Note: Executive Order (EO) 13706 Establishing Paid Sick Leave for Federal Contractors applies to all contracts subject to the Service Contract Act for which the contract is awarded (and any solicitation was issued) on or after January 1 2017. If this contract is covered by the EO the contractor must provide employees with 1 hour of paid sick leave for every 30 hours they work up to 56 hours of paid sick leave each year. Employees must be permitted to use paid sick leave for their own illness injury or other health-related needs including preventive care; to assist a family member (or person who is like family to the employee) who is ill injured or has other health-related needs including preventive care; or for reasons resulting from or to assist a family member (or person who is like family to the employee) who is the victim of domestic violence sexual assault or stalking. Additional information on contractor requirements and worker protections under the EO is available at www.dol.gov/whd/govcontracts.

ALL OCCUPATIONS LISTED ABOVE RECEIVE THE FOLLOWING BENEFITS:

HEALTH & WELFARE: \$4.54 per hour up to 40 hours per week or \$181.60 per week or \$786.93 per month

HEALTH & WELFARE EO 13706: \$4.22 per hour up to 40 hours per week or \$168.80 per week or \$731.47 per month*

*This rate is to be used only when compensating employees for performance on an SCA-covered contract also covered by EO 13706 Establishing Paid Sick Leave for Federal Contractors. A contractor may not receive credit toward its SCA obligations for any paid sick leave provided pursuant to EO 13706.

VACATION: 2 weeks paid vacation after 1 year of service with a contractor or successor; 3 weeks after 5 years 4 weeks after 15 years and 5 weeks after 25 years.

Length of service includes the whole span of continuous service with the present contractor or successor wherever employed and with the predecessor contractors in the performance of similar work at the same Federal facility. (Reg. 29 CFR 4.173)

HOLIDAYS: A minimum of ten paid holidays per year: New Year's Day Martin Luther King Jr.'s Birthday Washington's Birthday Memorial Day Independence Day Labor Day Columbus Day Veterans' Day Thanksgiving Day and Christmas Day. (A contractor may substitute for any of the named holidays another day off with pay in accordance with a plan communicated to the employees involved.) (See 29 CFR 4.174)

THE OCCUPATIONS WHICH HAVE NUMBERED FOOTNOTES IN PARENTHESES RECEIVE THE FOLLOWING:

1) COMPUTER EMPLOYEES: Under the SCA at section 8(b) this wage determination does not apply to any employee who individually qualifies as a bona fide executive administrative or professional employee as defined in 29 C.F.R. Part 541. Because most Computer System Analysts and Computer Programmers who are compensated at a rate not less than \$27.63 (or on a salary or fee basis at a rate not less than \$455 per week) an hour would likely qualify as exempt computer professionals (29 C.F.R. 541.400) wage rates may not be listed on this wage determination for all occupations within those job families. In addition because this wage determination may not list a wage rate for some or all occupations within those job families if the survey data indicates that the prevailing wage rate for the occupation equals or exceeds \$27.63 per hour conformances may be necessary for certain nonexempt employees. For example if an individual employee is nonexempt but nevertheless performs duties within the scope of one of the Computer Systems Analyst or Computer Programmer occupations for which this wage determination does not specify an SCA wage rate then the wage rate for that employee must be conformed in accordance with the conformance procedures described in the conformance note included on this wage determination.

Additionally because job titles vary widely and change quickly in the computer industry job titles are not determinative of the application of the computer professional exemption. Therefore the exemption applies only to computer employees who satisfy the compensation requirements and whose primary duty consists of:

(1) The application of systems analysis techniques and procedures including consulting with users to determine hardware software or system functional specifications;

(2) The design development documentation analysis creation testing or modification of computer systems or programs including prototypes based on and related to user or system design specifications;

(3) The design documentation testing creation or modification of computer programs related to machine operating systems; or

(4) A combination of the aforementioned duties the performance of which requires the same level of skills. (29 C.F.R. 541.400).

