[1] Section 62.8 General program requirements.

(b) **Minimum duration of program**. Sponsors, other than the Federal Government agencies (identified by the program serial, G-1, G-2 and G-3), shall provide each exchange visitor, except short-term scholars, with a minimum period of participation in the United States of 3 weeks.

[2] Extension beyond maximum duration of participation for professors and research scholars is only allowed if the sponsor's program serial is G-7.

[3] The maximum duration of participation for Summer Work Travel is 1 year if the country of citizenship is Australia/New Zealand and for select programs.

4 The maximum duration of participation for a trainee is 18 months for all occupational categories except in the occupational fields of "Agriculture, Forestry, and Fishing" and "Hospitality and Tourism." Training in the fields of Hospitality and Tourism are limited to a maximum of 12 months. Training in the fields of Agriculture, Forestry, and Fishing is limited to 12 months, unless 6 months contain an academic classroom component, which allows a maximum of 18 months. The Department may limit the designation to a lesser amount of time, for example, a 6- or 12-month training program. An extension of a program beyond the 18 months would be considered an extension beyond the maximum duration of participation and require DoS approval.
