The purpose of this modification is to make the following changes:

1) Effective April 1, 2022, change the CLIN structure to facilitate a change in the way the services shall be billed going forward. CLIN 0001 Detention Service shall be changed from a Bed Day rate of $ with no Guaranteed Minimum (GM) to a GM of $ and a Monthly charge for Operating Expenses with a Bed Day Rate per detainee. The monthly fee for this shall be $ In addition, there shall be a Bed Day Rate in the amount of $ per detainee at population of $ (Tier 1) and $ per detainee for all over a detainee count of $ (Tier 2).

2) Establish CLIN 0008 - MISC at a Not To Exceed amount of $ as a reimbursable CLIN to cover miscellaneous charges as approved by the Contracting Officer’s Representative.

3) In accordance with the attached Staffing Plan, once the detainee count reaches Tier $ staffing will be ramped up/ramped down as the detained population incrementally increases/decreases from $.

4) Detention dorm officers at $ GM and $ to $ are based on 12 $ GM) and ramping up to $ per shift, respectively. If the dorm officers exceed $ GM) and ramping up to $ per shift, respectively, ICE will reimburse Otero County at a guard service rate of $ per hour and guard service overtime rate of $ per hour for all hours incurred to provide such additional Detention Guard staffing whether such staffing is provided through additional FTE(s), on-call staff, and/or overtime. This will allow the fluctuation for a high level, low, Male, Female population and Covid-19.

5) Pricing includes transportation to/from medical appointments (including hospital runs), court appearances, and local which is based on a $ radius or within El Paso community area. Any additional transportation will result in additional cost.

6) Transportation pricing is based on the $ Continued...
transportation officer FTEs on the GM included in the approved staffing plan. Where transportation exceeds the FTEs on the GM and FTEs, MTC will bill at a guard service rate of and a guard service overtime rate of 7) Change the facility use from Male to Male and Female population. With the addition of female detainees to the contract, applicable operating standards (i.e., ACA/PBNDS) may require the installation and/or modification of toilets and showers, as well as the construction of additional recreation yards (to include items such as, but not limited to, fencing, cameras, plumbing, awnings, etc.). The cost of such improvements are not included in the provided pricing. ICE agrees to reimburse MTC for the total cost required to make such improvements. In the event funding is not available for such improvements, or the parties cannot agree upon the total cost of such improvements, the housing of females detainees at the Otero II facility may be delayed until both funding is available and the totals costs are agreed upon by both parties.

8) Allow MTC to utilize satellite law libraries.

9) Establish the Warden and Deputy Warden positions as Key Personnel Positions. As such, if a vacancy arises in either of these positions, MTC shall submit to ICE the resume of the candidate proposed for hire before any offer is made.

10) Incorporate new Staffing and Modernization Plans. See attached for details.

11) Incorporate the following:

Virtual Attorney Visitation Capability

Virtual Attorney Visitation (VAV) is an established facility protocol that allows attorneys (or legal representatives) to contact the facility and schedule video teleconference (VTC) visitation with their detainee client(s) at least 24 hours in advance of the desired teleconference. The facility plant layout and Continued ...
design shall accommodate virtual attorney visitation. The utilized space/room must be private, allowing for confidential attorney-client conversations, and equipped with video teleconference equipment and/or tablet(s) permitting both visual and audio communications. The room must also have a windowed door or other mechanism that allows detainee observation for safety. While the designated space and equipment can be utilized for other purposes, it is expected that virtual attorney visitation will be made available for at least six (6) hours each day.

Implement Virtual Attorney Visitation

The VAV program utilizes common web conferencing and videoconferencing applications to enable legal representatives to meet with their clients or prospective clients virtually using video technology in private rooms or booths to ensure confidentiality of communications during remote legal visits. Please note VAV does not substitute for in-person meetings, but it does provide an alternative for attorneys to communicate with clients in a timely and efficient manner.

In conjunction with ICE staff, create and implement procedures, in writing, through which legal representatives can utilize an online scheduling system or dedicated email boxes to schedule legal visits or confidential legal calls. Send written procedures to ERO for posting on the facility webpage on ICE.gov.

In conjunction with ICE staff, create a dedicated mailbox for legal representatives to contact case officers and supervisors, submit G28s, and get case updates.

Transgender Care

The Contractor shall meet the specified Transgender Care requirements Regarding the Care of Transgender Detainees and the Best Practices for the Care of ICE Transgender Detainees, including operating a multidisciplinary Transgender Classification and Care Committee responsible for constructing an individualized detention plan for each self-identified Continued ...

Article 1. Purpose

A. Purpose: The purpose of this Inter-Governmental Service Agreement (IGSA) is to establish an Agreement between ICE and the Service Provider for the provision of the necessary physical structure, equipment, facilities, personnel, and services to provide a program of care in a properly staffed and secure environment under the authority of the Immigration and Nationality Act, as amended. All persons in the custody of ICE are "Administrative Detainees." This term recognizes that ICE detainees are not charged with criminal violations and are only held in custody to assure their presence throughout the administrative hearing process and to assure their presence for removal from the United States pursuant to a lawful final order by the Immigration Court, the Board of Immigration Appeals or other Federal judicial body.

B. Responsibilities: This Agreement sets forth the responsibilities of ICE and the Service Provider. The Service Provider shall provide all personnel, management, equipment, supplies, and services necessary for performance of all aspects of the Agreement and ensure that the safekeeping, housing, subsistence, medical, and other program services provided to ICE detainees housed in the facility is consistent with ICE’s civil detention authority, the PWS, IGSA requirements and ICE standards referenced in this agreement. The Agreement states the services the Service Provider shall perform satisfactorily to receive payment from ICE at the rate prescribed in Article I C.

C. Rates: This is a fixed rate agreement, not a cost reimbursable agreement, with respect to the bed day rate of $ for detainees and $ for detainees. ICE will be responsible for reviewing and approving the costs associated with this Agreement and subsequent modifications utilizing all applicable federal procurement laws, regulations and standards in arriving at the bed day rate.

If this IGSA contains a population guarantee, ICE will not be liable for any failure to meet the population guarantee if such failure directly results from an occurrence that impairs the ability to use the facility’s capacity, and such occurrence arises out of causes beyond the control and without the fault or negligence of ICE. Such causes may include, but are not limited to, acts of God or the public enemy, fires, floods, freight embargoes, court orders and extraordinarily severe weather. This provision shall become effective only if ICE immediately notifies the Provider of the extent and nature of the occurrence resulting in the failure and takes all reasonable steps to limit any adverse effects required by the occurrence.
The Service Provider may reduce staff based upon the detainee population demand if they receive approval from the CO to make reductions in staff.

Article 2. General

A. Commencement of Services: ICE is under no obligation to utilize the facilities identified herein until the need for detention services has been identified, funding has been identified and made available, and the Facility meets ICE requirements, and is in compliance with ICE 2011 Performance-Based National Detention Standards (PBNDS), including all optimal provisions (with agreed to modifications as noted in Attachment 10). Therefore, ICE may perform numerous assessments to ensure compliance prior to presenting detainees for housing.

B. Funding: The obligation of ICE to make payments to the Service Provider is contingent upon the availability of Federal funds. ICE will neither present detainees to the Service Provider nor direct performance of any other services until ICE has the appropriate funding. Orders will be placed under this Agreement when specific requirements have been identified and funding obligated. Performance under this Agreement is not authorized until the Contracting Officer issues an order in writing. The effective date of the services will be negotiated and specified in this Agreement. The Service Provider shall be prepared to accept detainees immediately upon issuance of task order.

