HEALTH & WELFARE: \$4.54 per hour up to 40 hours per week or \$181.60 per week or \$786.93 per month

HEALTH & WELFARE EO 13706: \$4.22 per hour up to 40 hours per week or \$168.80 per week or \$731.47 per month\*

\*This rate is to be used only when compensating employees for performance on an SCA-covered contract also covered by EO 13706 Establishing Paid Sick Leave for Federal Contractors. A contractor may not receive credit toward its SCA obligations for any paid sick leave provided pursuant to EO 13706.

VACATION: 2 weeks paid vacation after 1 year of service with a contractor or successor 3 weeks after 5 years and 4 weeks after 15 years. Length of service includes the whole span of continuous service with the present contractor or successor wherever employed and with the predecessor contractors in the performance of similar work at the same Federal facility. (Reg. 29 CFR 4.173)

HOLIDAYS: A minimum of ten paid holidays per year: New Year's Day Martin Luther King Jr.'s Birthday Washington's Birthday Memorial Day Independence Day Labor Day Columbus Day Veterans' Day Thanksgiving Day and Christmas Day. (A contractor may substitute for any of the named holidays another day off with pay in accordance with a plan communicated to the employees involved.) (See 29 CFR 4.174)

THE OCCUPATIONS WHICH HAVE NUMBERED FOOTNOTES IN PARENTHESES RECEIVE THE FOLLOWING:

1) COMPUTER EMPLOYEES: Under the SCA at section 8(b) this wage determination does not apply to any employee who individually qualifies as a bona fide executive administrative or professional employee as defined in 29 C.F.R. Part 541. Because most Computer System Analysts and Computer Programmers who are compensated at a rate not less than \$27.63 (or on a salary or fee basis at a rate not less than \$455 per week) an hour would likely qualify as exempt computer professionals (29 C.F.R. 541.400) wage rates may not be listed on this wage determination for all occupations within those job families. In addition because this wage determination may not list a wage rate for some or all occupations within those job families if the survey data indicates that the prevailing wage rate for the occupation equals or exceeds \$27.63 per hour conformances may be necessary for certain nonexempt employees. For example if an individual employee is nonexempt but nevertheless performs duties within the scope of one of the Computer Systems Analyst or Computer Programmer occupations for which this wage determination does not specify an SCA wage rate then the wage rate for that employee must be conformed in accordance with the conformance procedures described in the conformance note included on this wage

determination.

Additionally because job titles vary widely and change quickly in the computer industry job titles are not determinative of the application of the computer professional exemption. Therefore the exemption applies only to computer employees who satisfy the compensation requirements and whose primary duty consists of:

(1) The application of systems analysis techniques and procedures including consulting with users to determine hardware software or system functional specifications;

(2) The design development documentation analysis creation testing or modification of computer systems or programs including prototypes based on and related to user or system design specifications;

(3) The design documentation testing creation or modification of computer programs related to machine operating systems; or

(4) A combination of the aforementioned duties the performance of which requires the same level of skills. (29 C.F.R. 541.400).

2) AIR TRAFFIC CONTROLLERS AND WEATHER OBSERVERS - NIGHT PAY & SUNDAY PAY: If you work at night as part of a regular tour of duty you will earn a night differential and receive an additional 10% of basic pay for any hours worked between 6pm and 6am. If you are a full-time employed (40 hours a week) and Sunday is part of your regularly scheduled workweek you are paid at your rate of basic pay plus a Sunday premium of 25% of your basic rate for each hour of Sunday work which is not overtime (i.e. occasional work on Sunday outside the normal tour of duty is considered overtime work).

**\*\* HAZARDOUS PAY DIFFERENTIAL \*\***

An 8 percent differential is applicable to employees employed in a position that represents a high degree of hazard when working with or in close proximity to ordnance explosives and incendiary materials. This includes work such as screening blending dying mixing and pressing of sensitive ordnance explosives and pyrotechnic compositions such as lead azide black powder and photoflash powder. All dry-house activities involving propellants or explosives. Demilitarization modification renovation demolition and maintenance operations on sensitive ordnance explosives and incendiary materials. All operations involving re-grading and cleaning of artillery ranges.

A 4 percent differential is applicable to employees employed in a position that represents a low degree of hazard when working with or in close proximity to ordnance (or employees possibly adjacent to) explosives and incendiary materials which involves potential injury such as laceration of hands face or arms of the employee engaged in the operation irritation of the skin minor burns and the like; minimal damage to immediate or adjacent work area or equipment being used. All operations involving unloading storage and hauling of ordnance explosive and incendiary ordnance material other than small arms ammunition. These differentials are only applicable to work that has been specifically designated by the agency for ordnance explosives and incendiary material differential pay.

**\*\* UNIFORM ALLOWANCE \*\***

If employees are required to wear uniforms in the performance of this contract (either by the terms of the Government contract by the employer by the state or local law etc.) the cost of furnishing such uniforms and maintaining (by laundering or dry cleaning) such uniforms is an expense that may not be borne by an employee where such cost reduces the hourly rate below that required by the wage determination. The Department of Labor will accept payment in accordance with the following standards as compliance:

The contractor or subcontractor is required to furnish all employees with an adequate number of uniforms without cost or to reimburse employees for the actual cost of the uniforms. In addition where uniform cleaning and maintenance is made the responsibility of the employee all contractors and subcontractors subject to this wage determination shall (in the absence of a bona fide collective bargaining agreement providing for a different amount or the furnishing of contrary affirmative proof as to the actual cost) reimburse all employees for such cleaning and maintenance at a rate of \$3.35 per week (or \$.67 cents per day). However in those instances where the uniforms furnished are made of "wash and wear" materials may be routinely washed and dried with other personal garments and do not require any special treatment such as dry cleaning daily washing or commercial laundering in order to meet the cleanliness or appearance standards set by the terms of the Government contract by the contractor by law or by the nature of the work there is no requirement that employees be reimbursed for uniform maintenance costs.

**\*\* SERVICE CONTRACT ACT DIRECTORY OF OCCUPATIONS \*\***

The duties of employees under job titles listed are those described in the "Service Contract Act Directory of Occupations" Fifth Edition (Revision 1) dated September 2015 unless otherwise indicated.

