**Re:** Attention: FMJFee.com Outage on Nov. 16

**Number:** 1611-01

---

### **General Information**

On Wednesday, Nov. 16, 2016, the Student and Exchange Visitor Program (SEVP) will upgrade [FMJFee.com](http://FMJFee.com), a site that allows F-1, M-1 and J-1 nonimmigrants to pay the I-901 SEVIS Fee. During this upgrade, the site will be unavailable. SEVP anticipates the outage to begin around 8 a.m. EST and last between two to four hours.

SEVP requests that designated school officials and responsible officers help us communicate this outage to potential F-1, M-1 and J-1 nonimmigrants in order to alleviate any potential confusion.

This upgrade will implement a responsive design to FMJFee.com that will allow users full access from their mobile device. With simplified content and more intuitive navigation, the upgraded FMJFee.com will make it easier for users to pay and monitor the status of their I-901 SEVIS Fee.

We apologize for any inconvenience this planned outage may cause and appreciate your continued support and patience.