C. Subcontractors: The Service Provider shall notify and obtain approval from the ICE Contracting Officer if it intends to house ICE detainees in a facility other than the Otero County Processing Center. If either the Facility or any future facility is operated by an entity other than the Service Provider, ICE will treat the entity as a subcontractor to the Service Provider. The Service Provider shall obtain the Contracting Officer’s approval before subcontracting the detention and care of detainees to another entity. The Contracting Officer has the right to deny, withhold, or withdraw approval of the proposed subcontractor. Upon approval by the Contracting Officer, the Service Provider shall ensure that any subcontract includes all provisions of this Agreement, and shall provide ICE with copies of all subcontracts. All payments will be made to the Service Provider. ICE will not accept invoices from, or make payments to, a subcontractor. Subcontractors that perform under this agreement are subject to the terms and conditions of this IGSA.

D. Consistent with Law: This is a firm fixed rate Agreement, not a cost reimbursable Agreement. This Agreement is permitted under applicable statutes, regulations, policies and judicial mandates. Any provision of this Agreement contrary to applicable statutes, regulation, policies or judicial mandates is null and void and shall not necessarily affect the balance of the Agreement.
Article 3. Covered Services

A. **Bedspace:** The Service Provider shall provide and operate approximately a [redacted] bed adult male detention facility. The facility shall be located within appropriate proximity and access to emergency services (medical, fire protection, law enforcement, etc. The Service Provider will also ensure that adequate administrative space is provided in accordance with the Physical Plant Requirements listed under Article 31 of this agreement. ICE will be financially liable only for the actual detainee days as defined in Paragraph C of Article 3.

B. **Basic Needs:** The Service Provider shall provide ICE detainees with safekeeping, housing, subsistence, medical and other services in accordance with this Agreement. In providing these services, the Service Provider shall ensure compliance with all applicable laws, regulations, fire and safety codes, policies and procedures. The types and levels of services shall be consistent with those the Service Provider routinely affords other inmates. If the Service Provider determines that ICE has delivered a person for custody who is under the age of eighteen (18), the Service Provider shall not house that person with adult detainees and shall immediately notify the ICE COR or designated ICE official. ICE will remove the juvenile within seventy-two (72) hours.

C. **Unit of Service and Financial Liability:** The unit of service is called a “Bed Day” and is defined as one person per day. The bed day begins on the date of arrival. The Service Provider may bill ICE for the date of arrival but not the date of departure. The Service Provider shall not charge for costs that are not directly related to the housing and detention of detainees. Such unallowable costs include but are not limited to:

1) Salaries of elected officials
2) Salaries of employees not directly engaged in the housing and detention of detainees
3) Indirect costs in which a percentage of all local government costs are pro-rated and applied to individual departments unless, those cost are allocated under an approved Cost Allocation Plan
4) Detainee services which are not provided to, or cannot be used by, Federal detainees
5) Operating costs of facilities not utilized by Federal detainees
6) Interest on borrowing (however represented), bond discounts, costs of financing/refinancing, except as prescribed by OMB Circular A-87.
7) Legal or professional fees (specifically legal expenses for prosecution of claims against the Federal Government, legal expenses of individual detainees or inmates)
8) Contingencies

The Parties agree to base the cost of the bed day rate and all services provided on the principles of allowability and allocability as set forth in OMB Circular A-87, Cost Principles for State, Local, and Indian Tribal Governments, federal procurement laws, regulations, and standards.
D. Interpretive/Translation Services: The Service Provider shall make special provisions for non-English speaking, handicapped or illiterate detainees. Upon request, ICE will assist the Service Provider in obtaining translation services through a toll free line. The Service Provider shall provide all instructions verbally, either in English or the detainees' language, as appropriate, to detainees who cannot read.

E. Escort and Transportation Services: The Service Provider shall provide, upon request and as scheduled by ICE, necessary escort and transportation services for ICE detainees to and from designated locations. Escort services shall be required for escorting detainees to court hearings; escorting detainees who are witnesses to the courtroom and staged with the ICE Judge during administrative proceedings. Transportation Services shall be performed by at least ___________ qualified sworn law enforcement or correctional officer personnel, of which one must be of the same gender as those being transported, employed by the Service Provider under their policies, procedures and authorities.

F. No ICE Liability for Failure to Meet Minimum Guarantee: ICE will not be liable for any failure to meet the minimum or population guarantee if such failure results directly from an occurrence that impairs the ability of ICE to use the facility's capacity, and such occurrence arises out of causes beyond the control and without the fault or negligence of ICE. Such causes may include, but are not limited to, acts of God or the public enemy, fires, floods, freight embargoes, court orders and extraordinarily severe weather. This provision becomes effective only if ICE immediately notifies the Provider of the extent and nature of the occurrence resulting in the failure and takes all reasonable steps to limit any adverse effects required by the occurrence.

Article 4. Receiving and Discharging Detainees

A. Required Activity: The Service Provider shall receive and discharge detainees only to and from properly identified ICE/ERO personnel or other properly identified Federal law enforcement officials with prior authorization from ICE/ERO. Presentation of U.S. Government identification will constitute "proper identification." The Service Provider shall furnish receiving and discharging services twenty-four (24) hours per day, seven (7) days per week. ICE will furnish the Service Provider with reasonable notice of receiving and discharging detainees. The Service Provider shall ensure positive identification and recording of detainees and ICE officers. The Service Provider shall not permit medical or emergency discharges except through coordination with on-duty ICE officers.

B. Emergency Situations: ICE detainees shall not be released from the Facility into the custody of other Federal, state, or local officials for any reason, except for medical or emergency situations, without express authorization of ICE.

C. Restricted Release of Detainees: The Service Provider shall not release ICE detainees from its physical custody to any persons other than those described in Paragraph A of Article IV for any reason, except for either medical, other emergency situations, or in response to a federal writ of habeas corpus. If an ICE detainee is sought for federal, state,
or local proceedings, only ICE may authorize release of the detainee for such purposes. The Service Provider shall contact the ICE COR or designated ICE official immediately regarding any such requests.

D. Safe Release: The time, point and manner of release from a facility shall be consistent with safety considerations and shall take into account special vulnerabilities. Facilities that are not within a reasonable walking distance of, or that are more than one mile from, public transportation shall transport detainees to local bus/train/subway stations prior to the time the last bus/train leaves such stations for the day. If public transportation is within walking distance of the detention facility, detainees shall be provided with an information sheet that gives directions to and describes the types of transportation services available. However, facilities must provide transportation for any detainee who is not reasonably able to walk to public transportation due to age, disability, illness, mental health or other vulnerability, or as a result of weather or other environmental conditions at the time of release that may endanger the health or safety of the detainee. Upon release, detainees shall also be provided with a list of shelter services available in the immediate area along with directions to each shelter. Prior to their release, detainees shall be given the opportunity to make a free phone call to a friend or relative to arrange for pick up from the facility. As practicable, detainees shall be provided with a laundered set of their own clothing, or one set of non-institutional clothing and footwear, weather appropriate, for their final destination.

E. Service Provider Right of Refusal. The Service Provider retains the right to refuse acceptance of any detainee if such refusal is supported by a valid justification and agreed to by the COR. Examples of such justification are: any detainee exhibiting violent or disruptive behavior, or any detainee found to have a medical condition that requires medical care beyond the scope of the Service Provider’s health care provider. In the case of a detainee already in custody, the Service Provider shall notify ICE and request such removal of the detainee from the Facility. The Service Provider shall allow ICE reasonable time to make alternative arrangements for the detainee.

F. Emergency Evacuation: In the event of an emergency requiring evacuation of the Facility, the Service Provider shall evacuate ICE detainees in the same manner, and with the same safeguards, as it employs for persons detained under the Service Provider’s authority. The Service Provider shall notify the ICE COR or designated ICE official within two (2) hours of evacuation.

Article 5. ICE Performance-Based National Detention Standards and Other Applicable Standards

A. The Service Provider shall house detainees and perform related detention services in accordance with the 2011 edition of ICE Performance Based National Detention Standards (PBNDS), including all optimal provisions, unless otherwise specified in this agreement as stated in Attachment 10. The complete set of standards applicable to this procurement is available from the following website: [Website Link]
and are incorporated herein. ICE Inspectors will conduct periodic inspections of the Facility to assure compliance with the ICE PBNDS.

