MAVNI: Student Status and SEVIS Reporting

- Encourage recruits to maintain status as long as possible
- Terminate SEVIS record (if the student has not completed a program) within 30 days of the session start date in which the student cannot enroll, or within 21 days of the date in the middle of a term upon which he/she can no longer maintain student status
- If a dependent, terminate in SEVIS for reason of “Other”
- If the student has notified a DSO of his/her enlistment and departure, the termination reason should be “Authorized Early Withdrawal.” If not, the termination reason should be “Otherwise Failing to Maintain Status”
- In the Remarks section of the Form I-20, you may state:
“Student/dependent has maintained status up to the present time. Is being Terminated because of MAVNI enlistment in the U.S. Army; Date (on which he or she must report, if known).”

- There is a period of lapsed status between the termination of the SEVIS record and the filing of the Form N-400, Application for Naturalization
- Although enforcement against MAVNI enlistees or their dependents is unlikely during this period, recruits are advised to address concerns about their (and their dependents') status to:
