RE: INTERGOVERNMENTAL SERVICE AGREEMENT NO. DROIGSA-06-0002
ELoy DETENTION CENTER

Dear Mr. Perry:

Due to the impending transfer of medical services from Corrections Corporation of America (CCA) to the United States Public Health Service (PHS) at our Eloy Detention Center in Eloy, Arizona, we are proposing a reduced per diem amount.

The current per diem of $68.45 will be reduced by $3.98. Therefore, subject to ICE's approval, the new per diem amount at Eloy will be $64.47 effective February 1, 2007, contingent, of course, upon all medical operations having been transferred to PHS by that date.

Please call me at your convenience at the number below to discuss this matter further. In the meantime, CCA is looking forward to a smooth transition of medical services at Eloy.

Sincerely,

Damon T. Hininger, Vice President
Federal Local Customer Relations

When specifically requested by ICE the PROVIDER

MEDICAL SERVICES:

The U.S. Public Health Services (USPHS) will be
responsible for providing all health care
services provided under contract for detained
aliens in the custody of ICE. The USPHS shall
provide medical coverage at the facility no less
than twenty-four (24) hours per day, seven (7)
days per week.

The contractor shall provide security with a
minimum of a staff of one at all times. When
patients are housed in the infirmary, a security
guard shall be posted to the unit 24 hours a day,
seven days a week. The contractor shall
coordinate and escort detainees to the medical
clinic for sick call, appointments and pill line.

from the clinic with an average of one patient per provider every 10 minutes. Throughput for a clinic of this size could be as high as 200+ patients per day. Escort personnel will have to be assigned accordingly.

The contractor shall provide the detainees written instructions for gaining access to health care services. Procedures shall be explained to all detainees in the detainees' native language, and orally to detainees who are unable to read. The detainee shall similarly be provided instructions and assistance in personal hygiene, dental hygiene, grooming and health care. It shall be made routinely available.

The USPHS shall provide for medical screening upon arrival at the facility performed by health care personnel or health trained personnel.

When communicable or debilitating physical problems are suspected, the detainee shall be separated from the detainee population, and immediately notify USPHS staff. Behavioral problems (detainee who is not diagnosed as psychotic) and suicide observation will be the responsibility of the contractor.

Written policy and defined procedure shall require that detainee's written health complaints are solicited and delivered to the medical facility for appropriate follow-up.

Written policy and defined procedure shall require that health care complaints are responded to and that sick call, conducted by USPHS personnel is available to detainees daily. If a detainee's custody status precludes attendance at sick call, arrangements are made to provide sick call services in the place of the detainee's detention. A minimum of one sick call shall be conducted daily. USPHS reserves the right to conduct triage and sick call in the place of the detainee's detention.

The USPHS shall provide to the contractor and maintain basic first aid kits. First aid kits shall be available at all times and shall be located throughout the facility, as necessary, to allow quick access. Continued ...