B. If a change in the standards identified herein results in a documentable financial impact to the Service Provider, the Service Provider must notify the Contracting Officer within five (5) days of receipt of the change and request either 1) a waiver to the Standards or, 2) negotiate a change in per diem.

C. The Facility’s operation shall reflect the 2011 PBNDS Expected Outcomes where optimal levels are required unless otherwise specified in this agreement. Optimal levels shall be achieved to further the goals of detention reform.

D. The Service provider shall also comply with the American Correctional Association (ACA) Standards for Adult Local Detention Facilities (ALDF), and Standards Supplement, Standards for Health Services in Jails, National Commission on Correctional Health Care (NCCHC). Some ACA standards are augmented by ICE Policy and/or procedure. In cases where other standards conflict with ICE Policy or Standards, ICE Policy and Standards will prevail.

Article 6. Medical Services

A. The Service Provider shall be responsible for providing health care services for ICE detainees at the Facility in accordance with the 2011 PBNDS, including: intake arrival screening, tuberculosis testing and symptom screening, on-site sick call, chronic care, over the counter and prescription medication and durable medical equipment and medical supplies.

B. In the event of an emergency, the Service Provider shall proceed immediately with providing necessary medical treatment. In such event, the Service Provider shall notify ICE immediately regarding the nature of the transferred detainee’s illness or injury and type of treatment provided. The costs of all emergency medical services provided off-site will be the responsibility of ICE Health Service Corps (IHSC) and at no time shall the Service Provider or detainee incur any financial liability related to such services.

C. A true copy of a detainee’s medical records shall be transferred with the detainee upon request of the detainee. Otherwise a transfer summary shall accompany the detainee outlining necessary care during transit to include medications, medical precautions, equipment needed, and appropriately authorized methods of travel.

D. The Service Provider shall ensure that all health care service providers utilized for ICE detainees hold current licenses, certifications, and/or registrations within the State and/or City where they treat our detained population. The Service Provider shall retain, at a minimum, enough nurses per shift to ensure appropriate access to and delivery of care as addressed in 2011 PBNDS.
E. The Service Provider shall ensure that onsite medical and health care coverage is available for all ICE detainees at the Facility twenty-four (24) hours per day, seven (7) days per week. The Service Provider shall ensure that its employees solicit each detainee for health requests and deliver them in writing to the medical and health care staff to be reviewed daily.

F. The Service Provider shall furnish onsite health care under this Agreement as defined by the Facility local health authority on the effective date of this Agreement. The Service Provider shall not charge any ICE detainee a fee or co-payment for medical services or treatment provided at the Facility. The Service Provider shall ensure that ICE detainees receive no lower level of onsite medical care and services than those it provides to local inmates, and as detailed in 2011 PBNDS.

G. Onsite health care personnel shall perform initial medical screening within (12) hours of arrival to the Facility. Sick call coverage, provision of over-the-counter and prescription medications, treatment of minor injuries, treatment of special needs and mental and dental health assessments shall be available to the detainees. Arrival screening shall include, at a minimum, Tuberculosis (TB) symptom screening, planting of the TB skin test (PPD) or chest x-ray, and recording the history of past and present illnesses (mental and physical, pregnancy status, history of substance abuse).

H. The Service Provider shall furnish mental health evaluations as determined by the Facility local health authority and in accordance with detention, 2011 PBNDS, National Commission on Correctional Health Care (NCCCHC), and ACA standards with the expectation to provide custody oversight and medication as needed.

I. A full health assessment to include a history and hands on physical examination shall be completed within the first 14 days of detainee arrival unless the clinical situation dictates an earlier evaluation. Detainees with chronic medical and/or mental health conditions shall receive prescribed treatment and follow-up care with the appropriate level of provider and in accordance with detention, National Commission on Correctional Health Care (NCCCHC) and ACA standards.

J. If the Service Provider determines that an ICE detainee has a medical condition which renders that person unacceptable for detention under this Agreement, (for example, contagious disease, condition needing life support, uncontrollable violence, or serious mental health condition), the Service Provider shall notify ICE. Upon such notification, the Service Provider shall allow ICE reasonable time to make the proper arrangements for further disposition of that detainee.

K. The Service Provider shall release any and all medical information for ICE detainees to the IHSC representatives upon request. The Service Provider shall submit a Medical Payment Authorization Request (MedPAR) to IHSC for payment for off-site medical care (e.g. off site lab testing, eyeglasses, prosthetics, hospitalizations, emergency visits). The Service Provider shall enter payment authorization requests electronically as outlined in the MedPAR User Guide (found at www.icchealth.org).
L. The Service Provider shall furnish twenty-four (24) hour emergency medical care and facility emergency evacuation procedures. In an emergency, as determined by the Service Provider, the Service Provider shall obtain the medical treatment required. The Service Provider shall have access to an off site emergency medical provider at all times. The Health Authority of the Service Provider shall notify the organization listed below as soon as possible, and in no case more than seventy-two (72) hours after detainee receipt of such care. Authorized payment for all offsite medical services for the initial emergency need and for medical care required beyond the initial emergency situation will be made by the Veterans Administration Franchise Service Center (VA FSC) on behalf of IHSC directly to the medical provider(s).

O. The Service Provider shall direct offsite medical providers to submit all medical invoices for authorized payment for medical, dental, and mental health services to the following address:

VA Financial Services Center  
PO Box 149345  
Austin TX 78714-9345

P. The VA Financial Services Center provides prescription drug reimbursement for individuals in the custody of ICE. Prescriptions are filled at local pharmacies which are part of the Script Care Network (or other designated Pharmacy Benefits Manager). Below is the process for obtaining prescriptions for ICE detainees:

a. The Service Provider shall request a group number which should be used at the pharmacy in conjunction with the BIN# 004410 and Processor Control # IHSC assigned by Script Care Network to designate this is an ICE detainee. The custodial facility should either fax or take a copy of the prescription to their participating pharmacy and indicate that this is an ICE detainee.

b. The pharmacy shall run the prescription through the Script Care network for processing.

c. Formulary prescriptions will be dispensed; however, there will be no need for an exchange of cash between the pharmacy and custodial facility as the pharmacy will receive payment directly from Script Care.

d. Non-Formulary prescriptions will follow the same procedure as formulary prescriptions; however, non-formulary medications will require prior authorization. The custodial facility will fax the Drug Prior Authorization Request Form to Script Care to 409-833-7435. The authorization will be loaded into the Script Care network and the pharmacy will receive a call indicating that the prescription has been approved. Non-Formulary urgent requests must be submitted in the above manner except an X should be placed on the form marked for URGENT REQUEST and faxed to 409-923-7391. The authorization shall be loaded into the Script Care network and the pharmacy shall receive a call indicating the prescription has been approved.

Q. Facility Requirements for Infectious Disease Screening

The Service Provider will ensure that there is adequate space and equipment to provide medical intake screening including a tuberculosis (TB) screening chest x-ray within the intake processing area. In order to prevent the spread of airborne infectious disease or cross contamination of zones within the facility, the HVAC system in the intake screening area will be designed to exhaust to the exterior and prevent air exchange.
between the intake screening area and any other area within the facility. (CDC guidelines http://www.cdc.gov/tb/publications/guidelines/Correctional.htm)

R. Tuberculosis Screening

In order to prevent the transmission of TB to the resident population of a detention facility, the Service Provider will perform a TB screening as part of the routine intake screening within 12 hours of detainee admission and identify suspected TB disease before the detainee is assigned to a housing unit or is transferred from the intake processing area. Any chest x-ray screening will be performed by a trained and qualified health care provider and interpreted by a credentialed radiologist. Detainees will remain isolated from the rest of the facility population (remain in the intake screening area) until the chest x-ray report is obtained and the interpretation verifies that the detainee is free of contagious TB. The turnaround time for chest x-ray interpretation should be four hours or less. Detainees who are identified with confirmed or suspected active TB will be assigned to an airborne infection isolation room and managed in accordance with the PBNDS and CDC guidelines. There will be a process in place for detainees who refuse the screening assessment for TB. This process should comply with guidelines established by other nationally known detention facilities or the CDC.