**\*\* REQUEST FOR AUTHORIZATION OF ADDITIONAL CLASSIFICATION AND WAGE RATE Standard Form 1444 (SF-1444) \*\*****Conformance Process:**

The contracting officer shall require that any class of service employee which is not listed herein and which is to be employed under the contract (i.e. the work to be performed is not performed by any classification listed in the wage determination) be classified by the contractor so as to provide a reasonable relationship (i.e. appropriate level of skill comparison) between such unlisted classifications and the classifications listed in the wage determination (See 29 CFR 4.6(b)(2)(i)). Such conforming procedures shall be initiated by the contractor prior to the performance of contract work by such unlisted class(es) of employees (See 29 CFR 4.6(b)(2)(ii)). The Wage and Hour Division shall make a final determination of conformed classification wage rate and/or fringe benefits which shall be paid to all employees performing in the classification from the first day of work on which contract work is performed by them in the classification. Failure to pay such unlisted employees the compensation agreed upon by the interested

parties and/or fully determined by the Wage and Hour Division retroactive to the date such class of employees commenced contract work shall be a violation of the Act and this contract. (See 29 CFR 4.6(b)(2)(v)). When multiple wage determinations are included in a contract a separate SF-1444 should be prepared for each wage determination to which a class(es) is to be conformed.

The process for preparing a conformance request is as follows:

- 1) When preparing the bid the contractor identifies the need for a conformed occupation(s) and computes a proposed rate(s).
  
- 2) After contract award the contractor prepares a written report listing in order the proposed classification title(s) a Federal grade equivalency (FGE) for each proposed classification(s) job description(s) and rationale for proposed wage rate(s) including information regarding the agreement or disagreement of the authorized representative of the employees involved or where there is no authorized representative the employees themselves. This report should be submitted to the contracting officer no later than 30 days after such unlisted class(es) of employees performs any contract work.
  
- 3) The contracting officer reviews the proposed action and promptly submits a report of the action together with the agency's recommendations and pertinent information including the position of the contractor and the employees to the U.S. Department of Labor Wage and Hour Division for review (See 29 CFR 4.6(b)(2)(ii)).
  
- 4) Within 30 days of receipt the Wage and Hour Division approves modifies or disapproves the action via transmittal to the agency contracting officer or notifies the contracting officer that additional time will be required to process the request.
  
- 5) The contracting officer transmits the Wage and Hour Division's decision to the contractor.
  
- 6) Each affected employee shall be furnished by the contractor with a written copy of such determination or it shall be posted as a part of the wage determination (See 29 CFR 4.6(b)(2)(iii)).

Information required by the Regulations must be submitted on SF-1444 or bond paper.

When preparing a conformance request the "'Service Contract Act Directory of Occupations'" should be used to compare job definitions to ensure that duties requested are not performed by a classification already listed in the wage determination. Remember it is not the job title but the required tasks that determine whether a class is included in an established wage determination. Conformances may not be used to artificially split combine or subdivide classifications listed in the wage determination (See 29 CFR 4.152(c)(1))."

**Article 1. Purpose**

- A. Purpose: The purpose of this Inter-Governmental Service Agreement (IGSA) is to establish an Agreement between ICE and the Service Provider for the provision of the necessary physical structure, equipment, facilities, personnel, and services to provide a program of care in a properly staffed and secure environment under the authority of the Immigration and Nationality Act, as amended. All persons in the custody of ICE are “Administrative Detainees.” This term recognizes that ICE detainees are not charged with criminal violations and are only held in custody to ensure their presence throughout the administrative hearing process and to ensure their presence for removal from the United States pursuant to a lawful final order by the Immigration Court, the Board of Immigration Appeals or other Federal judicial body.
- B. Responsibilities: This Agreement sets forth the responsibilities of ICE and the Service Provider. The Service Provider shall provide all personnel, management, equipment, supplies, and services necessary for performance of all aspects of the Agreement and ensure that the safekeeping, housing, subsistence, medical, and other program services provided to ICE detainees housed in the facility is consistent with ICE’s civil detention authority, the PWS, IGSA requirements and ICE standards referenced in this agreement. The Agreement states the services the Service Provider shall perform satisfactorily to receive payment from ICE at the rate prescribed in Article I C.
- C. Rates: This is a fixed rate agreement, not a cost reimbursable agreement, with respect to the bed day rate for up to [REDACTED] detainees, with no guaranteed minimum. ICE will be responsible for reviewing and approving the costs associated with this Agreement and subsequent modifications utilizing all applicable federal procurement laws, regulations and standards in arriving at the bed day rate.

Bed Day Rate

- \* Escort Services at Regular Rate [REDACTED] detainee per hour
- \* Escort Services at Overtime Rate [REDACTED] per hour
- \* Stationary Guard at Regular Rate [REDACTED] per hour
- \* Stationary Guard at Overtime Rate [REDACTED] per hour
- \* Detainee Work Program Reimbursement [REDACTED] per day
- \*\* Transportation Mileage rate to be in accordance with GSA rates at the time of incurrence
- \* See Article 17, \*\* See Article 16

This IGSA contains no population guarantee. In the event this IGSA is modified in the future to incorporate a population guarantee, the parties agree that ICE will not be liable for any failure to meet the population guarantee if such failure directly results from an occurrence that impairs the ability to use the facility's capacity, and such occurrence arises out of causes beyond the control and without the fault or negligence of ICE. Such causes may include, but are not limited to, acts of God or the public enemy, fires, floods, freight embargoes, court orders and severe or adverse weather. This provision shall become effective only if ICE immediately notifies the Provider of the extent and nature of

the occurrence resulting in the failure and takes all reasonable steps to limit any adverse effects required by the occurrence.

## **Article 2. General**

A. Commencement of Services: ICE is under no obligation to utilize the facilities identified herein until the need for detention services has been identified, funding has been identified and made available, and the Facility meets ICE requirements, and is in compliance with ICE 2011 Performance-Based National Detention Standards (PBNDS) and the 2016 revisions (hereafter referred to as 2011 PBNDS). Therefore, ICE may perform numerous assessments to ensure compliance prior to presenting detainees for housing.

*\*Should there be a need for a ramp-up plan, the effective start of the plan is from the date of the first detainee presented for housing.*

B. Funding: The obligation of ICE to make payments to the Service Provider is contingent upon the availability of Federal funds. ICE will neither present detainees to the Service Provider nor direct performance of any other services until ICE has the appropriate funding. Orders will be placed under this Agreement when specific requirements have been identified and funding obligated. Performance under this Agreement is not authorized until the ICE Contracting Officer issues an order in writing. The effective date of the services will be negotiated and specified in this Agreement. The Service Provider shall be prepared to accept detainees immediately upon issuance of task order in accordance with the agreed upon ramp-up plan.

