this Article will not be considered employment time for seniority. For example, an employee works continuously for nine (9) months and will be required to work three (3) more months in order to have one (1) year seniority.

SECTION C.

Upon return from an unpaid leave of absence, the employee will be returned to work in the first available position for which he can qualify in his job classification on the basis of seniority.
SECTION D.

An employee who engages in gainful employment without permission from the Company while on leave of absence shall be subject to discharge.

SECTION E.

All leaves of absence, either under the terms of this Agreement or personal leaves of absence under the Company's Employee Handbook, shall be for a specific designated period of time, and an employee may return to work earlier than the specifically designated date for his return only with the consent of the Company.

SECTION F.

SECTION B.

Except in an emergency, defined as an "act of God," unforeseen event or the call-off of security force members or unexpected decrease or increase in staffing, an employee cannot be required to work hours other than those hours previously scheduled. In filling available overtime, the Company will first request volunteers on shift. If unsuccessful, the Company will require on a rotating basis starting at the bottom of the seniority list. Once forced, the employee will then go to the top of the list. SECTION C.

No overtime will be worked except by prior direction of the proper supervisory personnel of the Company.

ARTICLE XIV - HEALTH AND WELFARE

For example, if an employee worked thirty (30) hours during the normal workweek preceding the holiday week, his holiday pay would be computed by taking 3/4 (30/40) of eight (8) hours and multiplying the resulting six (6) hours by his hourly base rate of pay.

Any employee or employees who violate the provisions of this article will be subject to disciplinary action up to and including termination.

SECTION B.

During the term of this Agreement, the Company will not lock out the employees.

ARTICLE XXI - EMPLOYEE INJURY

An employee injured during working hours shall receive the rest of the day off without loss of pay, provided that the injuries are such that a doctor orders the employee not to return to work. In accordance with Company policy, the employee must report an injury or injuries occurring on the job to his immediate supervisor as soon as possible after sustaining the injury. The employee will report the injury or injuries "DURING THE SAME WORK SHIFT" that the employee is working when the injury occurred. Medical attention will be as directed by the Supervisor/Project Manager, who will also insure prompt submission of documentation for worker's compensation purpose.

ARTICLE XXII - DRUG AND ALCOHOL POLICY

The Parties recognize that in the security business, the use of controlled substances or alcohol which cause intoxication or impairment on-the-job poses risks to the Company, the affected employee, his co-workers, and the public. An employee cannot perform his work adequately if he is under the influence of illegal drugs or alcohol, and an employee under the influence of drugs or alcohol also presents a danger to himself and to others. Unlawful use of drugs and the abuse of alcohol when not on duty raise serious questions concerning the employee's competency to perform security work and is grounds for revocation of his firearms permit. It is the Company's policy to maintain a drug-free workplace. The Company and the Union agree to abide by the Companies' drug-free workplace policy.
ARTICLE XXIII - GOVERNMENT REQUIREMENTS

SECTION A.

The Union agrees to cooperate with the Company in all matters required by the United States Government, and the union recognizes that the terms and conditions of the Agreement are subject to certain sovereign priorities which the United States Government may exercise.

The Union agrees that any actions taken by the Company pursuant to a requirement or directive including the denial or withdrawal of access of the United States Government shall not constitute a breach of this Agreement. Nothing in this Agreement shall be construed to prevent institution of any change prior to discussions with the Union upon request, concerning the effects of any substantial or material change in terms or conditions of employment which might result from action taken to meet such Government requirements.

The Union and Company recognize and will abide by Executive Order 11246 and 11247 and Title VII of the Civil Rights Act of 1964 and all related rules, laws, regulations and amendments.

SECTION B.

The Union and Company recognizes and will abide by all related rules, laws, regulations and amendments concerning the various Drug Free Workplace statutes.

ARTICLE XXIV - GENERAL

SECTION A.

This Agreement, and the Addendum hereto, when accepted by the parties hereto and signed by the respective representatives thereunto duly authorized, shall constitute the sole Agreement between them involving the employees covered by this Agreement. Any alteration or modification of this Agreement must be made by and between the Parties hereto and must be made in writing.

SECTION B.

In the event any provision of this Agreement or any Addendum hereto is declared invalid by any competent Court or Governmental Agency on account of existing or future legislation, such invalidation shall not affect the remaining provisions of this Agreement and the Addendum hereto.
SECTION C.

Employees entering the service of the Company will be required to successfully pass a physical examination and drug screen, physical test and weapons test, specified by the Company's contract with the U.S. Government and Company Policy. At any time thereafter, an employee may be subject to further physical examinations and testing during the course of his employment or recall to service after leave of absence. Any Company-directed physical or drug testing will be at the Company's expense.

SECTION D.

Employees are required as a condition of employment or continued employment to possess certain security clearances, licenses and/or certifications (including weapons' certifications) and qualify under AR 190-56, Individual Reliability Program. These requirements are subject to modification as determined by the client; i.e.,

SECTION E.

Employees entering service with the Company agree that the Company will perform personal background checks and verification of employee provided references. Submission of information, determined to be false, relative to background data, qualifications, experience and/or references, or revelation of detrimental information prejudicial to the Company's interest, will subject the employee to immediate discharge for cause.

SECTION F.

The Company may provide space, where available, at each facility, for use by the Union for posting notices.

ARTICLE XXV - MANAGEMENT RIGHTS

SECTION A.

