- C. Restricted Release of Detainees: The Service Provider shall not release ICE detainees from its physical custody to any persons other than those described in Paragraph a of Article IV for any reason, except for either medical, other emergency situations, or in response to a federal writ of habeas corpus. If an ICE detainee is sought for federal, state, or local proceedings, only ICE may authorize release of the detainee for such purposes. The Service Provider shall contact the ICE COTR or designated ICE official immediately regarding any such requests.
- D. Service Provider Right of Refusal: The Service Provider retains the right to refuse acceptance, or request removal of any detainee exhibiting violent or disruptive behavior, or of any detainee found to have a medical condition that requires medical care beyond the scope of the Service Provider's health care provider. In the case of a detainee already in custody, the Service Provider shall notify ICE and request such removal of the detainee from the Facility. The Service Provider shall allow ICE reasonable time to make alternative arrangements for the detainee.
- E. Emergency Evacuation: In the event of an emergency requiring evacuation of the Facility, the Service Provider shall evacuate ICE detainees in the same manner, and with the same safeguards, as it employs for persons detained under the Service Provider's authority. The Service Provider shall notify the ICE COTR or designated ICE official within two (2) hours of evacuation.

Article V. DHS/ICE Detention Standards

SATISFACTORY PERFORMANCE:

The Service Provider is required to house detainees and perform related detention services in accordance with the most current edition of ICE National Detention Standards (<http://www.ice.gov/partners/dro/opsmanual/index.htm>) <https://www.ice.gov/detention-standards/2019>. ICE inspectors will conduct periodic inspections of the facility to assure compliance with the ICE National Detention Standards.

Article VI. Medical Services

- A. Auspices of Health Authority: The Service Provider shall provide ICE detainees with on-site health care services under the control of a local government designated Health Authority. The Service Provider shall ensure equipment, supplies, and materials, as required by the Health Authority, are furnished to deliver health care on-site.
- B. Level of Professionalism: The Service Provider shall ensure that all health care service providers utilized for ICE detainees hold current licenses, certifications, and/or registrations with the State and/or City where they are practicing. The Service Provider shall retain a registered nurse to provide health care and sick call coverage unless expressly stated otherwise in this Agreement. In

the absence of a health care professional, non-health care personnel may refer detainees to health care resources based upon protocols developed by United States Public Health Service (USPHS) Division of Immigration Health Services (DIHS).

- C. Access to Health Care: The Service Provider shall ensure that on-site medical and health care coverage as defined below is available for all ICE detainees at the facility for at least eight (8) hours per day, seven (7) days per week. The Service Provider shall ensure that its employees solicit each detainee for health complaints and deliver the complaints in writing to the medical and health care staff. The Service Provider shall furnish the detainees instructions in his or her native language for gaining access to health care services as prescribed in Article III, Paragraph D.
- D. On-Site Health Care: The Service Provider shall furnish on-site health care under this Agreement. **The Service Provider shall not charge any ICE detainee an additional fee or Co-payment for medical services or treatment provided at the Service Provider's facility.** The Service Provider shall ensure that ICE detainees receive no lower level of on-site medical care and services than those it provides to local inmates. On-site health care services shall include arrival screening within twenty-four (24) hours of arrival at the Facility, sick call coverage, provision of over-the-counter medications, treatment of minor injuries (e.g. lacerations, sprains, and contusions), treatment of special needs and mental health assessments. Detainees with chronic conditions shall receive prescribed treatment and follow-up care.
- E. Arrival Screening: Arrival screening shall include at a minimum TB symptom screening, planting of the Tuberculin Skin Test (PPD), and recording the history of past and present illnesses (mental and physical). The health care service provider or trained health care personnel may perform the arrival screening.
- F. Acceptance of Detainees with Extreme Health Conditions: If the Service Provider determines that an ICE detainee has a medical condition which renders that person unacceptable for detention under this Agreement, (for example, contagious disease, condition needing life support, uncontrollable violence), the Service Provider shall notify the ICE COTR or the designated ICE official. Upon such notification the Service Provider shall allow ICE reasonable time to make the proper arrangements for further disposition of that detainee.
- G. DIHS Pre-Approval for Non-Emergency Off-Site Care: The Service Provider shall obtain DIHS approval for any non-emergency, off-site healthcare for any detainee. DIHS acts as the agent and final health authority for ICE on all off-site detainees medical and health related matters. The relationship of the DIHS to the detainee equals that of physician to patient. The Service Provider shall release any and all medical information for ICE detainees to the DIHS representatives upon request. The Service Provider shall solicit DIHS approval before proceeding with non-emergency, off-site medical care (e.g. off site lab testing, eyeglasses, cosmetic dental prosthetics, and dental care for cosmetic purposes). The Service Provider shall submit supporting documentation for non-routine, off-site medical health services to DIHS. For medical care provided outside the facility, DIHS may determine that an alternative medical provider or institution is more cost-effective or more aptly meets the needs of ICE and the detainee. ICE may refuse to reimburse the Service Provider for non-emergency medical costs incurred that were not pre-approved by the DIHS. The Service Provider shall send all requests for pre-approval for non-emergent off-site care to:

Phone: (888) 718-8947

FAX: (866) 475-9349
Via website: www.inshealth.org

The Service Provider is to notify all medical providers approved to furnish off-site health care of detainees to submit their bills in accordance with instructions provided to:

United States Public Health Services
Division of Immigration Health Services
1220 L Street, NW PMB 468
Washington, DC 20005-4018
(Phone): (888)-718-8947
(FAX): (866)-475-9349
Via website: www.inshealth.org

- H. Emergency Medical Care: The Service Provider shall furnish twenty-four (24) hour emergency medical care and emergency evacuation procedures. In an emergency, the Service Provider shall obtain the medical treatment required to preserve the detainee's health. The Service Provider shall have access to an off-site emergency medical provider at all times. The Health Authority of the Service Provider shall notify the DIHS Managed Care Coordinator by calling the telephone number listed in paragraph G above as soon as possible, and in no case more than seventy-two (72) hours after detainee receipt of such care. The Health Authority will obtain pre-authorization from the DIHS Managed Care Coordinator for service(s) beyond the initial emergency situation.
- I. Off-Site Guards: The Service Provider shall provide guards at all times detainees are admitted to an outside medical facility.
- J. DIHS Visits: The Service Provider shall allow DIHS Managed Care Coordinators reasonable access to its facility for the purpose of liaison activities with the Health Authority and associated Service Provider departments.

Article VII. No Employment of Unauthorized Aliens

Subject to existing laws, regulations, Executive Orders, and addenda to this Agreement, the Service Provider shall not employ aliens unauthorized to work in the United States. Except for maintaining personal living areas, ICE detainees shall not be required to perform manual labor.

Article VIII. Period of Performance

- A. This Agreement shall become effective upon the date of final signature by the ICE Contracting Officer and the authorized signatory of the Service Provider and will remain in effect indefinitely unless terminated in writing, by either party. Either party must provide written notice of intentions to terminate the agreement, 60 days in advance of the effective date of formal termination, or the Parties may agree to a shorter period under the procedures prescribed in Article X.

- B. Basis for Price Adjustment: A firm fixed price with economic adjustment provides for upward and downward revision of the stated Per Diem based upon cost indexes of labor and operating expenses, or based upon the Service Provider's actual cost experience in providing the service.