C. Subcontractors: The Service Provider shall notify and obtain approval from the ICE Contracting Officer if it intends to house ICE detainees in a facility other than the Joe Corley Processing Center. If either the Facility or any future facility is operated by an entity other than the Service Provider, ICE will treat the entity as a subcontractor to the Service Provider. The Service Provider shall obtain the Contracting Officer's approval before subcontracting the detention and care of detainees to another entity. The Contracting Officer has the right to deny, withhold, or withdraw approval of the proposed subcontractor. Upon approval by the Contracting Officer, the Service Provider shall ensure that any subcontract includes all provisions of this Agreement, and shall provide ICE with copies of all subcontracts. All payments will be made to the Service Provider. ICE will not accept invoices from, or make payments to, a subcontractor. Subcontractors that perform under this agreement are subject to the terms and conditions of this IGSA.

D. Staffing: The number, type and distribution of staff as described in the contract-staffing plan shall be maintained throughout the term of the contract. Written requests to change the number, type and/or distribution of staff described in the staffing plan must be submitted to the CO, through the COR, for approval prior to implementation. Staffing levels shall not fall below a monthly average of 95% of the approved staffing plan, notwithstanding the requirement of maintaining monthly minimum staffing levels of 95%.

Each month, the contractor shall submit to the COR the current average monthly vacancy rate, and indicate any individual positions that have been vacant more than 120 days. Failure to fill any individual position within 120 days of the vacancy may result in a deduction from the monthly invoice. ICE may calculate the deduction retroactive to day one of the vacancy, excluding the days for ICE's conditional approval process, starting on the day of receipt and concluding on the day conditional approval is granted.

- E. Consistent with Law: This is a firm fixed rate Agreement, not a cost reimbursable Agreement. This Agreement is permitted under applicable statutes, regulations, policies and judicial mandates. Any provision of this Agreement contrary to applicable statutes, regulation, policies or judicial mandates is null and void and shall not necessarily affect the balance of the Agreement.

Facilities that are not within a reasonable walking distance of, or that are more than one mile from, public transportation shall transport detainees to local bus/train/subway stations prior to the time the last bus/train leaves such stations for the day. If public transportation is within walking distance of the detention facility, detainees shall be provided with an information sheet that gives directions to and describes the types of transportation services available. However, facilities must provide transportation for any detainee who is not reasonably able to walk to public transportation due to age, disability, illness, mental health or other vulnerability, or as a result of weather or other environmental conditions at the time of release that may endanger the health or safety of the detainee. Upon release, detainees shall also be provided with a list of shelter services available in the immediate area along with directions to each shelter. Prior to their release, detainees shall be given the opportunity to make a free phone call to a friend or relative to arrange for pick up from the facility. Detainees shall be provided with a laundered set of their own clothing, or one set of non-institutional clothing and footwear, weather appropriate, for their final destination.
- E. Service Provider Right of Refusal. The Service Provider retains the right to refuse acceptance of any detainee if such refusal is supported by a valid justification and agreed to by the COR. Examples of such justification are: any detainee exhibiting violent or disruptive behavior, or any detainee found to have a medical condition that requires medical care beyond the scope of the Service Provider's health care provider. In the case of a detainee already in custody, the Service Provider shall notify ICE and request such removal of the detainee from the Facility. The Service Provider shall allow ICE reasonable time to make alternative arrangements for the detainee.
- F. Emergency Evacuation: In the event of an emergency requiring evacuation of the Facility, the Service Provider shall evacuate ICE detainees in the same manner, and with the same safeguards, as it employs for persons detained under the Service Provider's authority. The

Service Provider shall notify the ICE COR or designated ICE official within two (2) hours of evacuation.

ICE Inspectors will conduct periodic inspections of the facility to assure compliance with the ICE PBNDS.
- B. If a change in the standards identified herein results in a documentable financial impact to the Service Provider, the Service Provider must notify the Contracting Officer within five (5) days of receipt of the change and request either 1) a waiver to the standards or, 2) to negotiate a change in per diem.

If any requirements of the DHS PREA standards conflict with the terms of the 2011 PBNDS, the DHS PREA standards shall prevail.

#### U. Facility Requirements for Infectious Disease Screening

The Service Provider will ensure that there is adequate space and equipment to provide medical intake screening including tuberculosis (TB) screening within the intake processing area. In order to prevent the spread of airborne infectious disease or cross contamination of zones within the facility, the HVAC system in the intake screening area will be designed to exhaust to the exterior and prevent air exchange between the intake screening area and any other area within the facility. (CDC guidelines <http://www.cdc.gov/tb/publications/guidelines/Correctional.htm>)

#### V. Tuberculosis Screening

The Service Provider will perform TB screening, within 12 hours of detainee admission, as part of the routine intake screening, for early detection of any detainee suspected of having TB disease. TB screening will include, at a minimum, TB symptom screening and testing for TB infection and/or disease using any Food and Drug Administration (FDA) approved method. Detainees who have symptoms suggestive of TB disease will be immediately placed in an airborne infection isolation room and promptly evaluated for suspected TB disease. Detainees who are initially tested using a test for TB infection [TB skin test (TST) or interferon gamma release assay (IGRA)] and result with a TST interpretation or IGRA positive for TB infection and no symptoms suggestive of TB disease must be evaluated with a chest radiograph within 5 days after the TST is interpreted or IGRA result is received.

Detainees who are identified with confirmed or suspected active TB (e.g., symptoms suggestive of TB or chest radiograph suggestive of TB) will be placed in a functional airborne infection isolation room and managed in accordance with the PBNDS and all applicable CDC guidelines: <http://www.cdc.gov/tb/publications/guidelines/default.htm>. It is not necessary to house detainees separately from the general population unless there is clinical or radiographic evidence suggestive of TB disease. If chest x-rays are performed on-site, they will be performed by a trained and qualified health care provider

and interpreted by a credentialed radiologist. There will be a non-punitive process in place for detainees who refuse the screening assessment for TB.

