### **General Information**

Dear principal designated school official,

On behalf of the Student and Exchange Visitor Program (SEVP), I am pleased to announce that your school is now assigned an SEVP field representative. Field representatives serve as direct, day-to-day liaisons between SEVP and SEVP-certified schools, and are a valuable resource for certified schools.

Your field representative will contact your school directly within the next few weeks to introduce themselves. As a reminder, your field representative is available to answer questions about the F and M student process, provide training and assistance, and attend local conferences and events pertaining to F and M students. For additional details on the roles and responsibilities of SEVP field representatives, please visit the [SEVP Field Representative](#) page on [Study in the States](#).

SEVP thanks you again for your continued support. We hope you rely on your field representative as a resource to answer questions and address concerns related to the school certification and international student life cycles.

For questions pertaining to SEVP or the F and M student process, please contact your assigned field representative or the SEVP Response Center (SRC). Contact the SRC via phone at 703-603-3400 or 1-800-892-4829 or via email at [SEVP@ice.dhs.gov](mailto:SEVP@ice.dhs.gov). The SRC is open Monday through Friday, 8 a.m. to 6 p.m. ET, except for federal holidays.

Sincerely,

Rachel Canty

SEVP Deputy Assistant Director
