1.3 Information Regarding FPS

A. FPS is the security and law enforcement component of the Department of Homeland Security, Immigration and Customs Enforcement. FPS is responsible for protecting federally owned or leased facilities. FPS’s mission is to provide a safe environment in which Federal agencies conduct their business without fear of violence, crime or disorder.

B. Contract security guards have a crucial and highly visible role in support of FPS’s mission. They are usually the first (and sometimes only) contact visitors have with the Federal community, and they are usually the first line of defense in a federally controlled facility. Visitors and federal employees perceive the contract Security Guards to be an integral part of the FPS mission. It is crucial that the Contractor ensure that their employees realize the importance of their role, and perform their duties courteously and professionally at all times.

E. No employee of the Contractor shall provide more than twelve (12) hours of combined service on any one or multiple contracts administered by FPS in any twenty-four (24) hour period, unless the work periods are separated by an eight (8) hour non-duty period.

7    **Key Personnel**

A. Under this contract, the Contract Manager and Supervisors are designated as “key personnel.” The Contractor shall submit a Key Personnel Resume clearly detailing the individual’s qualifications and demonstrating that the proposed Key Personnel meet the requirements listed below. If the proposed Key Personnel do not meet the requirements, the Contractor shall attach a written waiver request that will cite both the areas where the proposed Key Personnel do not meet the requirements and a statement by the Contractor explaining why the Contractor considers the proposed Key Personnel to be qualified to hold the position. Waiver requests must adequately demonstrate that the proposed Key Personnel possesses the ability to effectively manage, supervise, or train security guards in a security guard contract of the size and scope described in this Solicitation/Task Order.

B. The CO must approve the proposed Key Personnel prior to his/her assignment under this Contract. The Contractor shall not replace any of the Key Personnel without submitted a Key Personnel Resume to the CO for her/his approval. The CO and COTR have the right to request the replacement of a supervisor that does not meet performance standard expectations.

7.2 Supervisor

A. Each Supervisor shall have a background with a minimum of two (2) years of successful experience in field supervision (civilian community law enforcement, military service law enforcement, or commercial/industrial security guard service). The Contractor may propose, by written request, an employee for a supervisory position who lacks the above experience, provided that the Contractor offers evidence of similar leadership experience. The acceptance of such an alternative shall be at the discretion of the CO. Instead, the Contractor shall be responsible for providing a level of supervision sufficient to ensure effective performance by the productive security guards over the course of this Contract, as agreed to by the Government as part of the Contractor’s technical proposal and incorporated into the Contract upon Contract award.

The Contractor should factor the costs for maintaining the recommended supervision into the offering prices, as they will not be itemized or paid for separately by the Government after Contract award.

B. In the event that the Government determines that the supervision provided by the Contractor is insufficient to effectively manage the security guards, the Government and Contractor shall meet to discuss the Contractor’s Supervision plan and ways in which the Contractor’s performance can be improved.
C. The Government recommends that the Contractor maintain on site supervision during post hours (0600 to 1800) at the following locations:

This reserve force shall be of sufficient size to provide the amount of temporary or emergency staffing (TAS/SAS) services (e.g., services in the event of a natural disaster, civil disturbance, or other unanticipated event). The Contractor shall ascertain how this reserve security guard force shall be acquired and maintained. All reserve security guards shall meet the minimum qualification standards required in this Contract before working any post under this Contract.

B. The Contractor must maintain at a minimum a reserve force equivalent to at least 15% of the existing security guard force for each separate state included in the contract at any given time.

A. All security guards and uniformed supervisors working under this Contract must complete the following training and pass the required written examination. Certifications may be honored for contract security guards and uniformed supervisors who worked under the predecessor Contract and who maintain valid certification credentials.

B. The Training Syllabus is located in Exhibit 4. The Contractor shall be responsible for providing the CO and COTR a copy of its Training Plan and proposed Training and Qualifications Schedule within 10 calendar days after award of the Contract. The Contractor shall notify the COTR of any changes to the proposed Training and Qualifications Schedule not less than 10 calendar days before the date of the training session.
C. The Contractor bears the entire responsibility for scheduling and coordinating with FPS for the Government-provided training courses, the written examinations, weapons qualifications, first aid, CPR, AED certifications. Government firearms monitoring, testing, and training will take place Monday through Friday excluding Saturday, Sunday, and Holidays, or on a mutually acceptable date and time of the COTR/Inspector.

D. The Contractor shall also bear all costs and responsibilities related to their employees’ attendance at any contract mandated training class, test, or examination, including all expenses for transportation, lodging, and meals (as may be necessary). Currently certified FPS contract guards that are required to go to any training, testing, or examination to maintain their FPS certification status shall be paid in accordance with the applicable Service Contract Act (SCA) Department of Labor prevailing wage determination or collective bargaining agreement. For pay purposes, the vendor shall treat time spent by certified contract guards in training and testing as the equivalent of time spent standing post. By contrast, pre-certification training provided by the contractor shall be governed by the payment requirements of the Fair Labor Standards Act (FSLA). Costs related to any training, test, or examination required by the contract must be factored into the offering price, as they will not be itemized or paid separately by the Government after award.

E. The CO, COTR, or any FPS personnel shall be allowed to observe any training and qualifying sessions sponsored or provided by the Contractor without any advance notice. The purpose of such observation is to ensure that the Contractor is adhering to the training syllabus and is complying with the stated training requirements defined in this Contract.

11.2 Training Requirements by Position

This subsection details the training requirements that must be successfully completed by all uniformed Contract employees. Training certifications are required for individual Contract employees. The Contractor shall maintain copies of all training certification in its personnel files and provide copies to the CO or COTR immediately upon request.

11.2-1 Security Guards

A. All productive and supervisory security guards working under this Contract must take the following training at the time periods specified in the following chart. The Government will provide to the Contractor one copy of the Security Guard Information Manual (SGIM). The Contractor shall be responsible for photocopying the manuals for their employees’ use, at no cost to the Government. The SGIM shall be provided to Contractor’s employees on the first day of their basic training course.

B. “One-time only” courses are defined as courses that, if the employee successfully completes, do not have to be taken again during the Contract term. One-time only courses are (1) basic training; (2) FPS “orientation” training; (3) current FPS Basic Firearms Training; and, (4) the written exam. However, additional training may be required on Magnetometer/x-ray if or when the equipment or technology is changed. The training certifications, excluding FPS orientation, are transferable to other FPS security guard service contracts, provided that the
Contractor can furnish evidence (e.g., a valid, signed certification) that the training was successfully completed during the predecessor Contract.

C. Each Contract employee, whether productive or supervisory, must take and complete 40 hours of refresher training within three (3) years of the previous (basic or refresher) training conclusion date.

11.2-2 Supervisors

A. All uniformed supervisors working under this Contract must successfully complete all training established for productive security guards including x-ray and magnetometer training. In addition, supervisors must complete nine hours of supervisory training based on a Contractor-provided Supervisory Training Manual. Following completion of basic training, the supervisors will be required to take and pass the basic written examination.

B. Supervisors shall not be permitted to work under this Contract without having passed the basic training, written examination for basic training, the basic firearms course, firearms practical qualification, and the Contractor Supervisory Training.

11.3 Written Examination

A. Upon the Contract employees’ completion of the basic training class and a favorable pre-employment suitability, the Contractor must schedule with FPS the Government-administered written examination. This exam will test their employees’ familiarity with and understanding of the information contained in the SGIM. The test has 50 multiple-choice questions. All of the questions on the test are taken verbatim from the SGIM. The passing score for the examination is 70% (35 questions correct out of 50 possible questions).

B. If a Contract employee does not pass the examination on the first attempt, s/he will be given one additional attempt within 90 days from the date of the first failed attempt to pass the written examination. If the Contract employee fails after the second attempt, s/he must wait one (1) year to re-train and re-take the examination and will not be permitted to work under any FPS Contract during that one-year waiting period. If a Contract employee fails the examination on the first attempt, but waits longer than 90 days to re-attempt the examination, s/he must wait one (1) year to re-train and re-take the examination and will not be permitted to work under any FPS Contract during that one-year waiting period. After the one (1) year suspension period has expired, the guard is considered a new hire.

C. No waivers shall be granted regarding the testing policies and procedures.

11.4 Weapons Training and Qualification

A. Firearms qualifications will be monitored by an FPS COTR/Inspector. Qualification not monitored by a FPS official will not be deemed acceptable for the purposes of this contract.
B. The Contractor is responsible for providing forty (40) hours of weapons training prior to sending the Contract employees to a firing range for the initial range qualification test session. Of the forty hours, twenty-four (24) hours will be actual training/shooting time on a firing range.

C. The Contractor employee must carry the same weapon, identified by its serial number, with which they qualify on the firing range. The Contract employee must qualify using their duty ammunition.

D. For firearms training/qualification, all FPS security guards are required to wear their duty uniform to include footwear, issued gun belt, holster and keepers.

E. For the purposes of this Contract, the Government requires that each Contract employee who receives firearms training shall fire at least 500 rounds of ammunition during the course of range training. The Contractor shall factor into the offering price the cost of ammunition. Ammunition shall not be itemized or paid for separately by the Government.

F. Each firearms qualification “session” consists of no more than two (2) attempts to qualify. If unsuccessful, the second attempt must be completed immediately after the first attempt. A qualifying score is 210 or better. See Exhibit 4E. If the contract employee fails to qualify during the first session, the employee must attempt to qualify within 30 days at a second qualification session. Before attempting to qualify in the second qualification session, the Contractor must provide a minimum of eight (8) hours of remedial training. The Contractor is responsible in determining what training the employee will need to complete in order to successfully qualify. After failing the second qualification session, firearms qualification may not be attempted for a period of six (6) months. The Contractor shall document the employee’s file with any and all remedial training given to enable the employee to pass the firearms course. The Government shall not be liable for compensating the Contractor for any additional expenses or costs incurred by the Contractor to enable Contract employees to annually re-qualify on the course.

G. Any Contract employee who has successfully completed a 40 hour firearms course under a predecessor FPS Contract may be exempted from the 40 hours of firearms training, provided the Contractor can furnish adequate proof (e.g., a valid, legible copy of a Training Certificate or firearms certification) that such training was successfully completed. The COTR shall have the sole discretion to accept or deny proposed exemptions from training based on prior training experience. Prior successful training completion by the Contract employee shall not exempt the Contract employee from the annual range qualification requirements.

H. If the weapon platform required under this Contract is different from the guard’s previous qualification, the Contractor is responsible for providing adequate weapon transition training. The training plan shall include a weapons transition training plan, if applicable.

I. Unless prohibited by state or local law, all weapons range training and qualifications (whether on an FPS range or a commercial range) shall be conducted using current FPS targets only. The Contractor shall furnish an adequate supply of targets for weapons
qualifications. Targets shall have a cardboard backing of equal or greater size than the target itself. If the target is non-turning a shot timer shall be used. The Contractor shall factor the cost of the targets into the offering prices, as they will not otherwise be paid for by the Government after Contract award.

11.4-1 Annual Firearms Re-Qualification

A. The Contractor shall ensure that all Contract employees receive the training or range time necessary to successfully re-qualify on the practical firearms course semi-annually. Any guard attempting semi-annual re-qualification who fails to re-qualify is no longer certified to carry a weapon and shall not be permitted to work on an armed post. Refresher training for intermediate weapons will also be conducted. The costs of such preparations should be factored into the offering prices, as it will not be itemized or paid for separately by the Government.

B. Successful firearms range qualification by Contract employees as part of a state or local firearms permit/license issuance process shall not be considered an acceptable replacement or substitute for the annual firearms qualification required by this Contract.

C. The Contractor shall provide the necessary weapons and ammunition for training and qualifications. The Contractor shall provide a list of serial numbers of Contractor-provided firearms to be used for qualifications 48 hours prior to scheduled training and qualification. All Contractor-provided weapons used for qualifications of Contract employees will be made available for inspection and approval by an FPS representative prior to use on any firing range. Contract employees must adhere to the rules and regulations of the firing range. The Contractor shall be responsible for licenses and permits required for weapons during transit between the employee dispatch point and the range.

11.5 Minimum Age for Firearms Licensing

In most areas the minimum age requirements for armed security guard personnel is twenty-one (21) years of age.

B. In the event that there is a legal licensing requirement regarding the minimum age for a security guard, that requirement shall take precedence over the Contract’s stated acceptable minimum age.