S. Tele-radiology Service Provider

The Service Provider shall use the services of a Tele-radiology Service Provider (TSP) of their choice and at the Service Provider’s cost. The cost of the equipment, maintenance of the equipment, training of staff, and arrangements for interpretation of the x-rays by credentialed radiologists, and transmission of data to and from the detention facility are provided by the TSP and are part of the bed day rate. The Service Provider shall coordinate with the TSP to ensure adequate space is provided for the equipment, connectivity and electrical services are installed, immediate 24/7 access to equipment for service and maintenance by TSP technicians is granted. The tele-radiology coordinator may be a nurse or nurse practitioner and collateral duty of the appointed staff. It is not necessary to appoint a full time coordinator if the volume of work does not support a full time employee.

The ICE provided MCM will be administered only to ICE detainees. Obtain strategic national stockpile MCM from the local health department and administer to detainees within six (6) hours after an emergency declaration on any given day and time.

Article 7. Employment Screening Requirements

A. General: Performance under this Intergovernmental Service Agreement requires access to sensitive DHS information. The Service Provider shall adhere to the following.

B. Employment Eligibility: Screening criteria that may exclude applicants from consideration to perform under this agreement includes:
- Criminal conduct, either as substantiated by convictions or independent evidence
- Misconduct or negligence in employment
- Illegal use of narcotics, drugs, or other controlled substances without evidence of substantial rehabilitation
- Alcohol abuse, without evidence of rehabilitation, of a nature and duration that suggests that the applicant would be prevented from performing the duties of the position in question, or would constitute a direct threat to the property or safety of the applicant or others
- Falsification and/or omission of pertinent information to influence a favorable employment decision
- Dishonest conduct, to include failure to honor just debts
- National security concerns
- Any other legitimate nondiscriminatory reason that DHS or its components find would adversely affect the efficiency of the service.

Subject to existing law, regulations and/or other provisions of this Agreement, illegal or undocumented aliens shall not be employed by the Service Provider.

The Service Provider shall certify that each employee working on this Agreement has a Social Security Card issued and approved by the Social Security Administration. The Service Provider shall be responsible to the Government for acts and omissions of his own employees and for any Subcontractor(s) and their employees.

C. SUITABILITY DETERMINATIONS

DHS will exercise full control over granting; denying, withholding or terminating unescorted government facility and/or sensitive government information access for Contractor employees, based upon the results of a background investigation. DHS may, as it deems appropriate, authorize and make a favorable expedited entry on duty (EOD) decision based on preliminary security checks. The expedited EOD decision will allow the employees to commence work temporarily prior to the completion of the full investigation. The granting of a favorable EOD decision shall not be considered as assurance that a favorable full employment suitability authorization will follow as a result thereof. The granting of a favorable EOD decision or a full employment suitability determination shall in no way prevent, preclude, or bar the withdrawal or termination of any such access by DHS, at any time during the term of the contract. No employee of the Contractor shall be allowed to EOD and/or access sensitive information or systems without a favorable EOD decision or suitability determination by the Office of Professional Responsibility, Personnel Security Unit (OPR-PSU). No employee of the Contractor shall be allowed unescorted access to a Government facility without a favorable EOD decision or suitability determination by the OPR-PSU.
D. BACKGROUND INVESTIGATIONS

Contract employees (to include applicants, temporaries, part-time and replacement employees) under the contract, needing access to sensitive information, shall undergo a position sensitivity analysis based on the duties each individual will perform on the contract. The results of the position sensitivity analysis shall identify the appropriate background investigation to be conducted. Background investigations will be processed through the Personnel Security Unit. Prospective Contractor employees shall submit the following completed forms to the Personnel Security Unit through the COR, no less than 5 days before the starting date of the contract or 5 days prior to the expected entry on duty of any employees, whether a replacement, addition, subcontractor employee, or vendor:

Standard Form 85P, “Questionnaire for Public Trust Positions” Form will be submitted via e-QIP (electronic Questionnaires for Investigation Processing) (2 copies)

FD Form 258, “Fingerprint Card” (2 copies)

Foreign National Relatives or Associates Statement

DHS 11000-9, “Disclosure and Authorization Pertaining to Consumer Reports Pursuant to the Fair Credit Reporting Act”

Optional Form 306 Declaration for Federal Employment (applies to contractors as well)

Authorization for Release of Medical Information

Prospective Contractor employees who currently have an adequate current investigation and security clearance issued by the Defense Industrial Security Clearance Office (DISCO) or by another Federal Agency may not be required to submit complete security packages, and the investigation will be accepted for adjudication under reciprocity.

An adequate and current investigation is one where the investigation is not more than five years old and the subject has not had a break in service of more than two years.

Required forms will be provided by DHS at the time of award of the contract. Only complete packages will be accepted by the OPR-PSU. Specific instructions on submission of packages will be provided upon award of the contract.

Be advised that unless an applicant requiring access to sensitive information has resided in the US for three of the past five years, the Government may not be able to complete a satisfactory background investigation. In such cases, DHS retains the right to deem an applicant as ineligible due to insufficient background information.

The use of Non-U.S. citizens, including Lawful Permanent Residents (LPRs), is not permitted in the performance of this contract for any position that involves access to DHS
IT systems and the information contained therein, to include, the development and/or maintenance of DHS IT systems; or access to information contained in and/or derived from any DHS IT system.

E. TRANSFERS FROM OTHER DHS CONTRACTS:

Personnel may transfer from other DHS Contracts provided they have an adequate and current investigation (see above). If the prospective employee does not have an adequate and current investigation an eQip Worksheet will be submitted to the Intake Team to initiate a new investigation.

Transfers will be submitted on the COR Transfer Form which will be provided by the Dallas PSU Office along with other forms and instructions.

F. CONTINUED ELIGIBILITY

If a prospective employee is found to be ineligible for access to Government facilities or information, the COR will advise the Contractor that the employee shall not continue to work or to be assigned to work under the contract.

The OPR-PSU may require drug screening for probable cause at any time and/or when the contractor independently identifies, circumstances where probable cause exists.

The OPR-PSU may require reinvestigations when derogatory information is received and/or every 5 years.

DHS reserves the right and prerogative to deny and/or restrict the facility and information access of any Contractor employee whose actions are in conflict with the standards of conduct, 5 CFR 2635 and 5 CFR 3801, or whom DHS determines to present a risk of compromising sensitive Government information to which he or she would have access under this contract.

The Contractor will report any adverse information coming to their attention concerning contract employees under the contract to the OPR-PSU through the COR. Reports based on rumor or innuendo should not be made. The subsequent termination of employment of an employee does not obviate the requirement to submit this report. The report shall include the employees’ name and social security number, along with the adverse information being reported.

The OPR-PSU must be notified of all terminations/resignations within five days of occurrence. The Contractor will return any expired DHS issued identification cards and building passes, or those of terminated employees to the COR. If an identification card or building pass is not available to be returned, a report must be submitted to the COR, referencing the pass or card number, name of individual to whom issued, the last known location and disposition of the pass or card. The COR will return the identification cards and building passes to the responsible ID Unit.
G. EMPLOYMENT ELIGIBILITY

The contractor shall agree that each employee working on this contract will successfully pass the DHS Employment Eligibility Verification (E-Verify) program operated by USCIS to establish work authorization.

The E-Verify system, formerly known as the Basic Pilot/Employment Eligibility verification Program, is an Internet-based system operated by DHS USCIS, in partnership with the Social Security Administration (SSA) that allows participating employers to electronically verify the employment eligibility of their newly hired employees. E-Verify represents the best means currently available for employers to verify the work authorization of their employees.

