FAR (48 CFR) 53.243
The purpose of this modification is the following:

1) Extend the period of performance for this IGSA for a period of five (5) years through April 30, 2025.

2) To update the tiered pricing for Polk County reflecting changes in ICE requirements including the incorporation of a surge capability into the IGSA.

The vendor shall provide normal (non-surge) staffing for the facility up to [redacted] detainees. In addition, and so long as the detainee population is at [redacted] or less, the vendor shall maintain surge staffing at 25% of the staffing required for all “surge” beds (i.e., beds [redacted] for a total of [redacted] beds). These beds will be dedicated for ICE use only, provided that vendor shall have ninety (90) days to reduce the facility’s existing USMS population to no more than 60 detainees. Such surge staffing (and empty housing units) may be used to address issues such as (i) development of LGBTI housing options at surge locations, (ii) development of mental health housing options outside of the traditional segregation units, and (iii) greater flexibility in housing other vulnerable populations in a general population environment. For detainee populations exceeding 500, vendor shall provide additional estimated staffing as follows:

• Deliverable: Action Plan - Submitted with Quote and updated at the request of the COR - Submitted to the COR.

This deliverable will reflect how the vendor plans to meet the surge requirements when activated, on-call employees, or overtime employees and/or a plan to recruit necessary new employees.

• Deliverable: Availability List - Monthly - Submitted to the COR.

This deliverable shall be an ongoing list of possible employees which are available to be on-boarded for the surge once activated, which includes a list of on-boarded surge employees.

*No staffing related deductions shall apply during any period the Contractor documents that a vacant position was covered through the use of overtime, contract staff or otherwise during a surge.

Except as otherwise set forth above, all (non-surge and surge) staffing shall be provided in accordance with the attached staffing plans.

5) Incorporate attached DOL Wage Determination 2015-5279 Revision 14. This Wage Determination has an effective date of February 1, 2020. MTC will have to submit a REA for increased wages due to the SCA for February 01, 2020 - April 30, 2020. The increased rates in this modification account for the incorporation of the revised Wage Determination May 01, 2020 onward;

6) The incorporation of a new requirement to allow each ICE detainee a total of [ ] free telephone minutes per month.

*The costs associated with this would be passed on from the facility’s phone provider, without additional G&A and Fee.

INTER-GOVERNMENTAL SERVICE AGREEMENT ("IGSA")

BETWEEN THE

UNITED STATES DEPARTMENT OF HOMELAND SECURITY
U.S. IMMIGRATION AND CUSTOMS ENFORCEMENT

AND

POLK COUNTY, TEXAS

This Agreement is entered into between United States Immigration and Customs Enforcement, hereinafter referred to as "ICE", and Polk County, Texas, hereinafter referred to as the "PROVIDER" for the detention and care of aliens (thereafter referred to as "DETAINEES").

FACILITY LOCATION:

The PROVIDER shall provide detention services for detainees at the following institution(s):

IAH Detention Center
3400 FM 350 South
Livingston, TX

PERFORMANCE:

The PROVIDER is required, in units housing ICE detainees, to perform in accordance with the most current editions of the ICE Detention Standards, American Correctional Association (ACA) Standards for Adult Local Detention Facilities (ALDF), and Standards Supplement, Standards for Health Services in Jails, latest edition, National Commission on Correctional Health Care (NCCHC). Some ACA standards are augmented by ICE policy and/or procedure. In cases where other standards conflict with DHS/ICE Policy or Standards, DHS/ICE Policy and Standards prevail. ICE Inspectors will conduct periodic inspections of the facility to assure compliance of the aforementioned standards.

The PROVIDER will have eighteen (18) months from commencement of this agreement to become ACA accredited. The PROVIDER shall, within nine (9) months from the date this facility becomes operational, to formally apply for accreditation to the American Correctional Association. The PROVIDER shall furnish written proof of such application to ICE within five (5) days of the application.

PERIOD OF PERFORMANCE:

This Agreement shall become effective upon the date of final signature by ICE and the PROVIDER and remain in effect indefinitely unless terminated in writing, by either party. Either party must provide written notice of intention to terminate the agreement, 120 days in advance of the effective date of formal
termination.