Article IX. Inspection

- A. Jail Agreement Inspection Report: The Jail Agreement Inspection Report stipulates minimum requirements for fire/safety code compliance, supervision, segregation, sleeping utensils, meals, medical care, confidential communication, telephone access, legal counsel, legal library, visitation, and recreation. The Service Provider shall allow ICE to conduct inspections of the facility, as required, to ensure an acceptable level of services and acceptable conditions of confinement as determined by ICE. No notice to the Service Provider is required prior to an inspection. ICE will conduct such inspections in accordance with the Jail Agreement Inspection Report. ICE will share findings of the inspection with the Service Provider's facility administrator. The Inspection Report will state any improvements to facility operation, conditions of confinement, and level of service that will be required by the Service Provider.
- B. Possible Termination: If the Service Provider fails to remedy deficient service identified through an ICE inspection, ICE may terminate this Agreement without regard to the provisions of Articles VIII and X.
- C. Share Findings: The Service Provider shall provide ICE copies of facility inspections, reviews, examinations, and surveys performed by accreditation sources.
- D. Access to Detainee Records: The Service Provider shall, upon request, grant ICE access to any record in its possession, regardless of whether the Service Provider created the record, concerning any detainee held pursuant to this Agreement. This right of access shall include, but is not limited to, incident reports, records relating to suicide attempts, and behavioral assessments and other records relating to the detainee's behavior while in the Service Provider's custody. Furthermore, the Service Provider shall retain all records where this right of access applies for a period of two (2) years from the date of the detainee's discharge from the Service Provider's custody.

Article X. Modifications and Disputes

- A. Modifications: Actions other than those designated in this Agreement will not bind or incur liability on behalf of either Party. Either Party may request a modification to this Agreement by submitting a written request to the other Party. A modification will become a part of this Agreement only after the ICE Contracting Officer and the authorized signatory of the Service Provider have approved the modification in writing.
- B. Disputes: The ICE Contracting Officer and the authorized signatory of the Service Provider will settle disputes, questions and concerns arising from this Agreement. Settlement of disputes shall be memorialized in a written modification between the ICE Contracting Officer and authorized signatory of the Service Provider. In the event a dispute is not able to be resolved between the

Service Provider and the ICE Contracting Officer, the ICE Contracting Officer will make the final decision. If the Service Provider does not agree with the final decision, the matter may be appealed to the ICE Head of the Contracting Activity (HCA) for resolution. The ICE HCA may employ all methods available to resolve the dispute including alternative dispute resolution techniques. The Service Provider shall proceed diligently with performance of this Agreement pending final resolution of any dispute.

Article XI. Adjusting the Detainee Day Rate

ICE shall reimburse the Service Provider at the fixed detainee day rate shown on the cover page of the document, Article I. (C). The Parties may adjust the rate twenty-four (24) months after the effective date of the agreement and every twelve (12) months thereafter. The Parties shall base the cost portion of the rate adjustment on the principles of allowability and allocability as set forth in OMB Circular A-87, federal procurement laws, regulations, and standards in arriving at the detainee day rate. The request for adjustment shall be submitted on an ICE Jail Services Cost Statement. If ICE does not receive an official request for a detainee day rate adjustment that is supported by an ICE Jail Services Cost Statement, the fixed detainee day rate as stated in this Agreement will be in place indefinitely. See Article X A.

ICE reserves the right to audit the actual and/or prospective costs upon which the rate adjustment is based. All rate adjustments are prospective. As this is a fixed rate agreement, there are no retroactive adjustment(s).

Article XII. Enrollment, Invoicing, and Payment

- A. Enrollment in Electronic Funds Transfer: The Service Provider shall provide ICE with the information needed to make payments by electronic funds transfer (EFT). Since January 1, 1999, ICE makes all payments only by EFT. The Service Provider shall identify their financial institution and related information on Standard Form 3881, Automated Clearing House (ACH) Vendor Miscellaneous Payment Enrollment Form. The Service Provider shall submit a completed SF 3881 to ICE payment office prior to submitting its initial request for payment under this Agreement. If the EFT data changes, the Service Provider shall be responsible for providing updated information to the ICE payment office.
- B. Invoicing: The Service Provider shall submit an original itemized invoice containing the following information: the name and address of the facility; the name of each ICE detainee; detainee's A-number; specific dates of detention for each detainee; the total number of detainee days; the daily rate; the total detainee days multiplied by the daily rate; an itemized listing of all other charges; and the name, title, address, and phone number of the local official responsible for invoice preparation. The Service Provider shall submit monthly invoices within the first ten (10) working days of the month following the calendar month when it provided the services, to:

