## General Information

As a federal information system, the Student and Exchange Visitor Information System (SEVIS) is subject to the Federal Information Security Management Act (FISMA). The act requires an annual verification that all users who access a federal system have both the business need and the authorization to access the system. To comply with FISMA, principal designated school officials (PDSOs), designated school officials (DSOs), responsible officers (ROs) and alternate responsible officers (AROs) who have access to SEVIS must annually verify that they:

1. Are still employed by the organization,
2. Continue to be the selected PDSO, DSO, RO or ARO, and
3. Require continued access to SEVIS.

The Student and Exchange Visitor Program (SEVP) will conduct the next annual verification beginning Dec. 2, 2017, and ending March 2, 2018. PDSOs and ROs will have 90 days to review and provide verification for all of their officials.

- **Length of Verification Period:** 90 days