Except as provided elsewhere in this Agreement, the Company has the full right and authority to administer and/or manage the Company's business, including but not limited to the direction of the working force, the right to plan, direct, to schedule and reschedule, expand, reduce and control operations, to hire, to assign, to transfer, to suspend, to discipline or to discharge for just cause, to relieve employees from duty because of lack of work or at client's request, all of which shall be exclusively vested with the Company. In the event, the client refuses to make such request in writing, the Company shall acknowledge, in writing to the Union, the fact that the employee has been denied access to the site by client. The right to introduce any new methods and to make such reasonable rules and regulations as may be necessary for the successful operations of the facility involved herein shall be vested inclusively in the Company.
IN WITNESS WHEREOF, the parties hereto have executed this Agreement this 17th day of August, 2007.

In order to be eligible for such contributions, an employee must have worked for the Company for a total of at least twelve (12) months and for at least 1,250 hours in the twelve (12) month period preceding the period of family or medical leave.

In no event shall contributions for family or medical leave exceed a period of twelve weeks per employee in any calendar year. The hours of contributions for each week of family or medical leave shall be calculated by determining the average weekly hours worked in a twelve week period preceding the family or medical leave period, this will include the calculation of any vacation, holiday, and/or sick leave taken.

All vacation and sick leave must be exhausted prior to family and/or medical leave commencement.

In executing this Agreement, the Company agrees to be bound by the terms and conditions of the Agreement and Declaration of Trust establishing the ITPE Health and Welfare Fund and any amendments duly adopted thereto.

The Company further agrees to be bound by all resolutions and other actions taken by the board of trustees of such fund.

Both parties agree to review the current wage determination with reference to the health and welfare contribution for 2009 and utilize that amount.

Vacations will not be accumulated from year to year nor taken back to back. If the company consents, the employee may elect not to take his vacation, in which case he will receive pay in lieu thereof, on the anniversary date of his employment. The employee may take his vacation in more than one segment, with consent of the Company. An employee will receive an extra day’s vacation or be paid an extra day’s pay for a paid holiday, which falls within his vacation period. For example: if an employee worked thirty (30) hours during the normal work week preceding the holiday week, his holiday pay would be computed by taking 3/4 (30/40) of eight (8) hours and multiplying the resulting six (6) hours by his hourly base rate of pay.

For an employee to qualify for a paid holiday, he must have worked his regularly scheduled work day immediately preceding the holiday and his regularly scheduled work day immediately following the holiday, except for reason of proven illness, bereavement, leave or other good cause agreed to by the Company.

In computing the number of hours for which an employee is entitled to compensation at the hourly base rate of pay, the proportion which the average number of hours worked by an employee during the preceding normal work week bears to forty (40) hours shall be applied to eight (8) hours to determine the number of paid hours said employee is entitled to receive. For example: if an employee worked thirty (30) hours during the normal work week preceding the holiday week, his holiday pay would be computed by taking 3/4 (30/40) of eight (8) hours and multiplying the resulting six (6) hours by his hourly base rate of pay.

In accordance with the established policy of the Company and the Union, the provisions of the Agreement will apply equally to all employees hereunder, regardless of sex, color, age, race, creed, disability or national origin or any other protected status as defined by applicable law. The Company and the Union also recognize the desirability of providing equal opportunity to all persons and agree to work actively toward the implementation of this policy. The parties agree that the Company may deal directly with individuals claiming a need for accommodation as a result of a condition claimed to be a disability under law, but that the principle of seniority will continue to apply to all such accommodation efforts.

SECTION B

SECTION A

Every new or rehired employee, after the effective date of this Contract, shall be on probation for the first ninety (90) working days of employment or reemployment. Employees presently employed who have successfully completed their 90 day probationary period will not be subject to any further probationary periods. The company has the right to extend the initial probationary period of any probationary employee up to 30 days in order to address unsatisfactory performance issues identified during the employee's first 90 days of employment. If the Company wishes to extend an employee's probation period, the employee will be notified in writing of the extension prior to the end date of the initial 90 day probation period.

ARTICLE 6- SENIORITY

SECTION A
It is agreed that the Company and the Union will meet for the purpose of mutually establishing a seniority list for all employees employed in the unit at the time of the signing of the Agreement. The purpose of the seniority list will be to establish the amount of vacation time each employee covered by this Agreement is entitled to as well as other areas of this contract that speak to seniority. Said seniority list will be based upon official records of the Union, of the Company, its predecessors and Federal Agencies, as available to the parties. Not later than thirty (30) days prior to the expiration of the Company's contract covering the Federal facility, the Company shall furnish the Union and the successor contractor a list of all its current employees together with their dates of hire and the dates their last vacation pay was paid by the Company. The following Sections in this Article shall become applicable and shall be in full force and effect upon the establishment of said seniority list. Seniority shall, for all purposes of this Article, be on the basis of job classification with this and predecessor contractors.

SECTION B
In the event that the Company finds it necessary to lay off employees for any reason, other than disciplinary, such layoffs shall be on the basis of seniority. The Company shall recall such laid off employees in the reverse order. Senior employees may exercise their seniority rights by taking a job in a lower classification (and reduced rate of pay) in which there is an opening for which they qualify at the time of lay off.

SECTION C
The Company shall post the work schedule at least four (4) days prior to change in the work schedule unless Government requirements render this advance notice impossible or
the same is not practical under the circumstances.

SECTION D

Except as otherwise provided herein, seniority shall be measured from the date of the employee's starting date with the Company or a predecessor employer engaged in providing similar services provided there has been no break in seniority under Section B of this Article. Seniority is used for vacation, layoff, overtime, job posting and recall only.

