Invoice updates may be requested by the COR and will require timely resubmission to the COR and the ERO RPA Team Mailbox. The Government reserves the right to update the detention facility invoice process, templates or other related documents, in order to fix issues, expand capabilities, and improve performance of the reconciliation process.

Bed Space Tracking Initiative (BSTI) Contract Requirement:

The Custody Management - ServiceNow platform portal (Custody SNOW) is a consolidated portal that will enable ICE to meet detention facility reporting requirements. Effective March 01, 2020, detention facilities are required to complete the attached template and submit it twice daily via e-mail to BSTI@ice.dhs.gov at 9:00am EST and 4:00pm EST. In the future, the data platform may include, but not limited to, the Bed Space Tracking Initiative (BSTI), Segregation Management Reporting System (SMRS), Prison Rape Elimination Act (PREA), and Sexual Abuse and Assault Prevention and Intervention (SAAPI) compliance, national detention standards compliance, as well as other detention-related compliance and initiative reports being developed by ICE. Applicable submission forms and reporting templates will be made available to the detention facilities via email, the Custody SNOW portal or other electronically transmitted medium of the governments choice. Data input may be required on an as-needed basis, such as, per incident or an established reporting time of day requirement, based on the specific subject, and as required under applicable Federal law, ICE policies, and/or program procedures. The Government reserves the right to update the Custody SNOW portal and associated forms, user access, and submission process for uploading the required data to correct issues, expand capabilities, and improve performance of the system.

Note: Executive Order (EO) 13706 Establishing Paid Sick Leave for Federal Contractors applies to all contracts subject to the Service Contract Act for which the contract is awarded (and any solicitation was issued) on or after January 1 2017. If this contract is covered by the EO the contractor must provide employees with 1 hour of paid sick leave for every 30 hours they work up to 56 hours of paid sick leave each year. Employees must be permitted to use paid sick leave for their own illness injury or other health-related needs including preventive care; to assist a family member (or person who is like family to the employee) who is ill injured or has other health-related needs including preventive care; or for reasons resulting from or to assist a family member (or person who is like family to the employee) who is the victim of domestic violence sexual assault or stalking. Additional information on contractor requirements and worker protections under the EO is available at www.dol.gov/whd/govcontracts.

ALL OCCUPATIONS LISTED ABOVE RECEIVE THE FOLLOWING BENEFITS:

HEALTH & WELFARE: $4.60 per hour up to 40 hours per week or $184.00 per week or $797.33 per month

HEALTH & WELFARE EO 13706: $4.23 per hour up to 40 hours per week or $169.20 per week or $733.20 per month*

*This rate is to be used only when compensating employees for performance on an SCA-covered contract also covered by EO 13706 Establishing Paid Sick Leave for Federal Contractors. A contractor may not receive credit toward its SCA obligations for any paid sick leave provided pursuant to EO 13706.

VACATION: 1 week paid vacation after 1 year of service with a contractor or successor; 2 weeks after 2 years; and 3 weeks after 10 years. Length of service includes the whole span of continuous service with the present contractor or successor wherever employed and with the predecessor contractors in the performance of similar work at the same Federal facility. (Reg. 29 CFR 4.173)

HOLIDAYS: A minimum of eleven paid holidays per year: New Year's Day Martin Luther King Jr.'s Birthday Washington's Birthday Memorial Day Juneteenth National Independence Day Independence Day Labor Day Columbus Day Veterans' Day Thanksgiving Day and Christmas Day. (A contractor may substitute for any of the named holidays another day off with pay in accordance with a plan communicated to the employees involved.) (See 29 CFR 4.174)

THE OCCUPATIONS WHICH HAVE NUMBERED FOOTNOTES IN PARENTHESES RECEIVE THE FOLLOWING:

1) COMPUTER EMPLOYEES: Under the SCA at section 8(b) this wage determination does not apply to any employee who individually qualifies as a bona fide executive
administrative or professional employee as defined in 29 C.F.R. Part 541. Because most Computer System Analysts and Computer Programmers who are compensated at a rate not less than $27.63 (or on a salary or fee basis at a rate not less than $455 per week) an hour would likely qualify as exempt computer professionals (29 C.F.R. 541.400) wage rates may not be listed on this wage determination for all occupations within those job families. In addition because this wage determination may not list a wage rate for some or all occupations within those job families if the survey data indicates that the prevailing wage rate for the occupation equals or exceeds $27.63 per hour conformances may be necessary for certain nonexempt employees. For example if an individual employee is nonexempt but nevertheless performs duties within the scope of one of the Computer Systems Analyst or Computer Programmer occupations for which this wage determination does not specify an SCA wage rate then the wage rate for that employee must be conformed in accordance with the conformance procedures described in the conformance note included on this wage determination.