NOTIFICATION AND PUBLIC DISCLOSURES:

No public disclosures regarding this IGSA shall be made by the PROVIDER, except as may be required by federal or state law, or regulation (or any of their contractors or subcontractors) without the review and approval of such disclosure by ICE Public Affairs and express permission granted by the ICE Contracting Officer. The Government considers such information privileged or confidential until award of a formal order under this IGSA.

ORDERS:

Orders will be placed under this IGSA when specific requirements have been identified and funding obtained. Performance under this IGSA is not authorized until the Contracting Officer issues an order, in writing.

PAYMENT RATE:

In consideration for the PROVIDER'S performance under the Terms and Conditions of this Agreement, ICE shall make payment to the PROVIDER for each detainee accepted and housed by the PROVIDER. This rate is the per diem rate for the support of one Detainee per day and shall include the day of arrival but not the day of departure.

The PROVIDER shall not charge for costs, which are not directly related to the housing and detention of detainees. Such costs include, but are not limited to:

A) Salaries of elected officials.
B) Salaries of employees not directly engaged in the housing and detention of detainees.
C) Indirect costs in which a percentage of all local government costs are pro-rated and applied to individual departments.
D) Detainee services which are not provided to, or cannot be used by detainees.
E) Operating costs of facilities not utilized by detainees.
F) Interest on borrowing (however represented), bond discounts, cost(s) of financing/refinancing, and legal or professional fees.
FIRM-FIXED-PRICE - PER-DIEM RATES AND PRICE ADJUSTMENTS

Per Diem rate established by this agreement shall be considered firm-fixed-price with economic price adjustment. The per diem rate of [redacted] will be in effect for the first 12 months of the agreement. The rates cover one (1) person per “prisoner day.” The Federal Government may not be billed for two (2) days when a prisoner is admitted one evening and removed the following morning. PROVIDER may bill for the day of arrival, but not for the day of departure. The Per Diem rate is subject to price adjustment at the end of each performance period of one year.

Performance Periods - For the purpose of price adjustments, the performance of this Agreement is twelve (12) months in duration. The first period shall extend from the effective date of the Agreement forward for twelve (12) months. All succeeding periods shall begin on the anniversary date of the preceding period.

Basis for Price Adjustment - A fixed-price with economic price adjustment provides for upward and downward revision of the stated Per Diem based upon cost indexes of labor and operating expenses, or based upon PROVIDER’S actual cost experience in providing the service.

The PROVIDER shall furnish vehicles equipped with interior security features including physical separation of detainees from guards. The PROVIDER shall provide the interior security specification of the vehicles to ICE for review and approval prior to installation.

GUARD SERVICES:

1. The PROVIDER agrees to provide stationary guard services on demand by the COTR and shall include, but are not limited to, escorting and guarding detainees to medical or doctor's appointments, hearings, ICE interviews, and any other location requested by the COTR. Such services will be performed by qualified law enforcement or correctional officer personnel employed by the PROVIDER under their policies, procedure and practices. The PROVIDER agrees to augment such practices as may be requested by ICE to enhance specific requirements for security, detainee monitoring, visitation, and contraband control. Public contact is prohibited unless authorized in advance by the COTR.

2. The PROVIDER shall be authorized one officer for each such remote post, unless otherwise directed by the COTR or designated Agency official.

3. Such services shall be denoted as a separate item on submitted invoices. ICE agrees to reimburse the PROVIDER for actual stationary guard services provided at a negotiated rate of [redacted] per guard, per hour.

MEDICAL SERVICES:

In the event of an emergency, the PROVIDER shall proceed immediately with necessary medical treatment. In such event, the PROVIDER shall notify ICE immediately regarding the nature of the transferred detainee's illness or injury and type of treatment provided.

The PROVIDER shall ensure that all health care service providers utilized for ICE detainees hold current licenses, certifications, and/or registrations with the State and/or City where they are practicing. The PROVIDER shall retain a registered nurse to provide health care and sick call coverage unless expressly stated otherwise in this Agreement. In the absence of a health care professional, non-health care personnel may refer detainees to health care resources based upon protocols developed by the United States Public Health Service (USPHS) Division of Immigration Health Services (DIHS). Healthcare or health trained personnel may perform screenings.

The PROVIDER shall ensure that onsite medical and health care coverage as defined below is available for all ICE detainees at the facility for at least eight (8) hours per day, seven (7) days per week. The PROVIDER shall ensure that its employees solicit each detainee for health complaints and deliver complaints in writing to the medical and health care staff.