The Service Provider will notify IHSC and the local health department of all detainees with confirmed or suspected TB disease, including detainees with clinical or radiographic evidence suggestive of TB. Notification shall occur within one working day of identifying a detainee with confirmed or suspected TB disease. Notification to local health departments shall identify the detainee as being in ICE custody and shall include the ICE detainee number with other identifying information. For detainees with confirmed or suspected TB disease, the Service Provider will coordinate with IHSC and the local health department prior to release to facilitate release planning and referrals for continuity of care.

The service provider will evaluate detainees annually for symptoms, consistent with TB, within one year of the previously documented TB evaluation. For detainees initially screened with a TST or IGRA with a negative result, annual evaluation will include testing with the same method as previously used. For detainees initially evaluated with a chest radiograph interpreted as not suggestive of TB disease, routine annual chest radiograph is not recommended.

#### W. Radiology Service Provider

If the service provider utilizes radiology for TB screening, the requirement should be built into the established bed day rate for this IGSA. The cost of the equipment, maintenance of the equipment, training of staff, and arrangements for interpretation of the x-rays by credentialed radiologists, and transmission of data to and from the detention facility are provided under a contract with Service Provider and a third-party and charged directly to the facility.

#### X. Airborne Precautions

In order to prevent the spread of airborne infectious disease or cross contamination of zones within the facility, it is preferred that the HVAC system in the intake screening area will be designed to exhaust to the exterior and prevent air exchange between the intake screening area and any other area within the facility (see CDC guidelines <http://www.cdc.gov/tb/publications/guidelines/Correctional.htm>).

#### Y. Language Access

The Service Provider is responsible for providing meaningful access to all programs and services (e.g., medical, intake, classification, sexual assault reporting) for individuals with limited English proficiency. This should be accomplished through professional interpretation and translation or qualified bilingual personnel for necessary

communication with residents who do not speak or understand English. Oral interpretation should be provided for residents who are illiterate. Other than in emergencies, and even then, only for that period of time before appropriate language services can be procured, residents shall not be used for interpretation or translation services. The Service Provider should utilize commercial phone language interpretive services to ensure fulfillment of this requirement. Telephones that can be used for this purpose must be available in each classroom. In addition, deaf detainees or residents shall have access to a TTY telephone.

##### 1. History of testing for tuberculosis (TB) within the last 12 months:

- a. Chest x-ray if employee has a history of latent TB infection (LTBI), treatment history for LTBI or TB disease, if applicable; and
- b. Additionally, on an annual basis and at own expense, Service Provider shall provide a current TST or IGRA test result if the employee previously tested negative for LTBI, evaluation for TB symptoms if the employee previously tested positive for LTBI, and follow up as appropriate in accordance with Centers for Disease Control and Prevention (CDC) guidelines.

##### 2. Recommended Immunizations

Individuals employed by the service provider in a custody or detention environment are considered to be at significant risk for acquiring or transmitting Hepatitis B, measles, mumps, rubella, varicella and seasonal influenza. All of these diseases are vaccine-preventable. Therefore, the following vaccinations are highly recommended for the service provider's personnel. If staff decline or refuse any of these recommended vaccines, an Immunization Declination Form is required and the Contracting Officer Representative (COR) must be notified of the refusal. ICE reserves the right to refuse service employees that refuse vaccines.

- a. Hepatitis A;
- b. Varicella;
- c. Measles, Mumps, Rubella (MMR);
- d. Diphtheria, tetanus, a-cellular pertussis (DTAP); and
- e. Annual seasonal influenza.

The Service Provider's personnel will provide immunization documentation or titer results to the Health Services Administrator or the employer's designee for placement in the employee health file. It is recommended that the CDC's Immunization of Health-Care Workers: Recommendations of the Advisory Committee on Immunization Practices (ACIP) and the Hospital Infection Control Practices Advisory Committee (HICPAC) be used as a reference for employee health immunization issues.

### 3. Hepatitis B Vaccination

Health staff must do one of the following:

- a. Complete the Hepatitis B vaccination series; and provide documentation of the vaccination series or titer results that confirm immunity to HBV; or
- b. Refuse the vaccination series for medical reasons and complete an Immunization Declination Form. The form used must meet the Occupational Safety & Health Administration language requirements which can be found at the following link:  
<https://www.osha.gov/SLTC/etools/hospital/hazards/bbp/declination.html>

When sensitive government information is processed on Department telecommunications and automated information systems, the Service Provider agrees to provide for the administrative control of sensitive data being processed and to adhere to the procedures governing such data as outlined in DHS IT Security Program Publication DHS MD 4300.Pub. or its replacement. Service Provider personnel must have favorably adjudicated background investigations commensurate with the defined sensitivity level. Service Providers who fail to comply with Department security policy are subject to having their access to Department IT systems and facilities terminated, whether or not the failure results in criminal prosecution. Any person who improperly discloses sensitive information is subject to criminal and civil penalties and sanctions under a variety of laws (e.g., Privacy Act).

### INFORMATION TECHNOLOGY SECURITY TRAINING AND OVERSIGHT

In accordance with Chief Information Office requirements and provisions, all Service Provider employees accessing Department IT systems or processing DHS sensitive data via an IT system will require an ICE issued/provisioned Personal Identity Verification (PIV) card. Additionally, Information Assurance Awareness Training (IAAT) will be required upon initial access and annually thereafter. IAAT training will be provided by the appropriate component agency of DHS.

Service Providers, who are involved with management, use, or operation of any IT systems that handle sensitive information within or under the supervision of the Department, shall receive periodic training at least annually in security awareness and accepted security practices and systems rules of behavior. Department Service Providers, with significant security responsibilities, shall receive specialized training specific to their security responsibilities annually. The level of training shall be commensurate with the individual's duties and responsibilities and is intended to promote a consistent understanding of the principles and concepts of telecommunications and IT systems security.

All personnel who access Department information systems will be continually evaluated while performing these duties. Supervisors should be aware of any unusual or inappropriate behavior by personnel accessing systems. Any unauthorized access, sharing of passwords, or other questionable security procedures should be reported to the local Security Office or Information System Security Officer (ISSO).

## **Article 8. Period of Performance**

This agreement becomes effective upon the date of final signature by the ICE Contracting Officer and the authorized signatory of the Service Provider and will remain in effect for a period not to exceed 60 months unless extended by bi-lateral modification or terminated in writing by either party. Either party must provide written notice of intention to terminate the agreement 120 days in advance of the effective date of formal termination, or the Parties may agree to a shorter period under the procedures prescribed in Article 11. If this agreement is terminated by either party under this Article, ICE will be under no financial obligation for any costs after the date of termination. The Service Provider will only be paid for services provided to ICE up to and including the day of termination.

