DROIGSA-07-0029

INTER-GOVERNMENTAL SERVICE AGREEMENT ("IGSA")

BETWEEN THE

UNITED STATES DEPARTMENT OF HOMELAND SECURITY
U.S. IMMIGRATION AND CUSTOMS ENFORCEMENT

AND

POLK COUNTY, TEXAS

This Agreement is entered into between United States Immigration and Customs Enforcement, hereinafter referred to as "ICE", and Polk County, Texas, hereinafter referred to as the "PROVIDER" for the detention and care of aliens (thereafter referred to as "DETAINEES").

FACILITY LOCATION:

The PROVIDER shall provide detention services for detainees at the following institution(s):

IAH Detention Center
3400 FM 350 South
Livingston, TX

PERFORMANCE:

The PROVIDER is required, in units housing ICE detainees, to perform in accordance with the most current editions of the ICE Detention Standards, American Correctional Association (ACA) Standards for Adult Local Detention Facilities (ALDF), and Standards Supplement, Standards for Health Services in Jails, latest edition, National Commission on Correctional Health Care (NCCHC). Some ACA standards are augmented by ICE policy and/or procedure. In cases where other standards conflict with DHS/ICE Policy or Standards, DHS/ICE Policy and Standards prevail. ICE Inspectors will conduct periodic inspections of the facility to assure compliance of the aforementioned standards.

The PROVIDER will have eighteen (18) months from commencement of this agreement to become ACA accredited. The PROVIDER shall, within nine (9) months from the date this facility becomes operational, to formally apply for accreditation to the American Correctional Association. The PROVIDER shall furnish written proof of such application to ICE within five (5) days of the application.

PERIOD OF PERFORMANCE:

This Agreement shall become effective upon the date of final signature by ICE and the PROVIDER and remain in effect indefinitely unless terminated in writing, by either party. Either party must provide written notice of intention to terminate the agreement, 120 days in advance of the effective date of formal
termination.

NOTIFICATION AND PUBLIC DISCLOSURES:

No public disclosures regarding this IGSA shall be made by the PROVIDER, except as may be required by federal or state law, or regulation (or any of their contractors or subcontractors) without the review and approval of such disclosure by ICE Public Affairs and express permission granted by the ICE Contracting Officer. The Government considers such information privileged or confidential until award of a formal order under this IGSA.

ORDERS:

Orders will be placed under this IGSA when specific requirements have been identified and funding obtained. Performance under this IGSA is not authorized until the Contracting Officer issues an order, in writing.

PAYMENT RATE:

Per Diem Rate: $55.95

In consideration for the PROVIDER’S performance under the Terms and Conditions of this Agreement, ICE shall make payment to the PROVIDER for each detainee accepted and housed by the PROVIDER. This rate is the per diem rate for the support of one Detainee per day and shall include the day of arrival but not the day of departure.

The PROVIDER shall not charge for costs, which are not directly related to the housing and detention of detainees. Such costs include, but are not limited to:

A) Salaries of elected officials.

B) Salaries of employees not directly engaged in the housing and detention of detainees.

C) Indirect costs in which a percentage of all local government costs are pro-rated and applied to individual departments.

D) Detainee services which are not provided to, or cannot be used by detainees.

E) Operating costs of facilities not utilized by detainees.

F) Interest on borrowing (however represented), bond discounts, cost(s) of financing/refinancing, and legal or professional fees.
FIRM-FIXED-PRICE - PER-DIEM RATES AND PRICE ADJUSTMENTS

Per Diem rate established by this agreement shall be considered firm-fixed-price with economic price adjustment. The per diem rate of $55.95 will be in effect for the first 12 months of the agreement. The rates cover one (1) person per “prisoner day.” The Federal Government may not be billed for two (2) days when a prisoner is admitted one evening and removed the following morning. PROVIDER may bill for the day of arrival, but not for the day of departure. The Per Diem rate is subject to price adjustment at the end of each performance period of one year.

Performance Periods - For the purpose of price adjustments, the performance of this Agreement is twelve (12) months in duration. The first period shall extend from the effective date of the Agreement forward for twelve (12) months. All succeeding periods shall begin on the anniversary date of the preceding period.