SECTION E

An employee shall lose his seniority upon retirement, resignation or discharge for JUST cause. An employee will be considered to have resigned if he:

1) Fails to report to work on the day following expiration of an authorized leave of absence, unless failure to report is due to conditions recognized by this Company to be beyond the control of the employee such as an "Act of God";

2) Fails, while on layoff, upon notice from the Company that work is available, to report to the Company for work as soon as practicable, but not later than five (5) workdays and provided that the employee notifies the Company within forty-eight (48) hours of such notice that he will return to work within the five (5) day period;

3) Voluntary termination of employment;

4) Discharge for cause;

5) Failure to perform work for a period of 24 consecutive months, or a period equal to the length of seniority, whichever is lesser;

It is the obligation of the employee to keep the Company informed of his current address and telephone number within two (2) weeks of any change.

An employee who has occupied a position with the Company covered by this Agreement
and who accepts a position with the Company in a classification not covered by this Agreement will, after ninety (90) days, no longer continue to accrue seniority.

**ARTICLE 7 - DISCIPLINE**

No employee who has completed the probationary period shall be suspended or discharged without just cause unless the employee is removed from working under the Company's Contract by the Government, at the order of the Government, or if the employee's credentials are denied or withdrawn by the Government. All dismissals solely made by the Company (i.e., not due to an action or order of the Government) will be subject to the Grievance Procedures and Arbitration clause set forth in this Agreement. Discharges occurring during the Probationary Period are not subject to this provision. All reprimands and discharge notices shall be in writing and shall be signed by the Project Manager or acting Project Manager. Copies of the reprimand or discharge notice shall be given to the employee reprimanded or discharged and to the Shop Steward. Three (3) reprimands within any given twelve month (12) month period may result in immediate dismissal. The following, as determined by the Company, are representative of the types of personal misconduct which may result in immediate termination regardless of the number of prior reprimands: theft, intoxication or drinking on the job, a positive drug or alcohol test, failure to perform work as directed, violation of contract provisions, government regulation, applicable Federal and/or State Laws, insubordination, criminal misconduct, security or safety violations, sleeping at a post, abandoning a post, illegal use of drugs, being under the influence of alcohol or drugs, dishonesty, absence from work for two consecutive days without advising the Company and not giving reasons acceptable to the Company for such absence, or an absence on three non-consecutive
days in any forty-five calendar day period, failing to maintain or satisfy current medical or physical requirements established by either the Company or the Government, sexual harassment or fighting. The Company may discipline an employee in accordance with its Work Rules and Standards except insofar as said Work Rules and Standards are in conflict with the terms of this Agreement, in which case, the Agreement shall prevail.

Disciplinary write-ups shall remain in effect for twelve (12) months from date of issue. Thereafter, they shall not be used in continuing disciplinary matters.

**ARTICLE 8 - GRIEVANCE PROCEDURE**

**SECTION A**

A grievance is defined as a claim or dispute by an employee or the Union concerning the interpretation or the application of this Agreement or any amendment thereto.

**SECTION B**

The grievance must be presented in writing and filed and processed in accordance with the following exclusive procedures:

**STEP 1:** The employee who has a grievance shall discuss it with the Project Manager either himself or through his Shop Steward. If the grievance is not settled at the Step One meeting, it may be appealed, in writing, by the employee or by the Shop Steward to the Project Manager to Step 2 within seven (7) calendar days of the Step 1, meeting.

**STEP 2:** The Union Representative and the Project Manager will discuss the grievance. If the grievance is not disposed of, to the satisfaction of the party filing the grievance at Step 2, the grievance may be appealed to Step 3 by filing a written appeal to the project manager within seven (7) calendar days after Step 2.
STEP 3: Within seven (7) calendar days after the appeal of the opposing party, the parties (the Company represented by its designated representative and the Union represented by its designated representative(s) will attempt to settle the grievance. The parties hereto, by mutual agreement in lieu of a face-to-face meeting, may agree to a telephone conference. The company shall render their written decision within seven (7) calendar days of such meeting. If the grievance is not disposed of to the satisfaction of the union, the grievance may be appealed to arbitration by the Union lodging a written appeal within twenty (20) calendar days of receipt of such written decision.

SECTION C

A grievance involving discharge of any employee shall be brought directly to Step 2 and must be filed within five (5) calendar days of discharge. Non-discharge grievances must be filed within ten (10) calendar days of the grievable activity, or they will be barred.

SECTION D

Stewards shall be afforded time off without loss of pay to investigate, discuss and present grievances in accordance with Article 12, Section C. Such time shall not exceed four (4) hours per grievance or incident.

SECTION E

At any step of the grievance procedure, the Company or the Union may designate a substitute for the official designated herein. The Parties may mutually agree that further representatives may be present. For mutual agreement with both parties, the Union and the Company can agree to mediation prior to arbitration. This is an option and must be agreed to by both parties.
SECTION E
The time limits set forth in this Article may be extended mutually in writing. Time limits are inclusive of Saturday, Sundays and Holidays agreed upon in this Agreement. The failure of the employee or Union to adhere to the time provisions contained in this Article shall automatically bar and render the grievance null and void and deemed settled by the parties.