## **Article 9. Inspections, Audit, Surveys, and Tours**

- A. Facility Inspections: The Service Provider shall allow ICE or an entity or organization approved by ICE to conduct inspections of the Facility, as required, to ensure an acceptable level of services and acceptable conditions of confinement as determined by ICE. No notice to the Service Provider is required prior to an inspection. ICE will share findings of the inspection with the Service Provider's Facility Administrator. The Inspection Report will state any improvements to facility operation, conditions of confinement, and level of service that will be required by the Service Provider.
- B. ICE will not house detainees in any facility that has received two consecutive overall ratings of less than acceptable. Upon notice that the second overall rating is less than acceptable, ICE will remove all detainees from the facility within seven (7) calendar days. Any minimum guarantee stated elsewhere in this agreement is no longer applicable if detainees are removed as a result of two overall ratings less than acceptable. No further funds will be obligated and no further payments will be made.
- C. Possible Sanctions: If the Service Provider, after being afforded reasonable time to comply, fails to remedy deficient service identified through an ICE inspection, ICE may withhold or deduct a percentage of a month invoice until there is full compliance or eventually terminate this agreement without regard to any other provisions in this agreement.
- D. Share Findings: The Service Provider shall provide ICE copies of facility inspections, reviews, examinations, and surveys performed by accreditation sources. The Service Provider shall cooperate fully with the Detention Service Manager (DSM).
- E. Access to Detainee and Facility Records: The Service Provider shall, upon request, grant ICE access to any record in its possession, regardless of whether the Service Provider created the record, concerning any detainee held pursuant to this agreement. This right of access includes, but is not limited to, incident reports, records relating to suicide attempts, and behavioral assessments and other records relating to the detainee's behavior while in

the Service Provider's custody; provided, however that access to medical and mental health record information be provided in accordance with Article VI. Furthermore, the Service Provider shall retain all records where this right of access applies for a period of two (2) years from the date of the detainee's discharge from the Service Provider's custody. This right of access specifically applies to all inspections and other facility reports.

## **Article 10. Modifications and Disputes**

- A. Modifications: Actions other than those designated in this agreement will not bind or incur liability on behalf of either party. Either party may request a modification to this agreement by submitting a written request to the other party. A modification will become a part of this agreement only after the ICE Contracting Officer has approved the modification in writing.
- B. Change Orders:
1. The Contracting Officer may at any time, by written order, and without notice to the Service Provider, make changes within the general scope of this agreement in any one or more of the following:
    - (a) Description of services to be performed, including revisions to the applicable Detention Standards.
    - (b) Place of performance of the services.
  2. If any such change causes an increase or decrease in the cost of the services under the agreement, the Contracting Officer will make an equitable adjustment in the agreement price and will modify the agreement accordingly.
  3. The Service provider must assert its right to an adjustment under this Article within 30 days from the date of receipt of the written order including a proposal addressing the cost impacts and detailed supporting data.
  4. If the Service Provider's proposal includes costs that are determined unreasonable and/or unsupported, as determined by the Contracting Officer, the Contracting Officer will disallow those costs when determining a revised rate, if any.
  5. Failure to agree to any adjustment will be a dispute under the Disputes section of the agreement. However, nothing in this Article excuses the Service Provider from proceeding with the agreement as changed.
- C. Disputes: The ICE Contracting Officer and the authorized signatory of the Service Provider will settle disputes, questions and concerns arising from this agreement. Settlement of disputes will be memorialized in a written modification between the ICE Contracting Officer and authorized signatory of the Service Provider. In the event a dispute is not able to be resolved between the Service Provider and the ICE Contracting Officer, the ICE Contracting Officer will make the final decision. If the Service Provider

does not agree with the final decision, the matter may be appealed to the ICE Head of the Contracting Activity (HCA) for resolution. The ICE HCA may employ all methods available to resolve the dispute including alternative dispute resolution techniques. The Service Provider shall proceed diligently with performance of this Agreement pending final resolution of any dispute.

#### **Article 11. Adjusting the Bed Day Rate**

ICE will reimburse the Service Provider at the fixed detainee bed day rate shown in Article I paragraph C. The Service Provider may request a rate adjustment no less than thirty-six (36) months after the effective date of the agreement unless required by law (see Article 19). After thirty-six (36) months, the Service Provider may request a rate by submitting a new Jail Services Cost Statement with a summary of the rate adjustment, break-out of the requested increase amount, and back-up documentation necessary to support the request. The parties agree to base the cost portion of the rate adjustment on the principles of allowability and allocability as set forth in OMB Circular A-87, Cost Principles for State, Local, and Indian Tribal Governments, federal procurement laws, regulations, and standards in arriving at the bed day rate. If ICE does not receive an official request for a bed day rate adjustment that is supported by the information provided, the fixed bed day rate as stated in this agreement will be in place indefinitely.

ICE reserves the right to audit the actual and/or prospective costs upon which the rate adjustment is based. All rate adjustments are prospective. As the bed day rate is fixed, there are no retroactive adjustment(s).

(3) Any of these parties furnished data of any description that were not accurate, the price or cost shall be reduced accordingly and the IGSA shall be modified to reflect the reduction.

(b) Any reduction in the IGSA price under paragraph (a) of this clause due to defective data from a prospective subcontractor that was not subsequently awarded the subcontract shall be limited to the amount, plus applicable overhead and profit markup, by which (1) the actual subcontract or (2) the actual cost to the Service Provider, if there was no subcontract, was less than the prospective subcontract cost estimate submitted by the Service Provider; provided, that the actual subcontract price was not itself affected by defective certified cost or pricing data.

(c)

(1) If the Contracting Officer determines under paragraph (a) of this clause that a price or cost reduction should be made, the Service Provider agrees not to raise the following matters as a defense:

(i) The Service Provider or subcontractor was a sole source supplier or otherwise was in a superior bargaining position and thus the price of the IGSA would not have been modified even if accurate, complete, and current certified cost or pricing data had been submitted.

(A) The understated data were known by the Service Provider to be understated before the “as of” date specified on its Certificate of Current Cost or Pricing Data; or

(B) The Government proves that the facts demonstrate that the IGSA price would not have increased in the amount to be offset even if the available data had been submitted before the “as of” date specified on its Certificate of Current Cost or Pricing Data.