Additionally because job titles vary widely and change quickly in the computer industry job titles are not determinative of the application of the computer professional exemption. Therefore the exemption applies only to computer employees who satisfy the compensation requirements and whose primary duty consists of:

(1) The application of systems analysis techniques and procedures including consulting with users to determine hardware software or system functional specifications;

(2) The design development documentation analysis creation testing or modification of computer systems or programs including prototypes based on and related to user or system design specifications;

(3) The design documentation testing creation or modification of computer programs related to machine operating systems; or

(4) A combination of the aforementioned duties the performance of which requires the same level of skills. (29 C.F.R. 541.400).

2) AIR TRAFFIC CONTROLLERS AND WEATHER OBSERVERS - NIGHT PAY & SUNDAY PAY: If you work at night as part of a regular tour of duty you will earn a night differential and receive an additional 10% of basic pay for any hours worked between 6pm and 6am. If you are a full-time employed (40 hours a week) and Sunday is part of your regularly scheduled workweek you are paid at your rate of basic pay plus a Sunday premium of 25% of your basic rate for each hour of Sunday work which is not overtime (i.e. occasional work on Sunday outside the normal tour of duty is considered overtime work).

** HAZARDOUS PAY DIFFERENTIAL **

An 8 percent differential is applicable to employees employed in a position that represents a high degree of hazard when working with or in close proximity to ordnance explosives and incendiary materials. This includes work such as screening blending drying mixing and pressing of sensitive ordnance explosives and pyrotechnic compositions such as lead azide black powder and photoflash powder. All dry-house activities involving propellants or explosives. Demilitarization modification renovation demolition and maintenance operations on sensitive ordnance explosives and incendiary materials. All operations involving re-grading and cleaning of artillery ranges.
A 4 percent differential is applicable to employees employed in a position that represents a low degree of hazard when working with or in close proximity to ordnance (or employees possibly adjacent to) explosives and incendiary materials which involves potential injury such as laceration of hands face or arms of the employee engaged in the operation irritation of the skin minor burns and the like; minimal damage to immediate or adjacent work area or equipment being used. All operations involving unloading storage and hauling of ordnance explosive and incendiary ordnance material other than small arms ammunition. These differentials are only applicable to work that has been specifically designated by the agency for ordnance explosives and incendiary material differential pay.

** UNIFORM ALLOWANCE **

If employees are required to wear uniforms in the performance of this contract (either by the terms of the Government contract by the employer by the state or local law etc.) the cost of furnishing such uniforms and maintaining (by laundering or dry cleaning) such uniforms is an expense that may not be borne by an employee where such cost reduces the hourly rate below that required by the wage determination. The Department of Labor will accept payment in accordance with the following standards as compliance:

The contractor or subcontractor is required to furnish all employees with an adequate number of uniforms without cost or to reimburse employees for the actual cost of the uniforms. In addition where uniform cleaning and maintenance is made the responsibility of the employee all contractors and subcontractors subject to this wage determination shall (in the absence of a bona fide collective bargaining agreement providing for a different amount or the furnishing of contrary affirmative proof as to the actual cost) reimburse all employees for such cleaning and maintenance at a rate of $3.35 per week (or $.67 cents per day). However in those instances where the uniforms furnished are made of "wash and wear" materials may be routinely washed and dried with other personal garments and do not require any special treatment such as dry cleaning daily washing or commercial laundering in order to meet the cleanliness or appearance standards set by the terms of the Government contract by the contractor by law or by the nature of the work there is no requirement that employees be reimbursed for uniform maintenance costs.

** SERVICE CONTRACT ACT DIRECTORY OF OCCUPATIONS **

The duties of employees under job titles listed are those described in the ""Service Contract Act Directory of Occupations"" Fifth Edition (Revision 1) dated September 2015 unless otherwise indicated.

