INTERGOVERNMENTAL SERVICE AGREEMENT

PURPOSE

The purpose of this Intergovernmental Service Agreement is to establish a formal binding relationship between the United States Immigration and Naturalization Service (hereafter referred to as the "Service") and the Calcasieu Sheriff's Prison (hereafter referred to as the "Provider") for the long term detention and care of Mariel Cuban aliens and aliens of other nationalities (hereafter referred to as "Detainees").

SUPPORT MEDICAL SERVICES AND GUARD SERVICES

The Provider agrees to accept and provide for the secure custody, care, and safekeeping of detainees in accordance with the State and local laws, standards, policies, procedures, or court orders applicable to the operations of the facility.

The Provider agrees to provide INS detainees with the same level of medical care and services as provided non-INS prisoners as part of the per manday per diem rate. This rate includes:

- On-site sick call (when provided by on-site staff);
- Medications (over the counter/non-legend and routine drugs and medical supplies);
- Emergency ambulance service to off-site health care services; and
- Escort/security guard services for transport to/from emergency or non-emergency health care services as either an in-patient or out-patient.

The Provider agrees to provide stationary guard services as requested or required for detainees committed to a medical facility for inpatient medical care. Such services will be performed by qualified law enforcement or correctional officer personnel employed by the Provider under their policies, procedures and practices. The Provider agrees to augment such practices as may be requested by the Service to enhance specific requirements for security, detainee monitoring, visitation and contraband control. The itemized monthly invoice for such stationary guard services shall state the number of hours being billed, the duration of the billing (times and dates) and the name of the detainee(s) that was guarded. The Service agrees to reimburse the Provider for actual stationary guard services provided at the rate of $1.25 per hour.

When specifically requested by the Service, the Provider agrees to arrange for and/or provide extra on-site guard service for diagnosed psychiatric detainees. The Service agrees to provide reimbursement, over and above the per manday per diem rate to the provider for such services when the costs are included with the regular monthly billing for detention service. The Service agrees to reimburse the Provider for actual guard services provided at the rate of $28.00 per day per detainee.
When specifically requested by the Service, the Provider agrees to arrange for and/or provide non-emergency transportation service to transport detainees from one off-site facility to another. The Service agrees to provide reasonable reimbursement, over and above the per manday per diem rate, to the Provider for such transportation services when the costs are included with the regular monthly billing for detention services.

The Provider further agrees to include all costs associated with hospital or health care services specifically provided to any detainees both inside and outside the facility, with the regular monthly billing to the Service for detention services. In this case, the Provider arranges for the health care facility, consultant health care provider, and other health care vendor/suppliers to invoice the Provider for services provided at rates no greater than those applicable for non-INS detainees in the custody of the Provider. The Service shall include payment for the hospital/health care services provided along with the monthly payment for detention services. The Provider shall submit invoices for hospital and health care services to the Service within sixty (60) days after the services were rendered. In addition, the following documentation must be provided in order to support INS payment of these costs:

1) Health Care Facility invoice with discharge summary attached which includes diagnosis, treatment, prognosis and follow-up needed;
2) Health Care Provider invoice with note attached which includes diagnosis, treatment and follow-up needed;
3) Health Care Vendors/Suppliers invoice with name of INS detainee(s) and list of services/supplies rendered.

The Provider shall also notify the designated contact person at the local Service office, when any reimbursable medical care is provided to a detainee inside the Provider’s facility or at a medical care facility outside of the Provider’s facility, in accordance with procedures to be established and mutually agreed upon.

As requested or required by the Service the Provider shall furnish necessary articles of clothing (1 pair jeans, 1 shirt, 1 set underwear, 1 pair socks, 1 pair shoes, and if required by weather, 1 coat or jacket) to detainees prior to their release to a half-way house or to family. The Service agrees to reimburse the Provider for all actual costs for providing such clothing. The charges for clothing costs shall be included with the regular monthly billing to the Service for detention services. A copy of the receipts for such clothing paid by the Provider shall be submitted with the detention billing to support the reimbursement.