2) AIR TRAFFIC CONTROLLERS AND WEATHER OBSERVERS - NIGHT PAY & SUNDAY PAY: If you work at night as part of a regular tour of duty you will earn a night differential and receive an additional 10% of basic pay for any hours worked between 6pm and 6am. If you are a full-time employed (40 hours a week) and Sunday is part of your regularly scheduled workweek you are paid at your rate of basic pay plus a Sunday premium of 25% of your basic rate for each hour of Sunday work which is not overtime (i.e. occasional work on Sunday outside the normal tour of duty is considered overtime work).

**** HAZARDOUS PAY DIFFERENTIAL ****

An 8 percent differential is applicable to employees employed in a position that represents a high degree of hazard when working with or in close proximity to ordnance explosives and incendiary materials. This includes work such as screening blending dying mixing and pressing of sensitive ordnance explosives and pyrotechnic compositions such as lead azide black powder and photoflash powder. All dry-house activities involving propellants or explosives. Demilitarization modification renovation demolition and maintenance operations on sensitive ordnance explosives and incendiary materials. All operations involving re-grading and cleaning of artillery ranges.

A 4 percent differential is applicable to employees employed in a position that represents a low degree of hazard when working with or in close proximity to ordnance (or employees possibly adjacent to) explosives and incendiary materials which involves potential injury such as laceration of hands face or arms of the employee engaged in the operation irritation of the skin minor burns and the like; minimal damage to immediate or adjacent work area or equipment being used. All operations involving unloading storage and hauling of ordnance explosive and incendiary ordnance material other than small arms ammunition. These differentials are only applicable to work that has been specifically designated by the agency for ordnance explosives and incendiary material differential pay.

**** UNIFORM ALLOWANCE ****

If employees are required to wear uniforms in the performance of this contract (either by the terms of the Government contract by the employer by the state or local law etc.) the cost of furnishing such uniforms and maintaining (by laundering or dry cleaning) such uniforms is an expense that may not be borne by an employee where such cost reduces the hourly rate below that required by the wage determination. The Department of Labor will accept payment in accordance with the following standards as compliance:

The contractor or subcontractor is required to furnish all employees with an adequate number of uniforms without cost or to reimburse employees for the actual cost of the uniforms. In addition where uniform cleaning and maintenance is made the responsibility of the employee all contractors and subcontractors subject to this wage determination shall (in the absence of a bona fide collective bargaining agreement providing for a different amount or the furnishing of contrary affirmative proof as to the actual cost) reimburse all employees for such cleaning and maintenance at a rate of \$3.35 per week (or \$.67 cents per day). However in those instances where the uniforms furnished are made of "wash and wear" materials may be routinely washed and dried with other personal garments and do not require any special treatment such as dry cleaning daily washing or commercial laundering in order to meet the cleanliness or appearance standards set by the terms of the Government contract by the contractor by law or by the nature of the work there is no requirement that employees be reimbursed for uniform maintenance costs.

** SERVICE CONTRACT ACT DIRECTORY OF OCCUPATIONS **

The duties of employees under job titles listed are those described in the "Service Contract Act Directory of Occupations" Fifth Edition (Revision 1) dated September 2015 unless otherwise indicated.

** REQUEST FOR AUTHORIZATION OF ADDITIONAL CLASSIFICATION AND WAGE RATE Standard Form 1444 (SF-1444) **

Conformance Process:

The contracting officer shall require that any class of service employee which is not listed herein and which is to be employed under the contract (i.e. the work to be performed is not performed by any classification listed in the wage determination) be classified by the contractor so as to provide a reasonable relationship (i.e. appropriate level of skill comparison) between such unlisted classifications and the classifications listed in the wage determination (See 29 CFR 4.6(b)(2)(i)). Such conforming procedures shall be initiated by the contractor prior to the performance of contract work by such unlisted class(es) of employees (See 29 CFR 4.6(b)(2)(ii)). The Wage and Hour Division shall make a final determination of conformed classification wage rate and/or fringe benefits which shall be paid to all employees performing in the classification from the first day of work on which contract work is performed by them in the classification. Failure to pay such unlisted employees the compensation agreed upon by the interested parties and/or fully determined by the Wage and Hour Division retroactive to the date such class of employees commenced contract work shall be a violation of the Act and this contract. (See 29 CFR 4.6(b)(2)(v)). When multiple wage determinations are included in a contract a separate SF-1444 should be prepared for each wage

determination to which a class(es) is to be conformed.