** REQUEST FOR AUTHORIZATION OF ADDITIONAL CLASSIFICATION AND WAGE RATE Standard Form 1444 (SF-1444) **

Conformance Process:
The contracting officer shall require that any class of service employee which is not listed herein and which is to be employed under the contract (i.e. the work to be performed is not performed by any classification listed in the wage determination) be classified by the contractor so as to provide a reasonable relationship (i.e. appropriate level of skill comparison) between such unlisted classifications and the classifications listed in the wage determination (See 29 CFR 4.6(b)(2)(i)). Such conforming procedures shall be initiated by the contractor prior to the performance of contract work by such unlisted class(es) of employees (See 29 CFR 4.6(b)(2)(ii)). The Wage and Hour Division shall make a final determination of conformed classification wage rate and/or fringe benefits which shall be paid to all employees performing in the classification from the first day of work on which contract work is performed by them in the classification. Failure to pay such unlisted employees the compensation agreed upon by the interested parties and/or fully determined by the Wage and Hour Division retroactive to the date such class of employees commenced contract work shall be a violation of the Act and this contract. (See 29 CFR 4.6(b)(2)(v)). When multiple wage determinations are included in a contract a separate SF-1444 should be prepared for each wage determination to which a class(es) is to be conformed.

The process for preparing a conformance request is as follows:

1) When preparing the bid the contractor identifies the need for a conformed occupation(s) and computes a proposed rate(s).

2) After contract award the contractor prepares a written report listing in order the proposed classification title(s) a Federal grade equivalency (FGE) for each proposed classification(s) job description(s) and rationale for proposed wage rate(s) including information regarding the agreement or disagreement of the authorized representative of the employees involved or where there is no authorized representative the employees themselves. This report should be submitted to the contracting officer no later than 30 days after such unlisted class(es) of employees performs any contract work.

3) The contracting officer reviews the proposed action and promptly submits a report of the action together with the agency's recommendations and pertinent information including the position of the contractor and the employees to the U.S. Department of Labor Wage and Hour Division for review (See 29 CFR 4.6(b)(2)(ii)).

4) Within 30 days of receipt the Wage and Hour Division approves modifies or disapproves the action via transmittal to the agency contracting officer or notifies the contracting officer that additional time will be required to process the request.

5) The contracting officer transmits the Wage and Hour Division's decision to the contractor.

6) Each affected employee shall be furnished by the contractor with a written copy of such determination or it shall be posted as a part of the wage determination (See 29 CFR 4.6(b)(2)(iii)).
Information required by the Regulations must be submitted on SF-1444 or bond paper.

When preparing a conformance request the "Service Contract Act Directory of Occupations" should be used to compare job definitions to ensure that duties requested are not performed by a classification already listed in the wage determination. Remember it is not the job title but the required tasks that determine whether a class is included in an established wage determination. Conformances may not be used to artificially split combine or subdivide classifications listed in the wage determination (See 29 CFR 4.152(c)(1))."

Date: 12/5/2020

ACCEPTED:

Hall County, Nebraska

Date: 12/5/2020
Article I. Purpose

A. Purpose: The purpose of this Intergovernmental Service Agreement (IGSA) is to establish an Agreement between ICE and the Service Provider for the detention, and care of persons detained under the authority of the Immigration and Nationality Act, as amended. All persons in the custody of ICE are “Administrative Detainees.” This term recognizes that ICE detainees are not charged with criminal violations and are only held in custody to assure their presence throughout the administrative hearing process and to assure their presence for removal from the United States pursuant to a lawful final order by the Immigration Court, the Board of Immigration Appeals or other Federal judicial body.

B. Responsibilities: This Agreement sets forth the responsibilities of ICE and the Service Provider. The Agreement states the services the Service Provider shall perform satisfactorily to receive payment from ICE at the rate prescribed in Article I, C.

C. Guidance: This is a fixed rate agreement, not a cost reimbursable agreement, with respect to the detainee day rate. The detainee day rate is [REDACTED] ICE shall be responsible for reviewing and approving the costs associated with this Agreement and subsequent modifications utilizing all applicable federal procurement laws, regulations and standards in arriving at the detainee day rate.

Article II. General

A. Funding: The obligation of ICE to make payments to the Service Provider is contingent upon the availability of Federal funds. ICE will neither present detainees to the Service Provider nor direct performance of any other services until ICE has the appropriate funding. Orders will be placed under this Agreement when specific requirements have been identified and funding obtained. Performance under this Agreement is not authorized until the Contracting Officer issues an order, in writing. The effective date of the Agreement will be negotiated and specified in a delivery order to this Agreement that is supported by the ICE Contracting Officer. This Agreement is neither binding nor effective unless signed by the ICE Contracting Officer. Payments at the approved rate will be paid upon the return of the signed Agreement by the authorized Local Government official to ICE.