The Contractor must agree that each employee working on this contract will have a Social Security Card issued and approved by the Social Security Administration. The Contractor shall be responsible to the Government for acts and omissions of his own employees and for any Subcontractor(s) and their employees.

Subject to existing law, regulations and/or other provisions of this contract, illegal or undocumented aliens will not be employed by the Contractor, or with this contract. The Contractor will ensure that this provision is expressly incorporated into any and all Subcontracts or subordinate agreements issued in support of this contract.

H. SECURITY MANAGEMENT

The Contractor shall appoint a senior official to act as the Corporate Security Officer. The individual will interface with the OPR-PSU through the COR on all security matters, to include physical, personnel, and protection of all Government information and data accessed by the Contractor.

The COR and the OPR-PSU shall have the right to inspect the procedures, methods, and facilities utilized by the Contractor in complying with the security requirements under this contract. Should the COR determine that the Contractor is not complying with the security requirements of this contract, the Contractor will be informed in writing by the Contracting Officer of the proper action to be taken in order to effect compliance with such requirements.

The following computer security requirements apply to both Department of Homeland Security (DHS) operations and to the former Immigration and Naturalization Service operations (FINS). These entities are hereafter referred to as the Department.

I. INFORMATION TECHNOLOGY SECURITY CLEARANCE

When sensitive government information is processed on Department telecommunications and automated information systems, the Contractor agrees to provide for the administrative control of sensitive data being processed and to adhere to the procedures
governing such data as outlined in DHS IT Security Program Publication DHS MD 4300.Pub. or its replacement. Contractor personnel must have favorably adjudicated background investigations commensurate with the defined sensitivity level. Contractors who fail to comply with Department security policy are subject to having their access to Department IT systems and facilities terminated, whether or not the failure results in criminal prosecution. Any person who improperly discloses sensitive information is subject to criminal and civil penalties and sanctions under a variety of laws (e.g., Privacy Act).

J. INFORMATION TECHNOLOGY SECURITY TRAINING AND OVERSIGHT

All contractor employees using Department automated systems or processing Department sensitive data will be required to receive Security Awareness Training. This training will be provided by the appropriate component agency of DHS.

Contractors who are involved with management, use, or operation of any IT systems that handle sensitive information within or under the supervision of the Department, shall receive periodic training at least annually in security awareness and accepted security practices and systems rules of behavior. Department contractors, with significant security responsibilities, shall receive specialized training specific to their security responsibilities annually. The level of training shall be commensurate with the individual’s duties and responsibilities and is intended to promote a consistent understanding of the principles and concepts of telecommunications and IT systems security.

All personnel who access Department information systems will be continually evaluated while performing these duties. Supervisors should be aware of any unusual or inappropriate behavior by personnel accessing systems. Any unauthorized access, sharing of passwords, or other questionable security procedures should be reported to the local Security Office or Information System Security Officer (ISSO).

Article 8. Period of Performance

This Agreement becomes effective upon the date of final signature by the ICE Contracting Officer and the authorized signatory of the Service Provider and will remain in effect for a period not to exceed 60 months unless extended by bi-lateral modification or terminated in writing by either party. Either party must provide written notice of intention to terminate the agreement, 90 days in advance of the effective date of formal termination, or the Parties may agree to a shorter period under the procedures prescribed in Article 10. If this Agreement is terminated by either party under this Article, ICE will be under no financial obligation for any costs after the date of termination. The Service Provider will only be paid for services provided to ICE up to and including the day of termination.
If there is a minimum guaranteed population, effective on the 10th day after any termination notification (from either party), the guaranteed minimum will no longer apply and ICE will only pay for actual bed usage.

Article 9. Inspections, Audit, Surveys, and Tours

A. Facility Inspections: The Service Provider shall allow ICE or an entity or organization approved by ICE to conduct inspections of the Facility, as required, to ensure an acceptable level of services and acceptable conditions of confinement as determined by ICE. No notice to the Service Provider is required prior to an inspection. ICE will share findings of the inspection with the Service Provider's Facility Administrator. The Inspection Report will state any improvements to facility operation, conditions of confinement, and level of service that will be required by the Service Provider.

B. ICE will not house detainees in any facility that has received two consecutive overall ratings of less than acceptable. Upon notice that the second overall rating is less than acceptable, ICE will remove all detainees from the Facility within seven (7) calendar days. Any minimum guarantee stated elsewhere in this Agreement is no longer applicable if detainees are removed as a result of two overall ratings less than acceptable. No further funds will be obligated and no further payments will be made.

C. Possible Termination: If the Service Provider, after being afforded reasonable time to comply, fails to remedy deficient service identified through an ICE inspection, ICE may terminate this Agreement without regard to any other provisions in this Agreement.

D. Share Findings: The Service Provider shall provide ICE copies of facility inspections, reviews, examinations, and surveys performed by accreditation sources. The Service Provider shall cooperate fully with the Detention Service Manager (DSM).

E. Access to Detainee and Facility Records: The Service Provider shall, upon request, grant ICE access to any record in its possession, regardless of whether the Service Provider created the record, concerning any detainee held pursuant to this Agreement. This right of access includes, but is not limited to, incident reports, records relating to suicide attempts, and behavioral assessments and other records relating to the detainee's behavior while in the Service Provider's custody; provided, however that access to medical and mental health record information be provided in accordance with Article VI. Furthermore, the Service Provider shall retain all records where this right of access applies for a period of two (2) years from the date of the detainee's discharge from the Service Provider's custody. This right of access specifically applies to all inspections and other Facility reports.

Article 10. Modifications and Disputes

A. Modifications: Actions other than those designated in this Agreement will not bind or incur liability on behalf of either Party. Either Party may request a modification to this Agreement by submitting a written request to the other Party. A modification will
become a part of this Agreement only after the ICE Contracting Officer has approved the modification in writing.

B. Change Orders:

1. The Contracting Officer may, at any time, by written order, and without notice to the Service Provider, make changes within the general scope of this Agreement in any one or more of the following:
   (a) Description of services to be performed, including revisions to the applicable Detention Standards.
   (b) Place of performance of the services.

2. If any such change causes an increase or decrease in the cost of the services under the Agreement, the Contracting Officer will make an equitable adjustment in the agreement price and will modify the Agreement accordingly.

3. The Service provider must assert its right to an adjustment under this Article within 30 days from the date of receipt of the written order including a proposal addressing the cost impacts and detailed supporting data.

4. If the Service Provider’s proposal includes costs that are determined unreasonable and/or unsupportable, as determined by the Contracting Officer, the Contracting Officer will disallow those costs when determining a revised rate, if any.

5. Failure to agree to any adjustment will be a dispute under the Disputes section of the Agreement. However, nothing in this Article excuses the Service Provider from proceeding with the Agreement as changed.

C. Disputes: The ICE Contracting Officer and the authorized signatory of the Service Provider will settle disputes, questions and concerns arising from this Agreement. Settlement of disputes will be memorialized in a written modification between the ICE Contracting Officer and authorized signatory of the Service Provider. In the event a dispute is not able to be resolved between the Service Provider and the ICE Contracting Officer, the ICE Contracting Officer will make the final decision. If the Service Provider does not agree with the final decision, the matter may be appealed to the ICE Head of the Contracting Activity (HCA) for resolution. The ICE HCA may employ all methods available to resolve the dispute including alternative dispute resolution techniques. The Service Provider shall proceed diligently with performance of this Agreement pending final resolution of any dispute.

Article 11. Adjusting the Bed Day Rate

ICE will reimburse the Service Provider at the fixed detainee bed day rate shown in Article 1 paragraph C. The Service Provider may request a rate adjustment no less than thirty-six (36) months after the effective date of the Agreement unless required by law (see Article 19). After thirty-six (36) months, the Service Provider may request a rate adjustment by
submitting the Jail Operating Expense Information Form to the CO. The Parties agree to base the cost portion of the rate adjustment on the principles of allowability and allocability as set forth in OMB Circular A-87, Cost Principles for State, Local, and Indian Tribal Governments, federal procurement laws, regulations, and standards in arriving at the bed day rate. If ICE does not receive an official request for a bed day rate adjustment that is supported by the information submitted through the eIGA System, the fixed bed day rate as stated in this Agreement will be in place indefinitely.