Department of Homeland Security
ATTN: Immigration and Customs Enforcement
Deportation Unit Baltimore Field Office

31 Hopkins Plazas, [REDACTED]
Baltimore, MD 21201
Phone: 410-962-2037
Fax: 410-962-9229

- C. Payment: ICE will transfer funds electronically through either an Automated Clearing House subject to the banking laws of the United States, or the Federal Reserve Wire Transfer System. The Prompt Payment Act applies to this Agreement. The Prompt Payment Act requires ICE to make payments under this Agreement the thirtieth (30th) calendar day after the ICE Deportation office receives a complete invoice. Either the date on the Government's check, or the date it executes an electronic transfer of funds, shall constitute the payment date. The Prompt Payment Act requires ICE to pay interest on overdue payments to the Service Provider. ICE will determine any interest due in accordance with the Prompt Payment Act.

Article XIII. Government Furnished Property

- A. Federal Property Furnished to the Service Provider: ICE may furnish Federal Government property and equipment to the Service Provider. Accountable property remains titled to ICE and shall be returned to the custody of ICE upon termination of the Agreement. The suspension of use of bed space made available to ICE is agreed to be grounds for the recall and return of any or all government furnished property.
- B. Service Provider Responsibility: The Service Provider shall not remove ICE property from the facility without the prior written approval of ICE. The Service Provider shall report any loss or destruction of any Federal Government property immediately to ICE.

Article XIV. Hold Harmless and Indemnification Provisions

- A. Service Provider Held Harmless: ICE shall, subject to the availability of funds, save and hold the Service Provider harmless and indemnify the Service Provider against any and all liability claims and costs of whatever kind and nature, for injury to or death of any person(s), or loss or damage to any property, which occurs in connection with or is incident to performance of work under the terms of this Agreement, and which results from negligent acts or omissions of ICE officers or employees, to the extent that ICE would be liable for such negligent acts or omissions under the Federal Tort Claims Act, 28 USC 2691 et seq.
- B. Federal Government Held Harmless: The Service Provider shall save and hold harmless and indemnify federal government agencies to the extent allowed by law against any and all liability claims, and costs of whatsoever kind and nature for injury to or death of any person or persons and for loss or damage to any property occurring in connection with, or in any way incident to or arising out of the occupancy, use, service, operation or performance of work under the tenets of this Agreement, resulting from the negligent acts or omissions of the Service Provider, or any employee, or agent of the Service Provider. In so agreeing, the Service Provider does not waive any defenses, immunities or limits of liability available to it under state or federal law.

- C. Defense of Suit: In the event a detainee files suit against the Service Provider contesting the legality of the detainee's incarceration and/or immigration/citizenship status, ICE shall request that the U.S. Attorney's Office, as appropriate, move either to have the Service Provider dismissed from such suit, to have ICE substituted as the proper party defendant; or to have the case removed to a court of proper jurisdiction. Regardless of the decision on any such motion, ICE shall request that the U.S. Attorney's Office be responsible for the defense of any suit on these grounds.
- D. ICE Recovery Right: The Service Provider shall do nothing to prejudice Ice's right to recover against third parties for any loss, destruction of, or damage to U.S. Government property. Upon request of the Contracting Officer, the Service Provider shall, at Ice's expense, furnish to ICE all reasonable assistance and cooperation, including assistance in the prosecution of suit and execution of the instruments of assignment in favor of ICE in obtaining recovery.