Basis for Price Adjustment - A fixed-price with economic price adjustment provides for upward and downward revision of the stated Per Diem based upon cost indexes of labor and operating expenses, or based upon PROVIDER'S actual cost experience in providing the service.

MODIFICATION:

This Agreement, or any of its specific provisions, may be revised or modified by signatory concurrence of the undersigned parties, or their respective official successors.

TRANSPORTATION SERVICE:

1. The PROVIDER shall provide all such air/ground transportation services as may be required to transport detainees securely, in a timely manner, to locations as directed by the Contracting Officers' Technical Representative (“COTR”) or designated ICE official. Transportation mileage reimbursable rates will be commensurate with current applicable federal travel allowance rates. When officers are not providing transportation services the PROVIDER shall assign the employees to supplement security duties within the facility or on-call duties to assist ICE as directed by the COTR or designated ICE official. However, the primary function of these officers is transportation. On-call duties as directed by the COTR utilizing these officers shall not incur any additional expense to the government.

2. The PROVIDER shall assign at least six (6) two person teams of transportation officers on a daily basis distributed throughout a twenty-four (24) hour period Monday through Friday excluding Holidays. On weekends and holidays, the PROVIDER shall provide at least three (3) two person teams of transportation officers throughout a twenty-four (24) hour period on weekends and holidays. The COTR shall approve the number of teams assigned to any shift or period of time in order to meet the needs of ICE transportation requirements.
3. The PROVIDER shall furnish a minimum of six (6) vehicles in good repair and suitable, approved by the government, to safely provide the required transportation service. At least three (3) of the vehicles must have the capacity of either forty-eight (48), forty (40), or thirty-eight (38) passengers and the other vehicles must have a capacity of at least twelve (12) passengers. Nothing in this agreement shall restrict the PROVIDER from acquiring additional vehicles as deemed necessary by the PROVIDER at no cost to the Government. The PROVIDER shall not allow employees to use their privately owned vehicles to transport detainees. The PROVIDER shall furnish vehicles equipped with interior security features including physical separation of detainees from guards. The PROVIDER shall provide the interior security specification of the vehicles to ICE for review and approval prior to installation.

4. In the event of transportation services involving distances that exceed a standard eight (8) hour workday to complete, the PROVIDER shall be reimbursed related costs of lodging and meals commensurate with the U.S. General Services Administration rates for such within the geographical area of occurrence. Any incurred overtime pay for such services will be reimbursed at the applicable Department of Labor overtime rate for the transportation officer position incorporated within this agreement. The PROVIDER shall comply with ICE transportation standards related to the number of hours the PROVIDER employee may operate a vehicle. Overnight lodging resulting from transportation services shall be approved in advance by the COTR or designated ICE official.

5. The transportation shall be accomplished in the most economical manner.

6. The PROVIDER personnel provided for the above services shall be of the same qualifications, receive the same training, complete the same security clearances, and wear the same uniforms as those worn by PROVIDER personnel provided for in the other areas of this agreement.

7. During all transportation activities, at least one officer shall be the same sex as the detainee. Questions concerning guard assignments shall be directed to the COTR for final determination.

8. The PROVIDER shall, upon order of the COTR, or upon his own decision in an urgent medical situation, transport a detainee to a hospital location. An officer, or officers, shall keep the detainee under constant supervision 24 hours per day until the detainee is ordered released from the hospital, or at the order of the COTR. The PROVIDER shall then transport the detainee to the detention site.

9. The COTR may direct the PROVIDER to transport detainees to unspecified, miscellaneous locations.

10. When the COTR provides documents to the PROVIDER concerning the detainee(s) to be transported and/or escorted, the PROVIDER shall deliver these documents only to the named authorized recipients. The PROVIDER shall ensure the material is kept confidential and not viewed by any person other than the authorized recipient.
11. The PROVIDER shall establish a communications system that has direct and immediate contact with all transportation vehicles and post assignments. Upon demand, the COTR shall be provided with current status of all vehicles and post assignment employees.