The Service Provider may request an equitable adjustment per the manner specified in the Federal Acquisition Regulations.

ICE reserves the right to audit the actual and/or prospective costs upon which the rate adjustment is based. All rate adjustments are prospective. As the bed day rate is fixed, there are no retroactive adjustment(s).

**Article 12. Enrollment, Invoicing, and Payment**

The Prompt Payment Act requires ICE to make payments under this Agreement the thirtieth (30th) calendar day after the Burlington Finance Office receives a complete invoice. Either the date on the Government's check, or the date it executes an electronic transfer of funds, constitutes the payment date. The Prompt Payment Act requires ICE to pay interest on overdue payments to the Service Provider. The Federal Government will be held harmless for any injury, damage or loss to persons or property caused by a Service Provider employee arising in the performance of this Agreement.

C. **Defense of Suit:** In the event a detainee files suit against the Service Provider contesting the legality of the detainee’s incarceration and/or immigration/citizenship status, or a detainee files suit as a result of an administrative error or omission of the Federal Government, ICE will request that the U.S. Attorney’s Office, as appropriate, move either to have the Service Provider dismissed from such suit; to have ICE substituted as the proper party defendant; or to have the case removed to a court of proper jurisdiction. Regardless of the decision on any such motion, ICE will request that the U.S. Attorney’s Office be responsible for the defense of any suit on these grounds.

D. **ICE Recovery Right:** The Service Provider shall do nothing to prejudice ICE’s right to recover against third parties for any loss, destruction of, or damage to U.S. Government property. If any litigation, claim, negotiation, audit, or other action involving the records has been started before the expiration of the three (3) year period, the records must be retained until completion of the action and resolution of all issues which arise from it or until the end of the regular three (3) year period, whichever is later.

B. Access to Records: ICE and the Comptroller General of the United States, or any of their authorized representatives, have the right of access to any pertinent books, documents, papers or other records of the Service Provider or its subcontractors, which are pertinent to the award, in order to make audits, examinations, excerpts, and transcripts. The rights of access must not be limited to the required retention period, but shall last as long as the records are retained.

C. Delinquent Debt Collection: ICE will hold the Service Provider accountable for any overpayment, or any breach of this Agreement that results in a debt owed to the Federal Government. detainees that were guarded. Such services shall be denoted as a separate item on submitted invoices. ICE agrees to reimburse the Service Provider for actual stationary guard services provided during the invoiced period.

Article 17. Contracting Officer’s Representative (COR)

A. The COR will be designated by the Contracting Officer. When and if the COR duties are reassigned, an administrative modification will be issued to reflect the changes. This designation does not include authority to sign contractual documents or to otherwise commit to, or issue changes, which could affect the price, quantity, or performance of this Agreement.

B. (3) Any of these parties furnished data of any description that were not accurate, the price or cost shall be reduced accordingly and the IGSA shall be modified to reflect the reduction.

(b) Any reduction in the IGSA price under paragraph (a) of this clause due to defective data from a prospective subcontractor that was not subsequently awarded the subcontract shall be limited to the amount, plus applicable overhead and profit markup, by which (1) the actual subcontract or (2) the actual cost to the Service Provider, if there was no subcontract, was less than the prospective subcontract cost estimate submitted by the Service Provider; provided, that the actual subcontract price was not itself affected by defective certified cost or pricing data.
(c)

(1) If the Contracting Officer determines under paragraph (a) of this clause that a price or cost reduction should be made, the Service Provider agrees not to raise the following matters as a defense:

(i) The Service Provider or subcontractor was a sole source supplier or otherwise was in a superior bargaining position and thus the price of the IGSA would not have been modified even if accurate, complete, and current certified cost or pricing data had been submitted.

(iii) The IGSA was based on an agreement about the total cost of the IGSA and there was no agreement about the cost of each item procured under the IGSA.

   (A) The understated data were known by the Service Provider to be understated before the “as of” date specified on its Certificate of Current Cost or Pricing Data; or

   (B) The Government proves that the facts demonstrate that the IGSA price would not have increased in the amount to be offset even if the available data had been submitted before the “as of” date specified on its Certificate of Current Cost or Pricing Data.

(d) If any reduction in the IGSA price under this clause reduces the price of items for which payment was made prior to the date of the modification reflecting the price reduction, the Service Provider shall be liable to and shall pay the United States at the time such overpayment is repaid.
(1) Simple interest on the amount of such overpayment to be computed from the date(s) of overpayment to the Service Provider to the date the Government is repaid by the Service Provider at the applicable underpayment rate effective for each quarter prescribed by the Secretary of the Treasury under 26 U.S.C. 6621(a)(2); and

(2) A penalty equal to the amount of the overpayment, if the Service Provider or subcontractor knowingly submitted certified cost or pricing data that were incomplete, inaccurate, or noncurrent.

(1) the Service Provider or a subcontractor furnished certified cost or pricing data that were not complete, accurate, and current as certified in its Certificate of Current Cost or Pricing Data,

(2) a subcontractor or prospective subcontractor furnished the Service Provider certified cost or pricing data that were not complete, accurate, and current as certified in the Service Provider's Certificate of Current Cost or Pricing Data, or

(3) any of these parties furnished data of any description that were not accurate, the price or cost shall be reduced accordingly and the IGSA shall be modified to reflect the reduction. This right to a price reduction is limited to that resulting from defects in data relating to modifications for which this clause becomes operative under paragraph (a) of this clause.

(c) Any reduction in the IGSA price under paragraph (b) of this clause due to defective data from a prospective subcontractor that was not subsequently awarded the subcontract shall be limited to the amount, plus applicable overhead and profit markup, by which (1) the actual subcontract or (2) the actual cost to the Service Provider, if there was no subcontract, was less than the prospective subcontract cost estimate submitted by the Service Provider; provided, that the actual subcontract price was not itself affected by defective certified cost or pricing data.

(d)

(1) If the Contracting Officer determines under paragraph (b) of this clause that a price or cost reduction should be made, the Service Provider agrees not to raise the following matters as a defense:
(i) The Service Provider or subcontractor was a sole source supplier or otherwise was in a superior bargaining position and thus the price of the IGSA would not have been modified even if accurate, complete, and current certified cost or pricing data had been submitted.

(ii) The Contracting Officer should have known that the certified cost or pricing data in issue were defective even though the Service Provider or subcontractor took no affirmative action to bring the character of the data to the attention of the Contracting Officer.

(iii) The IGSA was based on an agreement about the total cost of the IGSA and there was no agreement about the cost of each item procured under the IGSA.

(iv) The Service Provider or subcontractor did not submit a Certificate of Current Cost or Pricing Data.

(2)

(i) Except as prohibited by subdivision (d)(2)(ii) of this clause, an offset in an amount determined appropriate by the Contracting Officer based upon the facts shall be allowed against the amount of a IGSA price reduction if -

(A) The Service Provider certifies to the Contracting Officer that, to the best of the Service Provider’s knowledge and belief, the Service Provider is entitled to the offset in the amount requested; and

(B) The Service Provider proves that the certified cost or pricing data were available before the “as of” date specified on its Certificate of Current Cost or Pricing Data, and that the data were not submitted before such date.

(ii) An offset shall not be allowed if -

(A) The understated data were known by the Service Provider to be understated before the “as of” date specified on its Certificate of Current Cost or Pricing Data; or

(B) The Government proves that the facts demonstrate that the IGSA price would not have increased in the amount to be offset even if the available data had been submitted before the “as of” date specified on its Certificate of Current Cost or Pricing Data.