ARTICLE 9- ARBITRATION

SECTION A
Within ten (10) days after the filing of the notice of the intent to submit the unsettled grievance to arbitration, the parties shall attempt to mutually select an impartial arbitrator. If the parties are unable to agree within five (5) days of the meeting upon the choice of an arbitrator, they shall request the Federal Mediation and Conciliation Service to submit a list of seven (7) persons qualified to act as the impartial arbitrator. The seventh (7th) remaining person shall thereupon be selected as the impartial arbitrator.

The impartial arbitrator will render his finding and award in writing within thirty (30) calendar days after conclusion of the hearing. The decision of the arbitrator shall be final and binding.

The arbitrator's authority shall be limited to finding a direct violation of the express purpose of this Agreement or provisions in question rather than an implied or indirect purpose. The arbitrator shall have no authority to modify the discipline imposed unless it
can be demonstrated that the Company failed to follow progressive discipline or that the Company did not have "just cause" to impose either suspension or termination.

The impartial arbitrator shall have no authority to: (1) modify, amend, revise, add to or subtract from any of the terms or conditions of this Agreement; (2) establish or modify any wage rate; (3) construe this Agreement to limit the Company's discretion except only as that discretion may be specifically limited by the express terms of this Agreement; (4) consider any matter or substitute his/her judgment for that of the Government regarding a written order of the Government; or (5) substitute his judgment for that of the Employer.

The Company will fully comply with, where applicable,
all requirements of the federal Family and Medical Leave Act and any comparable related
state or municipal laws or ordinances. Any leaves of absence and/or paid time off under
this Agreement will run, where lawful, concurrently with any legally required leave of
absence.

Company and Union agree to place an Officer on administrative duties or paid
administrative leave if involved in a line of duty shooting that appears in the initial report to
be lawful and justified until the investigation is completed. In an incident where the initial
investigation provides strong evidence that the shooting was not legal or unjustified the
employee will be placed on unpaid administrative leave until the investigation is complete.
Should the final investigation prove the employee justified they will be paid for all time
missed based on their average weekly work schedule.

SECTION B
Upon return from of an unpaid leave of absence, the employee will be returned to work in
the first available position for which he can qualify in his job classification on the basis of
seniority.

SECTION C
An employee who engages in gainful employment without permission from the Company while
on leave of absence shall be subject to discharge.

SECTION D

Each Federal site shall have one (1) steward and one (1) alternate steward for each shift if staffing allows.

SECTION B
The Shop Stewards shall not interfere with the management of the business or direct any work of any employee, but may advise the Company of any violations of the Agreement and also notify the employee participating therein. Regardless of any such notification by the Shop Steward to an employee, the employee shall obey and comply with any and all lawful directions of the Company supervisor and shall have the right to grieve any perceived violations of this contract.

SECTION B

Except in an emergency, defined as an "Act of God," unforeseen event or the call-off of security force members or unexpected decrease or increase in staffing, an employee cannot be required to work hours other than those hours previously scheduled. In filling available overtime, the Company will first request volunteers on shift, by seniority on a rotating basis. If unsuccessful, the Company will require overtime on a rotating basis starting at the bottom of the seniority list. Once forced, the employee will then go to the top of the list. An employee who is called in prior to his scheduled shift or held over after his scheduled shift will not have his regular scheduled shift hours changed to accommodate these increased hours.

SECTION C

No overtime will be worked except by prior direction of the proper supervisory personnel of the Company.

ARTICLE 15- HOLIDAYS

SECTION A

All employees will be compensated at the hourly base rate of pay for those holidays set forth herein. In computing the number of hours for which an employee is entitled to compensation, the proportion which the average number of hours worked by an employee during the preceding 4 normal workweeks bears to forty (40) hours shall be applied to (8) hours to determine the number of paid hours said employee is entitled to receive. For example, if an employee averaged thirty (30) hours per week during the 4 normal workweeks preceding the holiday week, his holiday pay would be computed by taking 3/4 (30/40) of eight (8) hours and multiplying the resulting six (6) hours by his hourly base rate of pay. However, this section is not meant to be detrimental for minimal absences of otherwise full time employees, e.g.; no deduction shall be made for the occasional excused absence so long as there is no pattern of abuse.

The recognized holidays are as follows:

<table>

<tr>
<th>NEW YEAR'S DAY</th>
<th>MARTIN LUTHER KING'S BIRTHDAY</th>

Copies of Rules and Regulations so imposed will be made available to the Union upon request. The Union will be advised, to the degree possible, of any proposed changes to Company Rules and Regulations and the Company will meet if requested by the Union to discuss said changes.

The employee will report the injury or injuries "DURING THE SAME WORK SHIFT" that the employee is working when the injury occurred. Medical attention will be as directed by the Supervisor/Project Manager, who will also insure prompt submission of documentation for worker's compensation purpose.

An employee cannot perform his work adequately if he is under the influence of illegal drugs or alcohol, and an employee under the influence of drugs or alcohol also presents a danger to himself and to others. Unlawful use of drugs and the abuse of alcohol when not on duty raise serious questions concerning the employee's competency to perform security work and is grounds for revocation of his firearms permit. It is the Company's policy to maintain a drug-free workplace. The Company and the Union agree to abide by the Companies' drug-free workplace policy.

Nothing in this Agreement shall be construed to prevent institution of any change prior to discussions with the Union upon request, concerning the effects of any substantial or material change in terms or conditions of employment which might result from action taken to meet such Government requirements. Unless the documentation is considered a security breach, the company will make every effort to provide the union with copies of all such changes mandated by the Government.