GUARD SERVICES:

1. The PROVIDER agrees to provide stationary guard services on demand by the COTR and shall include, but are not limited to, escorting and guarding detainees to medical or doctor’s appointments, hearings, ICE interviews, and any other location requested by the COTR. Such services will be performed by qualified law enforcement or correctional officer personnel employed by the PROVIDER under their policies, procedure and practices. The PROVIDER agrees to augment such practices as may be requested by ICE to enhance specific requirements for security, detainee monitoring, visitation, and contraband control. Public contact is prohibited unless authorized in advance by the COTR.

2. The PROVIDER shall be authorized one officer for each such remote post, unless otherwise directed by the COTR or designated Agency official.

3. Such services shall be denoted as a separate item on submitted invoices. ICE agrees to reimburse the PROVIDER for actual stationary guard services provided at a negotiated rate of $15.00 per guard, per hour.

MEDICAL SERVICES:

In the event of an emergency, the PROVIDER shall proceed immediately with necessary medical treatment. In such event, the PROVIDER shall notify ICE immediately regarding the nature of the transferred detainee’s illness or injury and type of treatment provided.

The PROVIDER shall ensure that all health care service providers utilized for ICE detainees hold current licenses, certifications, and/or registrations with the State and/or City where they are practicing. The PROVIDER shall retain a registered nurse to provide health care and sick call coverage unless expressly stated otherwise in this Agreement. In the absence of a health care professional, non-health care personnel may refer detainees to health care resources based upon protocols developed by the United States Public Health Service (USPHS) Division of Immigration Health Services (DIHS). Healthcare or health trained personnel may perform screenings.

The PROVIDER shall ensure that onsite medical and health care coverage as defined below is available for all ICE detainees at the facility for at least eight (8) hours per day, seven (7) days per week. The PROVIDER shall ensure that its employees solicit each detainee for health complaints and deliver complaints in writing to the medical and health care staff.

The PROVIDER shall furnish onsite health care under this Agreement. The PROVIDER shall not charge any ICE detainee an additional fee or co-payment for medical services or treatment provided at the PROVIDER’S facility. The PROVIDER shall ensure that ICE detainees receive no lower level of onsite medical care and services than those it provides to local inmates. Onsite health care services shall include arrival screening within twenty-four (24) hours of arrival to the facility, sick call coverage, provision of over-
the-counter medications, treatment of minor injuries (e.g. lacerations, sprains, contusions), treatment of special needs and mental health assessments. Detainees with chronic conditions shall receive prescribed treatment and follow-up care.

Arrival screening shall include at a minimum TB symptom screening, planting of the Tuberculin; skin Test (PPD), and recording the history of past and present illnesses (mental and physical). If the PROVIDER determines that an ICE detainee has a medical condition which renders that person unacceptable for detention under this Agreement, (for example, contagious disease, condition needing life support, uncontrollable violence), the PROVIDER shall notify ICE. Upon such notification, the PROVIDER shall allow ICE reasonable time to make the proper arrangements for further disposition of that detainee.

The DIHS acts as the agent and final health authority for ICE on all off-site detainee medical and health related matters. The relationship of the DIHS to the detainee equals that of physician to patient. The PROVIDER shall release any and all medical information for ICE detainees to the DIHS representatives upon request, except where prohibited by federal or state law or regulation. The PROVIDER shall solicit DIHS approval before proceeding with non-emergency, off-site medical care (e.g. off site lab testing, eyeglasses, cosmetic dental prosthetics, dental care for cosmetic purposes). The PROVIDER shall submit supporting documentation for non-routine, off-site medical/health services to DIHS. For medical care provided outside the facility, the DIHS may determine that an alternative medical provider or institution is more cost-effective or more aptly meets the needs of ICE and the detainee. ICE may refuse to reimburse the PROVIDER for non-emergency medical costs incurred that were not pre-approved by the DIHS. The PROVIDER shall send requests for pre-approval for non-emergency off-site care to:

The Health Authority of the PROVIDER shall notify the DIHS Managed Care Coordinators, ICE Health Services, 1220 L Street, NW, PMB 468, Washington, DC, 20005-4018, phone (888) 718-8947, fax (202)

FEDERAL GOVERNMENT QUALITY ASSURANCE.