The PROVIDER shall furnish onsite health care under this Agreement. The PROVIDER shall not charge any ICE detainee an additional fee or co-payment for medical services or treatment provided at the PROVIDER'S facility. The PROVIDER shall ensure that ICE detainees receive no lower level of onsite medical care and services than those it provides to local inmates. Onsite health care services shall include arrival screening within twenty-four (24) hours of arrival to the facility, sick call coverage, provision of over-
the-counter medications, treatment of minor injuries (e.g. lacerations, sprains, contusions), treatment of special needs and mental health assessments. Detainees with chronic conditions shall receive prescribed treatment and follow-up care.

Arrival screening shall include at a minimum TB symptom screening, planting of the Tuberculin; skin Test (PPD), and recording the history of past and present illnesses (mental and physical). If the PROVIDER determines that an ICE detainee has a medical condition which renders that person unacceptable for detention under this Agreement, (for example, contagious disease, condition needing life support, uncontrollable violence), the PROVIDER shall notify ICE. Upon such notification, the PROVIDER shall allow ICE reasonable time to make the proper arrangements for further disposition of that detainee.

The DIHS acts as the agent and final health authority for ICE on all off-site detainee medical and health related matters. The relationship of the DIHS to the detainee equals that of physician to patient. The PROVIDER shall release any and all medical information for ICE detainees to the DIHS representatives upon request, except where prohibited by federal or state law or regulation. The PROVIDER shall solicit DIHS approval before proceeding with non-emergency, off-site medical care (e.g. off site lab testing, eyeglasses, cosmetic dental prosthetics, dental care for cosmetic purposes). The PROVIDER shall submit supporting documentation for non-routine, off-site medical/health services to DIHS. For medical care provided outside the facility, the DIHS may determine that an alternative medical provider or institution is more cost-effective or more aptly meets the needs of ICE and the detainee. ICE may refuse to reimburse the PROVIDER for non-emergency medical costs incurred that were not pre-approved by the DIHS. The PROVIDER shall send requests for pre-approval for non-emergency off-site care to:

The PROVIDER shall furnish twenty-four (24) hour emergency medical care and emergency evacuation procedures. In an emergency, the PROVIDER shall obtain the medical treatment required to preserve the detainee's health. The PROVIDER shall have access to an off site emergency medical provider at all times. The Health Authority of the PROVIDER shall notify the DIHS Managed Care Coordinators, ICE Health Services, 1220 L Street, NW, PMB 468, Washington, DC, 20005-4018, phone (888) 718-8947, fax (202)

The PROVIDER shall allow DIHS Managed Care Coordinators reasonable access to its facility for the purpose of liaison activities with the Health Authority and associated Service Provider departments.

The PROVIDER and all medical providers approved to furnish off-site health care of detainees shall submit their bills to:

Note: Executive Order (EO) 13706 Establishing Paid Sick Leave for Federal Contractors applies to all contracts subject to the Service Contract Act for which the contract is awarded (and any solicitation was issued) on or after January 1, 2017. If this contract is covered by the EO the contractor must provide employees with 1 hour of paid sick leave for every 30 hours they work up to 56 hours of paid sick leave each year. Employees must be permitted to use paid sick leave for their own illness injury or other health-related needs including preventive care; to assist a family member (or person who is like family to the employee) who is ill injured or has other health-related needs including preventive care; or for reasons resulting from or to assist a family member (or person who is like family to the employee) who is the victim of domestic violence sexual assault or stalking. Additional information on contractor requirements and worker protections under the EO is available at www.dol.gov/whd/govcontracts.

ALL OCCUPATIONS LISTED ABOVE RECEIVE THE FOLLOWING BENEFITS:

HEALTH & WELFARE: $4.60 per hour up to 40 hours per week or $184.00 per week or $797.33 per month

HEALTH & WELFARE EO 13706: $4.23 per hour up to 40 hours per week or $169.20 per week or $733.20 per month*

*This rate is to be used only when compensating employees for performance on an SCA-covered contract also covered by EO 13706 Establishing Paid Sick Leave for Federal Contractors. A contractor may not receive credit toward its SCA obligations for any
paid sick leave provided pursuant to EO 13706.

VACATION: 2 weeks paid vacation after 1 year of service with a contractor or successor; 3 weeks after 10 years and 4 after 20 years. Length of service includes the whole span of continuous service with the present contractor or successor wherever employed and with the predecessor contractors in the performance of similar work at the same Federal facility. (Reg. 29 CFR 4.173)

HOLIDAYS: A minimum of eleven paid holidays per year: New Year's Day Martin Luther King Jr.'s Birthday Washington's Birthday Memorial Day Juneteenth National Independence Day Independence Day Labor Day Columbus Day Veterans' Day Thanksgiving Day and Christmas Day. (A contractor may substitute for any of the named holidays another day off with pay in accordance with a plan communicated to the employees involved.) (See 29 CFR 4.174)

THE OCCUPATIONS WHICH HAVE NUMBERED FOOTNOTES IN PARENTHESES RECEIVE THE FOLLOWING:

1) COMPUTER EMPLOYEES: Under the SCA at section 8(b) this wage determination does not apply to any employee who individually qualifies as a bona fide executive administrative or professional employee as defined in 29 C.F.R. Part 541. Because most Computer System Analysts and Computer Programmers who are compensated at a rate not less than $27.63 (or on a salary or fee basis at a rate not less than $455 per week) an hour would likely qualify as exempt computer professionals (29 C.F.R. 541.400) wage rates may not be listed on this wage determination for all occupations within those job families. In addition because this wage determination may not list a wage rate for some or all occupations within those job families if the survey data indicates that the prevailing wage rate for the occupation equals or exceeds $27.63 per hour conformances may be necessary for certain nonexempt employees. For example if an individual employee is nonexempt but nevertheless performs duties within the scope of one of the Computer Systems Analyst or Computer Programmer occupations for which this wage determination does not specify an SCA wage rate then the wage rate for that employee must be conformed in accordance with the conformance procedures described in the conformance note included on this wage determination.
Additionally because job titles vary widely and change quickly in the computer industry job titles are not determinative of the application of the computer professional exemption. Therefore the exemption applies only to computer employees who satisfy the compensation requirements and whose primary duty consists of:

(1) The application of systems analysis techniques and procedures including consulting with users to determine hardware software or system functional specifications;

(2) The design development documentation analysis creation testing or modification of computer systems or programs including prototypes based on and related to user or system design specifications;

(3) The design documentation testing creation or modification of computer programs related to machine operating systems; or

(4) A combination of the aforementioned duties the performance of which requires the same level of skills. (29 C.F.R. 541.400).

2) AIR TRAFFIC CONTROLLERS AND WEATHER OBSERVERS - NIGHT PAY & SUNDAY PAY: If you work at night as part of a regular tour of duty you will earn a night differential and receive an additional 10% of basic pay for any hours worked between 6pm and 6am. If you are a full-time employed (40 hours a week) and Sunday is part of your regularly scheduled workweek you are paid at your rate of basic pay plus a Sunday premium of 25% of your basic rate for each hour of Sunday work which is not overtime (i.e. occasional work on Sunday outside the normal tour of duty is considered overtime work).

** HAZARDOUS PAY DIFFERENTIAL **

An 8 percent differential is applicable to employees employed in a position that represents a high degree of hazard when working with or in close proximity to ordnance explosives and incendiary materials. This includes work such as screening blending dyeing mixing and pressing of sensitive ordnance explosives and pyrotechnic compositions such as lead azide black powder and photoflash powder. All dry-house activities involving propellants or explosives. Demilitarization modification renovation demolition and maintenance operations on sensitive ordnance explosives and incendiary materials. All operations involving re-grading and cleaning of artillery ranges.
A 4 percent differential is applicable to employees employed in a position that represents a low degree of hazard when working with or in close proximity to ordnance (or employees possibly adjacent to) explosives and incendiary materials which involves potential injury such as laceration of hands face or arms of the employee engaged in the operation irritation of the skin minor burns and the like; minimal damage to immediate or adjacent work area or equipment being used. All operations involving unloading storage and hauling of ordnance explosive and incendiary ordnance material other than small arms ammunition. These differentials are only applicable to work that has been specifically designated by the agency for ordnance explosives and incendiary material differential pay.

