Submitted to SEVP FOIA April 9, 2013

Summary

The information presented in the tables below contains a report of the number of:

- PDSOs,
- DSOs,
- Schools registered to host F-1 students, and
- Schools registered to host M-1 students

Please note: Counts include school officials in active and inactive status. The counts are at the school level, and school officials are counted by role code. For example, if a school official is a PDSO in one campus and a DSO in another campus of a school, then that school official is counted twice for the school - once in each role.

The number of PDSOs and DSOs

Role Code	Count of School Officials By Role Code