The Government's Quality Assurance Program (QASP) is based on the premise that the provider, and not the Government, is responsible for management and quality control actions to meet the terms of the agreement. The QASP procedures recognize that the provider is not a perfect manager and that unforeseen and uncontrollable problems do occur. Good management and use of an adequate QCP will allow the facility to operate within acceptable quality levels.

Each phase of the services rendered under this agreement are subject to inspection both during the providers operations and after completion of the tasks.
When the provider is advised of any unsatisfactory condition(s), the contractor shall submit a written report to the Contracting Officer (CO) addressing corrective/preventive actions taken. The QASP is not a substitute for quality control by the provider.

The COTR may check the contractor's performance and document any noncompliance, however, only the Contracting Officer may take formal action against for unsatisfactory performance.

The Government may reduce the invoice or otherwise withhold payment for any individual item of nonconformance observed. The Government may apply various inspection and extrapolation techniques (i.e., 100% surveillance, random sampling, planned sampling, unscheduled inspections, etc.) to determine the quality of services and the total payment due.

FAILURE TO PERFORM REQUIRED SERVICES. The rights of the Government and remedies described in this section are in addition to all other rights and remedies set forth in this agreement. Any reductions in the invoice shall reflect the agreement's reduced value resulting from the failure to perform required services.

* Positions may be altered depending upon Operator’s need to become NCCHC Accredited or whether the Operator must perform within the guidelines of NCCHC.

It is understood, and represented in the staffing plan above, that the Operator shall provide two (2) Correction Officers (Monday thru Friday) during normal business hours to be utilized as bailiffs as well as one (1) Correction Officer (Monday thru Friday) during normal business hours to be utilized as a Lobby Officer to meet the needs of Immigration and Customs Enforcement and the respective courtroom(s). It is further understood that in instances where Officers are not providing bailiff services, the Operator will assign the employees to supplement security duties within the facility or to assist ICE as directed by the COTR or designated ICE official. The Operator understands, however, that the primary function of these Officers is for bailiff functions and their duties, as assigned by COTR, shall not incur any additional expense to the government.

RE: Proposal Request – 500 Detention Beds at IAH Detention Center

Dear Mr. Hafner:

For your request, please find the employment background process, the detainee population ramp up plan, and a listing of Government/Corporate administrative staff, consistent with the proposal request of November 2006 and the subsequent proposal response submitted in December 2006. If more detailed information is required or any questions or concerns may arise, please do not hesitate to contact me at your convenience.

Employment Background Process

The Facility Operator’s employment background process is facility specific and is always in accordance with the Federal, State, and County Jurisdiction in which we operate as well as with the specific jurisdictions for which they hold offenders. The typical background process conducted in Jail Management Facilities includes, but is not limited to, fingerprinting, criminal history check, citizenship/ work eligibility verification, drug screen, physical fitness test, psychological screen, employment reference check, and personal reference check.

With this facility, the Operator intends on instituting the guidelines as set forth by ICE for the employment background process.
Facility Rump-Up Plan

The facility ramp-up plan below considers the intake of 100 inmates every other business day, thus providing the ability to secure 500 detainees within a two-to-three week time frame. This schedule, however, can be adjusted, either more or less aggressively, based upon the needs of ICE.

RE: Proposal Request – 500 Detention Beds at IAH Detention Center

Dear Mr. Hafner:

Per your request, please find the transportation services and stationary guard addendum, as requested in your e-mail and phone conversation with Marcia Cook on February 7, 2007. These issues remain consistent with the proposal request of November 2006 and the subsequent proposal response submitted in December 2006. If more detailed information is required or any questions or concerns may arise, please do not hesitate to contact me at your convenience.

Transportation Services

The Operator will perform transportation services, other than medical or court related transportation, based on the following assumptions:

- A minimum of two (2) trips per 7 day week from the Facility to the ICE contract detention facility in Houston, Texas, which is approximately 125 miles round trip.
- Infrequent trips to Beaumont, Texas, which is approximately 180 miles round trip.

It is also assumed that most transportation requirements will be limited to within a 350-mile radius of the IAH Detention Center and consist of the transport of anywhere between one (1) and two hundred (200) detainees at any given time.