11.6 FPS-Specific Training

A. All Contract employees must receive FPS-specific training. The COTR and the Contractor will schedule the site(s) and date(s) of the training session(s) after the award of the Contract and prior to the Contract start date. See Exhibit 4C.
B. Security guards and uniformed supervisors who worked under the predecessor Contract may be exempt from this training, provided the Contractor can furnish adequate proof that such training was successfully completed (e.g., a valid, legible copy of a Training Certificate). The COTR shall have the sole discretion to accept or deny proposed exemptions from training based on prior training experience.

11.7 **Government-Provided Magnetometer/X-Ray Training**

All Contract employees shall receive up to eight (8) hours of Government-provided training on the use and handling of magnetometers and/or x-rays. Upon completion of this training, the FPS Training Representative will issue each Contract employee a certificate of training completion.

11.8 **CPR/AED/First Aid Training**

A. Any Contract employee that does not possess valid and current CPR, AED and First Aid certification cards are not considered qualified to perform on this contract.

B. The Contractor is responsible for scheduling, obtaining, and covering all costs associated with providing CPR, AED, and First Aid training to all employees assigned to work under this Contract. CPR and AED training and certification must include adult, youth, and infant training modules. Training certification shall be valid for one year. Prior to the expiration of the CPR and AED certification, the Contract employee must become re-certified. Recertification training shall cover adult, youth, and infant CPR procedures as well as AED procedures. The Government requires that each CPR/AED course MUST provide practical training (e.g., on “dummies”) on resuscitation techniques and be conducted in accordance with American Red Cross (ARC) standards by ARC certified instructors.

C. First Aid training and certification shall be valid for a period of three years. Upon expiration of the First Aid certification, the Contract employee must become re-certified. Recertification training shall be a minimum of 2.5 hours.

D. A post is considered “open” if manned by unqualified contract employees.

11.9 **Other Special Training**

A. The Contractor is responsible for providing any training required by state or local jurisdictions pertaining to the use or carriage of any lethal or less-than-lethal weapons (i.e. expandable or straight police baton, sprays, or repellants, conducted energy weapons, stun weapons, etc.), equipment, or devices required in this Task Order.

B. In certain cases, the Contractor’s employees will receive special training that will be given by the tenant agency or by FPS. The number of training hours and the posts to which the special requirements apply will be provided when the requirement arises. The Contractor will be required to schedule the training, to compensate all security guards for off-duty training at
their regular hourly rate/salary, and to ensure that all posts are manned while training is in progress.

11.10 Training of Replacement Employees

All replacement employees shall meet the training and testing requirements specified in this Subsection at no cost to the Government.

11.11 Schedule of Provided Training and Testing

The Contractor shall schedule and coordinate Government provided training and testing with the COTR. Government training can only be scheduled after Contract award.

A. The Contractor shall ensure that the employees attend all scheduled training and examination/qualification sessions. The term ‘absence’ includes any person properly scheduled for training/testing and who fails to report to the appointed place at the proper time and date. An absence may be excused or unexcused. The FPS Training Instructor shall compile a list of all employees who have an unexcused absence for each day of training and will forward this list to the CO.

11.13 Training Waivers

A. In certain rare circumstances, such as emergencies or significant, unanticipated increases in required services, the CO may temporarily waive the time frames in which training and/or testing must be provided before a Contract employee can work under the Contract. However, all such waivers must be requested in writing by the Contractor, citing the specific reasons why the time frame for training/testing should be temporarily waived, and citing a specific deadline in which the required training/testing will be successfully completed by the Contract employee, not to exceed 120 calendar days. Under no circumstances shall a Contract employee work under a temporary waiver without the CO’s written consent. If the CO grants a temporary waiver for the time frame requested by the Contractor, the Contractor shall abide by that time frame and, upon expiration of the temporary waiver deadline date, shall have completed the training/testing requirements or shall remove the affected Contract employee(s) from the Contract.

B. The training and testing requirements shall not be permanently waived.
12 Medical and Physical Qualifications

12.1 General

A. The Contractor shall ensure all uniformed employees working under the Contract meet the medical requirements described in the following sections. The Government will not grant any waivers of the medical standards.

B. The Contractor is also responsible for ensuring that all uniformed employees are able to perform the essential functions described below, with any reasonable accommodation. If one of the Contractor's employees alleges that s/he has a disability and requires a reasonable accommodation to perform the essential functions of the job, it is the Contractor's sole responsibility to discuss reasonable accommodation with its employee and to decide what accommodation, if any, to provide at its own expense.

12.2 Medical Standards

Examinations shall be administered by a licensed physician and documented on a Standard Form (SF) 78.

B. The Contractor shall fully and accurately complete Section 4 of the SF 78 based on the medical standards and essential job functions set forth in the Contract. All guards (productive and supervisory) must meet the health certification requirements listed in the SF 78. The Contractor shall submit a completed SF 78 for each employee to the COTR prior to any Contract employee being permitted to work under the Contract.

C. If an employee of the Contractor claims that s/he has a disability that prevents him/her from meeting the medical standards or performing the essential job functions, it is the Contractor’s responsibility to obtain medical verification of the disability and to provide reasonable accommodation, if necessary, at its own expense. The COTR will review all medical documentation to ensure that it is complete and in compliance with the Contract. No guard shall be permitted to work under the Contract until the certificate and medical documentation has been reviewed and approved for compliance with the Contract by the COTR.

D. All Contract employees must meet the following medical standards:

1. Vision: Applicant must have binocular vision and must not test less than 20/20 (Snellen). Corrected vision must not test less than 20/20 in one eye and 20/40 in the other eye. An applicant who has undergone a Radial Kerotomy or laser

A. Contract employees are expected to be physically able to perform the following tasks or functions in the performance of their assigned duties:

   a. Frequent and prolonged walking, standing, sitting, and stooping, up to 12 hours per day, either indoors or outdoors, during daytime or nighttime. Outdoor posts may require the individual to withstand extreme heat, humidity, cold, and/or severe weather (e.g., snow, sleet, rain, hail, wind) for up to four hours without shelter. Many posts have no chair/seating available; thus, the individual must be able to stand for up to four consecutive hours.

   b. Frequent contact with the general public, law enforcement, and dispatch center, requiring the ability to speak clearly and distinctly and remain calm in stressful situations (e.g., confrontations with angry, distraught, disturbed, or violent persons).

h. Occasional running, sprinting, lifting heavy weights, moving heavy objects, climbing stairs (e.g., in responding to emergencies, ensuring timely and complete facility evacuations, giving pursuit, etc.).

B. Individuals deemed incapable of performing the above tasks or functions will be removed from the Contract upon the CO’s request.

C. The Contractor shall be responsible for encouraging and promoting employees assigned to this Contract to maintain an ongoing and regular program of physical fitness, at no cost to the Government.

12.4 Initial and Recurring Screening for Illegal Drugs

A. As part of the medical examination, all Contract employees must submit to an initial urine drug screening that tests for the following five (5) substances at the following cutoff levels (nanogram per milliliter, ng/mL):

<table>
<thead>
<tr>
<th>Substance</th>
<th>Cutoff Level (ng/mL)</th>
</tr>
</thead>
<tbody>
<tr>
<td>Marijuana metabolites</td>
<td>50</td>
</tr>
<tr>
<td>Cocaine metabolites</td>
<td>300</td>
</tr>
<tr>
<td>Opiate metabolites</td>
<td>2,000</td>
</tr>
<tr>
<td>Phencyclidine</td>
<td>25</td>
</tr>
<tr>
<td>Amphetamines</td>
<td>1,000</td>
</tr>
</tbody>
</table>

B. The Contractor will perform random drug screening of 5% of the guard force assigned to this contract over a 12-month period. Contract Security Guards must resubmit to a urine drug screening upon renewal of physical forms every three years.
C. Drug screening methodology shall conform to the U.S. Department of Health and Human Services Substance Abuse and Mental Health Services Administration’s (SAMHSA) “Mandatory Guidelines for Federal Workplace Drug Testing Programs.” These guidelines can be accessed via the Internet at: www.health.org/GDLNS-94.htm or at: http://wmcare.samhsa.gov. The Contractor is strongly urged to use one of the laboratories listed on SAMHSA’s “Current List of Laboratories Which Meet Minimum Standards To Engage in Urine Drug Testing for Federal Agencies,” which is accessible via the Internet at: www.health.org/labs/index.htm or at: http://wmcare.samhsa.gov. This list is updated on a monthly basis. If the Contractor chooses to use a laboratory not shown on SAMHSA’s current list, the Contractor must verify whether the laboratory’s methodology conforms to SAMHSA’s guidelines prior to utilizing that laboratory to perform drug screenings.

D. Other drug testing methods (hair, sweat patch, etc.) are commercially available but are not acceptable for the purposes of this Contract, due to widely varying standards of testing and laboratory reliability results. However, if SAMHSA does issue guidelines on alternative drug screening methods, the Contract may be modified to permit the use of those methods.

E. The presence of a positive reading for any of the above substances over the designated cutoff level for that substance shall automatically disqualify an applicant from working under this or any other FPS security guard services contract. Since most drugs are metabolized within a short period of time (from several hours to several days), the Contractor shall not permit any applicant to take multiple tests in order to receive an acceptable reading.

F. The Contractor is responsible for all costs associated with obtaining the medical evaluation and drug screening for each Contract employee. All costs must be factored into the offering prices.

12.5 Government Requested Screening

A. The CO or COTR shall have the express right to request targeted urine drug screenings where there is a reasonable belief by the Government that the Contract employee(s) may be under the influence of or using illegal substances. Targeted screenings shall be conducted in a similar fashion to random screenings, with the exception that the CO will advise the CM in writing that s/he requests a drug screening of a specific security guard. Once the written request is received, the CM shall arrange for the test to be conducted as soon as possible, but not later than three working days. The Contractor shall pay the Contract employee the normal hourly rate/salary for all time associated with taking the screening. Each screening shall follow the guidelines described in paragraph 15.4 above.

B. Contract employees who undergo targeted urine drug screenings may continue working under the Contract until the results have been provided to the Contractor. event that the results are positive, the Contractor shall immediately remove the Contract employee(s) with a positive reading from the Contract and immediately inform the COTR and CO of the result and the employee’s removal from the Contract. Additionally, the Contractor shall bear all the expenses relating to the test for the employee(s) with the positive reading.

C. Any Contract employee who undergoes either a random or targeted urine drug screening and tests positive for any of the substances shown above shall be permanently disqualified from working under this or any other FPS security guard services contract. Since most drugs are metabolized within a short period, the affected Contract employee shall not be authorized to take additional tests to achieve an acceptable reading.

A. In accordance with the SGIM, the Contractor shall be responsible for maintaining satisfactory standards of employee competency, conduct, appearance, and integrity, and shall be responsible for taking such disciplinary action with respect to his employees as may be necessary.

C. The COTR may recommend to the CO that the Contractor immediately remove any employee from any or all locations where the contractor has contracts with the FPS if the employee is not maintaining satisfactory performance in accordance with the Contract or the SGIM. Additionally, the employee may be removed if he/she has been disqualified for employment suitability, performance suitability, or security reasons, or who is found to be unfit for performing security duties during his/her tour of duty. The CO will make all determinations regarding the removal of any employee from any or all locations where the contractor has contracts with the Federal Protective Service. In the event of a dispute, the CO will make the final determination. Specific reasons for removal of an employee will be provided to the Contractor in writing.

D. Notification of Arrest: Guards working under this contract shall notify his contractor within 12 hours of their arrest. The contractor will notify the COTR within 12 hours of the guard’s notification. Failure of the guard to do so may result in a request of removal from this contract.

14 Contract Employee Reinstatements

A. When the Government takes action that may impact upon the suitability or work fitness status of a Contract employee, the Contractor may appeal the decision to the CO.

B. If the CO made the initial decision, a senior manager within the FPS Regional Office or headquarters Security and Law Enforcement Division will review the appeal. The appeal decision will be provided to the Contractor in writing with a brief explanation of the decision to uphold or reverse the CO’s decision.

C. While the appeal is being considered, the employee shall not work under this Contract.

16 Regulations, Handbooks, and Other Applicable Documents

A. FPS regulations contain the basic procedures for the operation, maintenance, and protection of property. Supplementary regulations, which are provided to the Contractor by the CO or his/her authorized representative shall also be in effect and will be incorporated by Contract modification.

