#### Notes:

- All information in this report is derived from public sources (see <a href="www.congress.gov">www.congress.gov</a>).
- The U.S. Immigration and Customs Enforcement (ICE) Office of Congressional Relations (OCR) began tracking of private immigration bill statistics with the 110<sup>th</sup> Congress.
- Private immigration relief legislation (and associated requests for reports) may cover multiple individuals.
- As of January 31, 2025, the ICE policy regarding stays of removal in conjunction with private immigration relief legislation (ICE Directive 5004.3) states:
  - o ICE will consider and, on a case-by-case basis and at ICE's discretion, issue a stay of removal for an individual associate with a private immigration bill only if the Chair of the full Committee or Subcommittee or jurisdiction expressly makes a written request that ICE stay the alien-beneficiary's removal, independent of any request for an investigative report. A request for an investigative report will no longer trigger an automatic stay of removal.
  - o ICE will not grant an alien-beneficiary more than one stay of removal through the private immigration bill process. As such, ICE will not honor subsequent request for a stay of removal from the Chair of the Committee or Subcommittee of jurisdiction for an alien-beneficiary who has already received a stay through the private immigration bill process.
  - The duration of a stay of removal will be limited to six months. However, the ICE Director, at his or her discretion, can provide a one-time 90-day extension beyond the initial six-month stay if specifically requested in writing by the Chair of the Committee or Subcommittee of jurisdiction and, if necessary, to accommodate extenuating circumstances.
  - o ICE will take appropriate action, including the removal of the alien-beneficiary, in cases where ICE discovers derogatory information about an alien-beneficiary after issuing a stay of removal. ICE will notify the appropriate Committee or Subcommittee of the action it takes.
