Phil/Matt –

As the request of OHA, (b)(6) and I met with Mr. Dave Fluty (Acting Assistant Secretary for Health Affairs), CAPT Dandridge (DHS PHS Liaison), Leslie Holland (OHA Workforce Development, and Jeff Marquez (OHA Chief of Staff) to provide an update on medical planning activities re: the Eos. Topics discussed:

(b)(5)

(b)(5)

Finally, OHA would like to meet with IHSC on a more regular basis (every 2-3 weeks) to offer assistance in ensuring our needs are moved forward for resolution. Very productive meeting and went a long way in cementing a more productive relationship.

Lisa,

Yes, we pulled four SIRs on Friday evening from Philadelphia and provided synopses, which are in regards to declined detainers from August 2016 (attached). The below examples that (b)(6); (b)(7)(C) pulled together from yesterday's survey of all ICE field offices have four examples from the past three months. That request from the field offices (attached) has at 11 examples of detainer declined in 2016 or early 2017. Please let me know if additional examples are needed.

There are more examples of declined detainees from 2014-5 for which the subjects have since reoffended but Phil wanted recent examples.

Also, just made minor edits to below.

Miami-Dade just came back online and is fully cooperative. We should remove them from this response so as not to threaten that.