Article XV. Financial Records

- A. Retention of Records: All financial records, supporting documents, statistical records, and other records pertinent to contracts or subordinate agreements under this Agreement shall be retained by the Service Provider for three (3) years for purposes of federal examinations and audit. The three (3) year retention period begins at the end of the first year of completion of service under the Agreement. If any litigation, claim, negotiation, audit, or other action involving the records has been started before the expiration of the three (3) year period, the records must be retained until completion of the action and resolution of all issues which arise from it or until the end of the regular three (3) year period, whichever is later.
- B. Access to Records: ICE and the Comptroller General of the United States, or any of their authorized representatives, shall have the right of access to any pertinent books, documents, papers or other records of the Service Provider or its sub-contractors, which are pertinent to the award, in order to make audits, examinations, excerpts, and transcripts. The rights of access must not be limited to the required retention period, but shall last as long as the records are retained.
- C. Delinquent Debt Collection: ICE will hold the Service Provider accountable for any overpayment, or any breach of this Agreement that results in a debt owed to the Federal Government. ICE shall apply interest, penalties, and administrative costs to a delinquent debt owed to the Federal Government by the Service Provider pursuant to the Debt Collection Improvement Act of 1982, as amended.

Article XVI. Guard/Transportation Services

- A. Transport Services Rate: The Service Provider agrees, upon request of the Federal Government in whose custody an ICE detainee is held, to provide all such air/ground transportation services as may be required to transport detainees securely, in a timely manner, to locations as directed by the ICE COTR or designated ICE official. Transportation between the facility and ICE offices, plus related mileage is included in the daily per diem rate. Other ICE directed transportation will be reimbursed at the rate of [REDACTED] per hour. Transportation mileage shall be reimbursed at the mileage rate established pursuant to the current General Services Administration (GSA)/federal

travel allowance rates. At least [REDACTED] qualified law enforcement or correctional officer personnel employed by the Service Provider under their policies, procedures and practices will perform transport services.

- B. Medical Transportation: Transportation and/or escort/stationary guard services for ICE detainees housed at the Service Provider's facility to and from a medical facility for outpatient care, and transportation and/or escort guard services for ICE detainees housed at the Service Provider's facility admitted to a medical facility; and to detainees attending off-site court proceedings. An officer or officers shall keep the detainee under constant supervision twenty-four (24) hours per day until the detainee is ordered released from the hospital, or at the order of the COTR. The Service Provider agrees to augment such practices as may be requested by ICE to enhance specific requirements for security, detainee monitoring, and visitation and contraband control.
- C. Indemnities: Furthermore, the Service Provider agrees to hold harmless and indemnify DHS/ICE and its officials in their official and individual capacities from any liability, including third-party liability or worker's compensation, arising from the conduct of the Service Provider and its employees during the course of transporting ICE detainees.
- D. Personal Vehicles: The Service Provider shall not allow employees to use their personal vehicles to transport detainees. The Service Provider shall furnish vehicles equipped with interior security features including physical separation of detainees from guards. The Service Provider shall provide interior security specifications of the vehicles to ICE for review and approval prior to installation.
- E. Training and Compliance: The Service Provider shall comply with ICE transportation standards (<http://www.ice.gov/partners/dto/opsmanual/index.htm>) related to the number of hours the Provider's employee may operate a vehicle. The transportation shall be accomplished in the most economical manner. The Service Provider personnel provided for the above services shall be of the same qualifications, receive training, complete the same security clearances, and wear the same uniforms as those personnel provided for in other areas of this agreement.
- F. Same Sex Transport: During all transportation activities, at least [REDACTED] shall be the same sex as the detainee. Questions concerning guard assignments shall be directed to the COTR for final determination.
- G. Miscellaneous Transportation: The COTR may direct the Service Provider to transport detainees to unspecified, miscellaneous locations.
- H. Billing Procedures: The itemized monthly invoice for such stationary guard services shall state the number of hours being billed, the duration of the billing (times and dates) and the name of the detainee(s) that was guarded.