The Operator will provide all such ground transportation services as may be required to transport detainees securely, in a timely manner, to locations as directed by the COTR or designated ICE Official. It is understood that transportation mileage reimbursable rates will be commensurate with current applicable federal travel allowance rates. It is further understood that in instances where Officers are not providing transportation services, the Operator will assign the employees to supplement security duties within the facility to assist ICE as directed by the COTR or designated ICE official. The Operator understands, however, that the primary function of these Officers is transportation and their duties, as assigned by COTR, shall not incur any additional expense to the government.
The Operator will assign, at a minimum, six (6) two-person teams of Transportation Officers on a daily basis distributed throughout a twenty-four (24) hour period Monday – Friday, excluding Holidays. On weekends and Holidays, the Operator will provide at least three (3) two-person teams of Transportation Officers throughout a twenty-four (24) hour period. The COTR shall approve the number of teams assigned to any shift or period of time in order to meet the needs of ICE transportation requirements.

The Operator furnishes, and will continue to furnish, vehicles in good repair and suitable condition, approved by the government, to safely provide the required transportation services referenced above.

It is understood that the Operator will not allow employees to use their privately owned vehicles to transport detainees at any time. The Operator will furnish vehicles equipped with interior security features including, but not limited to, the utility for physical separation of detainees from guards. The Operator will also provide the interior security specification of the vehicles to ICE for review and approval prior to accepting inmates at the Facility.

In the event that transportation services involving distances that exceed a standard eight (8) hour workday to complete, it is understood that the Operator will be reimbursed for related costs associated with lodging and meals, in accordance with the U.S. General Services Administration rates for such within the geographical area of occurrence. It is further understood that any incurred overtime pay for such services will be reimbursed at the applicable Department of Labor overtime rate for the Transportation Officer position incorporated within this agreement. The Operator will comply with ICE transportation standards related to the number of hours the Operator's employee may operate a vehicle. Overnight lodging resulting from transportation services will be approved in advance by the COTR or designated ICE Official.

In all instances, the Operator will provide transportation services in the most economical manner possible.

The Operator will provide personnel for the aforementioned services with the same qualifications, training, security clearances, and uniforms as the Operator's personnel operating within the Facility.

During all transportation activities, a minimum of one Officer will be the same sex as the detainee(s) being transported. It is understood the COTR or designated ICE Official will have final determination concerning guard assignments.

The Operator will provide, upon order of the COTR or designated ICE Official, or upon its own decision in an urgent medical situation, transport for a detainee to a hospital location. Assigned Officer(s) will keep said detainee(s) under constant supervision (24 hours per day) until the detainee(s) is ordered released from the hospital facility or at the order of the COTR or designated ICE Official. The Operator is responsible for the transportation to the hospital facility and back to the Facility.

It is understood that the COTR, or designated ICE Official, may direct the Operator to transport detainees to unspecified, miscellaneous locations.

When the COTR or designated ICE Official provides documents to the Operator concerning detainee(s) to be transported and/or escorted, the Operator will deliver these documents only to the named authorized recipients. The Operator will ensure the material is kept confidential and not viewed by any person other than the authorized recipient.

It is understood that failure of the Operator to comply fully with the detainee(s) departure as pre-scheduled may result in the Operator having deductions made for non-performance.
Guard Services

The Operator agrees to provide stationary guard services on demand by the COTR or designated ICE Official, which will include, at a minimum, escorting and guarding detainees to medical or doctor's appointments, hearings, ICE interviews, and any other location requested by the COTR or designated ICE Official. Qualified personnel, employed by the Operator under their policies, procedures, and practices, will perform such services. The Operator agrees to augment such practices as may be requested by ICE to enhance specific requirements for security, detainee monitoring, visitation, and contraband control. Public contact will be prohibited unless authorized in advance by the COTR or designated ICE Official.

It is understood that the Operator will be authorized one (1) Officer for each such remote post, unless at the direction of the COTR or designated ICE Official.

The Operator will provide an itemized monthly invoice for such stationary guard services that states the number of hours being billed, the duration of the billing (times and dates) and the name of detainee(s) that were guarded. Such services will be denoted as a separate item on said invoices. It is understood that ICE will reimburse the Operator for actual stationary guard services provided at a rate of $15.00 per hour per guard.

Sincerely,