The COTR shall give the Contractor one (1) electronic copy of this manual at the pre-performance meeting held shortly after Contract award. The Contractor shall provide to each uniformed Contract employee a legible, securely bound copy of the SGIM upon beginning the basic training course.

17 Security Guard Certification /Security Requirements

17.1 General

A. All personnel performing on this Contract must meet HSPD-12 requirements and pass a suitability determination conducted by the Government. Contractor personnel will not be able to perform under this Contract until appropriate suitability determinations have been made. The Government will provide all necessary forms at the time of Contract award. The DHS Office of Security will accept only complete and legible security packages. Therefore, all personnel must provide the required information and documents to the COTR within 10 calendar days after Contract award.

B. The Contractor should follow the procedures listed below to obtain an FPS certification card for each Contract employee:

1. Conduct an initial employment screening to determine whether the prospective employee meets the Contractor’s specific hiring requirements and the Contract eligibility requirements, including medical and drug testing (see Section 12 above);

2. Submit the suitability package to the COTR and await the results of the adjudication. This process may take approximately one to three months if all forms are legible and
complete. However, preliminary suitability is usually determined within a week of the submission of the paperwork. The Contractor will be notified whenever there is an instance where there is a preliminary unfavorable adjudication decision so that the Contractor can determine how to proceed with the employee’s training, testing, etc.

3. Schedule required Government-provided training and testing/qualifying with FPS and schedule/conduct all other Contractor-provided training requirements; this does not include the FPS Written Exam.

4. After the Contractor employee receives favorable suitability adjudication results and the employee successfully completes the training and passes the required examination(s), the Contractor shall submit the following information to the COTR for an FPS certification card:

   a. **Certification.** A certification, signed by the Contract Manager, that the employee has met all the requirements set forth in Section C and that all pertinent documents are on file at the Contractor’s facility. (See Exhibit 11.)

   b. **Photographs.** Two color photographs, 1” x 1”, no more than one year old, of the guard’s head and upper shoulders; and

   c. **Contract Guard Qualification Certificate.** The guard’s name, and the name of the Contractor’s company must be typed on the front of the card, and the guard must sign the signature block in blue or black ink.

   d. **Lautenberg Amendment Statement.** Armed guards must submit a signed and dated “Domestic Violence” certification that satisfies the legal requirements of the Lautenberg Amendment, 18 U.S.C. § 922(g)(8) and (9). This certification is valid for one (1) year. The Contractor shall maintain a file of its guards’ certifications and provide the COTR a signed statement certifying compliance with this requirement. If at any time a guard has a disqualifying event under Lautenberg, the Contractor shall notify the COTR and immediately remove the guard from work under the contract that may require use of a firearm. The Contractor shall submit a new certification to the COTR stating that all its guards are in compliance with the Lautenberg Amendment annually.

C. The certification card shall be worn on the outermost garment of the guard's uniform.

D. As determined by the COTR, The Contractor is responsible for the employees having all required certification credentials in their possession at all times while on the protected premises. This includes not only the FPS certification card, but also a valid CPR/AED/First Aid Card and a valid firearms permit.

---

2 The Contractor may proceed with Contractor-provided training while awaiting results of the suitability adjudication process.
E. The Contractor must return employees’ certification card to FPS within five (5) workdays upon the termination of the guard's employment or the guard's removal from the contract. At the end of the contract period, the Contractor must return to FPS all blank cards and all completed cards for guards who will not continue to work under FPS contracts. Possession of an FPS certification card does not waive any other contract requirement.

H. Because the Certification card does not expire when individual certification elements expire, the Contractor is responsible for continually maintaining validity of each element of the Contract employee’s certification status (i.e., suitability determination, medical examination, firearms re-qualification, CPR/AED/First Aid certification). See Exhibit 11.

I. The CO shall have the express authority to demand return of the FPS Certification card for any Contract employee who does not maintain compliance with the Contract qualification and certification standards, and the CO shall have the express authority to prohibit that employee from performing under the Contract until such time as s/he comes into full compliance with all qualification/certification criteria.

17.2 Security Management

A. The Contractor shall appoint a senior official to act as the Corporate Security Officer. The individual will interface with the DHS Security Office through the COTR on all security matters, to include physical, personnel, and protection of all Government information and data accessed by the Contractor.

B. The COTR and the Security Office shall have the right to inspect the procedures, methods, and facilities utilized by the Contractor in complying with the security requirements under this Contract. Should the COTR determine that the Contractor is not complying with the security requirements of this Contract, the Contractor will be informed in writing by the Contracting Officer of the proper action to be taken in order to effect compliance with such requirements.

17.3 Suitability Determination / Entry on Duty Decision

A. DHS shall have and exercise full control over granting, denying, withholding or terminating unescorted access to a Government facility and or sensitive Government information access for Contractor employees, based upon the results of a background investigation. DHS may, as it deems appropriate, authorize and make favorable entry on duty (EOD) decision based on preliminary security checks. The favorable EOD decision would allow the employees to commence work temporarily prior to the completion of the full investigation. The granting of a favorable EOD decision shall not be considered as assurance that a full employment suitability authorization will follow as a result thereof. The granting of a favorable EOD decision or a full employment suitability determination shall in no way prevent, preclude, or bar the withdrawal or termination of any such access by DHS, at any time during the term of the Contract. No employee of the Contractor shall be allowed unescorted access to a Government facility without a favorable EOD decision or suitability determination by the DHS Security Office. Contract employees assigned to the Contract not needing access to
sensitive DHS information or recurring access to DHS’ facilities will not be subject to
security suitability screening.

B. Contract employees awaiting an EOD decision may begin work on the contract provided they
do not access sensitive Government information. Limited access to Government buildings is
allowable prior to the EOD decision if a Government employee escorts the contract
employee. This limited access is to allow contractors to attend briefings, non-recurring
meetings and begin transition work. The EOD determination does not substitute for the
required background investigation.

17.4 Suitability Adjudication

A. After award of the Contract and prior to any Contract employees being permitted to work
under the Contract, the Contractor is responsible for ensuring that the Contract employees
receive formal suitability adjudication by FPS. All Contract employees shall receive formal
suitability adjudication by FPS, including the CM, Supervisors, Quality Assurance personnel
and all other company officers that visit the work sites. Contractor suitability determinations
are to be made in accordance with the criteria outlined in 5 CFR 731.202.

B. Once a prospective Contract employee has applied for a position and has been favorably
evaluated by the Contractor (i.e., meets the minimum qualification requirements cited in this
Statement of Work and otherwise meets the Contractor’s hiring criteria), the Contractor shall
submit to the COTR the following Government furnished forms for each Contract employee:

1. Two (2) completed original Forms FD-258, "Fingerprint Chart;"
2. Standard Form 85P, "Questionnaire for Public Trust Positions" (plus one copy);
3. Standard Form 85P-S, "Supplemental Questionnaire for Selected Positions" (plus one
copy);
4. DHS Form 11000-9, “Disclosure and Authorization Pertaining to Consumer Reports
pursuant to the Fair Credit Reporting Act” (plus one copy);
5. Foreign National Relatives or Associates Statement (plus one copy);
6. Lautenberg Amendment Statement (plus one copy);
7. Drug Questionnaire (plus one copy);
8. Alcohol Questionnaire (plus one copy).
9. Financial Disclosure Report (plus one copy);
10. Contractor Information Worksheet.
C. Contractors are required to use local police, the state police, the Federal Bureau of Investigation (FBI), or FPS regional offices to obtain readable fingerprints on the fingerprint cards. In certain locations, FPS may have an electronic fingerprint-scanning machine, which the Contractor is encouraged to use for fingerprinting Contract employees. Upon receipt of the completed, legible forms, FPS will submit the fingerprints for review by the FBI. FPS will use the information provided by the Contractor and the FBI to make a determination regarding the security guard’s suitability to work under an FPS Contract. If the forms are complete and legible, the entire evaluation process will take from one (1) week to several months, depending on current processing times. For planning purposes, the Contractor should always assume that the standard processing time is one (1) month and should plan paperwork submissions accordingly. Standard Form 85P, “Questionnaire for Public Trust Positions” Form must be submitted via OPM “e-QIP” (electronic Questionnaires for Investigation Processing”).

1. ELECTRONIC SUBMISSION-OPM “e-QIP” Process: Fill out the ICE “Contractor Information Worksheet”, proofread for completeness. Send it to the FPS COTR. They can fax or mail to the FPS Regional Contract Suitability Adjudication Office for continued processing.

D. Illegible or incomplete forms submitted by the Contractor will be returned and will result in delays in the adjudication process. Therefore, the Contractor must ensure that all forms submitted to FPS are complete, legible, and accurate. FPS shall not be responsible for any delays that occur due to the Contractor’s failure to submit complete, accurate, and legible forms to FPS.

E. All federal agencies are required to implement Homeland Security Presidential Directive 12 (HSPD-12) and must follow the minimum background investigation requirements of National Agency Check with Written Inquiries (NACI) or other suitability or national security investigation prior to credential issuance.

F. A contractor on whom unfavorable or derogatory information has been uncovered must be presented with the information and offered an opportunity to refute, explain, clarify, or mitigate the information in question. If a determination of ineligibility is made, the individual will be formally notified and informed of the reason(s).

G. If FPS finds a Contract employee to be unsuitable to work as a result of the suitability investigation under the Contract, the Contractor shall be advised immediately that such employee cannot work or be assigned to work under the Contract, and the Contractor shall in turn immediately remove the affected employee from the Contract. The security guard or the Contractor may appeal the suitability determination to the CO. However, in such cases the Contractor shall proceed with the hiring process at their own risk until the final determination of the security guard’s suitability has been accomplished. Under no circumstances shall a Contract employee who has received a notice of unfavorable (unsuitable) adjudication work under this or any FPS security guard service contract. This requirement also applies to Contract employees whose unfavorable adjudication is pending appeal. Disqualifying information includes but is not limited to the following:
1. Conviction of a felony, a crime of violence, or a serious misdemeanor;

2. Possessing a record of arrests for continuing offenses;

3. Falsification of information entered on suitability background investigation forms.

H. Once a favorable adjudication has been made by FPS, the security guard is suitable to work under the Contract for five (5) years (if nothing occurs within the 5-year period that would render the security guard unsuitable for continuing performance under the Contract). The Contractor shall immediately notify the COTR and the CO in writing of any circumstances that arise which could possibly affect any Contract employee’s suitability status (e.g., arrests, convictions, and/or termination of employment by the Contractor for cause, such as misconduct or neglect of duty). The Contractor is responsible for renewing the security guard’s suitability clearance prior to its expiration. Any security guard who continues to work under the Contract after his/her suitability clearance has expired shall be removed from the Contract until a new favorable suitability determination is made. The Contractor should make every effort to submit a new suitability package to FPS at least 30 days prior to the current suitability expiration date.

1. Any investigation conducted by or for another federal agency on a contractor that is of the same or higher type and scope as the one required for the position is sufficient to meet the investigation requirements provided it was conducted within the past five years.

2. Any investigation conducted by or for another federal agency on a contractor whose scope is less than that required for the position can be upgraded as provided for by OPM to meet the investigation requirements of the position if it was conducted within the past five years.

I. For employees cleared through this process while employed under a predecessor contract (providing the same services), the suitability determination made under the previous contract will carry over to the new contract. However, the Contractor will be required to submit new suitability applications once the security guards’ current suitability clearances expire.

1. Contractors who have been investigated and approved by Components prior to the issuance of DHS-MD 11055, “Suitability Screening Requirements for Contractors” to work on unclassified contracts are eligible to remain on the contract even though they may not have the investigation commensurate with the risk level indicated in Appendix 1. Such contractors cannot perform work under a different contract or at a different risk level until the investigative requirements in Appendix 1 are met.

2. Lawful Permanent Residents are not eligible (1) to transfer between contracts; (2) for an upgrade to another position; or (3) to remain on a contract after a re-compete and award.

J. FPS shall have and exercise full and complete control over granting, denying, withholding, or terminating suitability clearances for employees. FPS may, as it deems appropriate,
authorize and grant temporary clearances to employees of the Contractor. However, issuance of a temporary clearance to any such employee shall not be considered as assurance that full clearance will be granted as a result or condition thereof, and the granting of either temporary or full clearance shall in no way prevent, preclude, or bar the later withdrawal or termination of any such clearance by the Government.