Note: Executive Order (EO) 13706 Establishing Paid Sick Leave for Federal Contractors applies to all contracts subject to the Service Contract Act for which the contract is awarded (and any solicitation was issued) on or after January 1 2017. If this contract is covered by the EO the contractor must provide employees with 1 hour of paid sick leave for every 30 hours they work up to 56 hours of paid sick leave each year. Employees must be permitted to use paid sick leave for their own illness injury or other health-related needs including preventive care; to assist a family member (or person who is like family to the employee) who is ill injured or has other health-related needs including preventive care; or for reasons resulting from or to assist a family member (or person who is like family to the employee) who is the victim of domestic violence sexual assault or stalking. Additional information on contractor requirements and worker protections under the EO is available at www.dol.gov/whd/govcontracts.

ALL OCCUPATIONS LISTED ABOVE RECEIVE THE FOLLOWING BENEFITS:

HEALTH & WELFARE: Life accident and health insurance plans sick leave pension plans civic and personal leave severance pay and savings and thrift plans. Minimum employer contributions costing an average of \$4.54 per hour computed on the basis of all hours worked by service employees employed on the contract.

HEALTH & WELFARE EO 13706: Minimum employer contributions costing an average of \$4.22 per hour computed on the basis of all hours worked by service employees employed on the covered contracts. *

*This rate is to be used only when compensating employees for performance on an SCA-covered contract also covered by EO 13706 Establishing Paid Sick Leave for Federal Contractors. A contractor may not receive credit toward its SCA obligations for any paid sick leave provided pursuant to EO 13706.

VACATION: 2 weeks paid vacation after 1 year of service with a contractor or successor 3 weeks after 5 years and 4 weeks after 15 years. Length of service includes the whole span of continuous service with the present contractor or successor wherever employed and with the predecessor contractors in the performance of similar work at the same Federal facility. (Reg. 29 CFR 4.173)

HOLIDAYS: A minimum of ten paid holidays per year: New Year's Day Martin Luther King Jr.'s Birthday Washington's Birthday Memorial Day Independence Day Labor Day Columbus Day Veterans' Day Thanksgiving Day and Christmas Day. (A contractor may substitute for any of the named holidays another day off with pay in accordance with a plan communicated to the employees involved.) (See 29 CFR 4.174)

THE OCCUPATIONS WHICH HAVE NUMBERED FOOTNOTES IN PARENTHESES RECEIVE THE FOLLOWING:

1) COMPUTER EMPLOYEES: Under the SCA at section 8(b) this wage determination does not apply to any employee who individually qualifies as a bona fide executive administrative or professional employee as defined in 29 C.F.R. Part 541. Because most Computer System Analysts and Computer Programmers who are compensated at a rate not less than \$27.63 (or on a salary or fee basis at a rate not less than \$455 per week) an hour would likely qualify as exempt computer professionals (29 C.F.R. 541.400) wage rates may not be listed on this wage determination for all occupations within those job families. In addition because this wage determination may not list a wage rate for some or all occupations within those job families if the survey data indicates that the prevailing wage rate for the occupation equals or exceeds \$27.63 per hour conformances may be necessary for certain nonexempt employees. For example if an individual employee is nonexempt but nevertheless performs duties within the scope of one of the Computer Systems Analyst or Computer Programmer occupations for which this wage determination does not specify an SCA wage rate

then the wage rate for that employee must be conformed in accordance with the conformance procedures described in the conformance note included on this wage determination.

Additionally because job titles vary widely and change quickly in the computer industry job titles are not determinative of the application of the computer professional exemption. Therefore the exemption applies only to computer employees who satisfy the compensation requirements and whose primary duty consists of:

(1) The application of systems analysis techniques and procedures including consulting with users to determine hardware software or system functional specifications;

(2) The design development documentation analysis creation testing or modification of computer systems or programs including prototypes based on and related to user or system design specifications;

(3) The design documentation testing creation or modification of computer programs related to machine operating systems; or

(4) A combination of the aforementioned duties the performance of which requires the same level of skills. (29 C.F.R. 541.400).

