

ERO LESA Statistical Tracking Unit

For Official Use Only (FOUO)/Pre-decisional

FOIA 13-17502 FY2013 YTD Average Daily Population (ADP) by Detention Facility

Data are updated through 04/21/2013 (IIDS v. 1.12 run date 04/23/2013; EID as of 04/21/2013).

FY2013 detention data excludes ORR and MIRP facilities, as well as USM Prisoners.

The Average Daily Population (ADP) is based on Midnight Count. A MANDAY is based on whether a SUBJECT is in a ERO detention facility for the midnight count. For every SUBJECT in a facility for the midnight count, that corresponds to one MANDAY. The ADP is the number of mandays for a given time period, divided by the number of days in that time period.