The process for preparing a conformance request is as follows:

- 1) When preparing the bid the contractor identifies the need for a conformed occupation(s) and computes a proposed rate(s).

- 2) After contract award the contractor prepares a written report listing in order the proposed classification title(s) a Federal grade equivalency (FGE) for each proposed classification(s) job description(s) and rationale for proposed wage rate(s) including information regarding the agreement or disagreement of the authorized representative of the employees involved or where there is no authorized representative the employees themselves. This report should be submitted to the contracting officer no later than 30 days after such unlisted class(es) of employees performs any contract work.

- 3) The contracting officer reviews the proposed action and promptly submits a report of the action together with the agency's recommendations and pertinent information including the position of the contractor and the employees to the U.S. Department of Labor Wage and Hour Division for review (See 29 CFR 4.6(b)(2)(ii)).

- 4) Within 30 days of receipt the Wage and Hour Division approves modifies or disapproves the action via transmittal to the agency contracting officer or notifies the contracting officer that additional time will be required to process the request.

- 5) The contracting officer transmits the Wage and Hour Division's decision to the contractor.

- 6) Each affected employee shall be furnished by the contractor with a written copy of such determination or it shall be posted as a part of the wage determination (See 29 CFR 4.6(b)(2)(iii)).

Information required by the Regulations must be submitted on SF-1444 or bond paper.

When preparing a conformance request the ""Service Contract Act Directory of Occupations"" should be used to compare job definitions to ensure that duties requested are not performed by a classification already listed in the wage determination. Remember it is not the job title but the required tasks that determine whether a class is included in an established wage determination. Conformances may not be used to artificially split combine or subdivide classifications listed in the wage determination (See 29 CFR 4.152(c)(1))."

The term "Parties" is used in this Agreement to refer jointly to INS and the Service Provider.

The **United States Marshals Service** (hereinafter referred to as the "Marshals" is also authorized to use this Agreement in the detention of persons charged with, or convicted of, federal law or held as material witnesses (federal prisoner). The terms of this Agreement shall apply to the detention and care of persons authorized to be detained by the Marshals.

The **United States Bureau of Prisons** (hereinafter referred to as the BOP) is also authorized to use this Agreement in the detention of persons charged with, or convicted of, federal law or held as material witnesses (federal prisoners). The terms of this Agreement shall apply to the detention and care of persons authorized to be detained by the BOP.

B. Responsibilities. This Agreement sets forth the responsibilities of INS and the Service Provider. The Agreement states the services the Service Provider shall perform satisfactorily to receive payment from INS at the prescribed rate.

C. Guidance. The Parties will determine the detainee day rate in accordance with OMB Circular A-87, Cost Principles for State, Local, and Indian Tribal Governments (Attachment A) and the INS Cost Statement (Attachment B).

Article II. General

A. Funding. The obligation of INS to make payments to the Service Provider is contingent upon the availability of Federal funds. The INS will, however, neither present detainees to the Service Provider nor direct performance of any other services until the INS has the appropriate funding.

*Intergovernmental Service Agreement for Housing Federal Detainees Between the
Immigration and Naturalization Service and The Teller County Jail, Divide, CO.

B. Subcontractors. The Service Provider shall notify and obtain approval from the INS if it intends to house INS detainees in a facility other than that specified on the cover page of this document. If either that facility, or any future one, is operated by an entity other than the Service Provider, INS shall treat that entity as a subcontractor to the Service Provider.

The Service Provider shall ensure that any subcontract includes all provisions of this Agreement, and shall provide INS with copies of all subcontracts in existence during any part of the term of this Agreement. The INS will not either accept invoices from, or make payments to, a subcontractor.

