Re: DATE CHANGE: SEVIS Form I-17 Workflow Webinar

Number: 1608-10

General Information

Due to technical problems related to a software update for the Student and Exchange Visitor Information System (SEVIS) webinars, the Student and Exchange Visitor Program (SEVP) must postpone tomorrow's Form I-17, "Petition for Approval of School for Attendance by Nonimmigrant Student," Workflow Changes Webinar.

NEW DATE: Friday, Sept. 9, 2016

NEW TIME: 2 to 3:30 p.m. (EDT)

The webinar will cover the following topics:

- Changes to Form I-17.
- Changes in the workflow for Form I-17 updates.
- The redesigned School Information page.
- Changes to the Recertification screen in SEVIS.

Participants will have the opportunity to ask questions.

Registration for the webinar is now open on [Study in the States](#).

The webinar room will open 15 minutes before the scheduled webinar start time. Since the session has limited participation availability, we encourage people from the same organization to participate in the webinar from one location. SEVP will record the webinar. The recording will be available on Study in the States within seven days of the webinar.