The Union and Company recognize and will abide by Executive Order 11246 and 11247 and Title VII of the Civil Rights Act of 1964 and all elated rules, laws, regulations and amendments.

ARTICLE 23- MANAGEMENT RIGHTS

SECTION A

Except as specifically limited by a specific provision of this Agreement, the Company has the full right and authority to administer and/or manage the Company's business, including but not limited to the direction of the working force, the right to plan, direct, to schedule and reschedule, expand, reduce and control operations, to determine the extent to which and the manner and means its business will be operated or shut down in whole or in part, to subcontract any part of its operation, to bid or not bid, or to re-bid or not re-bid the Contract, to determine and change starting times, quitting times; to establish, change and abolish its policies, regulations, practices and standards/codes of conduct, and to adopt new policies, regulations, practices and standards/codes of conduct; to set all policies not otherwise set forth in this Agreement, to hire, to train, to assign, to transfer, to suspend, demote, to discipline or to discharge for just cause, to relieve employees from duty because of lack of work or at client's written request, all of which shall be exclusively vested with the Company. SECTION B

The above rights of management are not inclusive of all matters or rights, which belong to and are inherent to management. Any of the rights, power, or authority the Company had, prior to the signing of this Agreement, is retained by the Company except those specifically abridged or modified.
ARTICLE 24- GOVERNMENT SUPREMACY

SECTION A

The Union acknowledges that the Company has entered into a Contract with the Government to provide services under specific terms and conditions, and that the Government has broad discretion to direct the activities of the Company within the scope of the Contract. In that regard, the Government may supersede any understanding of the parties hereto regarding assignments, hours, shifts, credentials, qualifications, and any other operational issue, as the Government deems to be in the interest of the Government's overall security objective, and there shall be no recourse against the Company regarding such actions or their compliance with such directives. The Company will discuss any such changes or directives with the Union prior to their implementation.

SECTION B

Notwithstanding any provision of this Agreement, to the extent the Government requires compliance with specific procedures (e.g., security clearances, medical examinations, weapon proficiency testing, uniforms/appearance standards, staffing determinations, etc.), or the requirements of the Service Contract Act, the Company and Union will comply with those requirements, and the Union shall have no recourse against the Company through the grievance and arbitration process, or otherwise. If the effect of such a requirement supersedes an otherwise contractual right of either party hereto, and a request by that party is made to the other within thirty (30) calendar days of the change, the parties will meet and confer regarding the effects of the change.
ARTICLE 25- WAIVER, ENTIRE AGREEMENT AND AMENDMENTS

SECTION A

The parties acknowledge that during the negotiations which resulted in this Agreement each had the unlimited right and opportunity to make demands and proposals with respect to any subject matter not removed by law from the area of collective bargaining, and that all of the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. Therefore, the Company and the Union for the life of this Agreement each voluntarily and without qualification waive the right, and each agrees that the other shall not be obligated to bargain collectively with respect to any subjects or matters referred to or covered in this Agreement, even though such subjects or matters may not have been within the knowledge or contemplation of either or both of the parties at the time they negotiated or signed this Agreement.

SECTION B

This Agreement constitutes the full and complete agreement between the Company and the Union, it being understood that nothing shall be implied as being binding on the parties hereto except to the extent expressly set forth in this Agreement. Moreover, this Agreement fully supersedes any and all prior commitments, understandings or practices, whether written or oral, express or implied, between the Employer, the Union and/or the employees.

SECTION C

VACATION
EFFECTIVE OCTOBER 1, 2007

Vacations will not be accumulated from year to year nor taken back to back. If the Company consents, the employee may elect not to take his vacation, in which case he will receive pay in lieu thereof, on the anniversary date of his employment. The employee may take his vacation in more than one segment, with consent of the Company. An employee will receive an extra day's vacation or be paid an extra day's pay for a paid holiday, which falls within his vacation period. APPENDIX E

In calculating the number of hours for which an employee is entitled to compensation, the proportion which the average number of hours worked by an employee during the preceding 4 normal work weeks bears to forty (40) hours shall be applied to (8) hours to determine the number of paid hours said employee is entitled to receive. For example, if an employee averaged thirty (30) hours per week during the 4 normal work weeks preceding the holiday week, his holiday pay would be computed by taking 3/4 (30/40) of eight (8) hours and multiplying the resulting six (6) hours by his hourly base rate of pay. However, this section is not meant to be detrimental for minimal absences of otherwise full time employees, e.g.; no deduction shall be made for the occasional excused absence so long as there is no pattern of abuse. Any work performed on a holiday will be paid at the employee's regular rate of pay in addition to the holiday pay. If any of the named holidays fall on a non-working day, the employees shall either observe the holiday on the following working day or shall receive pay in lieu of the observance, above their normal compensation for work performed.

In the event that one of the holidays shall occur during the employee's vacation, the employee will receive one additional day of paid vacation, unless the employee and the Company agree that he may receive pay in lieu thereof.
In order for an employee to qualify for a paid holiday, he must have worked his regularly scheduled work day immediately preceding the holiday and his regularly scheduled work day immediately following the holiday, except for reason of proven illness, bereavement, leave or other good cause agreed to by the Company.

If more than one employee is sharing a vehicle for transportation, then only the driver of the shared vehicle will receive reimbursement for mileage during travel to and from the range.