18 Security Clearance Requirements

18.1 Background Investigations

A. In addition to meeting the FPS background suitability check described in Section C, additional security clearances may be required by the Contract and task order(s). These clearances will be provided by the Department of Defense Security Service (DSS), the Department of Energy (DOE), the Nuclear Regulatory Commission (NRC), or other agency, as appropriate (refer to Section J, Exhibit 6C for further information as to whether this Contract will require such clearances). Where such clearances are required, employees shall be subject to a security investigation by the Government prior to being allowed to work at the site. This requirement may also pertain to officers of the firm, who for any reason may visit the work site(s) during the term of the Contract. Employees may not work at the site until the Contractor receives a DD Form 560 (Letter of Consent), for the individual employee from DSS, or receives a final clearance from DOE, NRC, or other agency.

B. The Government shall notify the Contractor of the required security classification of this Contract and the elements thereof, and of any subsequent revisions in such security classifications, by use of Security Requirements Checklist (DD Form 254), or other written notification.

C. In all areas requiring a DOD, DOE, NRC, or other agency security clearance, the Contractor shall comply with the provisions of the most currently available National Industrial Security Program Operating Manual (NISPOM). This publication may be obtained online at www.dss.mil or from the Superintendent of Documents, U.S. Government Printing Office, Mail Stop SSOP, Washington, DC 20402-9238 (ISBN: 0-16-045560-X). Application forms required for DOD personnel security clearances shall be obtained from Defense Security Service (DSS) at www.dss.mil; for DOE clearances at www.doe.gov; and for NRC at www.nrc.gov. Each designated employee must complete all applicable forms. The Contractor shall notify the COTR in writing within five calendar days of receipt of authorization for employees to be assigned to classified areas. (See Part III, Section J, Exhibit 6A, Security Clearance Requirements).

D. A security clearance determination of whether an individual should be eligible for access to classified information is a process separate and distinct from the suitability determination and is conducted in accordance with DHS MD 11035, Industrial Security Program. For contractors processed in accordance with DHS MD 11035, the investigative standard for access to Secret classified information will be a MBI. The minimum investigative standard for access to Top Secret classified information will be a SSBI. Each designated employee must complete all applicable forms.
E. The Government will provide the Contractor with the appropriate personnel security questionnaire and fingerprint forms that are to be completed for each Contract security guard employee performing under this Contract, as well as the firm employees, who may, in the performance of this Contract, visit the work site.

F. Contract employees (to include applicants, temporaries, part-time and replacement employees) under the contract needing access to sensitive information shall undergo a position sensitivity analysis based on the duties each individual will perform on the contract. The results of the position sensitivity analysis shall identify the appropriate background investigation to be conducted. All background investigations will be processed through the Security Office. Prospective Contractor employees with adequate security clearances issued by the Defense Industrial Security Clearance Office (DISCO) may not be required to submit complete security packages, as the clearance issued by DISCO may be accepted. Prospective Contractor employees shall submit the following completed forms to the Security Office, through the COTR, no less than 30 days before the starting date of the Contract or 30 days prior to entry on duty of any employees, whether a replacement, addition, subcontractor employee, or vendor.

a. Standard Form 85P, “Questionnaire for Public Trust Positions”

b. Standard Form 85P-S, “Supplemental Questionnaire for Selected Positions”

c. Lautenberg Amendment Statement (plus one copy)

d. FD Form 258, “Fingerprint Card” (2 copies)

e. Foreign National Relative or Associates Statements

f. DHS 11000-9, “Disclosure and Authorization Pertaining to Consumer Reports Pursuant to the Fair Credit Reporting Act”

g. Drug Questionnaire

h. Alcohol Questionnaire

i. Contractor Information Worksheet

Required forms will be provided by DHS/ FPS at the time of award of the contract. Only complete packages will be accepted by the DHS/ FPS Contract Suitability Adjudication Program Office. Specific instructions on submission of packages will be provided upon award of the contract. Standard Form 85P, “Questionnaire for Public Trust Positions” Form will be submitted via e-QIP (electronic Questionnaires for Investigation Processing). (For the Electronic Submission process refer to Chap. 17.4C.1 above).
G. The Contractor is responsible for all costs associated with obtaining and renewing the applicable security clearances for each affected Contract employee. The costs should be factored into the offering prices, as they will not be itemized or paid for separately by the Government.

H. The Contractor is advised to only submit security packages on suitable prospective employees whose integrity, credit, and character will meet the security suitability requirements of DHS. DHS will likely consider as being unsuitable prospective employees who fail to truthfully represent their credit history; who make no attempt to pay debts; and whose character could be questionable because of serious arrests, illegal drug use, or abuse of alcohol.

I. Unless an applicant/employee has resided in the U.S. for three of the past five years, the Government may not be able to complete a satisfactory background investigation. In such cases, DHS retains the right to deem an applicant/employee as ineligible due to insufficient background information.

18.2 Access To Classified Information (Contractor)

A. The DHS has determined that the performance of this Contract requires that the Contractor, subcontractor(s), vendor(s), etc., (herein known as Contractor) require(s) access to sensitive DHS information or classified National Security Information (herein known as classified information). Classified information is Government information that requires protection in accordance with Executive Order 12958, Classified National Security Information, and supplementing directives.

B. See Section J, Exhibit 6C, Security Suitability Requirements, for a determination of which, if any, Contractor facilities and Contractor personnel, including Contract Manager or Supervisor, assigned to this Contract are required to possess up to a TOP SECRET security clearance.

C. If access to classified information is required as identified in Section J, Exhibit 6C, the Contractor will abide by the requirements set forth in the DD Form 254, Contract Security Classification Specification, DHS MD 11035 (Industrial Security Program), and the National Industrial Security Program Operating Manual (NISPOM) for the protection of classified information at its cleared facility, if applicable, as directed by the Defense Security Service. If the Contractor has access to classified information at a DHS or other Government facility, it will abide by the requirements set by that agency. If these procedures are not properly followed by the Contractor, it will result in deductions from monthly invoices.

D. The Contractor and all applicable personnel shall be cleared pursuant to the Defense Industrial Security Regulations, or other applicable regulations. The Contractor shall hold as a minimum, interim facility clearance requirements subsequent to the official award date, and/or at least thirty-(30) days prior to the Contract start-up date.
E. Interim Personnel Clearance Level – Applicants for SECRET may be routinely granted a
interim personnel clearance level as appropriate, provided there is not evidence of adverse
information of material significance. The interim status will cease if results are favorable
following completion of full investigation requirements. **Non-U.S. citizens are not eligible
for access to classified information on an interim basis.**

F. If access to classified information is required as identified in Section J, Exhibit 6C, the
Contractor must possess a TOP SECRET facility clearance consistent with the DHS MD
11035, Industrial Security Program prior to Contract award. If an uncleared firm is selected,
DHS will sponsor the firm for the facility clearance. If the facility clearance is not issued
within 180 days, DHS may terminate the Contract for the convenience of the Government.

18.3 **Continued Eligibility**

A. A contractor on whom unfavorable or derogatory information has been uncovered must be
presented with the information and offered an opportunity to refute, explain, clarify, or
mitigate the information in question. If a determination of ineligibility is made, the
individual will be formally notified and informed of the reason(s). If a prospective employee
is found to be ineligible for access to Government facilities or information, the COTR will
advise the Contractor that the employee shall not continue to work or to be assigned to work
under the Contract.

the Contractor independently identifies circumstances where probable cause exists.

compromising sensitive Government information to which he or she would have access
under this Contract.

concerning contract employees under the contract to the COTR. Reports based on rumor or

reported.

E. The Contractor must notify the Security Office of all terminations/resignations within five (5)
days of occurrence. The Contractor will return any expired DHS/FPS issued identification

Contract employee is assigned for duty, and the tenant agency provided the Contract
employee with the necessary Government identification, the Contractor shall ensure that all
Government identifications are returned to the issuing agency when employees are
terminated or resign, or upon expiration of the Contract, whichever comes first. If an
identification card or building pass is not available to be returned, a report must be submitted to the COTR, referencing the pass or card number, name of individual to whom issued, the last known location and disposition of the pass card.

19  **Contractor’s Personnel Filing System**

Both the performance evaluation and the Contractor’s response shall be filed in the Contract file. Where the Contractor fails to respond in writing to a performance evaluation, the CO shall assume the Contractor’s complete concurrence with the findings of the performance evaluation. The CO and/or COTR shall meet with the Contractor prior to all performance evaluations to discuss the results of the Government’s quality control findings and the overall performance of the Contract by the Contractor.
C. The Government shall use the performance evaluations as a factor to determine whether to exercise any available option period and/or as a factor to determine whether to award any future Contract(s) to the Contractor.

To remain registered in the CCR database after the initial registration, the Contractor is required to review and update on an annual basis from the date of initial registration or subsequent updates its information in the CCR database to ensure it is current, accurate and complete. The FPS Region number shall also be notated on every invoice. To assist in timely payment, it is also recommended that the contractor provide the Accounting Transaction Number (also known as the “PJ” number) on the submitted invoice.

2. In accordance with Contract Clauses, FAR 52.212-4 (g)(1), Contract Terms and Conditions – Commercial Items, or FAR 52.232-25 (a)(3), Prompt Payment, as applicable, the information required with each invoice submission is as follows:

   “…An invoice must include—
   (i) Name and address of the Contractor;
   (ii) Invoice date and number;
   (iii) Contract number, contract line item number and, if applicable, the order number;
   (iv) Description, quantity, unit of measure, unit price and extended price of the items delivered;
   (v) Shipping number and date of shipment, including the bill of lading number and weight of shipment if shipped on Government bill of lading;
   (vi) Terms of any discount for prompt payment offered;
   (vii) Name and address of official to whom payment is to be sent;
   (viii) Name, title, and phone number of person to notify in event of defective invoice; and
(ix) Taxpayer Identification Number (TIN). The Contractor shall include its TIN on the invoice only if required elsewhere in this contract. (See paragraph 1 above.)

(x) Electronic funds transfer (EFT) banking information.

(A) The Contractor shall include EFT banking information on the invoice only if required elsewhere in this contract.

(B) If EFT banking information is not required to be on the invoice, in order for the invoice to be a proper invoice, the Contractor shall have submitted correct EFT banking information in accordance with the applicable solicitation provision, contract clause (e.g., 52.232-33, Payment by Electronic Funds Transfer—Central Contractor Registration, or 52.232-34, Payment by Electronic Funds Transfer—Other Than Central Contractor Registration), or applicable agency procedures.

(C) EFT banking information is not required if the Government waived the requirement to pay by EFT.

(D) Invoices shall separately list amounts due for basic and emergency services.

Invoices without the above information may be returned for resubmission.

PAYMENTS

A. Payment will be made on a calendar month basis in arrears upon submission of an invoice. Payment will be due on the 30th calendar day after receipt of a proper invoice or date of receipt of services, whichever is later. In the event the Order begins or ends during the month, payments will be prorated based on the number of calendar days in the respective month.

B. It is the objective of the Government to obtain complete and satisfactory performance in accordance with the terms of specifications and requirements of this Order. The criteria for deductions and adjustments below will be used by the Government in determining monetary deductions for nonperformance of work under this Order and for adjustments for deficiencies in the performance of work.

C. The Contractor is responsible for submitting accurate invoices that reflect the actual services provided each month. Where there are variances between the requirements cited in the Order(s) and the work actually performed (e.g., unmanned posts), the Contractor shall attach a separate sheet to the invoice detailing each instance of a variance. The Contractor shall compute the invoice price to reflect the actual amount owed. Submission of false invoices shall be subject to contractual and legal actions.

D. To verify the monthly payment for productive man-hours, the Contracting Officer's Technical Representative may compare the man-hours required in the Order with the GSA Form 139, Record of Time of Arrival and Departure from Buildings, or other approved sign-in/sign-out form. The Government may perform a 100% comparison or sampled comparison to verify the accuracy of the Contractor’s invoice. The Government will only pay for services actually rendered by the Contractor. If variances are noted between the invoice and the GSA Form 139, the Government will propose an Order deduction. For example, if the Order required that a post be manned for 12 hours, and the Contractor billed for 12 hours, but the GSA Form 139 shows that post was manned for 10 hours, the 10 hours will prevail and the Government will deduct the difference.