(e) If any reduction in the IGSA price under this clause reduces the price of items for which payment was made prior to the date of the modification reflecting the price reduction, the Service Provider shall be liable to and shall pay the United States at the time such overpayment is repaid.

(1) Simple interest on the amount of such overpayment to be computed from the date(s) of overpayment to the Service Provider to the date the Government is repaid by the Service Provider at the applicable underpayment rate effective for each quarter prescribed by the Secretary of the Treasury under 26 U.S.C. 6621(a)(2); and

Article 29. Exclusivity

The Service Provider agrees that the Facility is to be for the exclusive use of ICE and its detainee population. No other agency shall be allowed to use the Facility to house its detainees, prisoners, or inmates without prior approval of the Contracting Officer. If given approval, a separate bed day rate shall be negotiated with the other agency and ICE shall not be responsible for payment related to beds used by another agency. The other agency shall be separately invoiced for the beds it uses. The duration of the use of beds will be determined on a case by case basis.

Article 30. Use of Service Provider’s Policies and Procedures

The Contracting Officer shall approve the Service Provider’s policies and procedures for use under this Agreement. Upon approval, the Service Provider is authorized to use its policies and procedures in conjunction with the Performance-Based National Detention Standards mandated under this Agreement.

Article 31. Accreditation

The Service Provider shall have eighteen (18) months from issuance of the task order to fund this Agreement to become American Correctional Association (ACA) accredited. The Service Provider shall, within nine (9) months from the date this facility becomes operational, formally apply for accreditation to the ACA. Once full accreditation has been obtained, the Service Provider shall maintain this accreditation throughout the life of the Agreement, inclusive of any period extensions. The Service Provider shall provide the Contracting Officer with written proof of such application within five (5) days of the
application. The Service Provider shall provide the Contracting Officer with written proof of its accreditation within five (5) days of notification of its accreditation.

**Article 32. Quality Control**

A. The Service Provider is responsible for management and quality control actions necessary to meet the quality standards set forth in the Agreement. The Service Provider must provide a Quality Control Plan (QCP) that meets the requirements specified in the Performance Requirements Summary (PRS), Attachment 5A to the CO for concurrence prior to award of the IGSA (or as directed by the CO). The CO will notify the Service Provider of concurrence or required modifications to the plan before the Agreement start date. If a modification to the plan is required, the Service Provider must make appropriate modifications and obtain concurrence of the revised plan by the CO before the contract start date.

B. The Service Provider shall provide an overall QCP that addresses critical operational performance standards for the services required under this contract. The QCP shall ensure that services will be maintained at a uniform and acceptable level. At a minimum, the Service Provider shall periodically review and update the QCP policies and procedures at least on an annual basis. The Service Provider shall audit facility’s operations associated with ICE and ICE detainees monthly for compliance with the QCP. The Service Provider shall notify the Government 48 hours in advance of the audit to ensure the COR is available to participate. The Service Provider’s QCP shall identify deficiencies, appropriate corrective action(s), and timely implementation plans to the COR.

C. If the Service Provider proposes changes in the QCP after contract award, the Service Provider shall submit them to the COR for review. If the COR concurs with the changes, the COR shall submit the changes to the CO. The CO may modify the contract to include these changes.

**Article 33. Quality Assurance Surveillance Program (QASP)**

A. The Government’s Quality Assurance Surveillance Program is based on the premise that the Service Provider, and not the Government, is responsible for management and quality control actions to meet the terms of the Agreement. The Quality Assurance Surveillance Plan (QASP) procedures recognize that unforeseen problems do occur. Good management and use of an adequate Quality Control Plan will allow the facility to operate within acceptable quality levels.

B. Each phase of the services rendered under this Agreement is subject to inspection both during the Service Provider’s operations and after completion of the tasks.

C. When the Service Provider is advised of any unsatisfactory condition(s), the Service Provider shall submit a written report to the COR addressing corrective/preventive actions taken. The QASP is not a substitute for quality control by the Service Provider.
D. The COR may check the Service Provider’s performance and document any noncompliance; only the Contracting Officer may take formal action against the Service Provider for unsatisfactory performance.

E. The Government may reduce the invoice or otherwise withhold payment for any individual item of nonconformance observed. The Government may apply various inspection and extrapolation techniques (i.e., 100% surveillance, random sampling, planned sampling, unscheduled inspections) to determine the quality of services, the appropriate reductions, and the total payment due.

F. Attachment 5 of this Agreement sets forth the procedures and guidelines that ICE will use to inspect the technical performance of the Service Provider. It presents the financial values and mechanisms for applying adjustments to the Service Provider’s invoices as dictated by work performance measured to the desired level of accomplishment.

1. The purpose of the QASP is to:
   a. Define the roles and responsibilities of participating Government officials.
   b. Define the types of work to be performed.
   c. Describe the evaluation methods that will be employed by the Government in assessing the Service Provider's performance.
   d. Describe the process of performance documentation.

2. Roles and Responsibilities of Participating Government Officials
   a. The COR(s) will be responsible for monitoring, assessing, recording, and reporting on the technical performance of the Service Provider on a day-to-day basis. The COR(s) will have primary responsibility for completing "Quality Assurance Surveillance Forms" to document their inspection and evaluation of the Service Provider's work performance.
   b. The Contracting Officer (CO) or designee has overall responsibility for evaluating the Service Provider's performance in areas of contract compliance, contract administration, and cost and property control. The CO shall review the COR's evaluation of the Service Provider's performance and invoices. If applicable, deductions will be assessed in accordance with the evaluation of the Service Provider's performance, e.g., monetary adjustments for inadequate performance.

G. The rights of the Government and remedies described in this section are in addition to all other rights and remedies set forth in this Agreement. Any reductions in the Service Provider’s invoice shall reflect the contract’s reduced value resulting from the Service Provider's failure to perform required services. The Service Provider shall not be relieved of full performance of the services hereunder and may be terminated for default based upon inadequate performance of services, even if a reduction was previously taken for any inadequate performance.

Note: Executive Order (EO) 13706 Establishing Paid Sick Leave for Federal Contractors applies to all contracts subject to the Service Contract Act for which the contract is awarded (and any solicitation was issued) on or after January 1, 2017. If this contract is covered by the EO the contractor must provide employees with 1 hour of paid sick leave for every 30 hours they work up to 56 hours of paid sick leave each year. Employees must be permitted to use paid sick leave for their own illness injury or other health-related needs including preventive care; to assist a family member (or person who is like family to the employee) who is ill injured or has other health-related needs including preventive care; or for reasons resulting from or to assist a family member (or person who is like family to the employee) who is the victim of domestic violence sexual assault or stalking. Additional information on contractor requirements and worker protections under the EO is available at www.dol.gov/whd/govcontracts.

ALL OCCUPATIONS LISTED ABOVE RECEIVE THE FOLLOWING BENEFITS:

HEALTH & WELFARE: $4.54 per hour up to 40 hours per week or $181.60 per week or $786.93 per month
HEALTH & WELFARE EO 13706: $4.22 per hour up to 40 hours per week or $168.80 per week or $731.47 per month*

*This rate is to be used only when compensating employees for performance on an SCA-covered contract also covered by EO 13706 Establishing Paid Sick Leave for Federal Contractors. A contractor may not receive credit toward its SCA obligations for any paid sick leave provided pursuant to EO 13706.