TERMS AND CONDITIONS

1. SCHEDULE OF SERVICES

01. DESCRIPTION OF SERVICES

The Contractor shall furnish professional security services, defined by this solicitation as guard services and related duties, at federally owned and leased facilities protected by the Federal Protective Service at various locations throughout the state of Ohio. In furnishing these services, the Contractor shall provide all necessary management, supervision, personnel, materials, supplies and equipment except as otherwise indicated, and shall plan, schedule, coordinate and ensure effective performance of, and conformance to, all aspects of the statement of work contained herein.

02. CONTRACT TYPE

Services shall be furnished via Blanket Purchase Agreement (BPA) with fixed hourly rates against GSA Federal Supply Schedule (FSS) Contract 084.

03. ESTIMATED QUANTITIES

The attached Post Coverage Exhibits provide the basis for the estimated quantities of guard coverage included under this BPA. Those exhibits reflect the current recurring coverage in the described areas and are provided for estimating purposes only and will be subject to changes reflected in the actual calls issued against the BPA and any modifications thereto. BPA holders will be paid only for services ordered and performed at the established hourly rates. The Government has the unilateral right to add, decrease, cancel, or modify services stated in each call issued at the established unit prices, as long as the change is within the scope of the BPA and the associated call.

04. PRICES

A. Pricing Required for All Services and Performance Periods

Contractors must quote prices for all services required during the base period, as well as for each additional ordering period, in order to be considered for award. Contractors submitting partial pricing information shall be ineligible for award.

B. Department of Labor (DOL) Wage Determination (WD) and/ or Collective Bargaining Agreement (CBA)
ATTACHMENT 3

TERMS AND CONDITIONS

1. The minimum wage rates and fringe benefits applicable to the Blanket Purchase Agreement (BPA) are outlined in the Department of Labor (DOL) prevailing wage determinations and/or Collective Bargaining Agreement (CBA) included within the request for quotes.

2. The applicable job classification under this request for quotes is: Guard II. This classification reflects the minimum wage rates that the Contractor must pay to all employees working under the order. The Contractor shall also be responsible for complying with all other requirements of the wage determination, including all fringe benefits, such as vacations, holidays, uniform allowances, etc.

C. Unbalanced Pricing

Applies to pre-award.

D. Contingency Pricing

1. Contractors must not include contingency allowances to cover increased costs for which adjustments are provided under Federal Acquisition Regulation (FAR) Clause 52.222-43 – Fair Labor Standards Act and Service Contract Act – Price Adjustments (Multiple Year and Option Contracts)(Nov 2006).

2. In addition to increases to wages and fringe benefits prescribed by a revised wage determination, including fringe benefits specifically called out in a collective bargaining agreement, FPS may consider increases to other direct costs brought about by the contractor’s cost of compliance with the terms of a revised wage determination (specifically the GSA Industrial Funding Fee, or IFF). Any price adjustment request associated with such other direct cost(s) must be supported by documentation demonstrating that a contingency covering an increase to the subject cost(s) was not included in the contractor’s price proposal accepted by the Government at time of award.

3. For cost/price factors that are subject to variation over the life of the BPA, but are not subject to adjustment under the provisions above, contractors must factor in their own contingency allowances in their initial pricing, since such contingency adjustments will not be considered by the Government at a later date.

E. Pricing of Services
ATTACHMENT 3

TERMS AND CONDITIONS

1. For Basic, Temporary Additional, and Emergency Guard Services, the hourly prices quoted must be inclusive of all direct costs, indirect costs, and profit necessary to provide an hour of post coverage as required. Contractors must include all costs associated with providing the services described herein.

2. The Government shall not be responsible for compensating the Contractor for any costs tied to solicitation requirements but not factored into the quoted prices, either by the Contractor’s intention or by mistake.

F. Definitions

1. Basic Services – Basic services are the permanent ongoing services specifically included in the call(s) at time of award or added through modification. For these services, the Contractor shall be compensated using the Basic Services Rates.

2. Temporary Additional Services - During the term of the BPA, the Government may have requirements for temporary additional services (TAS) beyond the basic requirements. Due to the nature of these services, the Contractor may be required to provide them with little advance notice. In such circumstances, the Contractor shall be compensated using the TAS Rates for any temporary additional services performed within 72 hours of the notification to initiate such service. The Contractor will be compensated at the Basic Service Rate for any such services performed after the 72-hour notification period.

   a. In the event other agencies contact the Contractor to request Temporary Additional Services under this BPA, the Contractor shall notify the FPS COTR and Contracting Officer immediately.

   b. This temporary Additional Service provision is intended to satisfy the Government's short term, non-recurring needs for service. Should a continuing need for additional service arise, a contract modification will be issued by the government to provide for those services.

3. Emergency Guard Services - Emergency Guard Services are those services required to safeguard federal employees, visitors, property and temporary facilities during disaster declarations and local facility emergencies. They may include large and small-scale deployments, short

TERMS AND CONDITIONS

and long-term emergency situations, i.e. manmade and natural disasters & FEMA projects. The requirements under the “Emergency Guard Service” Contract Line Item Number (CLIN) shall be ordered for anywhere in the geographic area covered under this BPA with little, if any, advance notice. The hourly rate for this “emergency guard service” CLIN shall be inclusive of any and all costs (e.g. travel costs) directly related to or incidental to providing service at locations to be specified when ordered. There will be no “phase-in” period for these requirements. The requirements ordered under the “Emergency Guard Service” CLIN will be limited to 120 days of service. Thereafter, provided notice is provided within 30 days before the expiration of the emergency guard service task order, any continuing long term requirements for those same post/locations shall be ordered at the regular hourly rates specified for fixed posts/facilities within the contract.

