**Re:** SEVIS NOTICE – SEVIS Alpha Testing Environment Upgrade to Release 6.24

**Number:** 1601-02

---

## **General Information**

The Student and Exchange Visitor Program (SEVP) will upgrade the [Student and Exchange Visitor Information System \(SEVIS\) Alpha Testing environment](#) to apply the latest changes for SEVIS Release 6.24.

The updated SEVIS Release 6.24 Anticipated System Changes notice is attached for your information. This notice contains highlights of the planned system changes for SEVIS Release 6.24.

The upgrades to the Alpha Testing environment will require an outage. See below for the outage details:

- The SEVIS Alpha Testing environment will NOT be available on **Friday, Jan. 15, 2015**, from **9 a.m. to 1 p.m. EST**.

During the outage, users will not have access to the SEVIS Alpha testing environment. Please note: SEVP will not send a follow-up email regarding system availability.

SEVP will continually update the SEVIS Alpha Testing environment while completing the development of additional functionality. Continue to monitor the SEVP broadcast messages and the SEVIS message board for additional information regarding updates to the SEVIS Alpha Testing environment.

We will send out information concerning the final system changes and the scheduled production outage before the official implementation date. If you have questions regarding any of the changes described in the attached notice or SEVIS Alpha Testing environment, please contact the SEVIS Technical Feedback Team at [SEVISTechnicalFeedback@ice.dhs.gov](mailto:SEVISTechnicalFeedback@ice.dhs.gov).

If you have questions regarding this outage, please contact the SEVP Response Center at 703-603-3400 or 800-892-4829, Monday through Friday, from 8 a.m. to 6 p.m. ET.