** UNIFORM ALLOWANCE **

If employees are required to wear uniforms in the performance of this contract (either by the terms of the Government contract by the employer by the state or local law etc.) the cost of furnishing such uniforms and maintaining (by laundering or dry cleaning) such uniforms is an expense that may not be borne by an employee where such cost reduces the hourly rate below that required by the wage determination. The Department of Labor will accept payment in accordance with the following standards as compliance:

The contractor or subcontractor is required to furnish all employees with an adequate number of uniforms without cost or to reimburse employees for the actual cost of the uniforms. In addition where uniform cleaning and maintenance is made the responsibility of the employee all contractors and subcontractors subject to this wage determination shall (in the absence of a bona fide collective bargaining agreement providing for a different amount or the furnishing of contrary affirmative proof as to the actual cost) reimburse all employees for such cleaning and maintenance at a rate of $3.35 per week (or $.67 cents per day). However in those instances where the uniforms furnished are made of "wash and wear" materials may be routinely washed and dried with other personal garments and do not require any special treatment such as dry cleaning daily washing or commercial laundering in order to meet the cleanliness or appearance standards set by the terms of the Government contract by the contractor by law or by the nature of the work there is no requirement that employees be reimbursed for uniform maintenance costs.

** SERVICE CONTRACT ACT DIRECTORY OF OCCUPATIONS **
The duties of employees under job titles listed are those described in the "Service Contract Act Directory of Occupations" Fifth Edition (Revision 1) dated September 2015 unless otherwise indicated.

**REQUEST FOR AUTHORIZATION OF ADDITIONAL CLASSIFICATION AND WAGE RATE Standard Form 1444 (SF-1444)**

Conformance Process:

The contracting officer shall require that any class of service employee which is not listed herein and which is to be employed under the contract (i.e. the work to be performed is not performed by any classification listed in the wage determination) be classified by the contractor so as to provide a reasonable relationship (i.e. appropriate level of skill comparison) between such unlisted classifications and the classifications listed in the wage determination (See 29 CFR 4.6(b)(2)(i)). Such conforming procedures shall be initiated by the contractor prior to the performance of contract work by such unlisted class(es) of employees (See 29 CFR 4.6(b)(2)(ii)). The Wage and Hour Division shall make a final determination of conformed classification wage rate and/or fringe benefits which shall be paid to all employees performing in the classification from the first day of work on which contract work is performed by them in the classification. Failure to pay such unlisted employees the compensation agreed upon by the interested parties and/or fully determined by the Wage and Hour Division retroactive to the date such class of employees commenced contract work shall be a violation of the Act and this contract. (See 29 CFR 4.6(b)(2)(v)). When multiple wage determinations are included in a contract a separate SF-1444 should be prepared for each wage determination to which a class(es) is to be conformed.

The process for preparing a conformance request is as follows:

1) When preparing the bid the contractor identifies the need for a conformed occupation(s) and computes a proposed rate(s).

2) After contract award the contractor prepares a written report listing in order the proposed classification title(s) a Federal grade equivalency (FGE) for each proposed classification(s) job description(s) and rationale for proposed wage rate(s) including information regarding the agreement or disagreement of the
authorized representative of the employees involved or where there is no authorized representative the employees themselves. This report should be submitted to the contracting officer no later than 30 days after such unlisted class(es) of employees performs any contract work.

3) The contracting officer reviews the proposed action and promptly submits a report of the action together with the agency's recommendations and pertinent information including the position of the contractor and the employees to the U.S. Department of Labor Wage and Hour Division for review (See 29 CFR 4.6(b)(2)(ii)).

4) Within 30 days of receipt the Wage and Hour Division approves modifies or disapproves the action via transmittal to the agency contracting officer or notifies the contracting officer that additional time will be required to process the request.

5) The contracting officer transmits the Wage and Hour Division's decision to the contractor.

6) Each affected employee shall be furnished by the contractor with a written copy of such determination or it shall be posted as a part of the wage determination (See 29 CFR 4.6(b)(2)(iii)).

Information required by the Regulations must be submitted on SF-1444 or bond paper.

When preparing a conformance request the ""Service Contract Act Directory of Occupations"" should be used to compare job definitions to ensure that duties requested are not performed by a classification already listed in the wage determination. Remember it is not the job title but the required tasks that determine whether a class is included in an established wage determination. Conformances may not be used to artificially split combine or subdivide classifications listed in the wage determination (See 29 CFR 4.152(c)(1))."
