The Student and Exchange Visitor Program (SEVP) will deploy SEVP Portal Release 6.4 on Friday, June 13, 2025.

SEVP Portal Release 6.4 does not have any new functionalities for students. However, this release will fix the following issue:

- The SEVP Portal will stop displaying, “Warning. Previously provided employer information from SEVIS is not complete. All required fields must be provided prior to saving,” when the employment data has been entered into the portal correctly.

Additional information about this release is available in the [SEVP Portal Release 6.4 Planning Guide](#), located on the [SEVP Portal Enhancements](#) page in the [SEVIS Help Hub](#).

Please see below for SEVP Portal outage details:

- The portal will NOT be available from **Friday, June 13, 2025, at 8 p.m. EDT** to **Saturday, June 14, 2025, at 12 a.m. EDT**.

During the outage, users will not have access to the SEVP Portal. Any changes to student records in the Student and Exchange Visitor Information System will upload to the SEVP Portal once it is back online. Be aware that SEVP will not send a follow-up email regarding system availability.