Any inquiries regarding payment shall be directed to the Contracting Officer.

HSAR 3052.204-70 Security Requirements for Unclassified Information Technology Resources (Jun 2006)

(a) The Contractor shall be responsible for Information Technology (IT) security for all systems connected to a DHS network or operated by the Contractor for DHS, regardless of location. This clause applies to all
or any part of the contract that includes information technology resources or services for which the Contractor must have physical or electronic access to sensitive information contained in DHS unclassified systems that directly support the agency’s mission.

(b) The Contractor shall provide, implement, and maintain an IT Security Plan. This plan shall describe the processes and procedures that will be followed to ensure appropriate security of IT resources that are developed, processed, or used under this contract.

(1) Within 60 days after contract award, the contractor shall submit for approval its IT Security Plan, which shall be consistent with and further detail the approach contained in the offeror's proposal. The plan, as approved by the Contracting Officer, shall be incorporated into the contract as a compliance document.

(2) The Contractor’s IT Security Plan shall comply with Federal laws that include, but are not limited to, the Computer Security Act of 1987 (40 U.S.C. 1441 et seq.); the Government Information Security Reform Act of 2000; and the Federal Information Security Management Act of 2002; and with Federal policies and procedures that include, but are not limited to, OMB Circular A-130.

(3) The security plan shall specifically include instructions regarding handling and protecting sensitive information at the Contractor’s site (including any information stored, processed, or transmitted using the Contractor’s computer systems), and the secure management, operation, maintenance, programming, and system administration of computer systems, networks, and telecommunications systems.

(c) Examples of tasks that require security provisions include--

(1) Acquisition, transmission or analysis of data owned by DHS with significant replacement cost should the contractor’s copy be corrupted; and

(2) Access to DHS networks or computers at a level beyond that granted the general public (e.g., such as bypassing a firewall).

(d) At the expiration of the contract, the contractor shall return all sensitive DHS information and IT resources provided to the contractor during the contract, and certify that all non-public DHS information has been purged from any contractor-owned system. Components shall conduct reviews to ensure that the security requirements in the contract are implemented and enforced.

(e) Within 6 months after contract award, the contractor shall submit written proof of IT Security accreditation to DHS for approval by the DHS Contracting Officer. Accreditation will proceed according to the criteria of the DHS Sensitive System Policy Publication, 4300A (Version 2.1, July 26, 2004) or any replacement publication, which the Contracting Officer will provide upon request. This accreditation will include a final security plan, risk assessment, security test and evaluation, and disaster recovery plan/continuity of operations plan. This accreditation, when accepted by the Contracting Officer, shall be incorporated into the contract as a compliance document. The contractor shall comply with the approved accreditation documentation.

HSAR 3052.204-71 Contractor Employee Access (Jun 2006)

(a) Sensitive Information, as used in this Chapter, means any information, the loss, misuse, disclosure, or unauthorized access to or modification of which could adversely affect the national or homeland security interest, or the conduct of Federal programs, or the privacy to which individuals are entitled under section 552a of title 5, United States Code (the Privacy Act), but which has not been specifically authorized under
criteria established by an Executive Order or an Act of Congress to be kept secret in the interest of national
defense, homeland security or foreign policy. This definition includes the following categories of information:

(1) Protected Critical Infrastructure Information (PCII) as set out in the Critical Infrastructure Information Act of 2002 (Title II, Subtitle B, of the Homeland Security Act, Public Law 107-296, 196 Stat. 2135), as amended, the implementing regulations thereto (Title 6, Code of Federal Regulations, Part 29) as amended, the applicable PCII Procedures Manual, as amended, and any supplementary guidance officially communicated by an authorized official of the Department of Homeland Security (including the PCII Program Manager or his/her designee);

(2) Sensitive Security Information (SSI), as defined in Title 49, Code of Federal Regulations, Part 1520, as amended, “Policies and Procedures of Safeguarding and Control of SSI,” as amended, and any supplementary guidance officially communicated by an authorized official of the Department of Homeland Security (including the Assistant Secretary for the Transportation Security Administration or his/her designee);

(3) Information designated as “For Official Use Only,” which is unclassified information of a sensitive nature and the unauthorized disclosure of which could adversely impact a person’s privacy or welfare, the conduct of Federal programs, or other programs or operations essential to the national or homeland security interest; and

(4) Any information that is designated “sensitive” or subject to other controls, safeguards or protections in accordance with subsequently adopted homeland security information handling procedures.

(b) “Information Technology Resources” include, but are not limited to, computer equipment, networking equipment, telecommunications equipment, cabling, network drives, computer drives, network software, computer software, software programs, intranet sites, and internet sites.

(c) Contractor employees working on this contract must complete such forms as may be necessary for security or other reasons, including the conduct of background investigations to determine suitability. Completed forms shall be submitted as directed by the Contracting Officer. Upon the Contracting Officer's request, the Contractor's employees shall be fingerprinted, or subject to other investigations as required. All contractor employees requiring recurring access to Government facilities or access to sensitive information or IT resources are required to have a favorably adjudicated background investigation prior to commencing work on this contract unless this requirement is waived under Departmental procedures.

(d) The Contracting Officer may require the contractor to prohibit individuals from working on the contract if the government deems their initial or continued employment contrary to the public interest for any reason, including, but not limited to, carelessness, insubordination, incompetence, or security concerns.

(e) Work under this contract may involve access to sensitive information. Therefore, the Contractor shall not disclose, orally or in writing, any sensitive information to any person unless authorized in writing by the Contracting Officer. For those contractor employees authorized access to sensitive information, the contractor shall ensure that these persons receive training concerning the protection and disclosure of sensitive information both during and after contract performance.

(f) The Contractor shall include the substance of this clause in all subcontracts at any tier where the subcontractor may have access to Government facilities, sensitive information, or resources.

**HSAR 3052.209-70 Prohibition on Contracts with Corporate Expatriates (Jun 2006)**
(a) Prohibitions.

Section 835 of the Homeland Security Act, 6 U.S.C. 395, prohibits the Department of Homeland Security from entering into any contract with a foreign incorporated entity which is treated as an inverted domestic corporation as defined in this clause, or with any subsidiary of such an entity. The Secretary shall waive the prohibition with respect to any specific contract if the Secretary determines that the waiver is required in the interest of national security.

(b) Definitions. As used in this clause:

Expanded Affiliated Group means an affiliated group as defined in section 1504(a) of the Internal Revenue Code of 1986 (without regard to section 1504(b) of such Code), except that section 1504 of such Code shall be applied by substituting 'more than 50 percent' for 'at least 80 percent' each place it appears.

Foreign Incorporated Entity means any entity which is, or but for subsection (b) of section 835 of the Homeland Security Act, 6 U.S.C. 395, would be, treated as a foreign corporation for purposes of the Internal Revenue Code of 1986.

Inverted Domestic Corporation. A foreign incorporated entity shall be treated as an inverted domestic corporation if, pursuant to a plan (or a series of related transactions)—

(1) The entity completes the direct or indirect acquisition of substantially all of the properties held directly or indirectly by a domestic corporation or substantially all of the properties constituting a trade or business of a domestic partnership;

(2) After the acquisition at least 80 percent of the stock (by vote or value) of the entity is held—

(i) In the case of an acquisition with respect to a domestic corporation, by former shareholders of the domestic corporation by reason of holding stock in the domestic corporation; or

(ii) In the case of an acquisition with respect to a domestic partnership, by former partners of the domestic partnership by reason of holding a capital or profits interest in the domestic partnership; and

(3) The expanded affiliated group which after the acquisition includes the entity does not have substantial business activities in the foreign country in which or under the law of which the entity is created or organized when compared to the total business activities of such expanded affiliated group.

Person, domestic, and foreign have the meanings given such terms by paragraphs (1), (4), and (5) of section 7701(a) of the Internal Revenue Code of 1986, respectively.

(c) Special rules. The following definitions and special rules shall apply when determining whether a foreign incorporated entity should be treated as an inverted domestic corporation.

(1) Certain Stock Disregarded. For the purpose of treating a foreign incorporated entity as an inverted domestic corporation these shall not be taken into account in determining ownership:

(i) Stock held by members of the expanded affiliated group which includes the foreign incorporated entity; or
(ii) stock of such entity which is sold in a public offering related to the acquisition described in subsection (b)(1) of Section 835 of the Homeland Security Act, 6 U.S.C. 395(b)(1).

(2) Plan Deemed In Certain Cases. If a foreign incorporated entity acquires directly or indirectly substantially all of the properties of a domestic corporation or partnership during the 4-year period beginning on the date which is 2 years before the ownership requirements of subsection (b)(2) are met, such actions shall be treated as pursuant to a plan.

(3) Certain Transfers Disregarded. The transfer of properties or liabilities (including by contribution or distribution) shall be disregarded if such transfers are part of a plan a principal purpose of which is to avoid the purposes of this section.

(d) Special Rule for Related Partnerships. For purposes of applying section 835(b) of the Homeland Security Act, 6 U.S.C. 395(b) to the acquisition of a domestic partnership, except as provided in regulations, all domestic partnerships which are under common control (within the meaning of section 482 of the Internal Revenue Code of 1986) shall be treated as a partnership.

(e) Treatment of Certain Rights.

(1) Certain rights shall be treated as stocks to the extent necessary to reflect the present value of all equitable interests incident to the transaction, as follows:

   (i) warrants;

   (ii) options;

   (iii) contracts to acquire stock;

   (iv) convertible debt instruments; and

   (v) others similar interests.

(2) Rights labeled as stocks shall not be treated as stocks whenever it is deemed appropriate to do so to reflect the present value of the transaction or to disregard transactions whose recognition would defeat the purpose of Section 835.

(f) Disclosure. The offeror under this solicitation represents that [Check one]: __ it is not a foreign incorporated entity that should be treated as an inverted domestic corporation pursuant to the criteria of (HSAR) 48 CFR 3009.104-70 through 3009.104-73;

__ it is a foreign incorporated entity that should be treated as an inverted domestic corporation pursuant to the criteria of (HSAR) 48 CFR 3009.104-70 through 3009.104-73, but it has submitted a request for waiver pursuant to 3009.104-74, which has not been denied; or

__ it is a foreign incorporated entity that should be treated as an inverted domestic corporation pursuant to the criteria of (HSAR) 48 CFR 3009.104-70 through 3009.104-73, but it plans to submit a request for waiver pursuant to 3009.104-74.

(g) A copy of the approved waiver, if a waiver has already been granted, or the waiver request, if a waiver has been applied for, shall be attached to the bid or proposal.
ADJUSTING PAYMENTS FOR CONTRACTOR PERFORMANCE

A. Deductions for Failure to Provide Man-hours

1. To compute man-hour deductions the Contracting Officer's Representative will compare the man-hours reported by the Contractor with the DHS Form 139, Record of Time of Arrival and Departure from Buildings, or other approved Sign-in/Sign-out forms.

2. Reduction at Post – In the event that posted guards were released or were not required to report due to weather closure, Presidential declared holiday, or similar unforeseen occurrence, payments will be made only for the hours actually worked.

3. In the event the Contractor reports more hours than are reflected on the DHS Form 139, or any other approved Sign-in/Sign-out form, the approved form will prevail. For example: If the weekly report submitted by the Contractor indicates that an employee worked 8 hours and the sign-in/sign-out form shows that employee as having been in the building 5 hours, the 5 hours will prevail and a deduction will be taken for the 3 hours not furnished. In the event the Contractor, for any reason whatsoever, fails to provide the manpower specified for labor, deductions will be made at the current base hourly rate.

PREAMBLE OF THE AGREEMENT

1. This Agreement is entered by and between C&D Security, Inc, its successors and assigns, hereinafter referred to as the “Company,” and the International Union, Security, Police and Fire Professionals of America Local 691, their successors and assigns, hereinafter referred to as the “Union,” as the sole and exclusive representative for collective bargaining of the employees covered by the agreement.

2. The parties acknowledge that, during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with the respect to any subject or matter not removed by law from the area of collective bargaining, and that the understanding and agreements arrived at by the parties after exercise of that right and opportunity are set forth in this Agreement.