(d) If any reduction in the IGSA price under this clause reduces the price of items for which payment was made prior to the date of the modification reflecting the price reduction, the Service Provider shall be liable to and shall pay the United States at the time such overpayment is repaid.

(1) Simple interest on the amount of such overpayment to be computed from the date(s) of overpayment to the Service Provider to the date the Government is repaid by the Service Provider at the applicable underpayment rate effective for each quarter prescribed by the Secretary of the Treasury under 26 U.S.C. 6621(a)(2); and

(3) any of these parties furnished data of any description that were not accurate, the price or cost shall be reduced accordingly and the IGSA shall be modified to reflect the reduction. This right to a price reduction is limited to that resulting from defects in data relating to modifications for which this clause becomes operative under paragraph (a) of this clause.

(c) Any reduction in the IGSA price under paragraph (b) of this clause due to defective data from a prospective subcontractor that was not subsequently awarded the subcontract shall be limited to the amount, plus applicable overhead and profit markup, by which (1) the actual subcontract or (2) the actual cost to the Service Provider, if there was no subcontract, was less than the prospective subcontract cost estimate submitted by the Service Provider; provided, that the actual subcontract price was not itself affected by defective certified cost or pricing data.

(d)

(1) If the Contracting Officer determines under paragraph (b) of this clause that a price or cost reduction should be made, the Service Provider agrees not to raise the following matters as a defense:

(i) The Service Provider or subcontractor was a sole source supplier or otherwise was in a superior bargaining position and thus the price of the IGSA would not have been modified even if accurate, complete, and current certified cost or pricing data had been submitted.

(ii) The Contracting Officer should have known that the certified cost or pricing data in issue were defective even though the Service Provider or subcontractor took no affirmative action to bring the character of the data to the attention of the Contracting Officer.

(2)

(i) Except as prohibited by subdivision (d)(2)(ii) of this clause, an offset in an amount determined appropriate by the Contracting Officer based upon the facts shall be allowed against the amount of a IGSA price reduction if -

(A) The Service Provider certifies to the Contracting Officer that, to the best of the Service Provider's knowledge and belief, the Service Provider is entitled to the offset in the amount requested; and

(B) The Service Provider proves that the certified cost or pricing data were available before the "as of" date specified on its Certificate of Current Cost or Pricing Data, and that the data were not submitted before such date.

(ii) An offset shall not be allowed if -

(A) The understated data were known by the Service Provider to be understated before the "as of" date specified on its Certificate of Current Cost or Pricing Data; or

(B) The Government proves that the facts demonstrate that the IGSA price would not have increased in the amount to be offset even if the available data had been submitted before the "as of" date specified on its Certificate of Current Cost or Pricing Data.

(e) If any reduction in the IGSA price under this clause reduces the price of items for which payment was made prior to the date of the modification reflecting the price reduction, the Service Provider shall be liable to and shall pay the United States at the time such overpayment is repaid

-

(1) Simple interest on the amount of such overpayment to be computed from the date(s) of overpayment to the Service Provider to the date the Government is repaid by the Service Provider at the applicable underpayment rate effective for each quarter prescribed by the Secretary of the Treasury under 26 U.S.C. 6621(a)(2); and

For normal separations, the Service Provider shall submit the checklist on the last day of employment or work on the contract.

Service Provider shall provide training for all employees, including Subcontractors and independent contractors who have access to sensitive personally identifiable information (PII) as well as the creation, use, dissemination and/or destruction of sensitive PII at the outset of the employee's work on the contract and every year thereafter. Training must include procedures on how to properly handle sensitive PII, including security requirements for the transporting or transmission of sensitive PII, and reporting requirements for a suspected breach or loss of sensitive PII. All Service Provider employees are required to take the Privacy at DHS: Protecting Personal Information training course. This course, along with more information about DHS security and training requirements for Service Providers, is available at [www.dhs.gov/dhs-security-and-training-requirements-contractors](http://www.dhs.gov/dhs-security-and-training-requirements-contractors). The Federal Information Security Management Act (FISMA) requires all individuals accessing ICE information to take the annual Information Assurance Awareness Training course. These courses are available through the ICE intranet site or the Agency may also make the training available through hypertext links or CD. The Service Provider shall maintain copies of employees' certificates of completion as a record of compliance and must submit an annual e-mail notification to the ICE Contracting Officer's Representative that the required training has been completed for all the Service Provider's employees.

### (2) Safeguarding Sensitive PII Requirement

Service Provider employees shall comply with the Handbook for Safeguarding sensitive PII at DHS at all times when handling sensitive PII, including the encryption of sensitive PII as required in the Handbook. This requirement will be flowed down to all subcontracts and lower tiered subcontracts as well.

### (3) Non-Disclosure Agreement Requirement

All Service Provider personnel that may have access to PII or other sensitive information shall be required to sign a Non-Disclosure Agreement (DHS Form 11000-6) prior to commencing work. The Service Provider's invoicing, billing, and other financial/administrative records/databases may not store or include any sensitive Government information, such as PII that is created, obtained, or provided during the performance of the contract. It is acceptable to list the names, titles and contact information for the Contracting Officer, Contracting Officer's Representative, or other ICE personnel associated with the administration of the contract in the invoices as needed.

#### (5) Reporting Suspected Loss of Sensitive PII

Service Providers must report the suspected loss or compromise of sensitive PII to ICE in a timely manner and cooperate with ICE's inquiry into the incident and efforts to remediate any harm to potential victims.

1. The Service Provider must develop and include in its security plan (which is submitted to ICE) an internal system by which its employees and Subcontractors are trained to identify and report the potential loss or compromise of sensitive PII.

2. The Service Provider must report the suspected loss or compromise of sensitive PII by its employees or Subcontractors to the ICE Security Operations Center (480-496-6627), the Contracting Officer's Representative (COR), and the Contracting Officer within one (1) hour of the initial discovery.

3. The Service Provider must provide a written report to ICE within 24 hours of the suspected loss or compromise of sensitive PII by its employees or Subcontractors. The report must contain the following information:

- g. Actions that have been or will be taken to minimize damage and/or mitigate further compromise.
- h. Recommendations to prevent similar situations in the future, including whether the security plan needs to be modified in any way and whether additional training may be required.