Note: Requests for all services listed above must come from the Federal Protective Service Contracting Officer or his authorized representative.

II. PACKING AND MARKING

01. PAYMENT OF POSTAGE AND FEES

All postage and fees related to submitting information, including forms, reports, etc., to the Contracting Officer or the Contracting Officer's Technical Representative shall be paid by the Contractor.

02. MARKING

All information submitted to the Contracting Officer or the Contracting Officer's Technical Representative shall clearly indicate the BPA and call number for which the information is being submitted.

III. INSPECTION AND ACCEPTANCE

01. CONTRACTOR'S RESPONSIBILITY

The Contractor shall provide for all day-to-day supervision, inspection and monitoring of all work performed to ensure compliance with the BPA requirements. The results of inspections conducted shall be documented in an inspection report for submission to the Government. The Contractor shall follow through to assure that all Government and Contractor identified defects or omissions in the BPA requirements are corrected.
IV. DELIVERIES OR PERFORMANCE

01. TERM OF CONTRACT

Performance will commence no later than the first day of the third month following BPA award. The full term of the BPA will be five (5) years with a base period of one year and four additional ordering periods of one year, each with fixed unit prices as quoted on the Pricing Schedule. The Contractor shall be given notice to proceed on individual calls against the BPA and shall provide all contractual services, subject to the availability of appropriations if applicable, (see the Clause FAR 52.232-18, “Availability of Funds” (APR 1984)), throughout the term of the BPA.

Work under this BPA is expected to commence on or about 01 Apr 09. Performance periods shall be as follows:

- Base Period: (01 Apr 09 through 31 Mar 10)
- Additional Ordering Period 1: (01 Apr 10 through 31 Mar 11)
- Additional Ordering Period 2: (01 Apr 11 through 31 Mar 12)
- Additional Ordering Period 3: (01 Apr 12 through 31 Mar 13)
- Additional Ordering Period 4: (01 Apr 13 through 31 Mar 14)

V. CONTRACT ADMINISTRATION DATA

01. SUBMISSION OF INVOICES - Invoices shall be submitted via one of the following three methods:

A. By mail:

DHS, ICE
Burlington Finance Center
P.O. Box 1279
Williston, VT 05495-1279
Attn: FPS Region 5 Invoice

TERMS AND CONDITIONS

B. By facsimile (fax): (include a cover sheet with point of contact & # of pages)

802-288-7658

C. By e-mail:

Invoice.Consolidation@dhs.gov

Invoices submitted by other than these three methods will be returned. In addition to the information required for a proper invoice as identified in FAR 52.212-4 (g)(1), Contract Terms and Conditions – Commercial Items, (OCT 2003), the contractor shall annotate “FPS Region 5” on the face of each invoice. Failure to comply with these submission requirements will result in rejection of the invoice.

02. PAYMENTS

A. Payment will be made on a calendar month basis in arrears upon submission of an invoice. Payment will be due on the 30th calendar day after receipt of a proper invoice or date of receipt of services, whichever is later.

B. It is the objective of the Government to obtain complete and satisfactory performance in accordance with the terms of specifications and requirements of this BPA. The criteria for deductions and adjustments below will be used by the Government in determining monetary deductions for nonperformance of work under this BPA and for adjustments for deficiencies in the performance of work. In no event shall contractor invoice or the Government be obligated to pay for any hours in excess of the amount identified within a BPA (inclusive of all modifications).

C. The Contractor is responsible for submitting accurate invoices that reflect the actual services provided each month. Where there are variances between the requirements cited in the call(s) and the work actually performed (e.g., unmanned posts), the Contractor shall attach a separate sheet to the invoice detailing each instance of a variance. The Contractor shall compute the invoice price to reflect the actual amount owed. Submission of false invoices shall be subject to contractual and legal actions.

D. To verify the monthly payment for productive man-hours, the Contracting Officer’s designated representative may compare the man-hours required in the call with the DHS Form 139, Record of Time of Arrival and Departure from
ATTACHMENT 3
TERMS AND CONDITIONS

Buildings, or other approved sign-in/sign-out form. The Government may perform a 100% comparison or sampled comparison to verify the accuracy of the Contractor's invoice. The Government will only pay for services actually rendered by the Contractor and funded on the call. If variances are noted between the invoice and the DHS Form 139, the Government will propose a price deduction. For example, if the call required that a post be manned for 12 hours, and the Contractor billed for 12 hours, but the DHS Form 139 shows that post was manned for 10 hours, the 10 hours will prevail and the Government will deduct the difference.

Any inquiries regarding payment shall be directed to the COTR and/or CO.

03. ADJUSTING PAYMENTS FOR CONTRACTOR PERFORMANCE

A. Deductions for Failure to Provide Man-hours

1. To compute man-hour deductions the Contracting Officer's Representative will compare the man-hours reported by the Contractor with the DHS Form 139, Record of Time of Arrival and Departure from Buildings, or other approved Sign-in/Sign-out forms.

2. Reduction at Post – In the event that posted guards were released or were not required to report due to weather closure, Presidential declared holiday, or similar unforeseen occurrence, payments will be made only for the hours actually worked.

3. In the event the Contractor reports more hours than are reflected on the DHS Form 139, or any other approved Sign-in/Sign-out form, the approved form will prevail. For example: If the weekly report submitted by the Contractor indicates that an employee worked 8 hours and the sign-in/sign-out form shows that employee as having been in the building 5 hours, the 5 hours will prevail and a deduction will be taken for the 3 hours not furnished. In the event the Contractor, for any reason whatsoever, fails to provide the manpower specified for labor, deductions will be made at the current base hourly rate.

