

Broadcast Message: SEVIS Notice – SEVIS URL Migration Reminder

To: All SEVIS Users

Date: April 9, 2025

Number: 2504-01

General Information

The Student and Exchange Visitor Program (SEVP) migrated the Student and Exchange Visitor Information System (SEVIS) Production environment to a new platform on Dec. 6, 2024. This migration changed the SEVIS Production URL to <https://sevis.ice.gov>. This change became effective March 1, 2025, and the old URL has been disabled. All users must use the new URL to access the SEVIS Production environment.

If users have questions about this migration, please contact the SEVP Response Center via email at SEVP@ice.dhs.gov or via phone at 703-603-3400 or 800-892-4829, Monday through Friday, from 8 a.m. to 6 p.m. EST, except federal holidays.