3. The Union acknowledges that the Company’s operations pursuant to its contract with the DHS HSCEBW 06 RF 00006 and nothing herein shall be construed to place the company in violation of such contracts. Any ambiguity in the language in this Agreement shall be construed to the fullest extent possible to make this Agreement consistent with the Department of Homeland Security Contract and the Company’s obligations to its client, the Department of Homeland Security.
ARTICLE 1
INTENT AND PURPOSE OF THE AGREEMENT

1.1. It is the intent and purpose of this Agreement to assure sound and mutually beneficial industrial and economic relationships between the parties hereto, to provide an orderly and peaceful means of conducting negotiations and resolving any misunderstandings or grievances, and to set forth herein the basic Agreement between the parties covering rates of pay, wages, hours of work and other conditions of employment.

1.2. The Union, the Company and all employees are bound by and hereby pledge their cooperation in observing all provisions of this Agreement consistent with applicable State and Federal Law. Both parties recognize the principle of a fair days work for a fair days pay.

1.3. It is the intent of the parties that this Agreement is contingent upon the successful certification of the union and shall be binding upon the parties hereto, their successors and assigns and no provisions, terms or obligations herein contained shall be affected, modified, altered, or changed in any respect whatsoever by the consolidation, merger, sale, transfer, succession or assignment of either party hereto, or affected, modified, altered or changed in any respect whatsoever by any change of any kind in the legal status, ownership or management of either party hereto.

1.4. In the event of a proposed change of operations by DHS/ICE or the Company that will result in an interruption, change or loss of employment, the Company, its successors or assigns shall, before putting any such contemplated change of operation into effect, meet with the Union to negotiate, in good faith, amendments, modifications, alterations or changes to those sections of the Agreement affected.
ARTICLE 2
RECOGNITION AND SCOPE OF THE AGREEMENT

2.1. The Company recognizes the International Union, Security, Police, and Fire Professionals of America as the exclusive collective bargaining representative for all of its Armed/Unarmed Guards, employed by the Company Under Contract with the Department of Homeland Security WD DHS HSCEBW 06 RF 00006 at the locations specified. The Contract Manager, Trainers, Supervisors and all other employees including clerical employees defined in the National Labor Relations Act (NLRA), as amended, are properly excluded from the unit.

2.2 Probationary employees. Newly hired employees shall be classified as probationary employees for a period of ninety (90) days from date of hire. During their probationary period, employees may be subject to discipline or discharge at the discretion of the Company, without regard to the provisions of Articles 6 and 8 of this Agreement. All other provisions of this Agreement are applicable to probationary employees, unless otherwise expressly provided.
ARTICLE 3
EQUAL EMPLOYMENT OPPORTUNITY

3.1. Both parties agree there shall be no discrimination against any employee or applicant for employment because of his or her race, creed, color, religion, sex, national origin, disability, or age as required by state and federal laws, nor because of their involvement in or refraining from participating in Union activities and express their intent to provide equal employment opportunity in all aspects of the employment relationship. Any claim that the foregoing provision has been breached and that such breach also violates any federal or state civil rights law shall be resolved pursuant to binding arbitration as set forth in Section 6.13 after exhaustion of the parties’ internal dispute resolution procedures (Steps one through four as described in Sections 6.2 through 6.5).
ARTICLE 4
CONTINUITY OF OPERATIONS

4.1. During the term of this Agreement there shall be no strikes, lockouts, work stoppages, slowdowns or secondary boycotts. The Union guarantees to support the Company fully and maintain operations in every way and any employee engaging in such activities shall be subject to discipline or discharge as appropriate under the circumstances.

4.2. In the event of any work stoppage by another labor group involving the client’s property or operations, the employees will continue to perform their duties for the protection of life and property, fire watch, and protection of security interests on the premises.

4.3. Security Officers will not be required to participate in any strikebreaking activities: the Security Officers shall maintain ingress and egress to the premises during a strike.

4.4. The Union agrees as part of the consideration of the Agreement, it will, within 24 hours, take steps to end any unauthorized work stoppages, picketing, strikes, intentional slowdowns or suspensions of work and shall notify its members by newspaper, by telephone and by use of Company and union bulletin boards of such violation of this Agreement and shall instruct its membership to return to work immediately.

4.5 The Union agrees it will not assist employees participating in such unauthorized work stoppages, strikes, picketing, intentional slowdowns or suspension of work against whatever disciplinary action the company may take and that such disciplinary action shall not be subject to the regular grievance procedure, except that the foregoing provision shall not preclude the Union from opposing disciplinary action on the ground that the employee did not engage in the alleged misconduct.
ARTICLE 5
GOVERNMENT ACTION

5.1. If the contracting agency directs, in writing, that a specific employee be removed from the contract or otherwise disciplined, the Company may take such action. However, if the employee grieves such action, the Company shall make its own good faith determination as to whether it has just cause, separate from the direction of the government agency, to discipline the employee in such manner. Should the Company and the Union agree that there was no just cause for the contracting agency’s direction, they will jointly petition the agency to change its position and to lift the disciplinary requirement. Such joint petition would fully satisfy the Company’s obligation under this Agreement. Nothing herein shall preclude the Union from contending under this Agreement’s grievance process that the contracting agency’s direction was a result of a request or urging by Company management personnel. If the Company decides not to submit a joint petition to the contracting agency, it shall explain that determination to the Union, in writing.

5.2. The Union recognizes that the Company has certain obligations in its contract with its client pertaining to security suitability/clearances and agrees that nothing in this Agreement is intended to place the Company in violation of its security agreement with its client. Therefore, in the event any governmental agency advises the Company that an employee covered by this Agreement does not have or cannot obtain the required Security Clearance, and thus is restricted from work on, or from access to classified material, neither the employee nor the Union will contest discharge of such employees by the Company.

5.3. The Union will be notified of any employment action taken pursuant to this Article and upon request be furnished evidence in support of the action in a prompt and timely manner.
ARTICLE 6
GRIEVANCE PROCEDURES

6.1. In order to establish effective machinery for a fair, expeditious and orderly adjustment of grievances, the parties agree that in the event any complaint or grievance arises over the interpretation or application of any provision of this Agreement, there will be an earnest effort to settle such complaint or grievances by the following procedure the last step of which will be binding arbitration. In order to maintain the integrity of the grievance process, and to alleviate the use of the grievance process from becoming an individual’s platform, the Union has the responsibility for reviewing and submitting only those grievances that are considered to have validity in it’s good faith judgment.

The parties expressly acknowledge that the duty to use this grievance procedure, including binding arbitration, includes any and all disputes between any Employee and the Company (and the Union and the Company) arising out of or relating to any Employee's employment with the Company, whether grounded in contract, tort or statutory law (including, but not limited to, federal, state and local civil rights and employment laws such as Title VII of the Civil Rights Act of 1964, as amended, the Americans With Disabilities Act, the Age Discrimination In Employment Act, The Family Medical Leave Act, and the Fair Labor Standards Act). This duty to arbitrate shall apply to all claims which the Employee believe he/she may have against the Company, its affiliated companies or any of its officers, owners, directors, employees or agents.

6.2 Step 1. An employee who once becomes aware of a situation and believes he/she had a justifiable complaint or grievance promptly shall discuss it with his/her immediate supervisor within five (5) working days in an attempt to settle the matter. A Union representative may be present or may present the grievance on behalf of the Union or the Employee.

6.3 Step 2. If the employee is dissatisfied with the response of his/her immediate supervisor in Step 1, the grievance must be elevated to the Operations Captain within (5) working days. The Operations Captain shall have (5) working days from date of receipt of the grievance to respond. A Union Committeeman may be present or may present the grievance on behalf of the Union for the Employee. The Union and the Company may participate in Step 1 and Step 2 by telephone, fax, or other electronic means.

6.4 Step 3. If the matter is not resolved at Step 1 or Step 2 of the grievance procedure, the grievance, to be valid, must be presented to the Project Manager in writing, signed by the employee and Union Representative specifying the Article(s) and Section(s) of the Agreement believed violated and stating what relief is sought, no later than (5) working days following the rejection at Step 2. The Project Manager shall answer the grievance in writing within five (5) working days after receipt of said grievance.
6.5 Step 4. If the Company’s answer is not satisfactory, a Representative of the Union will meet and discuss the grievance with the Executive Vice President. The Company must reply to the Union within (10) working days excluding Saturday, Sundays, and Holidays, of said meeting.

6.6. Grievances which have been processed in accordance with the foregoing requirements and which remain unsettled may be processed by the Union to arbitration in accordance with the following procedures and limitations.

6.7 The Union, within ten (10) calendar days after the rejection of the grievance by the Company’s Designated Representative shall notify the Company in writing of its intent to appeal to arbitration, and the Company and the Union will jointly attempt to agree upon the selection of a neutral arbitrator to hear the case. Should the parties fail to agree upon the selection of an arbitrator, the Union will request the Federal Mediation and Conciliation Service to supply a list arbitrator’s to hear the case. A copy of this request will be sent to the Company. This request will be made within five (5) calendar days after failure of the parties to agree upon an arbitrator. An arbitrator will be selected from a list supplied by the Federal Mediation and Conciliation Service by the parties alternately striking from the list until one name remains, and this individual will be the arbitrator to hear the case.

6.8 In the event of arbitration pursuant to Section 6.7, the parties shall execute a submission agreement. If the parties fail to agree upon a joint submission, each party shall submit a separate submission to the arbitrator. The arbitrator will confine his decision to this submission or submissions. The joint or separate submissions will state the issue or issues and the specific paragraph or paragraphs of this Agreement, which the arbitrator is to interpret or apply.

6.9. The decision of the arbitrator shall be submitted in writing and shall be final and binding on all parties to this Agreement. Whenever possible, the decision shall be made within thirty (30) days following the close of the hearing. Each party hereto shall bear the expense of preparing and presenting its own case. For purposes of arbitration under Section 6.7, the cost and all expenses of the arbitrator shall be borne equally by the parties. In the event a stenographic transcript of the hearing is made, the party requesting the transcript shall bear the full cost of the stenographic record unless the parties agree to the sharing of the expense.

6.10 Any grievance involving discharge, layoff or other potential accumulating back pay liability shall be commenced at Step 3 of this procedure and the written grievance to be processed must be presented to the Program Manager or, in his absence, to his designee within five (5) calendar days after the occurrence of the facts giving rise to the grievance.

6.11. The arbitrator cannot modify, amend, add to, detract from or alter the provisions of this Agreement nor substitute his judgment for that of management.
6.12. Any grievance shall be considered null and void if not filed and processed by the Union or the employee represented by the Union, in strict accordance with the time limitations set forth above. There shall be no recognition of a continuing grievance so as to frustrate the intent of strict adherence to those time limitations. Failure of the Company to act within the time limit set forth in any step shall entitle the Union to proceed immediately to the next step of the grievance procedure. In any particular case, any time limit specification may be extended by mutual agreement between the Company and the Union.

6.13. Sections 6.6 through 6.12 notwithstanding, the following rules shall apply whenever an employee covered by this Agreement or the Union asserts a common law or statutory claim other than solely a claim that the Company has failed to comply with the terms of this Agreement. When the sole claim is that this agreement has been breached, the arbitration shall be pursuant to Sections 6.6 through 6.12.

If the dispute has not been resolved pursuant to the procedures outlined in Sections 6.1 through 6.5, the resolution of the claim shall be resolved exclusively by means of binding arbitration in accordance with the Employment Dispute Resolution Rules of JAMS, in Connecticut or in such location that the arbitrator determines is more convenient for the parties. If the Employee’s claim is under any civil rights law (or if otherwise required by applicable law or JAMS to make this duty to arbitrate enforceable as to any other claim), the Company shall pay the cost of the arbitration proceeding hereunder (administrative and arbitrator fees) reasonably allocable to such claims. The arbitrator shall have the authority to award preliminary and final injunctive relief. The arbitrator shall also have the authority to modify the provisions of this Agreement relating to the duty to arbitrate to the extent the arbitrator determines that such modification is necessary in order to make this duty to arbitrate enforceable.

If a party brings an action to enforce this duty to arbitrate, and should that party prevail in such action, the party shall be entitled to all it’s attorneys’ fees and cost incurred in connection with such proceedings. The arbitrator shall also award the prevailing party its/his/her reasonable attorneys fees if any applicable statute authorizes the award of such fees. In addition, the prevailing party in any arbitration shall be entitled to all its attorneys’ fees and costs incurred in connection with confirming an arbitrator’s award and/or successfully defending against any challenge or appeal relating to such award.

