Conference Roundup: SEVP Attends EducationUSA's 2015 Annual Forum

The Student and Exchange Visitor Program (SEVP) recently attended [EducationUSA's 2015 Annual Forum](#) — a three day event attended by over 600 designated school officials (DSOs) to learn about F and M student recruitment, enrollment and support services.

SEVP and representatives from the U.S. Department of State's Bureau of Consular Affairs shared information with DSOs and other conference attendees about the following:

- The ["Adjustments to Limitations on Designated School Official Assignment and Study by F-2/M-2 Nonimmigrants"](#) regulation;
- The [recent Student and Exchange Visitor Information System \(SEVIS\) Release 6.21](#) and information about the SEVIS name, address and email standards, as well as updated forms and the [SEVIS Help Hub](#);
- Recent scams associated with the [I-901 SEVIS Fee](#); and
- Hiring and deployment plans for the third and fourth classes of [SEVP field representatives](#).

DSOs: Check out the New Resources Coming to Study in the States

This month, SEVP will launch new resources on [Study in the States](#) to assist DSOs and international students in learning about student benefits and specific requirements for K-12 schools. These resources include:

- [Systematic Alien Verification for Entitlements \(SAVE\) Case Check on Study in the States](#): SEVP partnered with U.S. Citizenship and Immigration Services to develop a new Study in the States resource page to assist international students that apply for benefits while in the United States. Students that applied for benefits, such as a driver's license or Social Security Number, can learn about the SAVE program and how to check their [SAVE Case Status](#) on Study in the States.
- **K-12 Resource Page**: In late July, DSOs from primary and/or secondary schools will be able to access a new resource page with information on the K-12 student process. DSOs can learn about policies and regulations specific to K-12 schools and students, as well as hot topics such as international student athletes and proof of financial resources.

Stay tuned to [Study in the States](#) to learn about upcoming features, including a social media hub, an embeddable widget and an interactive overview of the school certification process!