B. Subcontractors: The Service Provider shall notify and obtain approval from the ICE Contracting Officer’s Technical Representative (COTR) or designated ICE official if it intends to house ICE detainees in a facility other than the Hall County Correctional Center. If either that facility, or any future facility is operated by an entity other than the Service Provider, ICE shall treat the entity as a subcontractor to the Service Provider. The Service Provider shall obtain the Contracting Officer’s approval before subcontracting the detention and care of detainees to another entity. The Contracting Officer has the right to deny, withhold, or withdraw approval of the proposed subcontractor. Upon approval by the Contracting Officer, the Service Provider shall ensure that any subcontract includes all provisions of this Agreement, and shall provide ICE with copies of all subcontracts. All payments will be made to the Service Provider. ICE will not accept invoices from, or make payments to a subcontractor.
C. **Consistent with Law:** This is a firm fixed rate agreement, not cost reimbursable agreement. This Agreement is permitted under applicable statutes, regulation, policies or judicial mandates. Any provision of this Agreement contrary to applicable statutes, regulation, policies or judicial mandates is null and void and shall not necessarily affect the balance of the Agreement.

**Article III. Covered Services**

A. **Bedspace:** The Service Provider shall provide male/female beds on a space available basis. The Service Provider shall house all detainees as determined within the Service Provider's classification system. The Service Provider retains the right to refuse acceptance, or request removal, of any detainee(s) as deemed necessary to provide sufficient beds for the detention needs of the Service provider's detainees and sentence prisoners. In the case of a detainee(s), already in custody the Service Provider shall notify ICE and request removal of the detainee(s) provided the facility is at capacity. The Service Provider shall allow ICE not less than 72 hours to make arrangements for removal of detainee(s). ICE will be financially liable only for the actual detainee days as defined in Paragraph C of Article III.

B. **Basic Needs:** The Service Provider shall provide ICE detainees with safekeeping, housing, subsistence, medical and other services in accordance with this Agreement. In providing these services, the Service Provider shall ensure compliance with all applicable laws, regulations, fire and safety codes, policies and procedures. If the Service Provider determines that ICE has delivered a person for custody who is under the age of eighteen (18), the Service Provider shall not house that person with adult detainees and shall immediately notify the ICE COTR or designated ICE official. The types and levels of services shall be consistent with those the Service Provider routinely affords other inmates.

C. **Unit of Service and Financial Liability:** The unit of service is called a “detainee day” and is defined as one person per day. The detainee day begins on the date of arrival. The Service Provider may bill ICE for the date of arrival but not the date of departure. The Service Provider shall not charge for costs that are not directly related to the housing and detention of detainees. Such costs include but are not limited to:

1) Salaries of elected officials
2) Salaries of employees not directly engaged in the housing and detention of detainees

Upon request, ICE will assist the Service Provider in obtaining translation services. The Service Provider shall provide all instructions verbally either in English or the detainees’ language, as appropriate, to detainees who cannot read. The Service Provider shall include the actual costs that the Service Provider paid for such services on its monthly invoice. Except in emergency situations, the Service Provider shall not use detainees for translation services. If the Service Provider uses a detainee for translation service, it shall notify ICE within twenty-four (24) hours of the translation service.

E. Escort and Transportation Services: The Service Provider will provide, upon request and as scheduled by ICE, necessary escort and transportation services for ICE detainees to and from designated locations within the state of Nebraska. Escort services will be required for escorting detainees to court hearings; escorting witnesses to the courtroom and staged with the ICE Judge during administrative proceedings. Transportation Services shall be performed by at least ____________ qualified sworn law enforcement or correctional officer personnel employed by the Service Provider under their policies, procedures and authorities. See Article XVII.

Article IV. Receiving and Discharging Detainees

A. Required Activity: The Service Provider shall receive and discharge detainees only to and from properly identified ICE personnel or other properly identified Federal law enforcement officials with prior authorization from DHS/ICE. Presentation of U.S. Government identification shall constitute “proper identification.” The Service Provider shall furnish receiving and discharging services twenty-four (24) hours per day, seven (7) days per week. ICE shall furnish the Service Provider with reasonable notice of receiving and discharging detainees. The Service Provider shall ensure positive identification and recording of detainees and ICE officers. The Service Provider shall not permit medical or emergency discharges except through coordination with on-duty ICE officers.