VACATION: 2 weeks paid vacation after 1 year of service with a contractor or successor 3 weeks after 5 years and 4 weeks after 15 years. Length of service includes the whole span of continuous service with the present contractor or successor wherever employed and with the predecessor contractors in the performance of similar work at the same Federal facility. (Reg. 29 CFR 4.173)

HOLIDAYS: A minimum of ten paid holidays per year: New Year's Day Martin Luther King Jr.'s Birthday Washington's Birthday Memorial Day Independence Day Labor Day Columbus Day Veterans' Day Thanksgiving Day and Christmas Day. (A contractor may substitute for any of the named holidays another day off with pay in accordance with a plan communicated to the employees involved.) (See 29 CFR 4.174)

THE OCCUPATIONS WHICH HAVE NUMBERED FOOTNOTES IN PARENTHESES RECEIVE THE FOLLOWING:

1) COMPUTER EMPLOYEES: Under the SCA at section 8(b) this wage determination does not apply to any employee who individually qualifies as a bona fide executive administrative or professional employee as defined in 29 C.F.R. Part 541. Because most Computer System Analysts and Computer Programmers who are compensated at a rate not less than $27.63 (or on a salary or fee basis at a rate not less than $455 per week) an hour would likely qualify as exempt computer professionals (29 C.F.R. 541.400) wage rates may not be listed on this wage determination for all occupations within those job families. In addition because this wage determination may not
list a wage rate for some or all occupations within those job families if the survey data indicates that the prevailing wage rate for the occupation equals or exceeds $27.63 per hour conformance may be necessary for certain nonexempt employees. For example if an individual employee is nonexempt but nevertheless performs duties within the scope of one of the Computer Systems Analyst or Computer Programmer occupations for which this wage determination does not specify an SCA wage rate then the wage rate for that employee must be conformed in accordance with the conformance procedures described in the conformance note included on this wage determination.

Additionally because job titles vary widely and change quickly in the computer industry job titles are not determinative of the application of the computer professional exemption. Therefore the exemption applies only to computer employees who satisfy the compensation requirements and whose primary duty consists of:

(1) The application of systems analysis techniques and procedures including consulting with users to determine hardware software or system functional specifications;

(2) The design development documentation analysis creation testing or modification of computer systems or programs including prototypes based on and related to user or system design specifications;

(3) The design documentation testing creation or modification of computer programs related to machine operating systems; or

(4) A combination of the aforementioned duties the performance of which requires the same level of skills. (29 C.F.R. 541.400).

2) AIR TRAFFIC CONTROLLERS AND WEATHER OBSERVERS - NIGHT PAY & SUNDAY PAY: If you work at night as part of a regular tour of duty you will earn a night differential and receive an additional 10% of basic pay for any hours worked between 6pm and 6am.

If you are a full-time employed (40 hours a week) and Sunday is part of your regularly scheduled workweek you are paid at your rate of basic pay plus a Sunday premium of 25% of your basic rate for each hour of Sunday work which is not overtime (i.e. occasional work on Sunday outside the normal tour of duty is considered overtime work).
** HAZARDOUS PAY DIFFERENTIAL **

An 8 percent differential is applicable to employees employed in a position that represents a high degree of hazard when working with or in close proximity to ordnance explosives and incendiary materials. This includes work such as screening, blending, dying, mixing, and pressing of sensitive ordnance explosives and pyrotechnic compositions such as lead azide black powder and photoflash powder.

All dry-house activities involving propellants or explosives. Demilitarization modification, renovation, demolition and maintenance operations on sensitive ordnance explosives and incendiary materials. All operations involving re-grading and cleaning of artillery ranges.

A 4 percent differential is applicable to employees employed in a position that represents a low degree of hazard when working with or in close proximity to ordnance (or employees possibly adjacent to) explosives and incendiary materials which involves potential injury such as laceration of hands, face or arms of the employee engaged in the operation, irritation of the skin, minor burns and the like; minimal damage to immediate or adjacent work area or equipment being used. All operations involving unloading, storage, and hauling of ordnance explosive and incendiary ordnance material other than small arms ammunition. These differentials are only applicable to work that has been specifically designated by the agency for ordnance explosives and incendiary material differential pay.

** UNIFORM ALLOWANCE **

If employees are required to wear uniforms in the performance of this contract (either by the terms of the Government contract by the employer by the state or local law etc.) the cost of furnishing such uniforms and maintaining (by laundering or dry cleaning) such uniforms is an expense that may not be borne by an employee where such cost reduces the hourly rate below that required by the wage determination. The Department of Labor will accept payment in accordance with the following standards as compliance:

The contractor or subcontractor is required to furnish all employees with an
adequate number of uniforms without cost or to reimburse employees for the actual cost of the uniforms. In addition where uniform cleaning and maintenance is made the responsibility of the employee all contractors and subcontractors subject to this wage determination shall (in the absence of a bona fide collective bargaining agreement providing for a different amount or the furnishing of contrary affirmative proof as to the actual cost) reimburse all employees for such cleaning and maintenance at a rate of $3.35 per week (or $.67 cents per day). However in those instances where the uniforms furnished are made of "wash and wear" materials may be routinely washed and dried with other personal garments and do not require any special treatment such as dry cleaning daily washing or commercial laundering in order to meet the cleanliness or appearance standards set by the terms of the Government contract by the contractor by law or by the nature of the work there is no requirement that employees be reimbursed for uniform maintenance costs.

** SERVICE CONTRACT ACT DIRECTORY OF OCCUPATIONS **

The duties of employees under job titles listed are those described in the "Service Contract Act Directory of Occupations" Fifth Edition (Revision 1) dated September 2015 unless otherwise indicated.

** REQUEST FOR AUTHORIZATION OF ADDITIONAL CLASSIFICATION AND WAGE RATE Standard Form 1444 (SF-1444) **

Conformance Process:

The contracting officer shall require that any class of service employee which is not listed herein and which is to be employed under the contract (i.e. the work to be performed is not performed by any classification listed in the wage determination) be classified by the contractor so as to provide a reasonable relationship (i.e. appropriate level of skill comparison) between such unlisted classifications and the classifications listed in the wage determination (See 29 CFR 4.6(b)(2)(i)). Such conforming procedures shall be initiated by the contractor prior to the performance of contract work by such unlisted class(es) of employees (See 29 CFR 4.6(b)(2)(ii)). The Wage and Hour Division shall make a final determination of conformed classification wage rate and/or fringe benefits which shall be paid to all employees performing in the classification from the first day of work on which contract work is performed by them in the classification. Failure
to pay such unlisted employees the compensation agreed upon by the interested parties and/or fully determined by the Wage and Hour Division retroactive to the date such class of employees commenced contract work shall be a violation of the Act and this contract. (See 29 CFR 4.6(b)(2)(v)). When multiple wage determinations are included in a contract a separate SF-1444 should be prepared for each wage determination to which a class(es) is to be conformed.

The process for preparing a conformance request is as follows:

1) When preparing the bid the contractor identifies the need for a conformed occupation(s) and computes a proposed rate(s).

2) After contract award the contractor prepares a written report listing in order the proposed classification title(s) a Federal grade equivalency (FGE) for each proposed classification(s) job description(s) and rationale for proposed wage rate(s) including information regarding the agreement or disagreement of the authorized representative of the employees involved or where there is no authorized representative the employees themselves. This report should be submitted to the contracting officer no later than 30 days after such unlisted class(es) of employees performs any contract work.

3) The contracting officer reviews the proposed action and promptly submits a report of the action together with the agency's recommendations and pertinent information including the position of the contractor and the employees to the U.S. Department of Labor Wage and Hour Division for review (See 29 CFR 4.6(b)(2)(ii)).

4) Within 30 days of receipt the Wage and Hour Division approves modifies or disapproves the action via transmittal to the agency contracting officer or notifies the contracting officer that additional time will be required to process the request.

5) The contracting officer transmits the Wage and Hour Division's decision to the contractor.
6) Each affected employee shall be furnished by the contractor with a written copy of such determination or it shall be posted as a part of the wage determination (See 29 CFR 4.6(b)(2)(iii)).

Information required by the Regulations must be submitted on SF-1444 or bond paper.

When preparing a conformance request the "Service Contract Act Directory of Occupations" should be used to compare job definitions to ensure that duties requested are not performed by a classification already listed in the wage determination. Remember it is not the job title but the required tasks that determine whether a class is included in an established wage determination. Conformances may not be used to artificially split combine or subdivide classifications listed in the wage determination (See 29 CFR 4.152(c)(1))."