In the event either party seeks judicial review of any arbitrator’s award (and in addition to any other basis for vacating an arbitration award provided by applicable statute or common law) the parties consent to the court vacating or modifying such award if, in the court’s opinion, the arbitrator made a clear and substantial misstate as to either the law or the facts affecting the ultimate outcome of the dispute.

Should for any reason the obligation to arbitrate provided by this Section 6.13 be held invalid, both parties (including all employees covered by this Agreement) hereby WAIVE THEIR RESPECTIVE RIGHT TO A JURY TRIAL as to any dispute relating to this Agreement or the Employee’s employment hereunder.
6.14 The Employer and Union recognize that should a dispute or controversy arising from or relating to this Agreement be submitted for adjudication to any court, arbitration panel, or other third party, the preservation of the secrecy of Confidential Information may be jeopardized. All pleadings, documents, testimony, and records relating to any such adjudication will be maintained in secrecy and will be available for inspection by the Company, the Employee, and their respective attorneys and experts, who will agree, in advance and in writing, to receive and maintain all such information in secrecy, except as may be limited by them in writing. In no event will Company’s client and advisor lists or computer programs be subject to discovery except pursuant to an order issued by a court or arbitrator and only then under the highest confidentiality obligations being imposed on such persons receiving such lists. Should the arbitrator issue a written opinion; such opinion shall not contain Confidential Information of the Company.
ARTICLE 7
MANAGEMENT RIGHTS

7.1. The Management of the Company and the direction of its employees, including but not limited to the establishment of reasonable work rules and regulations, the hiring, promoting, demoting and rehiring of employees in connection with any reduction or increase in working forces, the suspending, discharging or otherwise disciplining of employees for just cause are the exclusive functions of the Company, to the extent that any of such matters are not otherwise covered or provided for in this Agreement. Any claim that the Company has exercised such right and power contrary to the provisions of this Agreement may be taken to the Grievance-Arbitration provision contained in Article 6.

7.2. It is recognized and acknowledged that the Company is in the business of providing a service, through its employees, to the government and to other customers. It is therefore essential and expected that all employees will act in a highly professional, courteous manner and will be held accountable for their duties, functions and job requirements. The Company reserves the sole and exclusive authority to draft, issue, implement, revise, enforce and withdraw reasonable rules of conduct and reasonable regulations, as the Company deems necessary. The Company will provide copies of such rules and regulations, and any changes thereto, to the Union. Any infraction of the rules and regulations, once implemented, constitutes just cause for disciplinary action, including discharge.
ARTICLE 8
DISCIPLINE AND DISCHARGE

8.1 The Company has the right to discipline or discharge any employee for disobedience, disorderly conduct, negligence, or any other just and sufficient just cause. For purposes of this provision, the term “just cause” shall include, but not be limited to: a request by an authorized government representative that the Company cease using an employee at the worksite. The failure of an employee to meet job requirements as imposed on The Company by DHS including the failure of the employee to pass a physical test required by The Company or the government or to maintain all required certifications. Such a request is necessary to assure that the Company meets its contractual obligations to DHS. Nothing herein shall preclude the Union or the employee from pursuing any claims it/he/she may have against the government. In addition the term “just cause” shall include application of the Company’s progressive discipline policy.

8.2 Written notice (a copy of a disciplinary action) will be furnished to the affected employee within five (5) working days after the Company completes its investigation of the incident.

8.3 Upon taking of discharge action against an employee, the Company will permit the employee to contact his Union representative, if he/she so desires, before leaving the premises; and as soon as practicable following the discharge the Company will notify the Union representative of the action taken.

8.4 Any employee interviewed concerning discipline, if he/she so desires, request the presence of his Union representative to represent him/her during such interview.

8.5 During his probationary period, an employee may be discharged or disciplined at the Company’s option without recourse to the grievance procedure.

8.6 In imposing any discipline on a current charge, management will not take into account any prior infractions, which occurred more than one (1) year previously.

8.7 The Employer shall employ a system of progressive discipline consistent with the established company policy with the exception of offenses for being tardy to work which will be handled by the process outlined below, exclusive of the other offenses in the disciplinary policy. In other words offenses for being tardy will not be used to advance the punishment of other offenses.

| First Offense:       | Verbal Warning and Conference |
| Second Offense:     | Written Warning and Conference |
| Third Offense:      | One (1) Day Suspension         |
| Fourth Offense:     | Three (3) Day Suspension       |
| Fifth Offense:      | Discharge                      |

9.2. Part-time employee is defined as one who is regularly scheduled to work less than thirty-two (32) hours per workweek. Part-time employees will have seniority only among part-time employees. Part-time employees shall be placed full-time in the order in which they were hired unless the Company can show just cause regarding why the employee is being bypassed. Any part-time employee who becomes full-time shall be placed on the seniority roster for full-time employees on the date the employee is reclassified as full-time providing the employee has completed the probationary period.

9.3. Part-time employees are entitled to receive fringe benefits to include pro-rated vacation and holiday pursuant to the Service Contract Act. Full-time employees, after completing the probationary period who are thereafter voluntarily placed on part-time work, will retain their full-time seniority; however, they shall not accumulate full-time seniority while working as part-time employees. If they later return to full-time employment, they will return to a position on the seniority roster to which their full time seniority entitles them. The Company further agrees to prepare a part-time seniority list; a copy will be furnished monthly to the Union and a copy will be posted on the bulletin board.
ARTICLE 10
UNION SHOP AGREEMENT/ CHECK-OFF OF UNION DUES

It is hereby understood and agreed by and between the Company and the Union that: This Union Shop agreement shall become effective upon execution and shall remain in full force and effect concurrently with the basic collective bargaining agreement between the parties hereto. All security employees subject to the Agreement between the Company and the Union shall become members of the Union thirty (30) days from their date of hire and shall, as a condition of continued employment, maintain membership in the Union while this Agreement is in effect to the extent of paying initiation fees and membership dues uniformly required as a condition of acquiring or retaining membership.

10.1. During the life of this Agreement, the Company agrees to deduct from the pay of each member of the Union, and remit to the Union, membership dues uniformly levied in accordance with the Constitution and By-Laws of the Union and in accordance with the NLRA, as amended, provided such member of the Union voluntarily executes the Check-Off Authorization Card, which shall be furnished by the Union.

10.2. When a member of the Union executes such Check-Off Authorization Card in a manner suitable to the Union, the designated Financial Secretary/Treasurer of the Union shall forward an original copy to the designated Company accounting official. Any Check-Off Authorization Card, which is incomplete or executed in a manner not suitable to the Company, will be returned to the Financial Secretary/Treasurer.

10.3. Any notice of revocation as provided for in the NLRA, as amended, must be in writing, signed by the employee and delivered by registered mail, addressed to the appropriate Company accounting official, with a copy to the Union.

10.4. Check-Off Authorization Cards and notices received by the Company accounting officials will be stamp-dated on the date received and will constitute notice to the Company on the date received and not when mailed.

10.5. When a Check-Off Authorization Card is received by the appropriate Company accounting official on or before any given payday, deductions will commence with the first regular paycheck following said payday, and will continue thereafter until revoked or canceled as provided in this Agreement. The Company will remit to the appropriate Financial Secretary/Treasurer of the Union a check, in payment of all dues collected, not later than the 15th day of the month following the month in which such dues are collected. These remittances will be subject to normal accounting practice with respect to the adjustments necessary because of the methods involved in the deduction procedure. The Company remittances of Union membership dues to the Union will be accompanied by a list of names of the employees for whom deductions have been made in that particular period and individual amounts deducted.
10.6. No deductions of Union dues will be made from the wages of any employee who has executed a Check-Off Authorization Card and who has been transferred to a job not covered by this Agreement, or who is not in a pay status. Upon return to work within a job covered by this Agreement, deductions from future wages shall be automatically resumed provided the employee has not revoked the assignment in accordance with this Agreement and provided it is in accordance with appropriate provisions of the NLRA, as amended. A transferred employee who returns to a job covered by this Agreement will be required to submit a new Check-Off Authorization Card in order to resume the deduction of Union dues.

10.7. An employee who has executed a Check-Off Authorization Card and who resigns, or is otherwise terminated from the employ of the Company, shall be deemed to have automatically revoked his/her assignment and if he/she is recalled or reemployed, further deductions of Union dues will be made only upon execution and receipt of a new Check-Off Authorization Card.

10.8. Collection of any back Union dues owed at the time of starting deductions for any employee and collection of Union dues missed because the employee’s earning were not sufficient to cover the payment of Union dues for a particular pay period, will be the responsibility of the Union and will not be the subject of payroll deductions.

10.9. Deduction of Union dues shall be made in a flat sum provided there is a balance in the paycheck sufficient to cover the amount after all other deductions authorized by the employee, or required by law, have been satisfied. In the event of termination of employment, the obligation of the Company to collect Union dues shall not extend beyond the pay period in which the employee’s last day of work occurs.

10.10. The Union agrees that upon receipt of proper proof, it will refund to an employee any deduction erroneously or illegally withheld from an employee’s earnings by the Company which has been transmitted to the Union by the Company. The Union further agrees to indemnify the Company and hold it harmless against any and all claims, suits or other forms of liability, which may be made against it by any party for amounts, deducted from wages herein provided.

11.2. Stewards and Union officers shall not interfere with the management of the Company’s business or the work of any employee, but may advise the Company of any alleged violations of the Agreement. Stewards and Union officers may not interview any employee or otherwise conduct Union-related business with any employee while such employee is on duty, nor shall any employee conduct Union-related business while on duty without permission. Employer property, equipment and office facilities shall not be used to conduct any form of Union-related business. Employees who violate this article will be subject to disciplinary action.

11.5. For purposes of this section, an employee may not leave his/her post in order to perform his duties as a Union officer/Steward or alternate unless adequate replacement coverage has been arranged and approved by the Shift Supervisors. The Company will exhaust any and all options to provide coverage to the affected employee, short of creating overtime.
ARTICLE 12
SENIORITY

12.1 Seniority under this Agreement shall commence with the employee’s start date on the contract.

12.2 A seniority list giving name and date of employment under this Agreement shall be furnished to the Union one (1) month after signing this Agreement. A list of additions and separations will be furnished to the Union monthly as applicable. The Company will post a corrected seniority roster during the months of March and September of each year.

12.3 An employee covered by this Agreement who accepts a position outside the bargaining unit, shall retain the seniority he/she had as of the date of his promotion or transfer but shall not accrue additional seniority while so employed. If he/she is later returned to the bargaining unit, he/she will return to a job to which his/her seniority entitles him/her. If he/she does not return within three (3) months, he/she shall lose all seniority rights.

12.4 An employee who is discharged for cause, or who resigns from the service of the Company, or who transfers out of the positions covered by this Agreement, except for the provisions of paragraph 12.4 above, shall lose all seniority rights.

12.5 If a reduction in force is necessary, employees will be laid off on a reverse seniority basis. Employees laid off, if qualified, shall be considered for any existing vacancies within the Company not covered by this Agreement. The employee will pay for any expense incurred as a result of accepting such vacancies.

12.6 Employees affected by a reduction in force shall have call back rights. The Union shall keep all seniority records for call back purposes. In the case of a recall, former employees shall be notified, at their last known address, in order of the Union’s seniority list, to report to work. The notice shall be by telegram or registered mail return receipt. In the event a former employee so notified fails to report for work within five (5) days after receipt of such notice, the employee shall forfeit his/her seniority and all reemployment rights associated therewith. However, if the employee is prevented from reporting because of sickness or an emergency involving him/herself or immediate family, or other legitimate reason, and so notifies the Company within the initial five (5) day period and presents documented proof, the employee, at the discretion of the Company, shall be allowed an additional ten (10) days in which to return to work. If he/she is unable to return at this time, he/she will be given an opportunity to return at the next opening.
12.7 An employee, who is unable to report to work because of a non-occupational injury or illness, shall continue to accumulate seniority except that he/she shall be subject to layoff according to his/her seniority. The Union shall keep all seniority records for disability recall purposes. An employee who is unable to work because of illness or injury, which is occupational in origin, shall continue to accumulate seniority during the term of the disability.

12.8 In addition to the reasons outlined in Article 12, employees shall lose their seniority rights if:

a. The employee resigns, quits or retires.
b. The employee is discharged for just cause.