2) AIR TRAFFIC CONTROLLERS AND WEATHER OBSERVERS - NIGHT PAY & SUNDAY PAY: If you work at night as part of a regular tour of duty you will earn a night differential and receive an additional 10% of basic pay for any hours worked between 6pm and 6am. If you are a full-time employed (40 hours a week) and Sunday is part of your regularly scheduled workweek you are paid at your rate of basic pay plus a Sunday premium of 25% of your basic rate for each hour of Sunday work which is not overtime (i.e. occasional work on Sunday outside the normal tour of duty is considered overtime work).

**** HAZARDOUS PAY DIFFERENTIAL ****

An 8 percent differential is applicable to employees employed in a position that represents a high degree of hazard when working with or in close proximity to ordnance explosives and incendiary materials. This includes work such as screening blending dying mixing and pressing of sensitive ordnance explosives and pyrotechnic compositions such as lead azide black powder and photoflash powder.

All dry-house activities involving propellants or explosives. Demilitarization modification renovation demolition and maintenance operations on sensitive ordnance explosives and incendiary materials. All operations involving re-grading and cleaning of artillery ranges.

A 4 percent differential is applicable to employees employed in a position that represents a low degree of hazard when working with or in close proximity to ordnance (or employees possibly adjacent to) explosives and incendiary materials which involves potential injury such as laceration of hands face or arms of the employee engaged in the operation irritation of the skin minor burns and the like; minimal damage to immediate or adjacent work area or equipment being used. All operations involving unloading storage and hauling of ordnance explosive and incendiary ordnance material other than small arms ammunition. These differentials are only applicable to work that has been specifically designated by the agency for

ordnance explosives and incendiary material differential pay.

**** UNIFORM ALLOWANCE ****

If employees are required to wear uniforms in the performance of this contract (either by the terms of the Government contract by the employer by the state or local law etc.) the cost of furnishing such uniforms and maintaining (by laundering or dry cleaning) such uniforms is an expense that may not be borne by an employee where such cost reduces the hourly rate below that required by the wage determination. The Department of Labor will accept payment in accordance with the following standards as compliance:

The contractor or subcontractor is required to furnish all employees with an adequate number of uniforms without cost or to reimburse employees for the actual cost of the uniforms. In addition where uniform cleaning and maintenance is made the responsibility of the employee all contractors and subcontractors subject to this wage determination shall (in the absence of a bona fide collective bargaining agreement providing for a different amount or the furnishing of contrary affirmative proof as to the actual cost) reimburse all employees for such cleaning and maintenance at a rate of \$3.35 per week (or \$.67 cents per day). However in those instances where the uniforms furnished are made of "wash and wear" materials may be routinely washed and dried with other personal garments and do not require any special treatment such as dry cleaning daily washing or commercial laundering in order to meet the cleanliness or appearance standards set by the terms of the Government contract by the contractor by law or by the nature of the work there is no requirement that employees be reimbursed for uniform maintenance costs.

**** SERVICE CONTRACT ACT DIRECTORY OF OCCUPATIONS ****

The duties of employees under job titles listed are those described in the ""Service Contract Act Directory of Occupations"" Fifth Edition (Revision 1) dated September 2015 unless otherwise indicated.

**** REQUEST FOR AUTHORIZATION OF ADDITIONAL CLASSIFICATION AND WAGE RATE Standard Form 1444 (SF-1444) ****

Conformance Process:

The contracting officer shall require that any class of service employee which is not listed herein and which is to be employed under the contract (i.e. the work to be performed is not performed by any classification listed in the wage determination) be classified by the contractor so as to provide a reasonable relationship (i.e. appropriate level of skill comparison) between such unlisted classifications and the classifications listed in the wage determination (See 29 CFR 4.6(b)(2)(i)). Such conforming procedures shall be initiated by the contractor prior to the performance of contract work by such unlisted class(es) of employees (See 29 CFR 4.6(b)(2)(ii)). The Wage and Hour Division shall make a final determination of conformed classification wage rate and/or fringe benefits which shall be paid to all employees performing in the classification from the first day

of work on which contract work is performed by them in the classification. Failure to pay such unlisted employees the compensation agreed upon by the interested parties and/or fully determined by the Wage and Hour Division retroactive to the date such class of employees commenced contract work shall be a violation of the Act and this contract. (See 29 CFR 4.6(b)(2)(v)). When multiple wage determinations are included in a contract a separate SF-1444 should be prepared for each wage determination to which a class(es) is to be conformed.