B. Contractor Use of DHS Form 139, or Approved Alternate

The Contractor shall maintain, on a daily basis, all applicable DHS Form 139's, or approved alternate, to document personnel attendance. The original copy must be maintained at a location accessible to the COTR or designee. The Contractor
shall incorporate and certify that the data contained on the approved sign-in form is accurate, complete and in agreement with the hours presented on their invoice. (Facsimile copies of completed DHS Form 139’s may not be used for this purpose.)

04. THE ROLE OF GOVERNMENT PERSONNEL AND RESPONSIBILITY FOR CONTRACT ADMINISTRATION

A. Contracting Officer (CO)

1. The CO for this RFQ and resultant award is: Sally Arnold

2. Administrative Contracting Officer will be assigned after award of the order.

3. The CO has the overall responsibility for the administration of the BPA. The CO alone is authorized to take action on behalf of the Government to amend, modify or deviate from the BPA’s terms and conditions; make final decisions on unsatisfactory performance; terminate the BPA order for convenience or cause; and issue final decisions regarding questions or matters under dispute. The CO may delegate certain other responsibilities to an authorized representative.

B. Contracting Officer's Technical Representative (COTR)

1. The COTR for the order is:

   (To be determined upon award of BPA or call)

2. The COTR is designated to assist the CO in the discharge of his or her responsibilities when he or she is unable to be directly in touch with the BPA Call work. In the event that the COTR is absent or unavailable, another COTR Alternate will be designated. The responsibilities of the COTR and his/her alternate include, but are not limited to: determining the adequacy of performance by the Contractor in accordance with the terms and conditions of the BPA, acting as the Government's representative in charge of work at the site(s); ensuring compliance with the BPA requirements insofar as the actual performance is concerned; advising the Contractor of proposed deductions for non-performance or unsatisfactory performance; and advising the CO of any factors which may cause delay in the performance of work.
ATTACHMENT 3
TERMS AND CONDITIONS

3. After award of the BPA or call, the CO will issue a written Delegation of Authority memorandum to the COTR that details the scope of duties the COTR is authorized to perform and manage. The COTR shall not make any decisions regarding the performance of the work under the call except as outlined in the memorandum. A copy of the memorandum shall be sent to the Contractor.

4. The Contractor shall immediately notify the CO in the event the COTR directs the Contractor to perform work that the Contractor believes is not part of the BPA or the COTR assumes duties not designated in the memorandum. The CO will then make a determination as to the issue and respond to all affected parties in the most appropriate manner deemed necessary.

VI. CONTRACT CLAUSES

In addition to the contract clauses in the General Services Administration’s Schedule 84 (Solicitation: 7PCI-L3-030084-B Refresh 5), the following clauses from the Federal Acquisition Regulation (FAR) and Homeland Security Acquisition Regulation (HSAR) are incorporated into this BPA.

01. FAR 52.252-2, CLAUSES INCORPORATED BY REFERENCE (FEB 1998):

This BPA incorporates one or more clauses by reference, with the same force and effect as if they were given in full text. Upon request, the Contracting Officer will make their full text available. Also, the full text of a clause may be accessed electronically at this address: http://www.armonic.gov/far, for the FAR, and https://dhsinline.dhs.gov/portal/ihtml/dc/sfi.jhtml?doid=8671 for the HSAR

The Government may require repair or replacement of nonconforming supplies or reperformance of nonconforming services at no increase in contract price. If repair/replacement or reperformance will not correct the defects or is not possible, the Government may seek an equitable price reduction or adequate consideration for acceptance of nonconforming supplies or services. The Government must exercise its post-acceptance rights—

(1) Within a reasonable time after the defect was discovered or should have been discovered; and

(2) Before any substantial change occurs in the condition of the item, unless the change is due to the defect in the item.

(b) *Assignment.* The Contractor or its assignee may assign its rights to receive payment due as a result of performance of this contract to a bank, trust company, or other financing institution, including any Federal lending agency in accordance with the Assignment of Claims Act (31 U.S.C. 3727). b. On Page 38, Part I, Section 15.2.3. Uniforms, add the following paragraph:

D. Contractors must grant reasonable accommodations to the religious practices of individual security guards, without regard to an individual's religious preferences, provided that the accommodation does not affect the individual's ability to perform required tasks identified in the contract or as otherwise determined by FPS. Requests for any exception or waiver of a contract standard or requirement must be submitted in writing to the FPS COTR.

(1) Accommodations must be consistent with legal and constitutional standards and essential mission requirements, especially those affecting the safety of guards and members of the public. (2) FPS contract security guards may carry objects of religious significance that the individual's faith requires the individual to carry on his person, provided the object is worn discreetly - under the uniform whenever possible - and does not interfere with the wearing of the uniform.

(3) FPS security guards will be granted reasonable accommodations to grooming standards - such as haircut and shaving standards. A security guard receiving an accommodation must nonetheless maintain as neat and professional an appearance as religious requirements permit. Whenever possible, hair in excess of regulation length will be worn under a uniform hat or appropriate religious headgear. Facial hair exceeding regulation length will be neatly Continued...
(4) Religious headgear will be consistent with the colors of the duty uniform, and should be no larger than required by an individual's religious requirements, and may be required to bear the insignia and other distinctive markings of the uniform for ease of emergency identification.
