The purpose of the following modification is to account for the current and additional Video Teleconference Equipment provided by ICE to be used as required for detainee hearings.
ICE Furnished Property:

A. ICE Property Furnished to the Service Provider: ICE may furnish Federal Government property and equipment to the Service Provider. Accountable property remains titled to ICE and shall be returned to the custody of ICE upon termination of the Agreement. The suspension of use of bed space made available to ICE is agreed to be grounds for the recall and return of any or all ICE furnished property.

B. Service Provider Responsibility: The Service Provider shall not remove ICE property from the facility without the prior written approval of ICE. The Service Provider shall report any loss or destruction of any ICE property immediately to ICE.

VTC Services:
ICE intends to furnish the service provider equipment required to conduct video teleconferences (VTC) for ICE detainee Court Hearings as Government Furnished Equipment (GFE). ICE will be responsible for all costs associated with maintaining and repairing the equipment, except for equipment repairs/replacement required as a result of service provider negligence; these costs will be paid by the service provider. The service provider shall contact the ICE COR prior to obtaining needed repairs or maintenance on GFE. ICE will be responsible for the costs of ancillary data services to provide VTC services for ICE detainees.
