### **General Information**

Beginning in September, the Student and Exchange Visitor Program (SEVP) will distribute its quarterly edition of SEVP Spotlight via email through [GovDelivery](#). As a result, SEVP Spotlight will no longer be distributed through the Student and Exchange Visitor Information System.

SEVP Spotlight, a newsletter for the academic community, includes important program news, seasonal reminders and updates relevant to the international student life cycle. The next edition of SEVP Spotlight will include a timely article from SEVP Director Rachel Canty on emergency preparedness. The edition will also feature:

- An update from the SEVP Field Representative Unit.
- Information about what's new on Study in the States.
- Tips for designated school officials serving F-1 international students in kindergarten through grade 12.

For these articles and other program updates from SEVP, sign up to receive SEVP Spotlight through [GovDelivery](#).