B. Emergency Situations: ICE detainees shall not be released from the facility into the custody of other Federal, state, or local officials for any reason, except for medical or emergency situations, without express authorization of ICE.

C. Restricted Release of Detainees: The Service Provider shall not release ICE detainees from its physical custody to any persons other than those described in Paragraph A of Article IV for any reason, except for either medical, other emergency situations, or in response to a federal writ of habeas corpus. If an ICE detainee is sought for federal, state, or local proceedings, only ICE may authorize release of the detainee for such purposes.
The Service Provider shall contact the ICE COTR or designated ICE official immediately regarding any such requests.

D. Service Provider Right of Refusal: The Service Provider retains the right to refuse acceptance, or request removal, of any detainee exhibiting violent or disruptive behavior, or of any detainee found to have a medical condition that requires medical care beyond the scope of the Service Provider’s health care provider. The Service Provider shall allow ICE reasonable time to make alternative arrangements for the detainee.

B. Level of Professionalism: The Service Provider shall ensure that all health care service providers utilized for ICE detainees hold current licenses, certifications, and/or registrations with the State and/or City where they are practicing. Upon such notification the Service Provider shall allow ICE reasonable time to make the proper arrangements for further disposition of that detainee.

G. DIHS Pre-Approval for Non-Emergency Off-Site Care: The Service Provider shall obtain DIHS approval for any non-emergency, off-site healthcare for any detainee. DIHS acts as the agent and final health authority for ICE on all off-site detainee medical and health related matters. The relationship of the DIHS to the detainee equals that of physician to patient. The Service Provider shall release any and all medical information for ICE detainees to the DIHS representatives upon request. The Service Provider shall solicit DIHS approval before proceeding with non-emergency, off-site medical care (e.g. off site lab testing, eyeglasses, cosmetic dental prosthetics, dental care for cosmetic purposes). The Service Provider shall submit supporting documentation for non-routine, off-site medical health services to DIHS. For medical care provided outside the facility, DIHS may determine that an alternative medical provider or institution is more cost-effective or more aptly meets the needs of ICE and the detainee. ICE may refuse to reimburse the Service Provider for non-emergency medical costs incurred that were not pre-approved by the DIHS. The Service Provider shall send all requests for pre-approval for non-emergent off-site care to:

END OF DOCUMENT

Area: Nebraska County of Hall

Employed on U. S. Department of Homeland Security contract (IGA) for prisoner detention services between

United States Immigration and Customs Enforcement and Prisoner Operations Division, Hall County Correctional Center, NE.

The wage rates and fringe benefits paid by above company are hereby adopted as prevailing.

NOTE: Under Section 2(b)(1) of the Service Contract Act no employees shall be paid less than the minimum wage specified by Section 6(a)(1) of the Fair Labor Standards Act; $6.55 per hour, effective July 24, 2008.

**UNIFORM ALLOWANCE**

If employees are required to wear uniforms in the performance of this contract (either by the terms of the Government contract, by the employer, by the state or local law, etc.), the cost of furnishing such uniforms and maintaining (by laundering or dry cleaning) such uniforms is an expense that may not be borne by an employee where such cost reduces the hourly rate below that required by the wage determination. The Department of Labor will accept payment in accordance with the following standards as compliance:

The contractor or subcontractor is required to furnish all employees with an adequate number of uniforms without cost or to reimburse employees for the actual cost of the uniforms. In addition, where uniform cleaning and maintenance is made the responsibility of the employee, all contractors and subcontractors subject to this wage determination shall (in the absence of a bona fide collective bargaining agreement providing for a different amount, or the furnishing of contrary affirmative proof as to the actual cost), reimburse all employees for such cleaning and maintenance at a rate of $ per week (or $ cents per day). However, in those instances where the uniforms furnished are made of "wash and wear" materials, may be routinely washed and dried with other personal garments, and do not require any special treatment such as dry cleaning, daily washing, or commercial laundering in order to meet the cleanliness or appearance standards set by the terms of the Government contract, by the contractor, by law, or by the nature of the work, there is no requirement that employees be reimbursed for uniform maintenance costs.