12.9 Each employee on a layoff status must notify the Company in writing, advising of any changes of address and their availability for work.

12.10 For the purpose of layoff and recall, seniority of employees hired on the same date shall be determined by the lowest of the last four digits of their social security numbers to be the most senior employee.

12.11 During the first ninety (90) calendar days of employment, an employee shall be recognized as a probationary employee and shall have no seniority rights and will not be eligible for any job posting or shift change until he/she successfully completes the ninety (90) day probation period.

12.12 Seniority shall be applicable in determining the order of layoff, and recall, vacations schedules, extra work and overtime, shift transfers and job postings and other matters provided in this agreement.
ARTICLE 13
WORKWEEK

13.1. The normal workweek shall commence at 0001 Sunday and end one hundred sixty-eight (168) hours thereafter. The normal workday shall consist of twenty four (24) hours beginning at 0001 hours and normal workday shall consist of eight (8) to twelve (12) consecutive hours. Work schedules will be posted no later than two (2) full months in advance. (i.e.: February will be posted on January 1, March will be posted on February 1, etc.)

13.2 Changes in hours of work may be made whenever necessary; except in cases of a client emergency, a forty-eight (48) hour notice shall be given in advance of such changes. If the employee is off duty, the supervisor shall make personal contact. A telephone message shall not be considered personal contact. All such changes on the schedule will be initialed and dated by the supervisor making the change.

13.3 Except in cases of a client emergency, a twenty-four (24) hour notice shall be given in advance of schedule changes. If the employee is off duty, the supervisor shall make personal contact. All such changes on the schedule will be initialed and dated by the supervisor making the change.

13.4. The Company will give notice of employee’s regular scheduled days off at the time of scheduling the regular workweek. When an employee has two days or more scheduled off in the workweek, such days off will be scheduled consecutively, whenever practicable.

13.5 The company retains the right to adjust the hours of the employee to meet emergency tasking of the client, and to adjust staffing in response to changes in requirement directed by the client that affect total hours worked on the contract. The Company commits to making adjustments with the intent of spreading out the hours available in lieu of laying off employees and further commits to making a good faith effort to ensure all full time employees have 32 or more hours in any given workweek.

13.6 The Company shall fill all Union positions that are open on any given day due to sick leave, vacation, bereavement, or any other reason.

13.7. In the event of an assigned post change, which alters an employee’s anticipated post conditions; the Company will attempt to contact the employee 4 hours prior to reporting to work advising them of the change and the reason the change was made.

If the use of a medication could compromise the safety of the employee, fellow employees or the public, it is the employee's responsibility to use appropriate personnel procedures (e.g., call in sick, use leave, request change of duty, notify supervisor, notify Company doctor) to avoid unsafe workplace practices. The illegal or unauthorized use of
prescription drugs is prohibited. It is a violation of our Drug and Alcohol Policy to intentionally misuse and/or abuse prescription medications. Appropriate disciplinary action will be taken if job performance deterioration and/or other accidents occur.

**Policy Enforcement**

The Company will take steps to prevent and discourage the use, possession, sale or distribution of stated prohibited items at any time by Company employees. In accordance with this policy, periodic searches, random urinalysis, drug screening or blood or breath testing may be conducted. Such searches and testing will be performed by the Company using qualified contracted agents or qualified named employees. The searches will encompass Company property, vehicles, and facilities, including work areas, desks and lockers assigned to employees.

No employee has the right to interfere with or object to such searches of Company property based on expectations of privacy or otherwise. The Company reserves the right to search personal property belonging to its employees, such as but not limited to, lunch boxes, bags, purses or briefcases if such property is brought onto Company premises or into Company owned vehicles. If stipulated by contract, the government client reserves the same right.

All employees are expected to cooperate with any investigation regarding this policy. Failure to cooperate, providing false information, or omitting information may subject any employee to disciplinary action up to and including termination of employment.

**Testing**

To measure the success of, and to aid in enforcing a drug free workplace, drug/alcohol-screening tests may be required under the following circumstances:

- During pre-employment processing -- each applicant for employment will be required as a condition of employment to undergo a urine drug screen.
- Reasonable Cause/Suspicion – the Company has "reasonable cause" for substance testing when an employee's actions, appearance, or conduct suggest abnormal behavior. This may be based upon:
  - Abnormal conduct or erratic behavior while at work, or significant deterioration in work performance.
  - Information indicating that an employee has caused or contributed to an accident while at work.
  - When an employee who, by reliable evidence or by his/her observed or reliably reported behavior, may be reasonably suspected of using, having ingested, or being under the influence of controlled substances or alcohol while on Company property.
  - When an employee on Company property is found in possession of suspected controlled substances or alcohol or when any of these items are found in an area controlled or used exclusively by said employee.
Any employee who is believed to be under the influence of alcohol or drugs will be considered unfit for duty. The supervisor or manager will consult with the employee privately, and will inform him/her of the requirement to undergo testing. The employee will be escorted to the facility where the testing is conducted, and will not be allowed to return to work for the remainder of the duty period. Transportation home will be arranged for the employee. If the employee refuses the offer for transportation, and insists on operating a motor vehicle, the Company will take all reasonable steps to protect the employee's safety and the safety of others.

- Return to active employment after a leave of absence of thirty (30) or more days.
- Post Accident -- any employee involved in a work related at-fault vehicular accident or a work related at-fault incident that results in bodily injury requiring medical treatment and/or vehicular/property damage shall submit to drug testing within one hour of the incident or as soon as medical circumstances allow.

- Random – All employees are subject to periodic, unannounced drug and/or alcohol testing while on duty. Selection for testing will be made from a random computer generated pool using employee identification numbers. The Company will determine the percentage of the workforce to be randomly tested each year. Random testing will occur throughout the year and at any time during an employee’s duty period. Employees may be randomly selected more than once during the year or they may not be selected at all during the year. Randomly selected employees will be notified of their selection by a supervisor or manager and will be required to report to the collection site within a designated time period.

All persons shall have the opportunity, prior to testing or during an interview with the Company’s designated Medical Review Officer, to list all prescription and non-prescription drugs they have used in the last thirty (30) days and to explain the circumstances surrounding the use of such drugs. All records containing medical information will be maintained confidentially in accordance with applicable law.

The Company may test for the following substances and for any other substance identified in schedules I through V of section 202 of the Controlled Substances Act (21 U.S.C. 812), and as further defined in 21 CFR 1308.11-1308.15:

- Alcohol, Amphetamines, Hallucinogens Propzyhene (Darvon), Barbiturates, Marijuana (cannabinoid metabolites), Cocaine metabolites, Phencyclidine (PCP), Opiate derivatives (heroin, morphine, codeine), Methadone
Positive Test Results

C&D Security does not hire applicants who test positive for illegal drugs.

Any employee who, as a result of drug testing, is found to have detectable levels or identifiable trace quantities of a prohibited drug or substance in his/her system, regardless of when or where the drug or substance entered that person's system, without an explanation satisfactory to the Company’s Medical Review Officer, will be considered in violation of this policy and will be subject to termination.

Preliminary findings of a policy violation may require that the employee be suspended, without pay, pending the results of a Company investigation. If said investigation clears the employee of any policy violation, then said employee would be fully reinstated, including pay, to his/her job. Any employee who is arrested for any drug or alcohol related matter must comply with the provisions of C&D Security’s Arrest Agreement. Any employee who is convicted of a criminal drug violation in the workplace must notify the Company in writing within 24 hours of the conviction.

The Company may take into custody any illegal, unauthorized, or prohibited items or substances and may turn them over to the proper law enforcement agencies.

Immediate termination will result in the following cases:

- Refusal to consent to a test.
- Refusal to cooperate with the testing procedures.
- Actual or attempted adulteration of a test specimen.
- Failure to report for testing within the time frame specified after being notified of selection for a random drug test.
- Failure to inform the Company about arrests/convictions within the required time frame.

One of the goals of C&D Security’s drug and alcohol free workplace program is to encourage employees to voluntarily seek help with alcohol and/or drug problems. The Company encourages employees to seek help through the Employee Assistance Program if they are concerned that they or their family members may have a drug and/or alcohol problem. Treatment for alcoholism and/or other drug use disorders may be covered by the employee benefit plan.

Off-the-Job Drug and Alcohol Substance Use and Activity

Employees who use alcohol or controlled substances off the job run the risk of jeopardizing the safety of themselves, their family, the public, and the Company. Whenever such usage adversely affects public trust in the Company or otherwise interferes with the Company's ability to carry out its responsibilities, or increases potential liability for the Company, the Company may be forced to take disciplinary action against the offending employee(s), up to and including termination of employment. Employees who are convicted or plead guilty or nolo contendere
because of off-the-job activities (drug or alcohol related) may be considered in violation of this policy. In deciding what action to take, the Company will consider the nature of the charges and other factors relative to the impact of the employee's conviction or plea upon the conduct of the Company's business.

**Policy Implementation**

The Company will implement and administer this policy in accordance with all applicable federal and state statutes or regulations. Any employee who has questions about the policy’s implementation may contact the Corporate Administration Department (Human Resources) for additional information.

**ACKNOWLEDGMENT OF THE DRUG AND ALCOHOL POLICY & INFORMED CONSENT FOR DRUG AND/OR ALCOHOL TESTING & AGREEMENT TO RELEASE TEST RESULTS**

On the date shown below, a copy of C&D Security’s Drug and Alcohol Policy was made available to me. I have read this policy and I understand the consequences of violating the policy. If I did not understand the policy, I have asked for and have received an explanation. I understand that as a condition of my initial and/or continued employment, the Company will require me to undergo substance screening by urinalysis, blood or breath (for alcohol), or other testing procedure in the following cases: as a part of initial hiring process; where reasonable suspicion of drug and/or alcohol use exists; upon return from a leave of absence; post accident; during random testing.

I hereby voluntarily consent to provide C&D Security with samples of blood, breath and/or urine for such purposes. I consent to having specimens tested at the Company selected laboratories or by use of evidential breath testing equipment. Further, I certify that the specimen collected from me will be mine and will not be adulterated or altered in any manner.

I understand that all screening test for drugs will be subject to careful testing procedures with mandatory confirmation of any preliminary positive tests. I further understand that if my test indicates a verified positive for illegal drugs, I will not be considered for employment, or in the event I am an employee at the time of the test, I may be subject to termination in accordance with this Drug and Alcohol Policy.

I understand the results of these tests and other relevant medical information may be used for employment decisions. I release any testing facility personnel and/or any physicians who have tested me from any liability arising from a release or use of any and all test results, written reports, medical records and data concerning my test(s) to the appropriate Company officials. I further release all Company officials from liability arising from the release or use of the test results in accordance with this policy.

APPENDIX F – ARREST AGREEMENT / ADVERSE INFORMATION REPORTING

At any time while employed by the Company, if an employee is arrested by any law enforcement agency for a felony or domestic violence offense, the employee shall notify his/her supervisor within 24 hours of the occurrence of such event. The employee shall agree to this reporting obligation regardless of whether he/she or his/her attorney or representative reasonably believes that the charges will be later dropped for whatever reason or that a conviction is unlikely.

Within three (3) working days of the occurrence of the employee’s arrest, he/she shall provide a written statement to his/her Contract/Project Manager setting forth the nature of his/her arrest and including the following information: the date, exact time and location of the arrest, and the charges.

The Company may make a determination of whether the employee was involved in conduct not compatible with his/her continued employment with the company and whether this information is reportable in accordance with the National Industrial Security Program Operating Manual, paragraph 1-302a (if applicable).

As specified above, the employee shall report an arrest within 24 hours or provide a written statement within 48 hours. If the employee fails to do so, or the written statement the employee provides fails to include or set forth in sufficient detail all the required information, this will be grounds for immediate termination.

The Company is a government contractor who is bound by government security and/or clearance requirements. Employees must understand that pursuant to these obligations, the Company may be obligated to inform its government customer of the arrest and that the Company and/or the government may determine that the employee engaged in conduct incompatible with his/her continued employment. The employee must understand that the fact that he/she was arrested will not itself be the basis for a decision to terminate him/her.

Given the very nature of the Company’s business, its high visibility in public facilities, and its obligations to its customer, the United States Government, employees must understand that the Company’s standards of acceptable conduct are higher than most other businesses and that its determination of whether to continue their employment does not rest on criminal standards of proof.
