ARTICLE I - PURPOSE

The purpose of this Intergovernmental Service Agreement (IGA) is to establish a formal
holding relationship between the U.S. Marshals Service and other federal user agencies
(the government) and Maricopa County, Arizona (the County) for the detention of persons
charged with or convicted of violations of federal law or held as material witnesses
(federal prisoners) at the Maricopa County Jail, Avondale Substation, and Durango
Correction & Detention Center (the facility).

ARTICLE II - SUPPORT AND MEDICAL SERVICES

1. The County agrees to accept and provide for the secure custody, care and safekeeping
of federal prisoners in accordance with state and local laws, standards, policies,
procedures, or court orders applicable to the operations of the facility.

2. The County agrees to provide federal prisoners with the same level of medical care
and services provided local prisoners including the transportation and security for
prisoners requiring removal from the facility for emergency medical services. All
costs associated with hospital or health care services provided outside the facility
will be paid directly by the government.

3. The County agrees to provide transportation between Maricopa County facilities as
necessary for medical attention or for classification purposes. To the extent possible,
federal prisoners will be brought downtown from satellite facilities upon adequate
notification by the USMS.

ARTICLE III - RECEIVING AND DISCHARGE

1. The County agrees to accept as federal prisoners those persons committed by federal
law enforcement officers for violations of federal laws only upon presentation by the
officer of proper law enforcement credentials.

2. The County agrees to release federal prisoners only to law enforcement officers of
agencies initially committing the prisoner (i.e. DEA, INS, etc.) or to a Deputy United
States Marshal. Those prisoners who are remanded to custody by a U.S. Marshal may
only be released to a U.S. Marshal or an agent specified by the U.S. Marshal of the
Judicial District.

3. Government user agencies agree to maintain federal prisoner population levels at or
below the level established by the facility administrator. The facility administrator
may establish levels for each user agency.

4. Federal prisoners may not be released from the facility or placed in the custody of
state of local officials for any reason except for medical or emergency situations.
Federal prisoners sought for a state or local court proceeding must be acquired through
a Writ of Habeas Corpus or the Interstate Agreement of Detainers and then only with
the concurrence of the District U.S. Marshal.

ARTICLE IV - PERIOD OF PERFORMANCE

This Agreement shall be in effect indefinitely until terminated in writing by either
party. Should conditions of an unusual nature occur making it impractical or undesirable
to continue to house prisoners, the County may suspend or restrict the use of the facility
by any or all federal agencies by giving written notice to the U.S. Marshal and the
and the affected user agency. Such notice will be provided 30 days in advance of the
Effective date of formal termination and at least two weeks in advance of a suspension of restriction of use unless an emergency situation requires the immediate relocation of prisoners.

ARTICLE V - ECONOMIC PRICE ADJUSTMENT

1. Payment rates shall be established on the basis of actual costs associated with the operation of the facility during a recent annual accounting period or upon an approved annual operating budget.

2. The rate may be renegotiated not more than once per year, after the Agreement has been effective for twelve months.

3. The County may initiate a request for a rate increase or decrease by notifying the U.S. Marshal in writing at least 60 days prior to the desired effective date of the adjustment. Each rate adjustment submitted must include a completed Basic Data Sheet and Certification Form available from the U.S. Marshal. The County agrees to provide additional cost information to support a rate increase and to permit an audit of accounting records upon request of the Marshals Service.

4. Criteria used to evaluate the increase or decrease in the per-capita rate shall be those specified in the federal cost standards for contracts and grants with State and local governments issued by the Office of Management and Budget.

5. The effective date of the rate modification will be negotiated and specified on the GA Modification form approved and signed by a Marshals Service Contracting Officer. The effective date will be established on the first day of a month for accounting purposes. Payments at the modified rate will be paid upon the return of the signed modification by the authorized local official to the U.S. Marshal.

6. Unless other justifiable reasons can be documented by the County, per diem rate increases shall not exceed the National Inflation rate as established by the U.S. Department of Commerce.

The bidder, offeror, applicant, or subcontractor agrees that a breach of this certification is a violation of the Equal Opportunity clause in this contract. As used in this certification, the term “segregated facilities” means any waiting room, work areas, rest rooms and wash rooms, restaurants and other eating areas; time clocks, locker rooms, and other storage or dressing areas, parking lots, drinking fountains, recreation or entertainment areas, transportation, and housing facilities provided for employees, which are segregated by explicit national origin, because of habit, local custom, or otherwise. He further agrees that (except where he has obtained identical certifications from proposed subcontractors for specific time periods) he will obtain identical certification from proposed subcontractors prior to the award of subcontracts exceeding $10,000 which are not exempt from the provisions of the Equal Opportunity clause; that he will retain such certification in his files; and that he will forward the following notice to such proposed subcontractors (except where the proposed subcontractors have submitted identical certifications for specific time periods):

BRIEF DESCRIPTION OF PROPOSAL AND REQUESTED BOARD ACTION:

It is requested that the Board of Supervisors approve a modification of Intergovernmental Service Agreement #J-E08-M-129, between Maricopa County and the U.S. Marshal's Service.

The former agreement between the U.S. Marshal's Service and Maricopa County provided for a daily prisoner per diem rate of $34.34, to be paid by the Marshal's Service. The appended agreement between the parties calls for an increase to $50.50 for the same service, retroactive to 1 September 1985. The Marshal's Service is allocating nearly 2 million dollars to be paid to Maricopa County under the new arrangement.
