STANDARD FORM 30 (REV. 10-83)
INTERGOVERNMENTAL SERVICE AGREEMENT

PURPOSE

The purpose of this Intergovernmental Service Agreement is to establish a formal binding relationship between the United States, Immigration and Naturalization Service (hereafter referred to as the "Service") and the East Feliciana Parish Prison (hereafter referred to as the "Provider") for the long term detention and care of Mariel Cuban aliens and aliens of other nationalities (hereafter referred to as "Detainees").

SUPPORT MEDICAL SERVICES AND GUARD SERVICES

The Provider agrees to accept and provide for the secure custody, care, and safekeeping of Detainees in accordance with the State and local laws, standards, policies, procedures, or court orders applicable to the operations of the facility.

The Provider agrees to provide INS detainees with the same level of medical care and services as provided non-INS prisoners as part of the per manday per diem rate. This rate includes:

- On-site sick call (when provided by on-site staff);
- Medications (over the counter/non-legend and routine drugs and medical supplies);
- Emergency ambulance service to off-site health care services; and
- Escort/security guard services for transport to/from emergency or non-emergency health care services as either an in-patient or out-patient.

The Provider agrees to provide stationary guard services as requested or required for detainees committed to a medical facility for inpatient medical care. Such services will be performed by qualified law enforcement or correctional officer personnel employed by the Provider under their policies, procedures and practices. The Provider agrees to augment such practices as may be requested by the Service to enhance specific requirements for security, detaineet monitoring, visitation and contraband control. The itemized monthly invoice for such stationary guard services shall state the number of hours being billed, the duration of the billing (times and dates) and the name of the detainee(s) that was guarded. The Service agrees to reimburse the Provider for actual stationary guard services provided at the rate of $10.80 per hour.

When specifically requested by the Service, the Provider agrees to arrange for and/or provide extra on-site guard service for diagnosed psychiatric detainees. The Service agrees to provide reimbursement, over and above the per manday per diem rate to the provider for such services when the costs are included with the regular monthly billing for detention service. The Service agrees to reimburse the Provider for actual guard services provided at the rate of $24.00 per day per
When specifically requested by the Service, the Provider agrees to arrange for
and/or provide non-emergency transportation service to transport detainees from
one off-site facility to another. The Service agrees to provide reasonable
reimbursement, over and above the per manday per diem rate, to the Provider for
such transportation services when the costs are included with the regular monthly
billing for detention services.

The Provider further agrees to include all costs associated with hospital or
health care services specifically provided to any detainees both inside and
outside the facility, with the regular monthly billing to the Service for
detention services. In this case, the Provider arranges for the health care
facility, consultant health care provider, and other health care vendor/suppliers
to invoice the Provider for services provided at rates no greater than those
applicable for non-INS detainees in the custody of the Provider. The Service
shall include payment for the hospital/health care services provided along with
the monthly payment for detention services. The Provider shall submit invoices
for hospital and health care services to the Service within sixty (60) days after
the services were rendered. In addition, the following documentation must be
provided in order to support INS payment of these costs:

1) Health Care Facility invoice with discharge summary attached which
includes diagnosis, treatment, prognosis and follow-up needed;
2) Health Care Provider invoice with note attached which includes diagnosis,
treatment and follow-up needed;
3) Health Care Vendor/Supplier invoice with name of INS detainee(s) and
list of services/supplies rendered.

The Provider shall also notify the designated contact person at the local Service
office, when any reimbursable medical care is provided to a detainee inside the
Provider's facility or at a medical care facility outside of the Provider's
facility, in accordance with procedures to be established and mutually agreed
upon.

As requested or required by the Service the Provider shall furnish necessary
articles of clothing (1 pair jeans, 1 shirt, 1 set underwear, 1 pair socks, 1
pair shoes, and if required by weather, 1 coat or jacket) to detainees prior to
their release to a half-way house or to family. The Service agrees to reimburse
the Provider for all actual costs for providing such clothing. The charges for
clothing costs shall be included with the regular monthly billing to the Service
for detention services. A copy of the receipts for such clothing paid by the
Provider shall be submitted with the detention billing to support the
reimbursement.

The Provider agrees to meet the following minimum standards:

1. 24 hour supervision.
2. Full compliance with applicable fire and/or life safety codes, and has appropriate smoke/fire detection equipment installed in the facility.

3. A minimum of two meals in a 24 hour period for each detainee. No fewer than 1,500 calories total per 24 hours and, if detention exceeds four (4) days no fewer than 2,000 calories per day thereafter. There will also be no more than 14 hours between meals.

4. Appropriate 24 hour emergency medical care, and emergency evacuation procedures.

5. When detained overnight, each detainee will be provided a mattress, and, when appropriate, a blanket.

Should conditions of an unusual nature occur making it impractical or undesirable to continue to house aliens, the Provider may suspend or restrict the use of the facility by the Service by giving written notice of such intent to the Service. Such notice will be provided 30 days in advance of the effective date of a formal termination, and at least two weeks in advance of suspension or restriction of use unless an emergency situation requires the immediate relocation of aliens.

The Provider may initiate a request for a rate increase or decrease by notifying the local office of the Service in writing a least 60 days prior to the desired effective date of the adjustment. Any rate increase must be justified in writing to the local Service office prior to being approved.