4. The Service Provider shall provide full access and cooperation for all activities determined by the Government to be required to ensure an effective incident response, including providing all requested images, log files, and event information to facilitate rapid resolution of sensitive information incidents.

5. At the Government's discretion, Service Provider employees or Subcontractor employees may be identified as no longer eligible to access sensitive PII or to work on that contract based on their actions related to the loss or compromise of sensitive PII.

#### (6) Victim Remediation

The Service Provider is responsible for notifying victims and providing victim remediation services in the event of a loss or compromise of sensitive PII held by the

Service Provider, its agents, or its Subcontractors, under this contract. Victim remediation services shall include at least 18 months of credit monitoring and, for serious or large incidents as determined by the Government, call center help desk services for the individuals whose sensitive PII was lost or compromised. The Service Provider and ICE will collaborate and agree on the method and content of any notification that may be required to be sent to individuals whose sensitive PII was lost or compromised.

#### C. Government Records Training, Ownership, and Management

##### (1) Records Management Training and Compliance

(a) The Service Provider shall provide DHS basic records management training for all employees and Subcontractors that have access to sensitive PII as well as to those involved in the creation, use, dissemination and/or destruction of sensitive PII. This training will be provided at the outset of the Subcontractor's/employee's work on the contract and every year thereafter. This training can be obtained via links on the ICE intranet site or it may be made available through other means (e.g., CD or online). The Service Provider shall maintain copies of certificates as a record of compliance and must submit an e-mail notification annually to the Contracting Officer's Representative verifying that all employees working under this contract have completed the required records management training.

(b) The Service Provider agrees to comply with Federal and Agency records management policies, including those policies associated with the safeguarding of records covered by the Privacy Act of 1974. These policies include the preservation of all records created or received regardless of format, mode of transmission, or state of completion.

##### (2) Records Creation, Ownership, and Disposition

(a) The Service Provider shall not create or maintain any records not specifically tied to or authorized by the contract using Government IT equipment and/or Government records or that contain Government Agency data. The Service Provider shall certify in writing the destruction or return of all Government data at the conclusion of the contract or at a time otherwise specified in the contract.

(b) Except as stated in the Performance Work Statement and, where applicable, the Service Provider's Commercial License Agreement, the Government Agency owns the rights to all electronic information (electronic data, electronic information systems or electronic databases) and all supporting documentation and associated metadata created as part of this contract. All deliverables (including all data and records) under the contract are the property of the U.S. Government and are considered federal records, for which the Agency shall have unlimited rights to use, dispose of, or disclose such data contained therein. The Service Provider must deliver sufficient technical documentation with all data deliverables to permit the agency to use the data.

(c) The Service Provider shall not retain, use, sell, disseminate, or dispose of any government data/records or deliverables without the express written permission of the Contracting Officer or Contracting Officer's Representative. The Agency and its Service Providers are responsible for preventing the alienation or unauthorized destruction of records, including all forms of mutilation. Willful and unlawful destruction, damage or

alienation of Federal records is subject to the fines and penalties imposed by 18 U.S.C. § 2701. Records may not be removed from the legal custody of the Agency or destroyed without regard to the provisions of the Agency records schedules.

#### D. Data Privacy and Oversight

Section D applies to information technology (IT) contracts. If this is not an IT contract, section D may read as self-deleting.

##### (1) Restrictions on Testing or Training Using Real Data Containing PII

The use of real data containing sensitive PII from any source for testing or training purposes is generally prohibited. The Service Provider shall use synthetic or de-identified real data for testing or training whenever feasible. ICE policy requires that any proposal to use of real data or de-identified data for IT system testing or training be approved by the ICE Privacy Officer and Chief Information Security Officer (CISO) in advance. In the event performance of the contract requires or necessitates the use of real data for system-testing or training purposes, the Service Provider in coordination with the Contracting Officer or Contracting Officer's Representative and Government program manager shall obtain approval from the ICE Privacy Office and CISO and complete any required documentation.

If this IT contract contains the Safeguarding of Sensitive Information (MAR 2015) and Information Technology Security and Privacy Training (MAR 2015) clauses, section D(2) of this clause is deemed self-deleting.

##### (2) Requirements for Service Provider IT Systems Hosting Government Data

The Service Provider is required to obtain a Certification and Accreditation for any IT environment owned or controlled by the Service Provider or any Subcontractor on which Government data shall reside for the purposes of IT system development, design, data migration, testing, training, maintenance, use, or disposal.

##### (3) Requirement to Support Privacy Compliance

(a) The Service Provider shall support the completion of the Privacy Threshold Analysis (PTA) document when it is required. PTAs are triggered by the creation, modification, upgrade, or disposition of an IT system, and must be renewed at least every three years. Upon review of the PTA, the DHS Privacy Office determines whether a Privacy Impact Assessment (PIA) and/or Privacy Act System of Records Notice (SORN), or modifications thereto, are required. The Service Provider shall provide adequate support to complete the PIA in a timely manner, and shall ensure that project management plans and schedules include the PTA, PIA, and SORN (to the extent required) as milestones. Additional information on the privacy compliance process at DHS, including PTAs, PIAs, and SORNs, is located on the DHS Privacy Office website ([www.dhs.gov/privacy](http://www.dhs.gov/privacy)) under "Compliance." DHS Privacy Policy Guidance Memorandum 2008-02 sets forth when a PIA will be required at DHS, and the Privacy Impact Assessment Guidance and Template outline the requirements and format for the PIA.

(b) If the contract involves an IT system build or substantial development or changes to an IT system that may require privacy documentation, the Service Provider shall assign or procure a Privacy Lead, to be listed under "Key Personnel." The Privacy Lead shall be

responsible for providing adequate support to DHS to ensure DHS can complete any required PTA, PIA, SORN, or other supporting documentation to support privacy compliance. The Privacy Lead shall work with personnel from the program office, the ICE Privacy Office, the Office of the Chief Information Officer, and the Records Management Branch to ensure that the privacy documentation is kept on schedule, that the answers to questions in the PIA are thorough and complete, and that questions asked by the ICE Privacy Office and other offices are answered in a timely fashion. The Privacy Lead:

- Must have excellent writing skills, the ability to explain technology clearly for a non-technical audience, and the ability to synthesize information from a variety of sources.
- Must have excellent verbal communication and organizational skills.
- Must have experience writing PIAs. Ideally the candidate would have experience writing PIAs for DHS.
- Must be knowledgeable about the Privacy Act of 1974 and the E-Government Act of 2002.
- Must be able to work well with others.

