Re: SEVP Field Representative Designated to Your School

Number: 1712-05

Dear Principal Designated School Officials,

On behalf of the Student and Exchange Visitor Program (SEVP), I am pleased to announce your school is now assigned an SEVP field representative. Serving as direct day-to-day liaisons between SEVP and SEVP-certified schools, our field representatives are a valuable resource for schools.

SEVP field representatives will contact schools directly within the next few weeks to introduce themselves. Your field representative is here to answer your questions about the F and M student process, provide training and assistance and attend local conferences and events pertaining to F and M students. For additional details on the roles and responsibilities of SEVP field representatives, visit [Study in the States](#).

Please contact only your assigned SEVP field representative or the SEVP Response Center (SRC). SRC is available at 703-603-3400 or 800-892-4829, Monday through Friday, 8 a.m. to 6 p.m. ET, except on federal holidays.

SEVP thanks you again for your continued support. We hope you rely on your field representative as a resource to answer questions and address concerns related to the SEVP recertification and F and M student process.

Sincerely,

Rachel Canty

SEVP Deputy Assistant Director