C. Consistent with law. Any provision of this Agreement contrary to applicable statutes, regulation, policies, or judicial mandates is null and void, but shall not necessarily affect the balance of the Agreement.

Article III. Covered Services

A. Bed space. The Service Provider shall provide beds in the **Teller County Jail, 288 County Road 29, Divide, Colorado 80814** on a space available basis. The Service Provider shall house all detainees and may spread the detainees throughout the population. The INS will be financially liable only for the actual detainee days as defined in Paragraph C. of this Article.

B. Basic needs. The Service Provider shall provide adult INS detainees (gender as specified in Paragraph A. of this Article) with safekeeping, housing, subsistence, medical and other services in accordance with this Agreement. In providing these services, the Service Provider shall ensure compliance with all applicable laws, regulations, fire and safety codes, policies, and procedures. If the Service Provider determines that INS has delivered a person for custody who is under the age of 18, the Service Provider shall not house that person with adult detainees, and shall notify the INS immediately. The types and levels of services shall be those the Service Provider routinely affords to other inmates.

C. Unit of service and financial liability. The unit of service will be a "detainee day" (one person per day). The detainee day begins on the date of arrival. The Service Provider may bill INS for the date of arrival but not the date of departure. For example: If a detainee is brought in at 1900 Sunday and is released at 0700 on Monday, the Service Provider may bill for 1 detainee day. If a detainee is brought in at 0100, Sunday and is released at 2359 Monday, the Service Provider may bill for only 1 detainee day. The INS shall be responsible to pay for only those beds actually occupied. The provisional diem rate under this agreement is [REDACTED] per man day. See Article XI.

All costs associated with hospital or health care services provided by any health care facility will be paid directly by the federal government. In the event the local government has contract with a medical facility/physician or receives discounted rates, the federal prisoners shall be charged the same rate as local prisoners. The text in this paragraph applies only to Marshals and BOP.

B. Level of Professionalism. The Service Provider shall ensure that all health care service providers utilized for INS detainees hold current licenses, certifications, and/or registrations with the State and/or City where they are practicing. Upon such notification the Service Provider shall allow INS reasonable time to make the proper arrangements for further disposition of that detainee.

Either party may request a modification to this agreement by submitting a written request to the other. Regardless of the decision on any such motion, INS shall assure that the U.S. Attorney's Office be responsible for the defense of any suit on these grounds.

D. INS recovery right. The Service Provider shall do nothing to prejudice INS right to recover against third parties for any loss, destruction of, or damage to U.S. Government property. Upon request of the Contracting Officer, the Service Provider shall, at the INS' expense, furnish to INS all reasonable assistance and cooperation, including assistance in the prosecution of suit and execution of the instruments of assignment in favor of INS in obtaining recovery.

Article XV. Financial Records

A. Retention of records. All financial records, supporting documents, statistical records, and other records pertinent to contracts or subordinate agreements under this Agreement shall be retained by the Service Provider for at least three years for purposes of federal examinations and audit. The 3-year retention period begins at the end of the first year of completion of service under the Agreement. If any litigation, claim, negotiation, audit, or other action involving the records has been started before the expiration of the 3-year period, the records must be retained until completion of the action and resolution of all issues which arise from it or until the end of the regular 3-year period, whichever is later.

B. Access to records. The INS and the Comptroller General of the United States, or any of their authorized representatives, shall have the right of access to any pertinent books, documents, papers or other records of the Service Provider or its sub-recipients, which are pertinent to the award, in order to make audits, examinations, excerpts, and transcripts. The rights of access must not be limited to the required retention period, but shall last as long as the records are retained.

C. Delinquent debt collection. The INS will hold the Service Provider accountable for any overpayment, or any breach of this Agreement that results in a debt owed to the Federal Government. The INS shall apply interest, penalties, and administrative costs to a delinquent debt owed to the Federal Government by the Service provider pursuant to the Debt Collection Improvement Act of 1982, as amended.