(c) If a Privacy Lead is already in place with the program office and the contract involves IT system builds or substantial changes that may require privacy documentation, the requirement for a separate Private Lead specifically assigned under this contract may be waived provided the Service Provider agrees to have the existing Privacy Lead coordinate with and support the ICE Privacy POC to ensure privacy concerns are proactively reviewed and so ICE can complete any required PTA, PIA, SORN, or other supporting documentation to support privacy compliance if required. The Service Provider shall work with personnel from the program office, the ICE Office of Information Governance and Privacy, and the Office of the Chief Information Officer to ensure that the privacy documentation is kept on schedule, that the answers to questions in any privacy documents are thorough and complete, that all records management requirements are met, and that questions asked by the ICE Privacy Office and other offices are answered in a timely fashion.

(End of Clause)

### **Article 31. Quality Control**

A. The Service Provider is responsible for management and quality control actions necessary to meet the quality standards set forth in the Agreement. The Service Provider must provide a Quality Control Plan (QCP) that meets the requirements specified in the Performance Requirements Summary (PRS), Attachment 4A to the CO for concurrence prior to award of the IGSA (or as directed by the CO). The CO will notify the Service Provider of concurrence or required modifications to the plan before the Agreement start date. If a modification to the plan is required, the Service Provider must make appropriate modifications and obtain concurrence of the revised plan by the CO before the contract start date.

- B. The Service Provider shall provide an overall QCP that addresses critical operational performance standards for the services required under this contract. The QCP shall ensure that services will be maintained at a uniform and acceptable level. At a minimum, the Service Provider shall periodically review and update the QCP policies and procedures at least on an annual basis. The Service Provider shall audit facility operations associated with ICE and ICE detainees monthly for compliance with the QCP. The Service Provider shall notify the Government 48 hours in advance of the audit to ensure the COR is available to participate. The Service Provider's QCP shall identify deficiencies, appropriate corrective action(s), and timely implementation plans to the COR.
- C. If the Service Provider proposes changes in the QCP after contract award, the Service Provider shall submit them to the COR for review. If the COR concurs with the changes, the COR shall submit the changes to the CO. The CO may modify the contract to include these changes.

### **Article 32. Quality Assurance Surveillance Program (QASP)**

- A. The Government's Quality Assurance Surveillance Program is based on the premise that the Service Provider, and not the Government, is responsible for management and quality control actions to meet the terms of the Agreement. The Quality Assurance Surveillance Plan (QASP) procedures recognize that unforeseen problems do occur. Good management and use of an adequate Quality Control Plan will allow the facility to operate within acceptable quality levels.
- B. Each phase of the services rendered under this Agreement is subject to inspection both during the Service Provider's operations and after completion of the tasks.
- C. When the Service Provider is advised of any unsatisfactory condition(s), the Service Provider shall submit a written report to the COR addressing corrective/preventive actions taken. The QASP is not a substitute for quality control by the Service Provider.
- D. The COR may check the Service Provider's performance and document any noncompliance; only the Contracting Officer may take formal action against the Service Provider for unsatisfactory performance.
- E. The Government may reduce the invoice or otherwise withhold payment for any individual item of nonconformance observed. The Government may apply various inspection and extrapolation techniques (e.g., 100 % surveillance, random sampling, planned sampling, unscheduled inspections) to determine the quality of services, the appropriate reductions, and the total payment due.
- F. Attachment 4 of this Agreement sets forth the procedures and guidelines that ICE will use to inspect the technical performance of the Service Provider. It presents the financial values and mechanisms for applying adjustments to the Service Provider's invoices as dictated by work performance measured to the desired level of accomplishment.

1. The purpose of the QASP is to:
  - a. Define the roles and responsibilities of participating Government officials.
  - b. Define the types of work to be performed.
  - c. Describe the evaluation methods that will be employed by the Government in assessing the Service Provider's performance.
  - d. Describe the process of performance documentation.
  
2. Roles and Responsibilities of Participating Government Officials
  - a. The COR(s) will be responsible for monitoring, assessing, recording, and reporting on the technical performance of the Service Provider on a day-to-day basis. The COR(s) will have primary responsibility for completing "Quality Assurance Surveillance Forms" to document their inspection and evaluation of the Service Provider's work performance.
  
  - b. The Contracting Officer (CO) or designee has overall responsibility for evaluating the Service Provider's performance in areas of contract compliance, contract administration, and cost and property control. The CO shall review the COR's evaluation of the Service Provider's performance and invoices. If applicable, deductions will be assessed in accordance with the evaluation of the Service Provider's performance (i.e., monetary adjustments for inadequate performance).
  
- G. The rights of the Government and remedies described in this section are in addition to all other rights and remedies set forth in this agreement. Any reductions in the Service Provider's invoice shall reflect the contract's reduced value resulting from the Service Provider's failure to perform required services. The Service Provider shall not be relieved of full performance of the services hereunder and may be terminated for default based upon inadequate performance of services, even if a reduction was previously taken for any inadequate performance.

### **Article 33. Exclusivity**

The Service Provider agrees that 1,050 beds at the facility are to be for the exclusive use of ICE and its detainee population. The USMS is approved to use the facility beyond the [REDACTED] beds. No other agency shall be allowed to use the facility to house its detainees, prisoners, or inmates without prior approval of the Contracting Officer. If given approval, a separate bed day rate shall be negotiated with the other agency and ICE shall not be responsible for payment related to beds used by another agency. The other agency shall be separately invoiced for the beds it uses. The duration of the use of beds will be determined on a case by case basis.

### **Article 34. Use of Service Provider's Policies and Procedures**

The Contracting Officer shall approve the Service Provider’s policies and procedures for use under this agreement. Upon approval, the Service Provider is authorized to use its policies and procedures in conjunction with the Performance-Based National Detention Standards mandated under this agreement.

**Article 35. Accreditation**

The Service Provider shall have eighteen (18) months from issuance of this IGSA to fund this agreement to become American Correctional Association (ACA) accredited. The Service Provider shall, within nine (9) months from the date this facility becomes operational, formally apply for accreditation to the ACA. Once full accreditation has been obtained, the Service Provider shall maintain this accreditation throughout the life of the agreement, inclusive of any period extensions. The Service Provider shall provide the Contracting Officer with written proof of such application within five (5) days of the application.