The process for preparing a conformance request is as follows:

- 1) When preparing the bid the contractor identifies the need for a conformed occupation(s) and computes a proposed rate(s).

- 2) After contract award the contractor prepares a written report listing in order the proposed classification title(s) a Federal grade equivalency (FGE) for each proposed classification(s) job description(s) and rationale for proposed wage rate(s) including information regarding the agreement or disagreement of the authorized representative of the employees involved or where there is no authorized representative the employees themselves. This report should be submitted to the contracting officer no later than 30 days after such unlisted class(es) of employees performs any contract work.

- 3) The contracting officer reviews the proposed action and promptly submits a report of the action together with the agency's recommendations and pertinent information including the position of the contractor and the employees to the U.S. Department of Labor Wage and Hour Division for review (See 29 CFR 4.6(b)(2)(ii)).

- 4) Within 30 days of receipt the Wage and Hour Division approves modifies or disapproves the action via transmittal to the agency contracting officer or notifies the contracting officer that additional time will be required to process the request.

- 5) The contracting officer transmits the Wage and Hour Division's decision to the contractor.

- 6) Each affected employee shall be furnished by the contractor with a written copy of such determination or it shall be posted as a part of the wage determination (See 29 CFR 4.6(b)(2)(iii)).

Information required by the Regulations must be submitted on SF-1444 or bond paper.

When preparing a conformance request the ""Service Contract Act Directory of Occupations"" should be used to compare job definitions to ensure that duties requested are not performed by a classification already listed in the wage determination. Remember it is not the job title but the required tasks that determine whether a class is included in an established wage determination. Conformances may not be used to artificially split combine or subdivide

classifications listed in the wage determination (See 29 CFR 4.152(c)(1))."

Wage Determination No.: 2007-0557
Revision No.: 1
Date of Last Revision: 10/29/2007

State: Maryland

Area: Maryland County of Frederick

Employed on U.S. Department of Homeland Security contract agreement (IGA) for prisoner detention services between

United States Immigration and Customs Enforcement and Prisoner Operations Division and Frederick County Adult Detention Center, MD

The wage rates and fringe benefits paid by above company are hereby adopted as prevailing.

NOTE: Under Section 2(b)(1) of the Service Contract Act no employees shall be paid less than the minimum wage specified by Section 6(a)(1) of the Fair Labor Standards Act; \$5.85 per hour, effective July 24, 2007.

**** UNIFORM ALLOWANCE ****

If employees are required to wear uniforms in the performance of this contract (either by the terms of the Government contract, by the employer, by the state or local law, etc.), the cost of furnishing such uniforms and maintaining (by laundering or dry cleaning) such uniforms is an expense that may not be borne by an employee where such cost reduces the hourly rate below that required by the wage determination. The Department of Labor will accept payment in accordance with the following standards as compliance:

The contractor or subcontractor is required to furnish all employees with an adequate number of uniforms without cost or to reimburse employees for the actual cost of the uniforms. In addition, where uniform cleaning and maintenance is made the responsibility of the employee, all contractors and subcontractors subject to this wage determination shall (in the absence of a bona fide collective bargaining agreement providing for a different amount, or the furnishing of contrary affirmative proof as to the actual cost), reimburse all employees for such cleaning and maintenance at a rate of \$3.35 per week (or \$.67 cents per day). However, in those instances where the uniforms furnished are made of "wash and wear" materials, may be routinely washed and dried with other personal garments, and do not require any special treatment such as dry cleaning, daily washing, or commercial laundering in order to meet the cleanliness or appearance standards set by the terms of the Government contract, by the contractor, by law, or by the nature of the work, there is no requirement that employees be reimbursed for uniform maintenance costs.
